 35 percent on all retail sales made in such city which are subject to taxation under the provisions
 36 of sections 144.010 to 144.525 for the purpose of improving the public safety for such city,
 37 including but not limited to expenditures on equipment, city employee salaries and benefits, and

 39 shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or

 41 governing body of the city submits to the voters of the city, at a county or state general, primary
 42 or special election, a proposal to authorize the governing body of the city to impose a tax.

 45 language:

46
 47 Shall the city of _____ (city's name) impose a citywide sales tax of _____

54 of the proposal submitted pursuant to this subsection, then the ordinance or order and any
55 amendments thereto shall be in effect on the first day of the second calendar quarter after the
56 director of revenue receives notification of adoption of the local sales tax. If a proposal receives
57 less than the required majority, then the governing body of the city shall have no power to
58 impose the sales tax herein authorized unless and until the governing body of the city shall again
59 have submitted another proposal to authorize the governing body of the city to impose the sales
60 tax authorized by this section and such proposal is approved by the required majority of the
61 qualified voters voting thereon. However, in no event shall a proposal pursuant to this section

63 to this section.

64 3. All revenue received by a city from the tax authorized under the provisions of this
65 section shall be deposited in a special trust fund and shall be used solely for improving the public
66 safety for such city for so long as the tax shall remain in effect.

67 4. Once the tax authorized by this section is abolished or is terminated by any means, all
68 funds remaining in the special trust fund shall be used solely for improving the public safety for
69 the city. Any funds in such special trust fund which are not needed for current expenditures may
70 be invested by the governing body in accordance with applicable laws relating to the investment
71 of other city funds.

72 5. All sales taxes collected by the director of the department of revenue under this
73 section on behalf of any city, less one percent for cost of collection which shall be deposited in
74 the state's general revenue fund after payment of premiums for surety bonds as provided in
75 section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known

80 of revenue shall keep accurate records of the amount of money in the trust and which was
81 collected in each city imposing a sales tax pursuant to this section, and the records shall be open
82 to the inspection of officers of the city and the public. Not later than the tenth day of each month
83 the director of the department of revenue shall distribute all moneys deposited in the trust fund
84 during the preceding month to the city which levied the tax; such funds shall be deposited with
85 the city treasurer of each such city, and all expenditures of funds arising from the trust fund shall
86 be by an appropriation act to be enacted by the governing body of each such city. Expenditures
87 may be made from the fund for any functions authorized in the ordinance or order adopted by
88 the governing body submitting the tax to the voters.

89 6. The director of the department of revenue may make refunds from the amounts in the
90 trust fund and credited to any city for erroneous payments and overpayments made, and may
91 redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes
92 the tax, the city shall notify the director of the department of revenue of the action at least ninety
93 days prior to the effective date of the repeal and the director of the department of revenue may
94 order retention in the trust fund, for a period of one year, of two percent of the amount collected
95 after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem
96 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed
97 after the effective date of abolition of the tax in such city, the director of the department of
98 revenue shall remit the balance in the account to the city and close the account of that city. The
99 director of the department of revenue shall notify each city of each instance of any amount
100 refunded or any check redeemed from receipts due the city.

101 7. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall
102 apply to the tax imposed pursuant to this section.
