67 pursuant to this chapter granting full driving privileges. Such person shall pay the required fee
68 for such license as prescribed in section 302.177.

69 (2) If an intermediate driver's license expires on a Saturday, Sunday, or legal holiday,
70 such license shall remain valid for the five business days immediately following the expiration
71 date. In no case shall a licensee whose intermediate driver's license expires on a Saturday,

77 prior to the date of application for license or until the person is eligible to apply for a six-year
78 driver's license as provided for in section 302.177, provided the applicant is otherwise eligible
79 for full driving privileges. An intermediate driver's license shall expire when the licensee is
80 eligible and receives a full driver's license as prescribed in subdivision (1) of this section.

81 7. No person upon reaching the age of eighteen years whose intermediate driver's license
82 and driving privilege is denied, suspended, cancelled or revoked in this state or any other state
83 for any reason may apply for a full driver's license until such license or driving privilege is fully
84 reinstated. Any such person whose intermediate driver's license has been revoked pursuant to
85 the provisions of sections 302.010 to 302.540 shall, upon receipt of reinstatement of the

86 revocation from the director, pass the complete driver examination, apply for a new license, and
87 pay the proper fee before again operating a motor vehicle upon the highways of this state.

88 8. A person shall be exempt from the intermediate licensing requirements if the person
89 has reached the age of eighteen years and meets all other licensing requirements.

90 9. Any person who violates any of the provisions of this section relating to intermediate
91 drivers' licenses or the provisions of section 302.130 relating to temporary instruction permits
92 is guilty of an infraction, and no points shall be assessed to his or her driving record for any such
93 violation.

94 10. Any rule or portion of a rule, as that term is defined in section 536.010, that is
95 created under the authority delegated in this section shall become effective only if it complies
96 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
97 This section and chapter 536 are nonseverable and if any of the powers vested with the general
98 assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and
99 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and
100 any rule proposed or adopted after August 28, 2000, shall be invalid and void.

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340
2 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic

5 any license without ready detection. All licenses shall bear the licensee's Social Security number,
6 if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that
7 the licensee does not possess a Social Security number, or, if applicable, a certified statement
8 must be submitted as provided in subsection 4 of this section. The license shall also bear the
9 expiration date of the license, the classification of the license, the name, date of birth, residence
10 address including the county of residence or a code number corresponding to such county

17 license shall be valid until it has been so signed by the licensee. If any portion of the license is
18 prepared by a private firm, any contract with such firm shall be made in accordance with the
19 competitive purchasing procedures as established by the state director of the division of
20 purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social
21 Security number shall serve as the applicant's license number. Where the licensee has no Social

22 Security number, or where the licensee is issued a license without a Social Security number in
23 accordance with subsection 4 of this section, the director shall issue a license number for the
24 licensee and such number shall also include an indicator showing that the number is not a Social
25 Security number.

26 2. All film involved in the production of photographs for licenses shall become the
27 property of the department of revenue.

28 3. The license issued shall be carried at all times by the holder thereof while driving a
29 motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any
30 police officer or peace officer, or any other duly authorized person, for inspection when demand
31 is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any
32 duly authorized officer shall be presumptive evidence that such person is not a duly licensed
33 operator.

34 4. The director of revenue shall issue a commercial or noncommercial driver's license
35 without a Social Security number to an applicant therefor, who is otherwise qualified to be
36 licensed, upon presentation to the director of a certified statement that the applicant objects to
37 the display of the Social Security number on the license. The director shall assign an
38 identification number, that is not based on a Social Security number, to the applicant which shall
39 be displayed on the license in lieu of the Social Security number.

40 5. The director of revenue shall not issue a license without a facial photograph or digital
41 image of the license applicant, except as provided pursuant to subsection 8 of this section. A
42 photograph or digital image of the applicant's full facial features shall be taken in a manner
43 prescribed by the director. No photograph or digital image will be taken wearing anything which
44 cloaks the facial features of the individual.

45 6. The department of revenue may issue a temporary license or a full license without the
46 photograph or with the last photograph or digital image in the department's records to members
47 of the Armed Forces, except that where such temporary license is issued it shall be valid only

49 with his or her photograph issued.

50 7. The department of revenue shall issue upon request a nondriver's license card

52 pursuant to subsection 8 of this section, as the driver's license upon payment of six dollars. All
53 nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A
54 person who has passed his or her seventieth birthday shall upon application be issued a
55 nonexpiring nondriver's license card. Notwithstanding any other provision of this chapter, a

62 nondriver's licenses issued for a period of three years or less. The nondriver's license card shall
63 be used for identification purposes only and shall not be valid as a license.

64 8. If otherwise eligible, an applicant may receive a driver's license or nondriver's license
65 without a photograph or digital image of the applicant's full facial features except that such
66 applicant's photograph or digital image shall be taken and maintained by the director and not
67 printed on such license. In order to qualify for a license without a photograph or digital image
68 pursuant to this section the applicant must:

69 (1) Present a form provided by the department of revenue requesting the applicant's
70 photograph be omitted from the license or nondriver's license due to religious affiliations. The

88 photographed, in a segregated location.

89 10. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's
90 license for a period that exceeds an applicant's lawful presence in the United States. The director
91 may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and
92 establish the duration of any driver's license or nondriver's license issued under this section.

93 11. No rule or portion of a rule promulgated pursuant to the authority of this chapter
94 shall become effective unless it is promulgated pursuant to the provisions of chapter 536.

32 privilege, upon compliance with other requirements of law and upon filing of proof of financial
33 responsibility with the department of revenue, in accordance with chapter 303, the license and
34 driving privilege shall be reinstated. If a person, otherwise subject to the provisions of this
35 subsection, files proof of installation with the department of revenue that any vehicle operated
36 by such person is equipped with a functioning, certified ignition interlock device, there shall be
37 no period of suspension. However, in lieu of a suspension the person shall instead complete a
38 ninety-day period of restricted driving privilege. If the person fails to maintain such proof of the
39 device with the director of revenue as required, the restricted driving privilege shall be
40 terminated. Upon completion of such ninety-day period of restricted driving privilege, upon
41 compliance with other requirements of law, and upon filing of proof of financial responsibility
42 with the department of revenue, in accordance with chapter 303, the license and driving privilege
43 shall be reinstated. However, if the monthly monitoring reports during such ninety-day period
44 indicate that the ignition interlock device has registered a confirmed blood alcohol concentration
45 level above the alcohol setpoint established by the department of transportation or such reports
46 indicate that the ignition interlock device has been tampered with or circumvented, then the
47 license and driving privilege of such person shall not be reinstated until the person completes an
48 additional thirty-day period of restricted driving privilege.

49 6. If the person fails to maintain proof of financial responsibility in accordance with
50 chapter 303, or, if applicable, if the person fails to maintain proof that any vehicle operated is
51 equipped with a functioning, certified ignition interlock device installed pursuant to subsection
52 5 of this section, the person's driving privilege and license shall be resuspended.

53 7. The director shall revoke the license and driving privilege of any person when the
54 person's driving record shows such person has accumulated twelve points in twelve months or
55 eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation
56 period of any person whose license and driving privilege have been revoked under the provisions
57 of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the
58 department of revenue in accordance with chapter 303 and is otherwise eligible, shall be
59 terminated by a notice from the director of revenue after one year from the effective date of the
60 revocation. Unless proof of financial responsibility is filed with the department of revenue,
61 except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for
62 a period of two years from its effective date. If the person fails to maintain proof of financial

63 responsibility in accordance with chapter 303, the person's license and driving privilege shall be
64 rerevoked. Any person whose license and driving privilege have been revoked under the
65 provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the
66 revocation from the director, pass the complete driver examination and apply for a new license
67 before again operating a motor vehicle upon the highways of this state.

68 8. If, prior to conviction for an offense that would require suspension or revocation of
69 a person's license under the provisions of this section, the person's total points accumulated are
70 reduced, pursuant to the provisions of section 302.306, below the number of points required for
71 suspension or revocation pursuant to the provisions of this section, then the person's license shall
72 not be suspended or revoked until the necessary points are again obtained and accumulated.

73 9. If any person shall neglect or refuse to surrender the person's license, as provided
74 herein, the director shall direct the state highway patrol or any peace or police officer to secure
75 possession thereof and return it to the director.

76 10. Upon the issuance of a reinstatement or termination notice after a suspension or
77 revocation of any person's license and driving privilege under the provisions of sections 302.010
78 to 302.540, the accumulated point value shall be reduced to four points, except that the points
79 of any person serving as a member of the Armed Forces of the United States outside the limits
80 of the United States during a period of suspension or revocation shall be reduced to zero upon
81 the date of the reinstatement or termination of notice. It shall be the responsibility of such
82 member of the Armed Forces to submit copies of official orders to the director of revenue to
83 substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the
84 contrary notwithstanding, the effective date of the four points remaining on the record upon
85 reinstatement or termination shall be the date of the reinstatement or termination notice.

86 11. No credit toward reduction of points shall be given during periods of suspension or
87 revocation or any period of driving under a limited driving privilege granted by a court or the
88 director of revenue.

89 12. Any person or nonresident whose license or privilege to operate a motor vehicle in
90 this state has been suspended or revoked under this or any other law shall, before having the
91 license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement **base**
92 fee of ~~twenty~~ **forty** dollars **plus an additional administrative processing fee calculated as**
93 **one percent of such base fee** which shall be in addition to all other fees provided by law.

94 13. Notwithstanding any other provision of law to the contrary, if after two years from
95 the effective date of any suspension or revocation issued under this chapter, except any
96 suspension or revocation issued under section 302.410, 302.462, or 302.574, the person or
97 nonresident has not paid the reinstatement **base** fee of ~~twenty~~ **forty** dollars **plus an additional**
98 **administrative processing fee calculated as one percent of such base fee**, the director shall

99 reinstate such license or privilege to operate a motor vehicle in this state. Any person who has
100 had his or her license suspended or revoked under section 302.410, 302.462, or 302.574, shall
101 be required to pay the reinstatement fee.

102 14. No person who has had a license to operate a motor vehicle suspended or revoked
103 as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of
104 subsection 1 of section 302.302 shall have that license reinstated until such person has
105 participated in and successfully completed a substance abuse traffic offender program defined
106 in section 302.010, or a program determined to be comparable by the department of mental
107 health. Assignment recommendations, based upon the needs assessment as described in
108 subdivision (24) of section 302.010, shall be delivered in writing to the person with written
109 notice that the person is entitled to have such assignment recommendations reviewed by the court
110 if the person objects to the recommendations. The person may file a motion in the associate
111 division of the circuit court of the county in which such assignment was given, on a printed form
112 provided by the state courts administrator, to have the court hear and determine such motion
113 pursuant to the provisions of chapter 517. The motion shall name the person or entity making
114 the needs assessment as the respondent and a copy of the motion shall be served upon the
115 respondent in any manner allowed by law. Upon hearing the motion, the court may modify or
116 waive any assignment recommendation that the court determines to be unwarranted based upon
117 a review of the needs assessment, the person's driving record, the circumstances surrounding the
118 offense, and the likelihood of the person committing a like offense in the future, except that the
119 court may modify but may not waive the assignment to an education or rehabilitation program
120 of a person determined to be a prior or persistent offender as defined in section 577.001 or of a
121 person determined to have operated a motor vehicle with fifteen-hundredths of one percent or
122 more by weight in such person's blood. Compliance with the court determination of the motion
123 shall satisfy the provisions of this section for the purpose of reinstating such person's license to
124 operate a motor vehicle. The respondent's personal appearance at any hearing conducted
125 pursuant to this subsection shall not be necessary unless directed by the court.

126 15. The fees for the program authorized in subsection 14 of this section, or a portion
127 thereof to be determined by the department of mental health, shall be paid by the person enrolled
128 in the program. Any person who is enrolled in the program shall pay, in addition to any fee
129 charged for the program, a supplemental fee in an amount to be determined by the department
130 of mental health for the purposes of funding the substance abuse traffic offender program defined
131 in section 302.010 or a program determined to be comparable by the department of mental
132 health. The administrator of the program shall remit to the division of alcohol and drug abuse
133 of the department of mental health on or before the fifteenth day of each month the supplemental
134 fee for all persons enrolled in the program, less two percent for administrative costs. Interest

135 shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and
136 drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate
137 established pursuant to the provisions of section 32.065, plus three percentage points. The
138 supplemental fees and any interest received by the department of mental health pursuant to this
139 section shall be deposited in the mental health earnings fund which is created in section 630.053.

140 16. Any administrator who fails to remit to the division of alcohol and drug abuse of the
141 department of mental health the supplemental fees and interest for all persons enrolled in the
142 program pursuant to this section shall be subject to a penalty equal to the amount of interest
143 accrued on the supplemental fees due the division pursuant to this section. If the supplemental
144 fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the
145 department of mental health within six months of the due date, the attorney general of the state
146 of Missouri shall initiate appropriate action of the collection of said fees and interest accrued.
147 The court shall assess attorney fees and court costs against any delinquent program.

148 17. Any person who has had a license to operate a motor vehicle suspended or revoked
149 as a result of an assessment of points for a conviction for an intoxication-related traffic offense
150 as defined under section 577.001, and who has a prior alcohol-related enforcement contact as
151 defined under section 302.525, shall be required to file proof with the director of revenue that
152 any motor vehicle operated by the person is equipped with a functioning, certified ignition
153 interlock device as a required condition of reinstatement of the license. The ignition interlock
154 device shall further be required to be maintained on all motor vehicles operated by the person
155 for a period of not less than six months immediately following the date of reinstatement. If the
156 monthly monitoring reports show that the ignition interlock device has registered any confirmed
157 blood alcohol concentration readings above the alcohol setpoint established by the department
158 of transportation or that the person has tampered with or circumvented the ignition interlock
159 device within the last three months of the six-month period of required installation of the ignition
160 interlock device, then the period for which the person must maintain the ignition interlock device
161 following the date of reinstatement shall be extended until the person has completed three
162 consecutive months with no violations as described in this section. If the person fails to maintain
163 such proof with the director, the license shall be resuspended or revoked and the person shall be
164 guilty of a class A misdemeanor.

302.420. 1. No person who has had his or her license suspended or revoked under the
2 provisions of sections 302.400 and 302.405 shall have that license reinstated until he or she has
3 paid a ~~twenty-dollar~~ **forty-dollar** reinstatement **base fee, plus an additional administrative**
4 **processing fee calculated as one percent of such base fee,** and has successfully completed a
5 substance abuse traffic offender program as defined in section 302.010.

6 2. The fees for the substance abuse traffic offender program, or a portion thereof to be
7 determined by the division of alcohol and drug abuse of the department of mental health, shall
8 be paid by the person enrolled in the program. Any person who is enrolled in the program shall
9 pay, in addition to any fee charged for the program, a supplemental fee to be determined by the
10 department of mental health for the purposes of funding the substance abuse traffic offender
11 program defined in section 302.010, or a program determined to be comparable by the
12 department of mental health. The administrator of the program shall remit to the division of
13 alcohol and drug abuse of the department of mental health on or before the fifteenth of each
14 month the supplemental fees for all persons enrolled in the program, less two percent for
15 administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees
16 due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not
17 to exceed the annual rates established pursuant to the provisions of section 32.065 plus three
18 percentage points. The supplemental fees and any interest received by the department of mental
19 health pursuant to this section shall be deposited in the mental health earnings fund which is
20 created in section 630.053.

21 3. Any administrator who fails to remit to the division of alcohol and drug abuse of the
22 department of mental health the supplemental fees and interest for all persons enrolled in the
23 program pursuant to this section shall be subject to a penalty equal to the amount of interest
24 accrued on the supplemental fees due the division pursuant to this section. If the supplemental
25 fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the
26 department of mental health within six months of the due date, the attorney general of the state
27 of Missouri shall initiate appropriate action to collect said fees and any accrued interest. The
28 court shall assess attorney fees and court costs against any delinquent program.

302.541. 1. In addition to other fees required by law, any person who has had a license
2 to operate a motor vehicle suspended or revoked following a determination, pursuant to section
3 302.505, or section 302.410, 302.574, 577.010, or 577.012, or any county or municipal
4 ordinance, where the defendant was represented by or waived the right to an attorney, that such
5 person was driving while intoxicated or with a blood alcohol content of eight-hundredths of one
6 percent or more by weight or, where such person was at the time of the arrest less than
7 twenty-one years of age and was driving with a blood alcohol content of two-hundredths of one
8 percent or more by weight, shall pay an additional **base** fee of ~~[twenty-five]~~ **fifty** dollars, **plus**
9 **an additional administrative processing fee calculated as one percent of such base fee**, prior
10 to the reinstatement or reissuance of the license.

11 2. Any person less than twenty-one years of age whose driving privilege has been
12 suspended or revoked solely for a first determination pursuant to sections 302.500 to 302.540
13 that such person was driving a motor vehicle with two-hundredths of one percent or more blood

14 alcohol content is exempt from filing proof of financial responsibility with the department of
15 revenue in accordance with chapter 303 as a prerequisite for reinstatement of driving privileges
16 or obtaining a restricted driving privilege as provided by section 302.525.

302.720. 1. Except when operating under an instruction permit as described in this
2 section, no person may drive a commercial motor vehicle unless the person has been issued a
3 commercial driver's license with applicable endorsements valid for the type of vehicle being
4 operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit
5 shall allow the holder of a valid license to operate a commercial motor vehicle when
6 accompanied by the holder of a commercial driver's license valid for the vehicle being operated
7 and who occupies a seat beside the individual, or reasonably near the individual in the case of
8 buses, for the purpose of giving instruction in driving the commercial motor vehicle. No person
9 may be issued a commercial driver's instruction permit until he or she has passed written tests
10 which comply with the minimum federal standards. A commercial driver's instruction permit
11 shall be valid for the vehicle being operated for a period of not more than six months, and shall
12 not be issued until the permit holder has met all other requirements of sections 302.700 to
13 302.780, except for the driving test. A permit holder, unless otherwise disqualified, may be
14 granted one six-month renewal within a one-year period. The fee for such permit or renewal
15 shall be ~~five~~ **a base fee of ten dollars, plus an additional administrative processing fee**
16 **calculated as one percent of such base fee.** In the alternative, a commercial driver's instruction
17 permit shall be issued for a thirty-day period to allow the holder of a valid driver's license to
18 operate a commercial motor vehicle if the applicant has completed all other requirements except
19 the driving test. The permit may be renewed for one additional thirty-day period and the fee for
20 the permit and for renewal shall be ~~five~~ **a base fee of ten dollars, plus an additional**
21 **administrative processing fee calculated as one percent of such base fee.**

22 2. No person may be issued a commercial driver's license until he has passed written and
23 driving tests for the operation of a commercial motor vehicle which complies with the minimum
24 federal standards established by the Secretary and has satisfied all other requirements of the
25 Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any
26 other requirements imposed by state law. All applicants for a commercial driver's license shall
27 have maintained the appropriate class of commercial driver's instruction permit issued by this
28 state or any other state for a minimum of fourteen calendar days prior to the date of taking the
29 skills test. Applicants for a hazardous materials endorsement must also meet the requirements
30 of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by
31 regulations promulgated by the Secretary. Nothing contained in this subsection shall be
32 construed as prohibiting the director from establishing alternate testing formats for those who
33 are functionally illiterate; provided, however, that any such alternate test must comply with the

34 minimum requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub.
35 Law 99-570) as established by the Secretary.

36 (1) The written and driving tests shall be held at such times and in such places as the
37 superintendent may designate. A twenty-five dollar examination fee shall be paid by the
38 applicant upon completion of any written or driving test, except the examination fee shall be
39 waived for applicants seventy years of age or older renewing a license with a school bus
40 endorsement. The director shall delegate the power to conduct the examinations required under
41 sections 302.700 to 302.780 to any member of the highway patrol or any person employed by
42 the highway patrol qualified to give driving examinations. The written test shall only be
43 administered in the English language. No translators shall be allowed for applicants taking the
44 test.

45 (2) The director shall adopt and promulgate rules and regulations governing the
46 certification of third-party testers by the department of revenue. Such rules and regulations shall
47 substantially comply with the requirements of 49 CFR 383, Section 383.75. A certification to
48 conduct third-party testing shall be valid for one year, and the department shall charge a fee of
49 one hundred dollars to issue or renew the certification of any third-party tester.

50 (3) Beginning August 28, 2006, the director shall only issue or renew third-party tester
51 certification to community colleges established under chapter 178 or to private companies who
52 own, lease, or maintain their own fleet and administer in-house testing to their employees, or to
53 school districts and their agents that administer in-house testing to the school district's or agent's
54 employees. Any third-party tester who violates any of the rules and regulations adopted and
55 promulgated pursuant to this section shall be subject to having his certification revoked by the
56 department. The department shall provide written notice and an opportunity for the third-party
57 tester to be heard in substantially the same manner as provided in chapter 536. If any applicant
58 submits evidence that he has successfully completed a test administered by a third-party tester,
59 the actual driving test for a commercial driver's license may then be waived.

60 (4) Every applicant for renewal of a commercial driver's license shall provide such
61 certifications and information as required by the Secretary and if such person transports a
62 hazardous material must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of
63 Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Such
64 person shall be required to take the written test for such endorsement. A twenty-five dollar
65 examination fee shall be paid upon completion of such tests.

66 (5) The director shall have the authority to waive the driving skills test for any qualified
67 military applicant for a commercial driver's license who is currently licensed at the time of
68 application for a commercial driver's license. The director shall impose conditions and
69 limitations to restrict the applicants from whom the department may accept alternative

70 requirements for the skills test described in federal regulation 49 CFR 383.77. An applicant
71 must certify that, during the two-year period immediately preceding application for a commercial
72 driver's license, all of the following apply:

73 (a) The applicant has not had more than one license;

74 (b) The applicant has not had any license suspended, revoked, or cancelled;

75 (c) The applicant has not had any convictions for any type of motor vehicle for the
76 disqualifying offenses contained in this chapter or federal rule 49 CFR 383.51(b);

77 (d) The applicant has not had more than one conviction for any type of motor vehicle for
78 serious traffic violations;

79 (e) The applicant has not had any conviction for a violation of state or local law relating
80 to motor vehicle traffic control, but not including any parking violation, arising in connection
81 with any traffic accident, and has no record of an accident in which he or she was at fault;

82 (f) The applicant has been regularly employed within the last ninety days in a military
83 position requiring operation of a commercial motor vehicle and has operated the vehicle for at
84 least sixty days during the two years immediately preceding application for a commercial driver's
85 license. The vehicle must be representative of the commercial motor vehicle the driver applicant
86 operates or expects to operate;

87 (g) The applicant, if on active duty, must provide a notarized affidavit signed by a
88 commanding officer as proof of driving experience as indicated in paragraph (f) of this
89 subdivision;

90 (h) The applicant, if honorably discharged from military service, must provide a
91 form-DD214 or other proof of military occupational specialty;

92 (i) The applicant must meet all federal and state qualifications to operate a commercial
93 vehicle; and

94 (j) The applicant will be required to complete all applicable knowledge tests.

95 3. A commercial driver's license or commercial driver's instruction permit may not be
96 issued to a person while the person is disqualified from driving a commercial motor vehicle,
97 when a disqualification is pending in any state or while the person's driver's license is suspended,
98 revoked, or cancelled in any state; nor may a commercial driver's license be issued unless the
99 person first surrenders in a manner prescribed by the director any commercial driver's license
100 issued by another state, which license shall be returned to the issuing state for cancellation.

101 4. Beginning July 1, 2005, the director shall not issue an instruction permit under this
102 section unless the director verifies that the applicant is lawfully present in the United States
103 before accepting the application. The director may, by rule or regulation, establish procedures
104 to verify the lawful presence of the applicant under this section. No rule or portion of a rule

105 promulgated pursuant to the authority of this section shall become effective unless it has been
106 promulgated pursuant to chapter 536.

107 5. Notwithstanding the provisions of this section or any other law to the contrary,
108 beginning August 28, 2008, the director of the department of revenue shall certify as a third-party
109 tester any municipality that owns, leases, or maintains its own fleet that requires certain
110 employees as a condition of employment to hold a valid commercial driver's license; and that
111 administered in-house testing to such employees prior to August 28, 2006.

302.735. 1. An application shall not be taken from a nonresident after September 30,
2 2005. The application for a commercial driver's license shall include, but not be limited to, the
3 applicant's legal name, mailing and residence address, if different, a physical description of the
4 person, including sex, height, weight and eye color, the person's Social Security number, date
5 of birth and any other information deemed appropriate by the director. The application shall also
6 require, beginning September 30, 2005, the applicant to provide the names of all states where
7 the applicant has been previously licensed to drive any type of motor vehicle during the
8 preceding ten years.

9 2. A commercial driver's license shall expire on the applicant's birthday in the sixth year
10 after issuance, unless the license must be issued for a shorter period due to other requirements
11 of law or for transition or staggering of work as determined by the director, and must be renewed
12 on or before the date of expiration. When a person changes such person's name an application
13 for a duplicate license shall be made to the director of revenue. When a person changes such
14 person's mailing address or residence the applicant shall notify the director of revenue of said
15 change, however, no application for a duplicate license is required. A commercial license issued
16 pursuant to this section to an applicant less than twenty-one years of age and seventy years of age
17 and older shall expire on the applicant's birthday in the third year after issuance, unless the
18 license must be issued for a shorter period as determined by the director.

19 3. A commercial driver's license containing a hazardous materials endorsement issued
20 to an applicant who is between the age of twenty-one and sixty-nine shall not be issued for a
21 period exceeding five years from the approval date of the security threat assessment as
22 determined by the Transportation Security Administration.

23 4. The director shall issue an annual commercial driver's license containing a school bus
24 endorsement to an applicant who is seventy years of age or older. The fee for such license shall
25 be ~~[seven dollars and fifty cents]~~ **a base fee of fifteen dollars, plus an additional**
26 **administrative processing fee calculated as one percent of such base fee.**

27 5. A commercial driver's license containing a hazardous materials endorsement issued
28 to an applicant who is seventy years of age or older shall not be issued for a period exceeding
29 three years. The director shall not require such drivers to obtain a security threat assessment

30 more frequently than such assessment is required by the Transportation Security Administration
31 under the Uniting and Strengthening America by Providing Appropriate Tools Required to
32 Intercept and Obstruct Terrorism Act (USA PATRIOT ACT) of 2001.

33 (1) The state shall immediately revoke a hazardous materials endorsement upon receipt
34 of an initial determination of threat assessment and immediate revocation from the
35 Transportation Security Administration as defined by 49 CFR 1572.13(a).

36 (2) The state shall revoke or deny a hazardous materials endorsement within fifteen days
37 of receipt of a final determination of threat assessment from the Transportation Security
38 Administration as required by CFR 1572.13(a).

39 6. The fee for a commercial driver's license or renewal commercial driver's license issued
40 for a period greater than three years shall be [~~forty~~] **a base fee of eighty dollars, plus an**
41 **additional administrative processing fee calculated as one percent of such base fee.**

42 7. The fee for a commercial driver's license or renewal commercial driver's license issued
43 for a period of three years or less shall be [~~twenty~~] **a base fee of forty dollars, plus an**
44 **additional administrative processing fee calculated as one percent of such base fee.**

45 8. The fee for a duplicate commercial driver's license shall be [~~twenty~~] **a base fee of**
46 **forty dollars, plus an additional administrative processing fee calculated as one percent of**
47 **such base fee.**

48 9. In order for the director to properly transition driver's license requirements under the
49 Motor Carrier Safety Improvement Act of 1999 and the Uniting and Strengthening America by
50 Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT
51 ACT) of 2001, the director is authorized to stagger expiration dates and make adjustments for
52 any fees, including driver examination fees that are incurred by the driver as a result of the initial
53 issuance of a transitional license required to comply with such acts.

54 10. Within thirty days after moving to this state, the holder of a commercial driver's
55 license shall apply for a commercial driver's license in this state. The applicant shall meet all
56 other requirements of sections 302.700 to 302.780, except that the director may waive the driving
57 test for a commercial driver's license as required in section 302.720 if the applicant for a
58 commercial driver's license has a valid commercial driver's license from a state which has
59 requirements for issuance of such license comparable to those in this state.

60 11. Any person who falsifies any information in an application or test for a commercial
61 driver's license shall not be licensed to operate a commercial motor vehicle, or the person's
62 commercial driver's license shall be cancelled, for a period of one year after the director
63 discovers such falsification.

64 12. Beginning July 1, 2005, the director shall not issue a commercial driver's license
65 under this section unless the director verifies that the applicant is lawfully present in the United

66 States before accepting the application. If lawful presence is granted for a temporary period, no
67 commercial driver's license shall be issued. The director may, by rule or regulation, establish
