The pilot program shall initially be implemented in the counties of Greene, Jefferson, and Pemiscot.**
2. **The department shall enter into a memorandum of understanding with each county participating in the pilot program. 19 **4. There is hereby created in the state treasury the “Children and Low-Income**
20 **Families Future Program Fund”, consisting of any moneys that may be appropriated to the**
21 **fund. Funds appropriated under this section shall be used to provide grants to**
22 **participating counties for the purposes of this section. The state treasurer shall be**
23 **custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer**
24 **may approve disbursements. The fund shall be a dedicated fund and, upon appropriation,**
25 **moneys in the fund shall be used solely for the administration of this section.**
26 **Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining**
27 **in the fund at the end of the biennium shall not revert to the credit of the general revenue**
28 **fund. The state treasurer shall invest moneys in the fund in the same manner as other**
29 **funds are invested. Any interest and moneys earned on such investments shall be credited**
30 **to the fund.**

31 **5. The department shall promulgate rules to implement the administration of the**
32 **grant program. The department shall determine the amount of the grants and how such**
33 **grants shall be distributed among participating counties. Any rule or portion of a rule, as**
34 **that term is defined in section 536.010, that is created under the authority delegated in this**
35 **section shall become effective only if it complies with and is subject to all of the provisions**
36 **of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are**

42 **in a manner that best addresses the county’s specific community needs. In developing the**
43 **pilot program for the county, the county may limit participation to a reasonable percentage**
44 **of the county’s caseload for the child care assistance program. A county may also limit**
45 **participation in the pilot program to families who enter the child care assistance program**
46 **with children who are thirty-six months of age or younger. A participating county shall**
47 **continue to provide child care assistance for a period of up to two years for a group of**
48 **participants who have been receiving child care assistance from the county and whose**
49 **income exceeds the county-adopted income eligibility limit for the county’s child care**
50 **assistance program. The county shall require a parent who is receiving extended child care**
51 **assistance to pay a series of incremental increases in the portion of the parental share of**
52 **the child care costs on a scheduled basis based upon a formula established by the county;**

53 except that, assistance shall not be provided if such income exceeds the maximum level of
54 eligibility for services set by federal law for a family of the same size. The county shall
55 assist participating families to achieve a gradual transition off of the child care assistance
56 over a two-year period. Each county shall set its own parental fee schedule and may
57 consult with the department on setting the parental fee schedule.

58 7. The pilot program shall begin July 1, 2018. A county shall operate the pilot
59 program for at least five years. Each participating county shall identify the families
60 participating in the pilot program in that county. The department shall collect all data on
61 the pilot program annually and shall evaluate and report to the general assembly annually
62 on the pilot program using measurable outcomes.

63 8. The department shall compile the data submitted by the counties and submit a
64 report on the pilot program with the department's findings and recommendations to the
65 general assembly. The department shall make its report available to the public on its
66 website and through other electronic means. The department shall submit its report to the
67 general assembly on or before October 1, 2023. The department's report shall include, but
68 need not be limited to, the following:

70 statewide;

71 (2) The number of months that each family participated in the pilot program, by
72 county and statewide; and

73 (3) A summary and analysis by the department of the reasons why families stopped
74 participating in the pilot program, by county and statewide.

75 9. Under section 23.253 of the Missouri sunset act:

76 (1) The provisions of the new program authorized under this section shall
77 automatically sunset six years after the effective date of this section unless reauthorized by
78 an act of the general assembly;

79 (2) If such program is reauthorized, the program authorized under this section
80 shall automatically sunset twelve years after the effective date of the reauthorization of this
81 section; and

82 (3) This section shall terminate on September first of the calendar year immediately
