25           (16) Two members from the leading voluntary health organization in Alzheimer's  
26 care, support, and research.

27           2. The members of the task force, other than the lieutenant governor, members  
28 from the general assembly, and department and division directors, shall be appointed by  
29 the governor with the advice and consent of the senate. Members shall serve on the task  
30 force without compensation.

31           3. The task force shall assess all state programs that address Alzheimer's and  
32 update and maintain an integrated state plan to overcome Alzheimer's. The state plan  
33 shall include implementation steps and recommendations for priority actions based on this  
34 assessment. The task force's actions shall include, but not be limited to, the following:

35           (1) Assess the current and future impact of Alzheimer's on residents of the state of  
36 Missouri;

37           (2) Examine the existing services and resources addressing the needs of persons  
38 with Alzheimer's and their families and caregivers;

39           (3) Develop recommendations to respond to the escalating public health crisis  
40 regarding Alzheimer's;

41           (4) Ensure the inclusion of ethnic and racial populations that have a higher risk for  
42 Alzheimer's or are least likely to receive care in clinical, research, and service efforts, with  
43 the purpose of decreasing health disparities in Alzheimer's;

44           (5) Identify opportunities for the state of Missouri to coordinate with federal  
45 government entities to integrate and inform the fight against Alzheimer's;

46           (6) Provide information and coordination of Alzheimer's research and services  
47 across all state agencies;

48           (7) Examine dementia-specific training requirements across healthcare, adult  
49 protective services (APS) workers, law enforcement, and all other areas in which staff are  
50 involved with the delivery of care to those with Alzheimer's and other dementias; and

51           (8) Develop strategies to increase the diagnostic rate in Missouri.

52           4. The task force shall deliver a report of recommendations to the governor and  
53 members of the general assembly no later than December 31, 2020.

54       **5. The task force shall continue to meet at the request of the chair and at a**  
55       **minimum of one time annually for the purpose of evaluating the implementation and**  
56       **impact of the task force recommendations and shall provide annual supplemental report**  
57       **updates on the findings to the governor and the general assembly.**

58       **6. The provisions of this section shall expire on December 31, 2026.**
