95 be subject to the penalties prescribed for bribery.

 166.487. 1. The board may enter into savings program participating agreements
2 with participants on behalf of beneficiaries under the provisions of sections 166.485 to
3 166.496, including the following terms and conditions:

4 (1) A participation agreement shall stipulate the terms and conditions of the savings
5 program in which the participant makes contributions;

6 (2) A participation agreement shall specify the method for calculating the return
7 on the contribution made by the participant;

8 (3) A participation agreement shall name the beneficiary;

9 (4) The execution of a participation agreement by the board shall not guarantee
10 that the beneficiary named in any participation agreement will be admitted to any school,
11 be allowed to continue to attend any school after having been admitted, or will graduate
12 from any school;

13 (5) A participation agreement shall clearly and prominently disclose to participants
14 the risk associated with depositing moneys with the board;

15 (6) A participation agreement shall be organized and presented in a way and with
16 language that is easily understandable by the general public; and

17 (7) A participation agreement shall clearly and prominently disclose to participants
18 the existence of any load charge or similar charge assessed against the accounts of the
19 participants for administration or services.

20 2. The board shall determine the circumstances under which a participant may
21 change the named beneficiary.

22 3. The board shall establish a total contribution limit for savings accounts
23 established under the savings program with respect to a beneficiary. No contribution may
24 be made to a savings account for a beneficiary if it would cause the balance of all savings
25 accounts of the beneficiary to exceed the total contribution limit established by the board.
26 The board may establish other requirements it deems appropriate to provide adequate
27 safeguards to prevent contributions on behalf of a beneficiary from exceeding what is
28 necessary to provide for the qualified K-12 education expenses of the beneficiary.

29 4. The board shall establish the minimum length of time that contributions and
30 earnings shall be held by the savings program to qualify under section 166.491. Any

31 contributions or earnings that are withdrawn or distributed from a savings account prior
32 to the expiration of the minimum length of time, as established by the board, shall be
33 subject to a penalty under section 166.490.

166.488. 1. A participant may elect to contribute all or part of a refund of personal
2 income tax to an account that has been established under sections 166.485 to 166.496 by
3 direct deposit to the financial institution managing the account. The amount elected to be
4 contributed by the participant shall be at least twenty-five dollars and shall be as a
5 contribution only for the tax year in which the refund is issued. The election to contribute
6 shall not be changed or revoked.

7 2. The election shall be made on a form prescribed by the department of revenue
8 and filed with the taxpayer's tax return for the tax year or at such other time and in such
9 other manner as the department may prescribe. The department of revenue shall
10 prescribe the maximum number of accounts to which a taxpayer may elect to contribute
11 a portion of the refund. Notwithstanding the limit prescribed by the department, a parent
12 or legal guardian shall be permitted to contribute a portion of his or her refund to accounts
13 held by each of his or her children.

14 3. The election to contribute all or a portion of a refund shall be void, and no
15 portion of the refund shall be contributed to an account, if the taxpayer's refund is offset
16 to pay amounts owed by the taxpayer.

166.489. All moneys paid by a participant in connection with participating
2 agreements shall be deposited as received and shall be promptly invested by the board.
3 Contributions and earnings thereon accumulated on behalf of participants in the savings
4 program may be used, as provided in the participation agreement, for qualified K-12
5 education expenses. Such contributions and earnings shall not be considered income for
6 purposes of determining a participant's eligibility for financial assistance under any state
7 student aid program.

166.490. Any participant may cancel a participation agreement at will. The board
2 shall impose a penalty equal to or greater than ten percent of the earnings of an account
3 for any distribution that is not:

4 (1) Used exclusively for qualified K-12 education expenses of the designated
5 beneficiary;

6 (2) Made because of death or disability of the designated beneficiary;

7 (3) Made because of the receipt of a scholarship by the designated beneficiary; or

8 (4) Held in the fund for the minimum length of time established by the board.

166.491. 1. Notwithstanding any law to the contrary, the assets of the savings
2 program held by the board and any income therefrom shall be exempt from all taxation

3 by the state or any of its political subdivisions. Income earned or received from the savings
4 program shall not be subject to state income tax imposed under chapter 143. The
5 exemption from taxation under this section shall apply only to assets and income
6 maintained, accrued, or expended in accordance with the requirements of the savings
7 program established under sections 166.485 to 166.496, and no exemption shall apply to
8 assets and income expended for any other purposes. Annual contributions made to the
9 savings program held by the board shall be subtracted in determining Missouri adjusted
10 gross income under section 143.121.

11 2. If any deductible contributions to or earnings from any such program referred
12 to in this section are distributed and not used to pay qualified K-12 education expenses or
13 are not held for the minimum length of time established by the board, the amount so
14 distributed shall be added to the Missouri adjusted gross income of the participant or, if
15 the participant is not living, the beneficiary.

16 3. The provisions of this section shall apply to tax years beginning on or after
17 January 1, 2018.

166.492. The assets of the savings program shall at all times be preserved, invested,
2 and expended only for the purposes set forth under sections 166.485 to 166.496 and in
3 accordance with the participation agreements, and no property rights therein shall exist
4 in favor of the state.

166.493. Any rule or portion of a rule, as that term is defined in section 536.010,
2 that is created under the authority delegated in sections 166.485 to 166.496 shall become
3 effective only if it complies with and is subject to all of the provisions of chapter 536 and,
4 if applicable, section 536.028. Sections 166.485 to 166.496 and chapter 536 are
5 nonseverable, and if any of the powers vested with the general assembly pursuant to
6 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
7 subsequently held unconstitutional, then the grant of rulemaking authority and any rule
8 proposed or adopted after August 28, 2017, shall be invalid and void.

166.494. The director of investment of the state treasurer's office shall, on a
2 semiannual basis, review the financial status and investment policy of the savings program
3 as well as the participation rate in the program. The director of investment shall also
4 review the continued viability of the program and the administration of the program by
5 the board. The director of investment shall report the findings annually to the board,
6 which shall subsequently disclose such findings at a public meeting.

166.495. Moneys accruing to and deposited in individual savings accounts shall not
2 be part of "total state revenues" as defined in article X, sections 17 and 18 of the

3 **Constitution of Missouri, and the expenditure of such revenues shall not be an expense of**
4 **state government under article X, section 20 of the Constitution of Missouri.**

2 **166.496. All personally identifiable information concerning participants and**
3 **beneficiaries of accounts established within the Missouri K-12 education savings program**
4 **under sections 166.485 to 166.496 shall be confidential, and any disclosure of such**
5 **information shall be restricted to purposes directly connected with the administration of**
6 **the program.**
