Section A. Section 143.121, RSMo, is repealed and ten new sections enacted in lieu thereof, to be known as sections 143.121, 285.400, 285.405, 285.410, 285.415, 285.420, 285.425, 285.430, 285.435, and 285.440, to read as follows:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 ~~[of the Internal Revenue Code]~~, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

15 section. The amount added pursuant to this subdivision shall be reduced by the amounts
16 applicable to such interest that would have been deductible in computing the taxable income of
17 the taxpayer except only for the application of 26 U.S.C. Section 265 [~~of the Internal Revenue~~
18 ~~Code~~], as amended. The reduction shall only be made if it is at least five hundred dollars;

19 (3) The amount of any deduction that is included in the computation of federal taxable
20 income pursuant to 26 U.S.C. Section 168 [~~of the Internal Revenue Code~~], as amended by the
21 Job Creation and Worker Assistance Act of 2002, to the extent the amount deducted relates to
22 property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount
23 deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168
24 [~~of the Internal Revenue Code of 1986~~] as in effect on January 1, 2002;

25 (4) The amount of any deduction that is included in the computation of federal taxable
26 income for net operating loss allowed by 26 U.S.C. Section 172 [~~of the Internal Revenue Code~~
27 ~~of 1986~~], as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and
28 26 U.S.C. Section 172(i) [~~of the Internal Revenue Code of 1986~~], as amended, for a net operating
29 loss the taxpayer claims in the tax year in which the net operating loss occurred or carries
30 forward for a period of more than twenty years and carries backward for more than two years.
31 Any amount of net operating loss taken against federal taxable income but disallowed for
32 Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried
33 forward and taken against any income on the Missouri income tax return for a period of not more
34 than twenty years from the year of the initial loss; and

35 (5) For nonresident individuals in all taxable years ending on or after December 31,
36 2006, the amount of any property taxes paid to another state or a political subdivision of another
37 state for which a deduction was allowed on such nonresident's federal return in the taxable year
38 unless such state, political subdivision of a state, or the District of Columbia allows a subtraction
39 from income for property taxes paid to this state for purposes of calculating income for the
40 income tax for such state, political subdivision of a state, or the District of Columbia;

41 (6) For all tax years beginning on or after January 1, 2018, any interest expense paid or
42 accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as
43 amended, in the current taxable year by reason of the carryforward of disallowed business
44 interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this
45 subdivision, an interest expense is considered paid or accrued only in the first taxable year the
46 deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation
47 under 26 U.S.C. Section 163(j), as amended, did not exist.

48 3. There shall be subtracted from the taxpayer's federal adjusted gross income the
49 following amounts to the extent included in federal adjusted gross income:

50 (1) Interest received on deposits held at a federal reserve bank or interest or dividends
51 on obligations of the United States and its territories and possessions or of any authority,
52 commission or instrumentality of the United States to the extent exempt from Missouri income
53 taxes pursuant to the laws of the United States. The amount subtracted pursuant to this
54 subdivision shall be reduced by any interest on indebtedness incurred to carry the described
55 obligations or securities and by any expenses incurred in the production of interest or dividend
56 income described in this subdivision. The reduction in the previous sentence shall only apply
57 to the extent that such expenses including amortizable bond premiums are deducted in
58 determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri
59 itemized deduction. The reduction shall only be made if the expenses total at least five hundred
60 dollars;

61 (2) The portion of any gain, from the sale or other disposition of property having a higher
62 adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax
63 purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is
64 considered a long-term capital gain for federal income tax purposes, the modification shall be
65 limited to one-half of such portion of the gain;

66 (3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity
67 or other amount of income or gain which was properly included in income or gain and was taxed
68 pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or
69 to a decedent by reason of whose death the taxpayer acquired the right to receive the income or
70 gain, or to a trust or estate from which the taxpayer received the income or gain;

71 (4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the
72 extent that the same are included in federal adjusted gross income;

73 (5) The amount of any state income tax refund for a prior year which was included in the
74 federal adjusted gross income;

75 (6) The portion of capital gain specified in section 135.357 that would otherwise be
76 included in federal adjusted gross income;

77 (7) The amount that would have been deducted in the computation of federal taxable
78 income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January
79 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but
80 before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant
81 to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and
82 Worker Assistance Act of 2002;

83 (8) For all tax years beginning on or after January 1, 2005, the amount of any income
84 received for military service while the taxpayer serves in a combat zone which is included in
85 federal adjusted gross income and not otherwise excluded therefrom. As used in this section,

86 "combat zone" means any area which the President of the United States by Executive Order
87 designates as an area in which Armed Forces of the United States are or have engaged in combat.

89 President by Executive Order as the date of the commencing of combat activities in such zone,
90 and on or before the date designated by the President by Executive Order as the date of the
91 termination of combatant activities in such zone;

93 that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an
94 additional modification was made under subdivision (3) of subsection 2 of this section, the
95 amount by which additional modification made under subdivision (3) of subsection 2 of this
96 section on qualified property has not been recovered through the additional subtractions provided
97 in subdivision (7) of this subsection;

98 (10) **The amount contributed to the Missouri earned family and medical leave fund**
99 **established under section 285.435;**

100 (11) For all tax years beginning on or after January 1, 2014, the amount of any income
101 received as payment from any program which provides compensation to agricultural producers

113 paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed
114 under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest
115 expense is considered paid or accrued only in the first taxable year the deduction would have
116 been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C.
117 Section 163(j), as amended, did not exist.

152 energy efficiency recommendations occurred. If implementation of the energy efficiency
153 recommendations occurred during more than one year, the deduction may be claimed in more
154 than one year, subject to the limitations provided under subdivision (2) of this subsection.

40 3. The department shall develop a certificate form that is separate and distinct from
41 the certificate required in subsection 1 of this section for an employee taking leave to bond

50 procuring additional medical evidence shall be paid by the employee. The department may
51 require that the additional evidence include any or all of the following:

52 (1) Identification of diagnoses;

53 (2) Identification of symptoms;

2 **employer before family and medical leave is to begin if the need for the leave is foreseeable.**
3 **If thirty days' notice is not practicable, notice shall be given to the employer as soon as**
4 **practicable.**

285.420. 1. Except as provided in subsection 4 of this section, an employee may file
2 **a notice of appeal from any determination of eligibility for benefits made by the**
3 **department, by mail or in person, within thirty days after the date on which a copy of the**
4 **department's decision is received by the employee. Upon receipt of the notice of appeal,**
5 **the department shall request the assignment of an administrative law judge in accordance**
6 **with chapter 536 to conduct a hearing and issue a proposed decision and order. The**
7 **hearing shall be conducted in accordance with chapter 536.**

8 **2. The administrative law judge's proposed decision and order shall be final and**
9 **not subject to further appeal unless, within thirty days after the decision is served on the**
10 **interested parties, a party files a petition for judicial review as provided in chapter 536.**

11 **3. A determination of the amount of benefits payable under sections 285.400 to**
12 **285.440 shall not serve as a basis for appeal under this section. However, the**
13 **determination shall be subject to request by the employee on family or medical leave for**
14 **redetermination by the department at any time within one year from the date of delivery**
15 **or mailing of such determination, or any redetermination thereof. A redetermination shall**
16 **be furnished to the individual in writing.**

17 **4. A denial of benefits shall become final in the absence of timely appeal therefrom.**
18 **The department may redetermine a denial of benefits at any time within one year from**
19 **delivery or mailing of such denial to correct an error in identity, omission of fact, or**
20 **misapplication of law with respect to the facts.**

21 **5. A determination of allowance of benefits shall become final in the absence of**
