To amend chapter 44, RSMo, by adding thereto one new section relating to protecting Missouri's economy during a shutdown order.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 44, RSMo, is amended by adding thereto one new section, to be 2 known as section 44.251, to read as follows:

44.251. 1. This section shall be known and may be cited as the "Protecting 2 Missouri's Small Businesses Act".

2. As used in this section, "shutdown order" means any order by the state or any
agency or political subdivision thereof to close a business organization that is caused by
any reason outside the business organization's control.

6

3. The general assembly hereby finds and declares the following:

7 (1) It is an essential function of state government to protect the public health, 8 welfare, peace, safety, and the economic viability and well-being of Missourians;

9 (2) One method of protecting Missourians is to preserve and promote the 10 economic viability, well-being, and development of businesses in this state;

(3) The state and its political subdivisions may be required to take necessary
emergency actions for the protection of Missourians that may adversely affect the
economic viability and well-being of Missourians and businesses in the state;

14 (4) Such governmental actions should not be entered into without careful 15 consideration of and appropriate concern for the lasting effects that may cause 16 economic loss to Missourians and businesses in the state;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17 (5) It is the public policy of the state of Missouri that a political subdivision shall 18 give appropriate consideration to the effects of its actions on the economic well-being of 19 Missourians and businesses in the state; and

(6) To ensure that a political subdivision gives appropriate consideration to such
 actions, a political subdivision shall participate in economic losses caused by the political
 subdivision's actions affecting Missourians and businesses in the state as provided in
 this section.

4. (1) Notwithstanding any other provision of law to the contrary, beginning January 1, 2024, if any political subdivision with jurisdiction over a business implements any shutdown order or orders and the business closes solely due to such shutdown order or orders for at least twenty-one consecutive days or at least forty-five cumulative days, the following shall apply:

(a) Any fee for a business license imposed by the political subdivision with jurisdiction over the business shall be waived for the business during the period of the shutdown order or orders or six months, whichever is longer. Fees for a business license may be prorated; and

(b) The political subdivision with jurisdiction over the business shall reduce the
real and personal property tax liability of such business based on the number of days the
business was shut down in a given year as follows:

36 a. If the shutdown order or orders end before June first, the appropriate officials 37 responsible for assessing and levving real and personal property taxes and providing 38 statements of taxes due in the political subdivision with jurisdiction over the business 39 shall calculate the tax liability of such business as required by law. After such tax 40 liability is calculated, such officials shall reduce such tax liability as required in this section. Such reduction shall be reflected on the statement of taxes due provided to the 41 42 taxpayer who is liable for the property taxes of the business. Such appropriate officials 43 shall follow all procedures for calculating such taxes and providing such statements 44 provided by law as practicable. A taxpayer receiving a reduced statement of taxes due 45 shall make full payment of such reduced taxes before the delinquency date as provided by law; and 46

b. If the shutdown order or orders remain in effect on or after June first, the taxpayer who is liable for the property taxes of the business shall make full payment of taxes due before the delinquency date as provided by law. The appropriate officials responsible for assessing and levying real and personal property taxes and providing statements of taxes due in the political subdivision with jurisdiction over the business shall: (i) Notify such taxpayer, at the same time the taxpayer's statement of taxes due is
provided to the taxpayer as required by law, that the taxpayer may apply for a refund of
a portion of the property tax liability of such business as provided in this section;

56 (ii) Provide a method of applying for a refund of such portion of such tax 57 liability, by which the taxpayer shall provide any information required by the 58 appropriate officials to assist in the calculation of such portion. A refund application 59 made as provided in this subparagraph shall be submitted to the appropriate official no 60 later than the January fifteenth immediately following the refund notification;

61 (iii) Calculate the amount of such allowable portion to be refunded and notify 62 the taxpayer of such amount. All such calculations for all refund applications shall be 63 completed no later than the February fifteenth following the refund notification; and

64 (iv) Make payments of all refunds to all taxpayers eligible for the refund. All 65 such payments of refunds shall be completed no later than the March fifteenth 66 immediately following the refund notification.

67 (2) Notwithstanding any other provision of this section to the contrary, a 68 taxpayer whose tax liability is reduced as provided in this subsection and who leases or 69 rents all or a portion of the taxpayer's affected real property to one or more renters or 70 lessors shall distribute such amount by which the tax liability is reduced on a pro rata 71 basis to such renters or lessors who are current on all lease or rental payments owed to 72 the taxpayer whose tax liability is reduced.

This section shall not be construed to apply to fees required for a license or
 certification of an individual to practice a profession.

6. This section shall not be construed as an exemption of property from taxation requiring the state to provide restitution or a replacement of revenues lost to a political subdivision. Any action taken by a political subdivision that results in a recalculation or refund of taxes or revenues lost by the political subdivision, or both, shall be construed as an exercise of the political subdivision's authority to levy and collect local tax revenues as provided by state law.
