To repeal section 143.121, RSMo, and to enact in lieu thereof ten new sections relating to leave from employment, with a referendum clause.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 143.121, RSMo, is repealed and ten new
2 sections enacted in lieu thereof, to be known as sections
3 143.121, 285.400, 285.405, 285.410, 285.415, 285.420, 285.425,
4 285.430, 285.435, and 285.440, to read as follows:

143.121. 1. The Missouri adjusted gross income of a
2 resident individual shall be the taxpayer's federal adjusted
3 gross income subject to the modifications in this section.

4 2. There shall be added to the taxpayer's federal
5 adjusted gross income:

6 (1) The amount of any federal income tax refund
7 received for a prior year which resulted in a Missouri
8 income tax benefit. The amount added pursuant to this
9 subdivision shall not include any amount of a federal income
10 tax refund attributable to a tax credit reducing a
11 taxpayer's federal tax liability pursuant to Public Law 116-
12 136, enacted by the 116th United States Congress, for the
13 tax year beginning on or after January 1, 2020, and ending
14 on or before December 31, 2020, and deducted from Missouri
15 adjusted gross income pursuant to section 143.171;

16 (2) Interest on certain governmental obligations
17 excluded from federal gross income by 26 U.S.C. Section 103

EXPLANATION-Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

18 of the Internal Revenue Code, as amended. The previous
19 sentence shall not apply to interest on obligations of the
20 state of Missouri or any of its political subdivisions or
21 authorities and shall not apply to the interest described in
22 subdivision (1) of subsection 3 of this section. The amount
23 added pursuant to this subdivision shall be reduced by the
24 amounts applicable to such interest that would have been
25 deductible in computing the taxable income of the taxpayer
26 except only for the application of 26 U.S.C. Section 265 of
27 the Internal Revenue Code, as amended. The reduction shall
28 only be made if it is at least five hundred dollars;

29 (3) The amount of any deduction that is included in
30 the computation of federal taxable income pursuant to 26
31 U.S.C. Section 168 of the Internal Revenue Code as amended
32 by the Job Creation and Worker Assistance Act of 2002 to the
33 extent the amount deducted relates to property purchased on
34 or after July 1, 2002, but before July 1, 2003, and to the
35 extent the amount deducted exceeds the amount that would
36 have been deductible pursuant to 26 U.S.C. Section 168 of
37 the Internal Revenue Code of 1986 as in effect on January 1,
38 2002;

39 (4) The amount of any deduction that is included in
40 the computation of federal taxable income for net operating
41 loss allowed by 26 U.S.C. Section 172 of the Internal
42 Revenue Code of 1986, as amended, other than the deduction
43 allowed by 26 U.S.C. Section [172(b)(1)(G)] **172(b)(1)(F)**
44 and 26 U.S.C. Section [172(i)] **172(h)** of the Internal
45 Revenue Code of 1986, as amended, for a net operating loss
46 the taxpayer claims in the tax year in which the net
47 operating loss occurred or carries forward for a period of
48 more than twenty years and carries backward for more than
49 two years. Any amount of net operating loss taken against

50 federal taxable income but disallowed for Missouri income
51 tax purposes pursuant to this subdivision after June 18,
52 2002, may be carried forward and taken against any income on
53 the Missouri income tax return for a period of not more than
54 twenty years from the year of the initial loss; and

55 (5) For nonresident individuals in all taxable years
56 ending on or after December 31, 2006, the amount of any
57 property taxes paid to another state or a political
58 subdivision of another state for which a deduction was
59 allowed on such nonresident's federal return in the taxable
60 year unless such state, political subdivision of a state, or
61 the District of Columbia allows a subtraction from income
62 for property taxes paid to this state for purposes of
63 calculating income for the income tax for such state,
64 political subdivision of a state, or the District of
65 Columbia;

66 (6) For all tax years beginning on or after January 1,
67 2018, any interest expense paid or accrued in a previous
68 taxable year, but allowed as a deduction under 26 U.S.C.
69 Section 163, as amended, in the current taxable year by
70 reason of the carryforward of disallowed business interest
71 provisions of 26 U.S.C. Section 163(j), as amended. For the
72 purposes of this subdivision, an interest expense is
73 considered paid or accrued only in the first taxable year
74 the deduction would have been allowable under 26 U.S.C.
75 Section 163, as amended, if the limitation under 26 U.S.C.
76 Section 163(j), as amended, did not exist.

77 3. There shall be subtracted from the taxpayer's
78 federal adjusted gross income the following amounts to the
79 extent included in federal adjusted gross income:

80 (1) Interest received on deposits held at a federal
81 reserve bank or interest or dividends on obligations of the

82 United States and its territories and possessions or of any
83 authority, commission or instrumentality of the United
84 States to the extent exempt from Missouri income taxes
85 pursuant to the laws of the United States. The amount
86 subtracted pursuant to this subdivision shall be reduced by
87 any interest on indebtedness incurred to carry the described
88 obligations or securities and by any expenses incurred in
89 the production of interest or dividend income described in
90 this subdivision. The reduction in the previous sentence
91 shall only apply to the extent that such expenses including
92 amortizable bond premiums are deducted in determining the
93 taxpayer's federal adjusted gross income or included in the
94 taxpayer's Missouri itemized deduction. The reduction shall
95 only be made if the expenses total at least five hundred
96 dollars;

97 (2) The portion of any gain, from the sale or other
98 disposition of property having a higher adjusted basis to
99 the taxpayer for Missouri income tax purposes than for
100 federal income tax purposes on December 31, 1972, that does
101 not exceed such difference in basis. If a gain is
102 considered a long-term capital gain for federal income tax
103 purposes, the modification shall be limited to one-half of
104 such portion of the gain;

105 (3) The amount necessary to prevent the taxation
106 pursuant to this chapter of any annuity or other amount of
107 income or gain which was properly included in income or gain
108 and was taxed pursuant to the laws of Missouri for a taxable
109 year prior to January 1, 1973, to the taxpayer, or to a
110 decedent by reason of whose death the taxpayer acquired the
111 right to receive the income or gain, or to a trust or estate
112 from which the taxpayer received the income or gain;

113 (4) Accumulation distributions received by a taxpayer
114 as a beneficiary of a trust to the extent that the same are
115 included in federal adjusted gross income;

116 (5) The amount of any state income tax refund for a
117 prior year which was included in the federal adjusted gross
118 income;

119 (6) The portion of capital gain specified in section
120 135.357 that would otherwise be included in federal adjusted
121 gross income;

122 (7) The amount that would have been deducted in the
123 computation of federal taxable income pursuant to 26 U.S.C.
124 Section 168 of the Internal Revenue Code as in effect on
125 January 1, 2002, to the extent that amount relates to
126 property purchased on or after July 1, 2002, but before July
127 1, 2003, and to the extent that amount exceeds the amount
128 actually deducted pursuant to 26 U.S.C. Section 168 of the
129 Internal Revenue Code as amended by the Job Creation and
130 Worker Assistance Act of 2002;

131 (8) For all tax years beginning on or after January 1,
132 2005, the amount of any income received for military service
133 while the taxpayer serves in a combat zone which is included
134 in federal adjusted gross income and not otherwise excluded
135 therefrom. As used in this section, "combat zone" means any
136 area which the President of the United States by Executive
137 Order designates as an area in which Armed Forces of the
138 United States are or have engaged in combat. Service is
139 performed in a combat zone only if performed on or after the
140 date designated by the President by Executive Order as the
141 date of the commencing of combat activities in such zone,
142 and on or before the date designated by the President by
143 Executive Order as the date of the termination of combatant
144 activities in such zone;

145 (9) For all tax years ending on or after July 1, 2002,
146 with respect to qualified property that is sold or otherwise
147 disposed of during a taxable year by a taxpayer and for
148 which an additional modification was made under subdivision
149 (3) of subsection 2 of this section, the amount by which
150 additional modification made under subdivision (3) of
151 subsection 2 of this section on qualified property has not
152 been recovered through the additional subtractions provided
153 in subdivision (7) of this subsection;

154 (10) **The amount contributed to the Missouri earned**
155 **family and medical leave fund established under section**
156 **285.435;**

157 (11) For all tax years beginning on or after January
158 1, 2014, the amount of any income received as payment from
159 any program which provides compensation to agricultural
160 producers who have suffered a loss as the result of a
161 disaster or emergency, including the:

- 162 (a) Livestock Forage Disaster Program;
- 163 (b) Livestock Indemnity Program;
- 164 (c) Emergency Assistance for Livestock, Honeybees, and
165 Farm-Raised Fish;
- 166 (d) Emergency Conservation Program;
- 167 (e) Noninsured Crop Disaster Assistance Program;
- 168 (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- 169 (g) Annual Forage Pilot Program;
- 170 (h) Livestock Risk Protection Insurance Plan; and
- 171 (i) Livestock Gross Margin Insurance Plan; and

172 [(11)] (12) For all tax years beginning on or after
173 January 1, 2018, any interest expense paid or accrued in the
174 current taxable year, but not deducted as a result of the
175 limitation imposed under 26 U.S.C. Section 163(j), as
176 amended. For the purposes of this subdivision, an interest

177 expense is considered paid or accrued only in the first
178 taxable year the deduction would have been allowable under
179 26 U.S.C. Section 163, as amended, if the limitation under
180 26 U.S.C. Section 163(j), as amended, did not exist.

181 4. There shall be added to or subtracted from the
182 taxpayer's federal adjusted gross income the taxpayer's
183 share of the Missouri fiduciary adjustment provided in
184 section 143.351.

185 5. There shall be added to or subtracted from the
186 taxpayer's federal adjusted gross income the modifications
187 provided in section 143.411.

188 6. In addition to the modifications to a taxpayer's
189 federal adjusted gross income in this section, to calculate
190 Missouri adjusted gross income there shall be subtracted
191 from the taxpayer's federal adjusted gross income any gain
192 recognized pursuant to 26 U.S.C. Section 1033 of the
193 Internal Revenue Code of 1986, as amended, arising from
194 compulsory or involuntary conversion of property as a result
195 of condemnation or the imminence thereof.

196 7. (1) As used in this subsection, "qualified health
197 insurance premium" means the amount paid during the tax year
198 by such taxpayer for any insurance policy primarily
199 providing health care coverage for the taxpayer, the
200 taxpayer's spouse, or the taxpayer's dependents.

201 (2) In addition to the subtractions in subsection 3 of
202 this section, one hundred percent of the amount of qualified
203 health insurance premiums shall be subtracted from the
204 taxpayer's federal adjusted gross income to the extent the
205 amount paid for such premiums is included in federal taxable
206 income. The taxpayer shall provide the department of
207 revenue with proof of the amount of qualified health
208 insurance premiums paid.

209 8. (1) Beginning January 1, 2014, in addition to the
210 subtractions provided in this section, one hundred percent
211 of the cost incurred by a taxpayer for a home energy audit
212 conducted by an entity certified by the department of
213 natural resources under section 640.153 or the
214 implementation of any energy efficiency recommendations made
215 in such an audit shall be subtracted from the taxpayer's
216 federal adjusted gross income to the extent the amount paid
217 for any such activity is included in federal taxable
218 income. The taxpayer shall provide the department of
219 revenue with a summary of any recommendations made in a
220 qualified home energy audit, the name and certification
221 number of the qualified home energy auditor who conducted
222 the audit, and proof of the amount paid for any activities
223 under this subsection for which a deduction is claimed. The
224 taxpayer shall also provide a copy of the summary of any
225 recommendations made in a qualified home energy audit to the
226 department of natural resources.

227 (2) At no time shall a deduction claimed under this
228 subsection by an individual taxpayer or taxpayers filing
229 combined returns exceed one thousand dollars per year for
230 individual taxpayers or cumulatively exceed two thousand
231 dollars per year for taxpayers filing combined returns.

232 (3) Any deduction claimed under this subsection shall
233 be claimed for the tax year in which the qualified home
234 energy audit was conducted or in which the implementation of
235 the energy efficiency recommendations occurred. If
236 implementation of the energy efficiency recommendations
237 occurred during more than one year, the deduction may be
238 claimed in more than one year, subject to the limitations
239 provided under subdivision (2) of this subsection.

240 (4) A deduction shall not be claimed for any otherwise
241 eligible activity under this subsection if such activity
242 qualified for and received any rebate or other incentive
243 through a state-sponsored energy program or through an
244 electric corporation, gas corporation, electric cooperative,
245 or municipally owned utility.

246 9. The provisions of subsection 8 of this section
247 shall expire on December 31, 2020.

285.400. 1. The provisions of sections 285.400 to
2 285.440 shall be known and may be cited as the "Missouri
3 Earned Family and Medical Leave Act".

4 2. As used in sections 285.400 to 285.440, the
5 following terms shall mean:

6 (1) "Average weekly pay", the total wages earned by an
7 employee in the past twelve months, divided by the number of
8 weeks worked by the employee in such twelve-month period, or
9 the weekly salary of the employee at the time that family or
10 medical leave is taken, whichever is greater provided that
11 the average weekly pay shall never exceed the average state
12 weekly pay;

13 (2) "Average state weekly pay", the total wages earned
14 by all employees who have contributed to the fund in the

285.405. 1. There is hereby established the "Missouri
2 Earned Family and Medical Leave Program" to provide up to
3 six weeks of wage replacement benefits to employees who take
4 time off work for family or medical leave. The department
5 shall administer and implement the program and the
6 provisions of sections 285.400 to 285.440, and shall pay
7 Missouri family or medical leave benefits as specified in
8 such sections.

9 2. An employee shall be eligible to receive Missouri
10 earned family or medical leave program benefits equal to one
11 hundred percent of his or her average weekly pay for each
12 full week during which he or she has taken family or medical
13 leave. An employee may take family or medical leave for a
14 partial week and shall only be eligible to receive the
15 fraction of the average weekly pay which is equal to the

16 number of days of leave taken divided by the number of days
17 for which such employee would have otherwise worked in the
18 respective week had the employee not taken family or medical
19 leave. Any leave taken shall be in full-day increments.

20 3. No more than six weeks of Missouri earned family
21 and medical leave benefits shall be paid to an employee
22 within any fifty-two-week period.

23 4. An employee shall file a claim for Missouri earned
24 family and medical leave benefits with the department not
25 later than the forty-first consecutive day following the
26 first compensable day with respect to which the claim is
27 made for benefits, which time shall be extended by the
28 department upon a showing of good cause. If a first claim
29 is not complete, the claim form shall be returned to the
30 employee for completion, and it shall be completed and
31 returned not later than the tenth consecutive day after the
32 date it was verifiably sent by the department to the
33 employee, except that such time shall be extended by the
34 department upon a showing of good cause.

35 5. No employee shall be eligible for Missouri earned
36 family and medical leave program benefits with respect to
37 any day:

38 (1) That he or she is eligible to receive unemployment
39 compensation benefits under chapter 288 or under an
40 unemployment compensation act of any other state or of the
41 federal government; or

42 (2) That he or she has received, or is entitled to
43 receive, any other benefits under chapter 287.

44 6. No employee shall be eligible for Missouri earned
45 family and medical leave benefits until such employee has
46 paid into the Missouri earned family and medical leave fund
47 for fifty-two weeks.

48 7. An employee who is entitled to leave under the
49 Missouri earned family and medical leave act and the Family
50 and Medical Leave Act (FMLA) under 29 U.S.C. Section 2601 et
51 seq. shall take family or medical leave under sections
52 285.400 to 285.440 concurrent with leave taken under the
53 FMLA.

54 8. The first payment of Missouri earned family and
55 medical leave benefits shall be made to an employee within
56 two weeks after the completed claim is received by the
57 department or the day the family or medical leave began,
58 whichever is later. Subsequent payments shall be made
59 bimonthly.

 285.410. 1. (1) An employee shall establish
2 eligibility for each uninterrupted family or medical care
3 leave period by filing a first claim for benefits supported
4 by the certificate of a treating health care provider that
5 establishes the serious health condition of the family
6 member that warrants the care of the employee, or that
7 establishes the serious health condition of the employee.
8 For subsequent periods of uninterrupted leave after the
9 period covered by the initial certificate or any preceding
10 continued claim, a claimant shall file a continued claim for
11 those benefits supported by the certificate of a treating
12 health care provider.

13 (2) For employees seeking leave in order to assume a
14 familial responsibility due to a spouse, child, or parent
15 being on active duty in the uniformed services, eligibility
16 for leave shall be established by providing, in a manner
17 satisfactory to the department, proof of the family member
18 being on active duty.

19 (3) For employees seeking leave due to a serious
20 health condition related to seeking medical attention,

21 services, or counseling for victims of stalking, domestic
22 violence, abuse, or sexual assault, as such terms are
23 defined in section 455.010, or victims of trafficking for
24 purposes of sexual exploitation as described in section
25 566.209, the certificate required by subdivision (1) of this
26 subsection may be provided by any of the following:

- 27 (a) A health care provider;
- 28 (b) A court which has jurisdiction over a judicial
29 proceeding relating to the serious health condition of the
30 employee or the serious health condition of the family
31 member of the employee; or
- 32 (c) A law enforcement officer with knowledge of the
33 serious health condition of the employee or the serious
34 health condition of the family member of the employee.

35 2. The certificates required under subsection 1 of
36 this section shall be developed by the department. In order
37 to establish medical eligibility of the serious health
38 condition of the family member that warrants the care of the
39 employee, or to establish medical eligibility of the serious
40 health condition of the employee, the information on the
41 certificate shall be within the physician's or health care
42 provider's knowledge and shall be based on a physical
43 examination and documented medical history of the family
44 member or employee. The certificate shall contain all of
45 the following:

- 46 (1) A diagnosis and diagnostic code prescribed in the
47 International Classification of Diseases or, if no diagnosis
48 has yet been obtained, a detailed statement of symptoms;
- 49 (2) The date, if known, on which the condition
50 commenced;
- 51 (3) The probable duration of the condition;

52 (4) An estimate of the amount of time that the
53 physician or health care provider believes the employee
54 needs to care for the family member or himself or herself;
55 and

56 (5) If applicable, a statement that the serious health
57 condition warrants the participation of the employee to
58 provide care for his or her family member.

59 3. The department shall develop a certificate form
60 that is separate and distinct from the certificate required
61 in subsection 1 of this section for an employee taking leave
62 to bond with a minor child within the first year of the
63 child's birth or placement in connection with foster care or
64 adoption.

65 4. Any claim of an individual who obtains care and
66 treatment outside the state shall be supported by a
67 certificate of a treating health care provider duly licensed
68 or certified by the state or foreign country in which the
69 claimant is receiving care and treatment.

70 5. Nothing in this section shall be construed to
71 preclude the department from requesting additional medical
72 evidence to supplement any claim. Any cost incurred for
73 procuring additional medical evidence shall be paid by the
