124 management services provided by the department of health and senior services. For purposes
125 of this section, the term "case management" shall mean those activities of local public health

143 as of January 1, 2005; except that, on or after July 1, 2005, less restrictive income
144 methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), may be used to change the
145 income limit if authorized by annual appropriation;

147 under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section
148 1396a(f), or less restrictive methodologies as contained in the MO HealthNet state plan as of
149 January 1, 2005, except that less restrictive income methodologies, as authorized in 42 U.S.C.

157 authorized by annual appropriations. Eligibility standards for permanent and total disability
158 benefits shall not be limited by age;

159 (25) Persons who have been diagnosed with breast or cervical cancer and who are
160 eligible for coverage pursuant to 42 U.S.C. 1396a (a)(10)(A)(ii)(XVIII). Such persons shall be

169 2. Rules and regulations to implement this section shall be promulgated in accordance
170 with chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that
171 is created under the authority delegated in this section shall become effective only if it complies
172 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
173 This section and chapter 536 are nonseverable and if any of the powers vested with the general
174 assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and
175 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and
176 any rule proposed or adopted after August 28, 2002, shall be invalid and void.

177 3. After December 31, 1973, and before April 1, 1990, any family eligible for assistance
178 pursuant to 42 U.S.C. 601, et seq., as amended, in at least three of the last six months

195 4. When any individual has been determined to be eligible for MO HealthNet benefits,
196 such medical assistance will be made available to him or her for care and services furnished in
197 or after the third month before the month in which he made application for such assistance if

198 such individual was, or upon application would have been, eligible for such assistance at the time
199 such care and services were furnished; provided, further, that such medical expenses remain
200 unpaid.

201 5. The department of social services may apply to the federal Department of Health and

209 section 208.955. A request for such a waiver so submitted shall only become effective by
210 executive order not sooner than ninety days after the final adjournment of the session of the
211 general assembly to which it is submitted, unless it is disapproved within sixty days of its
212 submission to a regular session by a senate or house resolution adopted by a majority vote of the
213 respective elected members thereof, unless the request for such a waiver is made subject to
214 appropriation or directed by statute.

215 6. Notwithstanding any other provision of law to the contrary, in any given fiscal year,
216 any persons made eligible for MO HealthNet benefits under subdivisions (1) to (22) of
