AN ACT

To repeal sections 190.205 and 376.427, RSMo, and to enact in lieu thereof two new sections relating to direct payment of health care providers.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 190.205 and 376.427, RSMo, are repealed and two new
2 sections enacted in lieu thereof, to be known as sections 190.205 and 376.427, to
3 read as follows:

190.205. 1. Health carriers and managed care plans shall pay benefits
2 directly to **ground** ambulance services or emergency medical response agencies.

3 2. Health carriers and managed care plans shall not prohibit or
4 discourage the use of the 911 system when emergency services are needed as
5 defined in section 190.100.

6 3. If a request for emergency services is made to an ambulance service
7 which is not the 911 provider or the recognized emergency provider in areas not
8 covered by 911 ambulance services, then the 911 provider or the recognized
9 emergency provider shall be notified immediately by the ambulance service
10 receiving the request.

376.427. 1. As used in this section, the following terms mean:

2 (1) "Health benefit plan", as such term is defined in section 376.1350;

3 (2) "Health care services", medical, surgical, dental, podiatric,
4 pharmaceutical, chiropractic, licensed ambulance service, and optometric services;

5 (3) "Health carrier" or "carrier", as such term is defined in section
6 376.1350;

7 (4) "Insured", any person entitled to benefits under a contract of accident
8 and sickness insurance, or medical-payment insurance issued as a supplement to
9 liability insurance but not including any other coverages contained in a liability

10 or a workers' compensation policy, issued by an insurer;

11 (5) "Insurer", any person, reciprocal exchange, interinsurer, fraternal
12 benefit society, health services corporation, self-insured group arrangement to the
13 extent not prohibited by federal law, or any other legal entity engaged in the
14 business of insurance;

15 (6) "Provider", a physician, hospital, dentist, podiatrist, chiropractor,
16 pharmacy, licensed **ground** ambulance service, or optometrist, licensed by this
17 state.

18 2. Upon receipt of an assignment of benefits made by the insured to a
19 provider, the insurer shall issue the instrument of payment for a claim for
20 payment for health care services in the name of the provider. All claims shall be
21 paid within thirty days of the receipt by the insurer of all documents reasonably
22 needed to determine the claim.

23 3. Nothing in this section shall preclude an insurer from voluntarily
24 issuing an instrument of payment in the single name of the provider.

25 4. Except as provided in subsection 5 of this section, this section shall not
26 require any insurer, health services corporation, health maintenance corporation
27 or preferred provider organization which directly contracts with certain members
28 of a class of providers for the delivery of health care services to issue payment as
29 provided pursuant to this section to those members of the class which do not have
30 a contract with the insurer.

31 5. When a patient's health benefit plan does not include or require
32 payment to out-of-network providers for all or most covered services, which would
33 otherwise be covered if the patient received such services from a provider in the
34 carrier's network, including but not limited to health maintenance organization
35 plans, as such term is defined in section 354.400, or a health benefit plan offered
36 by a carrier consistent with subdivision (19) of section 376.426, payment for all
37 services shall be made directly to the providers when the health carrier has
38 authorized such services to be received from a provider outside the carrier's
39 network.
