

SECOND REGULAR SESSION

HOUSE BILL NO. 1407

100TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE SAULS.

3692H.011

DANA RADEMAN MILLER, Chief Clerk

AN ACT

To repeal section 643.055, RSMo, and to enact in lieu thereof one new section relating to the air conservation commission.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 643.055, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 643.055, to read as follows:

643.055. 1. Other provisions of law notwithstanding, the Missouri air conservation commission shall have the authority to promulgate rules and regulations, pursuant to chapter 536, to establish standards and guidelines to ensure that the state of Missouri is in compliance with the provisions of the federal Clean Air Act, as amended (42 U.S.C. Section 7401, et seq.). The standards and guidelines so established shall ~~[not be any stricter than those required under]~~ **meet** the provisions of the federal Clean Air Act, as amended~~[- nor shall those standards and guidelines be enforced in any area of the state prior to the time required by the federal Clean Air Act, as amended. The restrictions of this section shall not apply to the parts of a state implementation plan developed by the commission to bring a nonattainment area into compliance and to maintain compliance when needed to have a United States Environmental Protection Agency approved state implementation plan. The determination of which parts of a state implementation plan are not subject to the restrictions of this section shall be based upon specific findings of fact by the air conservation commission as to the rules, regulations and criteria that are needed to have a United States Environmental Protection Agency approved plan].~~

2. The Missouri air conservation commission shall also have the authority to grant exceptions and variances from the rules set under subsection 1 of this section when the person applying for the exception or variance can show that compliance with such rules:

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

18 (1) Would cause economic hardship; or

19 (2) Is physically impossible; or

20 (3) Is more detrimental to the environment than the variance would be; or

21 (4) Is impractical or of insignificant value under the existing conditions.

22 3. The department shall not regulate the manufacture, performance, or use of residential
23 wood burning heaters or appliances through a state implementation plan or otherwise, unless first
24 specifically authorized to do so by the general assembly. No rule or regulation respecting the
25 establishment or the enforcement of performance standards for residential wood burning heaters
26 or appliances shall become effective unless and until first approved by the joint committee on
27 administrative rules.

28 4. New rules or regulations shall not be applied to existing wood burning furnaces,
29 stoves, fireplaces, or heaters that individuals are currently using as their source of heat for their
30 homes or businesses. All wood burning furnaces, stoves, fireplaces, and heaters existing on
31 August 28, 2014, shall not be subject to any rules or regulations enacted after such date. No
32 employee of the state or state agency shall enforce any new rules or regulations against such
33 existing wood burning furnaces, stoves, fireplaces, and heaters.
