The charter school shall report the average daily attendance data, free and reduced price lunch count, special education pupil count, and limited English proficiency pupil count to the state department of elementary and secondary education. Each charter school shall promptly notify the state department of elementary and secondary education and the pupil's school district when a pupil discontinues enrollment at a charter school.

19 163.011 plus all other state aid attributable to such pupils.

20 (2) The district of residence of a pupil attending a charter school shall also pay to the
21 charter school any other federal or state aid that the district receives on account of such pupil.

22 (3) If the department overpays or underpays the amount due to the charter school,
23 such overpayment or underpayment shall be repaid by the charter school or credited to the
24 charter school in twelve equal payments in the next fiscal year.

25 (4) The amounts provided pursuant to this subsection shall be prorated for partial year
26 enrollment for a pupil.

27 (5) A school district shall pay the amounts due pursuant to this subsection as the
28 disbursal agent and no later than twenty days following the receipt of any such funds. The
29 department of elementary and secondary education shall pay the amounts due when it acts as
30 the disbursal agent within five days of the required due date.

31 3. A workplace charter school shall receive payment for each eligible pupil as
32 provided under subsection 2 of this section, except that if the pupil is not a resident of the
33 district and is participating in a voluntary interdistrict transfer program, the payment for such
34 pupils shall be the same as provided under section 162.1060.

35 4. A charter school that has declared itself as a local educational agency shall receive

44 charter school the annual amount reduced from the school district's payment.

45 5. If a school district fails to make timely payments of any amount for which it is the
46 disbursal agent, the state department of elementary and secondary education shall authorize
47 payment to the charter school of the amount due pursuant to subsection 2 of this section and
48 shall deduct the same amount from the next state school aid apportionment to the owing
49 school district. If a charter school is paid more or less than the amounts due pursuant to this
50 section, the amount of overpayment or underpayment shall be adjusted equally in the next
51 twelve payments by the school district or the department of elementary and secondary
52 education, as appropriate. Any dispute between the school district and a charter school as to
53 the amount owing to the charter school shall be resolved by the department of elementary and
54 secondary education, and the department's decision shall be the final administrative action for
