AN ACT

To repeal section 135.630, RSMo, and to enact in lieu thereof one new section relating to a tax credit for contributions to pregnancy resource centers.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 135.630, RSMo, is repealed and one new section
2 enacted in lieu thereof, to be known as section 135.630, to read as follows:

135.630. 1. As used in this section, the following terms mean:

2 (1) "Contribution", a donation of cash, stock, bonds, or other marketable
3 securities, or real property;

4 (2) "Director", the director of the department of social services;

5 (3) "Pregnancy resource center", a nonresidential facility located in this
6 state:

7 (a) Established and operating primarily to provide assistance to women
8 with crisis pregnancies or unplanned pregnancies by offering pregnancy testing,
9 counseling, emotional and material support, and other similar services to
10 encourage and assist such women in carrying their pregnancies to term; and

11 (b) Where childbirths are not performed; and

12 (c) Which does not perform, induce, or refer for abortions and which does
13 not hold itself out as performing, inducing, or referring for abortions; and

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

14 (d) Which provides direct client services at the facility, as opposed to
15 merely providing counseling or referral services by telephone; and

16 (e) Which provides its services at no cost to its clients; and

17 (f) When providing medical services, such medical services must be
18 performed in accordance with Missouri statute; and

19 (g) Which is exempt from income taxation pursuant to the Internal
20 Revenue Code of 1986, as amended;

21 (4) "State tax liability", in the case of a business taxpayer, any liability
22 incurred by such taxpayer pursuant to the provisions of chapters 143, 147, 148,
23 and 153, excluding sections 143.191 to 143.265 and related provisions, and in the
24 case of an individual taxpayer, any liability incurred by such taxpayer pursuant
25 to the provisions of chapter 143, excluding sections 143.191 to 143.265 and
26 related provisions;

27 (5) "Taxpayer", a person, firm, a partner in a firm, corporation, or a
28 shareholder in an S corporation doing business in the state of Missouri and
29 subject to the state income tax imposed by the provisions of chapter 143, or a
30 corporation subject to the annual corporation franchise tax imposed by the
31 provisions of chapter 147, or an insurance company paying an annual tax on its
32 gross premium receipts in this state, or other financial institution paying taxes
33 to the state of Missouri or any political subdivision of this state pursuant to the
34 provisions of chapter 148, or an express company which pays an annual tax on
35 its gross receipts in this state pursuant to chapter 153, or an individual subject
36 to the state income tax imposed by the provisions of chapter 143, or any
37 charitable organization which is exempt from federal income tax and whose
38 Missouri unrelated business taxable income, if any, would be subject to the state
39 income tax imposed under chapter 143.

40 2. For all tax years beginning on or after January 1, 2007, a taxpayer
41 shall be allowed to claim a tax credit against the taxpayer's state tax liability in
42 an amount equal to fifty percent of the amount such taxpayer contributed to a
43 pregnancy resource center.

44 3. The amount of the tax credit claimed shall not exceed the amount of the
45 taxpayer's state tax liability for the taxable year for which the credit is claimed,
46 and such taxpayer shall not be allowed to claim a tax credit in excess of fifty
47 thousand dollars per taxable year. However, any tax credit that cannot be
48 claimed in the taxable year the contribution was made may be carried over to the
49 next four succeeding taxable years until the full credit has been claimed.

50 4. Except for any excess credit which is carried over pursuant to
51 subsection 3 of this section, a taxpayer shall not be allowed to claim a tax credit
52 unless the total amount of such taxpayer's contribution or contributions to a
53 pregnancy resource center or centers in such taxpayer's taxable year has a value
54 of at least one hundred dollars.

55 5. The director shall determine, at least annually, which facilities in this
56 state may be classified as pregnancy resource centers. The director may require
57 of a facility seeking to be classified as a pregnancy resource center whatever
58 information which is reasonably necessary to make such a determination. The
59 director shall classify a facility as a pregnancy resource center if such facility
60 meets the definition set forth in subsection 1 of this section.

61 6. The director shall establish a procedure by which a taxpayer can
62 determine if a facility has been classified as a pregnancy resource
63 center. Pregnancy resource centers shall be permitted to decline a contribution
64 from a taxpayer. The cumulative amount of tax credits which may be claimed by
65 all the taxpayers contributing to pregnancy resource centers in any one fiscal year
66 shall not exceed two million dollars. Tax credits shall be issued in the order
67 contributions are received.

68 7. The director shall establish a procedure by which, from the beginning
69 of the fiscal year until some point in time later in the fiscal year to be determined
70 by the director, the cumulative amount of tax credits are equally apportioned
71 among all facilities classified as pregnancy resource centers. If a pregnancy
72 resource center fails to use all, or some percentage to be determined by the
73 director, of its apportioned tax credits during this predetermined period of time,
74 the director may reapportion these unused tax credits to those pregnancy
75 resource centers that have used all, or some percentage to be determined by the
76 director, of their apportioned tax credits during this predetermined period of
77 time. The director may establish more than one period of time and reapportion
78 more than once during each fiscal year. To the maximum extent possible, the
79 director shall establish the procedure described in this subsection in such a
80 manner as to ensure that taxpayers can claim all the tax credits possible up to
81 the cumulative amount of tax credits available for the fiscal year.

82 8. Each pregnancy resource center shall provide information to the
83 director concerning the identity of each taxpayer making a contribution to the
84 pregnancy resource center who is claiming a tax credit pursuant to this section
85 and the amount of the contribution. The director shall provide the information

86 to the director of revenue. The director shall be subject to the confidentiality and
87 penalty provisions of section 32.057 relating to the disclosure of tax information.

88 9. Notwithstanding any other law to the contrary, any tax credits granted
89 under this section may be assigned, transferred, sold, or otherwise conveyed
90 without consent or approval. Such taxpayer, hereinafter the assignor for
91 purposes of this section, may sell, assign, exchange, or otherwise transfer earned
92 tax credits:

93 (1) For no less than seventy-five percent of the par value of such credits;
94 and

95 (2) In an amount not to exceed one hundred percent of annual earned
96 credits.

97 10. [Pursuant to section 23.253 of the Missouri sunset act:

98 (1) Any new program authorized under this section shall automatically
99 sunset six years after August 28, 2006, unless reauthorized by an act of the
100 general assembly; and

101 (2) If such program is reauthorized, the program authorized under this
102 section shall automatically sunset twelve years after the effective date of the
103 reauthorization of this section; and

104 (3) This section shall terminate on September first of the calendar year
105 immediately following the calendar year in which a program authorized under
106 this section is sunset.] **Consistent with the provisions of section 23.253 of**
