

SECOND REGULAR SESSION

House Resolution No. 6009

99TH GENERAL ASSEMBLY

INTRODUCED BY REPRESENTATIVE ALFERMAN.

6821H.011

D. ADAM CRUMBLISS, Chief Clerk

2 **WHEREAS**, due to the number of items contained in House appropriations bills
3 numbered 2001 to 2013, it is necessary to place a limitation on the total time of floor debate on
4 such appropriations bills:

5 **NOW THEREFORE BE IT RESOLVED** that the Missouri House of Representatives,
6 Ninety-ninth General Assembly, adopt a temporary rule designating a six-hour limitation on the
7 total time of floor debate allowed for the purpose of discussing House appropriations bills
8 numbered 2001 to 2013 for perfection. Such time shall be divided equally between, and
9 controlled by, the budget committee chair and the ranking minority member of the budget
10 committee, or their respective designees. The budget committee chair shall have the right to
11 have the final one minute of designated time. If time has been allocated and unused by either
12 side after House appropriations bills numbered 2001 to 2013 have all been discussed and no
13 member from that side is seeking recognition to further discuss any of the House appropriations
14 bills numbered 2001 to 2013, the Speaker may declare additional time waived and recognize the
15 members of the other side to complete the use of their time. Nothing in this rule shall entitle any
16 member to speak longer than the House Rules otherwise allow.
