

SECOND REGULAR SESSION

HOUSE BILL NO. 2630

99TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE COOKSON.

6533H.011

D. ADAM CRUMBLISS, Chief Clerk

AN ACT

To repeal section 163.021, RSMo, and to enact in lieu thereof one new section relating to state aid for schools, with a contingent effective date.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 163.021, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 163.021, to read as follows:

- 163.021. 1. A school district shall receive state aid for its education program only if it:
- (1) Provides for a minimum of one hundred seventy-four days and one thousand forty-four hours of actual pupil attendance in a term scheduled by the board pursuant to section 160.041 for each pupil or group of pupils, except that the board shall provide a minimum of one hundred seventy-four days and five hundred twenty-two hours of actual pupil attendance in a term for kindergarten pupils. If any school is dismissed because of inclement weather after school has been in session for three hours, that day shall count as a school day including afternoon session kindergarten students. When the aggregate hours lost in a term due to inclement weather decreases the total hours of the school term below the required minimum number of hours by more than twelve hours for all-day students or six hours for one-half-day kindergarten students, all such hours below the minimum must be made up in one-half day or full day additions to the term, except as provided in section 171.033;
- (2) Maintains adequate and accurate records of attendance, personnel and finances, as required by the state board of education, which shall include the preparation of a financial statement which shall be submitted to the state board of education the same as required by the provisions of section 165.111 for districts;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17 (3) Levies an operating levy for school purposes of not less than one dollar and
18 twenty-five cents after all adjustments and reductions on each one hundred dollars assessed
19 valuation of the district;

20 (4) Computes average daily attendance as defined in subdivision (2) of section 163.011
21 as modified by section 171.031. Whenever there has existed within the district an infectious
22 disease, contagion, epidemic, plague or similar condition whereby the school attendance is
23 substantially reduced for an extended period in any school year, the apportionment of school
24 funds and all other distribution of school moneys shall be made on the basis of the school year
25 next preceding the year in which such condition existed.

26 2. For the 2006-07 school year and thereafter, no school district shall receive more state
27 aid, as calculated under subsections 1 and 2 of section 163.031, for its education program,
28 exclusive of categorical add-ons, than it received per weighted average daily attendance for the
29 school year 2005-06 from the foundation formula, line 14, gifted, remedial reading, exceptional
30 pupil aid, fair share, and free textbook payment amounts, unless it has an operating levy for
31 school purposes, as determined pursuant to section 163.011, of not less than ~~[two]~~ **three** dollars
32 and ~~[seventy-five]~~ **fifty** cents after all adjustments and reductions. Any district which is required,
33 pursuant to Article X, Section 22 of the Missouri Constitution, to reduce its operating levy below
34 the minimum tax rate otherwise required under this subsection shall not be construed to be in
35 violation of this subsection for making such tax rate reduction. Pursuant to Section 10(c) of
36 Article X of the state constitution, a school district may levy the operating levy for school
37 purposes required by this subsection less all adjustments required pursuant to Article X, Section
38 22 of the Missouri Constitution if such rate does not exceed the highest tax rate in effect
39 subsequent to the 1980 tax year. Nothing in this section shall be construed to mean that a school
40 district is guaranteed to receive an amount not less than the amount the school district received
41 per eligible pupil for the school year 1990-91. The provisions of this subsection shall not apply
42 to any school district located in a county of the second classification which has a nuclear power
43 plant located in such district or to any school district located in a county of the third classification
44 which has an electric power generation unit with a rated generating capacity of more than one
45 hundred fifty megawatts which is owned or operated or both by a rural electric cooperative
46 except that such school districts may levy for current school purposes and capital projects an
47 operating levy not to exceed ~~[two]~~ **three** dollars and ~~[seventy-five]~~ **fifty** cents less all
48 adjustments required pursuant to Article X, Section 22 of the Missouri Constitution.

49 3. No school district shall receive more state aid, as calculated in section 163.031, for
50 its education program, exclusive of categorical add-ons, than it received per eligible pupil for the
51 school year 1993-94, if the state board of education determines that the district was not in
52 compliance in the preceding school year with the requirements of section 163.172, until such

53 time as the board determines that the district is again in compliance with the requirements of
54 section 163.172.

55 4. No school district shall receive state aid, pursuant to section 163.031, if such district
56 was not in compliance, during the preceding school year, with the requirement, established
57 pursuant to section 160.530 to allocate revenue to the professional development committee of
58 the district.

59 5. No school district shall receive more state aid, as calculated in subsections 1 and 2 of
60 section 163.031, for its education program, exclusive of categorical add-ons, than it received per
61 weighted average daily attendance for the school year 2005-06 from the foundation formula, line
62 14, gifted, remedial reading, exceptional pupil aid, fair share, and free textbook payment
63 amounts, if the district did not comply in the preceding school year with the requirements of
64 subsection 5 of section 163.031.

65 6. Any school district that levies an operating levy for school purposes that is less than
66 the performance levy, as such term is defined in section 163.011, shall provide written notice to
67 the department of elementary and secondary education asserting that the district is providing an
68 adequate education to the students of such district. If a school district asserts that it is not
69 providing an adequate education to its students, such inadequacy shall be deemed to be a result
70 of insufficient local effort. The provisions of this subsection shall not apply to any special
71 district established under sections 162.815 to 162.940.

Section B. The repeal and reenactment of section 163.021 of this act shall become
2 effective only upon the passage and approval by the voters of a constitutional amendment
3 submitted to them by the general assembly regarding an increase in the property tax allowed to
4 be imposed by school districts.
