113 trust or expressly granted in the trust instrument one or more powers
114 over the trust. The term "trust protector" includes but is not limited to
115 persons or entities identified in the trust instrument as trust advisors,
116 trust directors, distribution advisers, or investment advisers;**

117 (31) "Trustee" includes an original, additional, and successor trustee, and
118 a cotrustee.

456.4-420. 1. If a trust instrument containing a no-contest clause is or
2 has become irrevocable, an interested person may file a petition to the court for
3 an interlocutory determination whether a particular motion, petition, or other
4 claim for relief by the interested person would trigger application of the
5 no-contest clause or would otherwise trigger a forfeiture that is enforceable under
6 applicable law and public policy.

7 2. The petition described in subsection 1 of this section shall be verified

8 under oath. The petition may be filed by an interested person either as a
9 separate judicial proceeding, or brought with other claims for relief in a single
10 judicial proceeding, all in the manner prescribed generally for such proceedings
11 under this chapter. If a petition is joined with other claims for relief, the court
12 shall enter its order or judgment on the petition before proceeding any further
13 with any other claim for relief joined therein. In ruling on such a petition, the
14 court shall consider the text of the clause, the context to the terms of the trust
15 instrument as a whole, and in the context of the verified factual allegations in the
16 petition. No evidence beyond the pleadings and the trust instrument shall be
17 taken except as required to resolve an ambiguity in the no-contest clause.

18 3. An order or judgment determining a petition described in subsection
19 1 of this section shall have the effect set forth in subsections 4 and 5 of this
20 section, and shall be subject to appeal as with other final judgments. If the order
21 disposes of fewer than all claims for relief in a judicial proceeding, that order is
22 subject to interlocutory appeal in accordance with the applicable rules for taking
23 such an appeal. If an interlocutory appeal is taken, the court may stay the
24 pending judicial proceeding until final disposition of said appeal on such terms
25 and conditions as the court deems reasonable and proper under the
26 circumstances. A final ruling on the applicability of a no-contest clause shall not
27 preclude any later filing and adjudication of other claims related to the trust.

28 4. An order or judgment, in whole or in part, on a petition described in
29 subsection 1 of this section shall result in the no-contest clause being enforceable
30 to the extent of the court's ruling, and shall govern application of the no-contest
31 clause to the extent that the interested person then proceeds forward with the
32 claims described therein. In the event such an interlocutory order or judgment
33 is vacated, reversed, or otherwise modified on appeal, no interested person shall
34 be prejudiced by any reliance, through action, inaction, or otherwise, on the order
35 or judgment prior to final disposition of the appeal.

36 5. An order or judgment shall have effect only as to the specific trust
37 terms and factual basis recited in the petition. If claims are later filed that are
38 materially different than those upon which the order or judgment is based, then
39 to the extent such new claims are raised, the party in whose favor the order or
40 judgment was entered shall have no protection from enforcement of the no-contest
41 clause otherwise afforded by the order and judgment entered under this section.

42 6. For purposes of this section, a "no-contest clause" shall mean a
43 provision in a trust instrument purporting to rescind a donative transfer to, or

44 a fiduciary appointment of, any person, or that otherwise effects a forfeiture of
45 some or all of an interested person's beneficial interest in a trust estate as a
46 result of some action taken by the beneficiary. This definition shall not be
47 construed in any way as determining whether a no-contest clause is enforceable
48 under applicable law and public policy in a particular factual situation. As used
49 in this section, the term "no-contest clause" shall also mean an "in terrorem
50 clause".

51 7. A no-contest clause is not enforceable against an interested person in,
52 but not limited to, the following circumstances:

53 (1) Filing a motion, petition, or other claim for relief objecting to the
54 jurisdiction or venue of the court over a proceeding concerning a trust, or over
55 any person joined, or attempted to be joined, in such a proceeding;

56 (2) Filing a motion, petition, or other claim for relief concerning an
57 accounting, report, or notice that has or should have been made by a trustee,
58 provided the interested person otherwise has standing to do so under applicable
59 law, including, but not limited to, section 456.6-603;

60 (3) Filing a motion, petition, or other claim for relief under chapter 475
61 concerning the appointment of a guardian or conservator for the settlor;

62 (4) Filing a motion, petition, or other claim for relief under chapter 404
63 concerning the settlor;

64 (5) Disclosure to any person of information concerning a trust instrument
65 or that is relevant to a proceeding before the court concerning the trust
66 instrument or property of the trust estate, unless such disclosure is otherwise
67 prohibited by law;

68 (6) Filing a motion, pleading, or other claim for relief seeking approval of
69 a nonjudicial settlement agreement concerning a trust instrument, as set forth
70 in section 456.1-111;

71 (7) **Filing a motion, pleading, or other claim for relief concerning**
72 **a breach of trust by a trustee including, but not limited to, a claim**
73 **under section 456.10-1001. For purposes of this subdivision, "breach of**
74 **trust" means a trustee's violation of the terms of a trust instrument, a**
75 **violation of the trustee's general fiduciary obligations, or a trustee's**
76 **violation of a duty that equity imposes on a trustee;**

77 (8) **Filing a motion, pleading, or other claim for relief concerning**
78 **removal of a trustee including, but not limited to, a claim for removal**
79 **under section 456.7-706;**

80 **(9)** To the extent a petition under subsection 1 of this section is limited
81 to the procedure and purpose described therein.

82 8. In any proceeding brought under this section, the court may award
83 costs, expenses, and attorneys' fees to any party, as provided in section
84 456.10-1004.

 456.8-808. 1. While a trust is revocable, the trustee may follow a
2 direction of the settlor that is contrary to the terms of the trust.

3 2. A trust instrument may provide for [the appointment of a trust
4 protector. For purposes of this section, a "trust protector", whether referred to
5 in the trust instrument by that name or by some other name, is a person, other
6 than the settlor, a trustee, or a beneficiary, who is expressly granted in the trust
7 instrument one or more powers over the trust] **one or more persons, not then**
8 **servng as a trustee and not the settlor or a beneficiary, to be given any**
9 **powers over the trust as expressly granted in the trust instrument. Any**
10 **such person may be identified and appointed as a trust protector or**
11 **similar term. Whenever a trust instrument names, appoints, authorizes,**
12 **or otherwise designates a trust protector, the trust shall be deemed a**
13 **directed trust.**

14 3. A trust protector appointed in the trust instrument shall have only the
15 powers granted to the trust protector by the express terms of the trust
16 instrument, and a trust protector is only authorized to act within the scope of the
17 authority expressly granted in the trust instrument. Without limiting the
18 authority of the settlor to grant powers to a trust protector, the express powers
19 that may be granted include, but are not limited to, the following:

20 (1) Remove and appoint a trustee **or a trust protector** or name a
21 successor trustee or trust protector;

22 (2) Modify or amend the trust instrument to:

23 (a) Achieve favorable tax status or respond to changes in the Internal
24 Revenue Code or state law, or the rulings and regulations under such code or law;

25 (b) Reflect legal changes that affect trust administration;

26 (c) Correct errors or ambiguities that might otherwise require court
27 construction; or

28 (d) Correct a drafting error that defeats a grantor's intent;

29 (3) Increase, decrease, modify, or restrict the interests of the beneficiary
30 or beneficiaries of the trust;

31 (4) Terminate the trust in favor of the beneficiary or beneficiaries of the

32 trust;

33 (5) Change the applicable law governing the trust and the trust situs; or

34 (6) Such other powers as are expressly granted to the trust protector in
35 the trust instrument.

36 4. Notwithstanding any provision in the trust instrument to the contrary,
37 a trust protector shall have no power to modify a trust to:

38 (1) Remove a requirement from a trust created to meet the requirements
39 of 42 U.S.C. Section 1396p(d)(4) to pay back a governmental entity for benefits
40 provided to the permissible beneficiary of the trust at the death of that
41 beneficiary; or

42 (2) Reduce or eliminate an income interest of the income beneficiary of
43 any of the following types of trusts:

44 (a) A trust for which a marital deduction has been taken for federal tax
45 purposes under Section 2056 or 2523 of the Internal Revenue Code or for state
46 tax purposes under any comparable provision of applicable state law, during the
47 life of the settlor's spouse;

48 (b) A charitable remainder trust under Section 664 of the Internal
49 Revenue Code, during the life of the noncharitable beneficiary;

50 (c) A grantor retained annuity trust under Section 2702 of the Internal
51 Revenue Code, during any period in which the settlor is a beneficiary; or

52 (d) A trust for which an election as a qualified Sub-Chapter S Trust under
53 Section 1361(d) of the Internal Revenue Code is currently in place.

54 5. Except to the extent otherwise provided in a trust instrument
55 specifically referring to this subsection, the trust protector shall not exercise a
56 power in a way that would result in a taxable gift for federal gift tax purposes or
57 cause the inclusion of any assets of the trust in the trust protector's gross estate
58 for federal estate tax purposes.

59 6. Except to the extent otherwise provided in the trust instrument and in
60 subsection 7 of this section, and notwithstanding any provision of sections
61 456.1-101 to 456.11-1106 to the contrary:

62 (1) A trust protector shall act in a fiduciary capacity in carrying out the
63 powers granted to the trust protector in the trust instrument, and shall have such
64 duties to the beneficiaries, the settlor, or the trust as set forth in the trust
65 instrument; **provided, however, that the trust instrument may provide**
66 **that the trust protector shall act in a nonfiduciary capacity.** A trust
67 protector is not a trustee, and is not liable or accountable as a trustee when

68 performing or declining to perform the express powers given to the trust protector
69 in the trust instrument. A trust protector is not liable for the acts or omissions
70 of any fiduciary or beneficiary under the trust instrument;

71 (2) A trust protector is exonerated from any and all liability for the trust
72 protector's acts or omissions, or arising from any exercise or nonexercise of the
73 powers expressly conferred on the trust protector in the trust instrument, unless
74 it is established by a preponderance of the evidence that the acts or omissions of
75 the trust protector were done or omitted in breach of the trust protector's duty,
76 in bad faith or with reckless indifference;

77 (3) A trust protector is authorized to exercise the express powers granted
78 in the trust instrument at any time and from time to time after the trust
79 protector acquires knowledge of their appointment as trust protector and of the
80 powers granted. **The trust protector may take any action, judicial or**
81 **otherwise, necessary to carry out the duties given to the trust protector**
82 **in the trust instrument;**

83 (4) A trust protector is entitled to receive, from the assets of the trust for
84 which the trust protector is acting, reasonable compensation, and reimbursement
85 of the reasonable costs and expenses incurred, in determining whether to carry
86 out, and in carrying out, the express powers given to the trust protector in the
87 trust instrument;

88 (5) A trust protector is entitled to receive, from the assets of the trust for
89 which the trust protector is acting, reimbursement of the reasonable costs and
90 expenses, including attorney's fees, of defending any claim made against the trust
91 protector arising from the acts or omissions of the trust protector acting in that
92 capacity unless it is established by clear and convincing evidence that the trust
93 protector was acting in bad faith or with reckless indifference; and

94 (6) The express powers granted in the trust instrument shall not be
95 exercised by the trust protector for the trust protector's own personal benefit.

96 7. If a trust protector is granted a power in the trust instrument to direct,
97 consent to, or disapprove a trustee's actual or proposed investment decision,
98 distribution decision, or other decision of the trustee required to be performed
99 under applicable trust law in carrying out the duties of the trustee in
100 administering the trust, then only with respect to such power, excluding the
101 powers identified in subsection 3 of this section, the trust protector shall have the
102 same duties and liabilities as if serving as a trustee under the trust instrument
103 **unless the trust instrument expressly provides otherwise. In carrying**

104 **out any written directions given to the trustee by the trust protector**
105 **concerning actual or proposed investment decisions, the trustee shall**
106 **not be subject to the provisions of sections 469.900 to 469.913. For**
107 **purposes of this subsection, "investment decisions" means, with respect**
108 **to any investment, decisions to retain, purchase, sell, exchange, tender,**
109 **or otherwise engage in transactions affecting the ownership of**
110 **investments or rights therein, and, with respect to nonpublicly traded**
111 **investments, the valuation thereof.**

112 **8. Any trustee of a directed trust shall not be accountable under**
113 **the law or equity for any act or omission of a trust protector and shall**
114 **stand absolved from liability for executing the decisions or instructions**
115 **from a trust protector, or for monitoring the actions or inactions of a**
116 **trust protector. A trustee shall take reasonable steps to facilitate the**
117 **activity of a trust protector in a directed trust. A trustee shall carry out**
118 the written directions given to the trustee by a trust protector acting within the
119 scope of the powers expressly granted to the trust protector in the trust
120 instrument. Except [in cases of bad faith or reckless indifference on the part of
121 the trustee, or] as otherwise provided in the trust instrument, the trustee shall
122 not be liable for any loss resulting directly or indirectly from any act taken or
123 omitted as a result of the written direction of the trust protector or the failure of
124 the trust protector to provide consent. Except as otherwise provided in the trust
125 instrument, the trustee shall have no duty to monitor the conduct of the trust
126 protector, provide advice to or consult with the trust protector, or communicate
127 with or warn or apprise any beneficiary concerning instances in which the trustee
128 would or might have exercised the trustee's own discretion in a manner different
129 from the manner directed by the trust protector. **Except as otherwise**
130 **provided in the trust instrument, any actions taken by the trustee at**
131 **the trust protector's direction shall be deemed to be administrative**
132 **actions taken by the trustee solely to allow the trustee to carry out the**
133 **instructions of the trust protector, and shall not be deemed to**
134 **constitute an act by the trustee to monitor the trust protector or**
135 **otherwise participate in actions within the scope of the trust**
136 **protector's authority.**

137 **9. Except to the extent otherwise expressly provided in the trust**
138 **instrument, the trust protector shall be entitled to receive information regarding**
139 **the administration of the trust as follows:**

140 (1) Upon the request of the trust protector, unless unreasonable under the
141 circumstances, the trustee shall promptly provide to the trust protector any and
142 all information related to the trust that may relate to the exercise or nonexercise
143 of a power expressly granted to the trust protector in the trust instrument. The
144 trustee has no obligation to provide any information to the trust protector except
145 to the extent a trust protector requests information under this section;

146 (2) The request of the trust protector for information under this section
147 shall be with respect to a single trust that is sufficiently identified to enable the
148 trustee to locate the records of the trust; and

149 (3) If the trustee is bound by any confidentiality restrictions with respect
150 to an asset of a trust, a trust protector who requests information under this
151 section about such asset shall agree to be bound by the confidentiality restrictions
152 that bind the trustee before receiving such information from the trustee.

153 10. A trust protector may resign by giving thirty days' written notice to
154 the trustee and any successor trust protector. A successor trust protector, if any,
155 shall have all the powers expressly granted in the trust instrument to the
156 resigning trust protector unless such powers are expressly modified for the
157 successor trust protector.

158 11. A trust protector of a trust having its principal place of administration
159 in this state submits personally to the jurisdiction of the courts of this state
160 during any period that the principal place of administration of the trust is located
161 in this state and the trust protector is serving in such capacity. **The trust**
162 **instrument may also provide that a trust protector is subject to the**
163 **personal jurisdiction of the courts of this state as a condition of**
164 **appointment.**
