47 recorded by the United States Department of Labor, or its successor agency, for the previous
48 academic year. The coordinating board shall prepare a report prior to the legislative session
49 for use of the general assembly and the governor in determining budget requests which shall
50 include the amount of funds necessary to maintain full funding of the program based on the
51 baseline established for the program upon the effective date of sections 173.1101 to 173.1107.
52 Any increase in the award amount shall not become effective unless an increase in the amount

53 of money appropriated to the program necessary to cover the increase in award amount is
54 passed by the general assembly.
