---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 640.136, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 640.136, to read as follows:

640.136. 1. **Any public water system, as defined in section 640.102, or public water supply district, as described in chapter 247, that intends to start or stop fluoridation of its water supply on a continuing basis shall seek and receive information about the impact of public water fluoridation from the local health department.**

2. **Any public water system or public water supply district that receives information under subsection 1 of this section shall notify the department of natural resources and the department of health and senior services in order to certify that the public water system or public water supply district has sought and received information about the impact of public water fluoridation from the local health department prior to submitting notification of the public water system's or public water supply district's intention to start or stop public water fluoridation on a continuing basis.** Any public water system, as defined in section 640.102, or public water supply district, as defined in chapter 247, which intends to ~~make modifications to~~ **start or stop** fluoridation of its water supply **on a continuing basis** shall notify the department of natural resources, the department of health and senior services, and its customers of its intentions at least ninety days prior to any vote on the matter. The public water system or public water supply district shall notify its customers via radio, television, newspaper, regular mail, electronic means, or any
