AN ACT

To amend chapter 208, RSMo, by adding thereto one new section relating to healthy behavior incentives for MO HealthNet recipients.

2. Each MO HealthNet managed care organization in this state shall, through an existing healthy behavior incentive program or establishment of a new healthy behavior incentive program, increase the limits of or allow for the combining of any or all healthy behavior incentive credits, moneys, reimbursement, or other similar rewards for covered recipients in an amount sufficient to include the purchase of the following infant and childcare items:

(2) Playpens, safety gates and door barriers, and other similar safety items designed to provide a secure environment for infants and toddlers;

(3) Diaper bags and diaper bags with diaper changing supplies included;

(4) Any other similar infant and childcare items, as designated by rule of the MO HealthNet division, that encourage healthy behaviors which improve the health and safety of infants and children.

3. The MO HealthNet division shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule,

22 as that term is defined in section 536.010 that is created under the
23 authority delegated in this section shall become effective only if it
24 complies with and is subject to all of the provisions of chapter 536, and,
25 if applicable, section 536.028. This section and chapter 536 are
26 nonseverable and if any of the powers vested with the general assembly
27 pursuant to chapter 536, to review, to delay the effective date, or to
28 disapprove and annul a rule are subsequently held unconstitutional,
