4. The election official of the eligible city or eligible county shall certify results to the governing body of such city or county no later than thirty days after the election. Upon certification of the results, the governing body of such city or county may proceed with the performance of all things necessary and incidental to participation in the district.

6 provided to the chief elected officer of each political body represented on the commission.

67.1785. 1. Upon voter approval of the property tax in both an eligible city and

19 four-year term.

20 4. Commissioners may be reappointed. Vacancies shall be filled in the same
21 manner as the original appointment was made for the vacant seat.

22 5. The commission shall select annually, from its membership, a vice chair and a
23 treasurer. The treasurer shall be bonded in such amounts as the commission may require.

24 6. The commission may appoint such officers, agents, and employees as it deems
25 necessary to perform its duties and shall determine the qualifications and duties and fix
26 the compensation of such officers, agents, and employees. However, the commission shall
27 not expend more than two percent of the moneys it receives in any given year on operating
28 expenses, excluding the cost of its annual audit.

29 7. The commission shall fix the time and place of its meetings. Meetings shall be
30 held within the district and shall be open to the public. Public notice shall be given of all
31 meetings, and the commission shall be in compliance with the open meeting laws of the
32 state at all times.

33 8. A majority of the commissioners shall constitute, in the aggregate, a quorum for
34 the transaction of business. No action of the commission shall be binding unless taken at

35 a meeting at which at least a quorum is present and a majority of the commissioners
36 present vote in favor thereof.

37 9. The commissioners shall be subject to the provisions of the conflicts of interest
38 laws. A commissioner shall disclose any conflict of interest in writing to the commission
39 and shall abstain from voting on any matter relating to such conflict.

40 10. Commissioners shall enjoy official immunity under the common law for any

43 commissioner. If any action at law or equity, or other legal proceeding, shall be brought
44 against any commissioner for any act or omission arising out of the performance of duties
45 as a commissioner, the commissioner shall be indemnified in whole and held harmless by
46 the commission for any judgment or decree entered against the commissioner and shall be
47 defended at the cost of expense of the commission in any such proceeding.
