EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

12 and colleges, for purposes purely charitable, for agricultural and horticultural societies, or for  
13 veterans' organizations may be exempted from taxation by general law. In addition to the above,  
14 household goods, furniture, wearing apparel and articles of personal use and adornment owned  
15 and used by a person in his home or dwelling place may be exempt from taxation by general law  
16 but any such law may provide for approximate restitution to the respective political subdivisions  
17 of revenues lost by reason of the exemption. All laws exempting from taxation property other  
18 than the property enumerated in this article, shall be void. The provisions of this section  
19 exempting certain personal property of manufacturers, refiners, distributors, wholesalers, and  
20 retail merchants and establishments from taxation shall become effective, unless otherwise  
21 provided by law, in each county on January 1 of the year in which that county completes its first  
22 general reassessment as defined by law.

23         2. All revenues lost because of the exemption of certain personal property of  
24 manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments shall  
25 be replaced to each taxing authority within a county from a countywide tax hereby imposed on  
26 all property in subclass 3 of class 1 in each county. For the year in which the exemption becomes  
27 effective, the county clerk shall calculate the total revenue lost by all taxing authorities in the  
28 county and extend upon all property in subclass 3 of class 1 within the county, a tax at the rate  
29 necessary to produce that amount. The rate of tax levied in each county according to this  
30 subsection shall not be increased above the rate first imposed and will stand levied at that rate  
31 unless later reduced according to the provisions of subsection 3. The county collector shall  
32 disburse the proceeds according to the revenue lost by each taxing authority because of the  
33 exemption of such property in that county. Restitution of the revenues lost by any taxing district  
34 contained in more than one county shall be from the several counties according to the revenue  
35 lost because of the exemption of property in each county. Each year after the first year the  
36 replacement tax is imposed, the amount distributed to each taxing authority in a county shall be  
37 increased or decreased by an amount equal to the amount resulting from the change in that  
38 district's total assessed value of property in subclass 3 of class 1 at the countywide replacement  
39 tax rate. In order to implement the provisions of this subsection, the limits set in section 11(b)  
40 of this article may be exceeded, without voter approval, if necessary to allow each county listed  
41 in section 11(b) to comply with this subsection.

42         3. Any increase in the tax rate imposed pursuant to subsection 2 of this section shall be  
43 decreased if such decrease is approved by a majority of the voters of the county voting on such  
44 decrease. A decrease in the increased tax rate imposed under subsection 2 of this section may  
45 be submitted to the voters of a county by the governing body thereof upon its own order,  
46 ordinance, or resolution and shall be submitted upon the petition of at least eight percent of the  
47 qualified voters who voted in the immediately preceding gubernatorial election.

48           4. As used in this section, the terms "revenues lost" and "lost revenues" shall mean that  
49 revenue which each taxing authority received from the imposition of a tangible personal property  
50 tax on all personal property held as industrial inventories, including raw materials, work in  
51 progress and finished work on hand, by manufacturers and refiners, and all personal property  
52 held as goods, wares, merchandise, stock in trade or inventory for resale by distributors,  
53 wholesalers, or retail merchants or establishments in the last full tax year immediately preceding  
54 the effective date of the exemption from taxation granted for such property under subsection 1  
55 of this section, and which was no longer received after such exemption became effective.
