Section A. Sections 210.003, 210.221, and 210.861, RSMo, are repealed and six new sections enacted in lieu thereof, to be known as sections 210.003, 210.118, 210.148, 210.221, 210.223, and 210.861, to read as follows:

210.003. 1. No child shall be permitted to enroll in or attend any public, private or parochial day care center, preschool or nursery school caring for ten or more children unless such child has been adequately immunized against vaccine-preventable childhood illnesses specified by the department of health and senior services in accordance with recommendations of the [Immunization Practices Advisory Committee] **Centers for Disease Control and Prevention Advisory Committee on Immunization Practices** (ACIP). The parent or guardian of such child shall provide satisfactory evidence of the required immunizations.

2. A child who has not completed all immunizations appropriate for his age may enroll, if:

(1) Satisfactory evidence is produced that such child has begun the process of immunization. The child may continue to attend as long as the immunization process is being accomplished according to the ACIP/Missouri department of health and senior services recommended schedule; or

(2) The parent or guardian has signed and placed on file with the day care administrator a statement of exemption which may be either of the following:

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

16 (a) A medical exemption, by which a child shall be exempted from the requirements of  
17 this section upon certification by a licensed physician that such immunization would seriously  
18 endanger the child's health or life; or

19 (b) A parent or guardian exemption, by which a child shall be exempted from the  
20 requirements of this section if one parent or guardian files a written objection to immunization  
21 with the day care administrator. Exemptions shall be accepted by the day care administrator  
22 when the necessary information as determined by the department of health and senior services  
23 is filed with the day care administrator by the parent or guardian. Exemption forms shall be  
24 provided by the department of health and senior services.

25 3. In the event of an outbreak or suspected outbreak of a vaccine-preventable disease  
26 within a particular facility, the administrator of the facility shall follow the control measures  
27 instituted by the local health authority or the department of health and senior services or both the  
28 local health authority and the department of health and senior services, as established in Rule 19  
29 CSR 20-20.040, "Measures for the Control of Communicable Diseases".

32 attending a facility under his jurisdiction. An annual summary report shall be made by January  
33 fifteenth showing the immunization status of each child enrolled, using forms provided for this  
34 purpose by the department of health and senior services. The immunization records shall be  
35 available for review by department of health and senior services personnel upon request.

36 5. For purposes of this section, satisfactory evidence of immunization means a statement,  
37 certificate or record from a physician or other recognized health facility or personnel, stating that  
38 the required immunizations have been given to the child and verifying the type of vaccine and  
39 the month, day and year of administration.

40 6. Nothing in this section shall preclude any political subdivision from adopting more  
41 stringent rules regarding the immunization of preschool children.

42 **7. All public, private, and parochial day care centers, preschools, and nursery**  
43 **schools shall notify the parent or guardian of each child at the time of initial enrollment**  
44 **in or attendance at the facility that the parent or guardian may request notice of whether**  
45 **there are children currently enrolled in or attending the facility for whom an immunization**  
46 **exemption has been filed. Beginning December 1, 2015, all public, private, and parochial**  
47 **day care centers, preschools, and nursery schools shall notify the parent or guardian of**  
48 **each child currently enrolled in or attending the facility that the parent or guardian may**  
49 **request notice of whether there are children currently enrolled in or attending the facility**  
50 **for whom an immunization exemption has been filed. Any public, private, or parochial day**  
51 **care center, preschool, or nursery school shall notify the parent or guardian of a child**

53 enrolled in or attending the facility for whom an immunization exemption has been filed.

4 judgment or order to the children's division. Upon receipt of the order, the children's  
5 division shall list the individual as a perpetrator of child abuse or neglect in the central

19 division shall list the individual as a perpetrator of child abuse or neglect in the central  
20 registry.

4 appropriate local office along with any relevant information as may be contained in the  
5 information system. Upon receipt of the report and relevant information, the local office  
6 shall use a family assessment and services approach, as described in subsection 14 of  
7 section 210.145 to respond to the allegation contained in the report.

8 2. Nothing in this section shall prohibit the local office from commencing an  
9 investigation if the local office, at any point in using the family assessment and services  
10 approach, determines that an investigation is required. Such investigation shall comply  
11 with the provisions of section 210.145 and may include requesting assistance from the  
12 appropriate law enforcement agency.

13           **3. As used in this section, the term "juvenile with problem sexual behavior" means**  
14 **any person, under fourteen years of age, who has allegedly committed sexual abuse against**  
15 **another younger child.**

210.221. 1. The department of health and senior services shall have the following  
2 powers and duties:

3           (1) After inspection, to grant licenses to persons to operate child-care facilities if  
4 satisfied as to the good character and intent of the applicant and that such applicant is qualified  
5 and equipped to render care or service conducive to the welfare of children, and to renew the  
6 same when expired. No license shall be granted for a term exceeding two years. Each license  
7 shall specify the kind of child-care services the licensee is authorized to perform, the number of  
8 children that can be received or maintained, and their ages and sex;

9           (2) To inspect the conditions of the homes and other places in which the applicant  
10 operates a child-care facility, inspect their books and records, premises and children being  
11 served, examine their officers and agents, deny, suspend, place on probation or revoke the license  
12 of such persons as fail to obey the provisions of sections 210.201 to 210.245 or the rules and  
13 regulations made by the department of health and senior services. The director also may revoke  
14 or suspend a license when the licensee fails to renew or surrenders the license;

15           (3) To promulgate and issue rules and regulations the department deems necessary or  
16 proper in order to establish standards of service and care to be rendered by such licensees to  
17 children. No rule or regulation promulgated by the division shall in any manner restrict or

25 department at regular intervals.

27 pursuant to this section. The request for a variance shall be made in writing to the department  
28 of health and senior services and shall include the reasons the facility is requesting the variance.  
29 The department shall approve any variance request that does not endanger the health or safety

34 receives official written notice that the local governing body has found that license is prohibited  
35 by any local law related to the health and safety of children. The department may, after  
36 inspection, find the licensure, denial of licensure, suspension or revocation to be in the best  
37 interest of the state.

38           4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created  
39 under the authority delegated in sections 210.201 to 210.245 shall become effective only if it

42 and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any  
43 rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions  
44 of law. This section and chapter 536 are nonseverable and if any of the powers vested with the  
45 general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove  
46 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority

41 **vested with the general assembly pursuant to chapter 536 to review, to delay the effective**  
42 **date, or to disapprove and annul a rule are subsequently held unconstitutional, then the**
