Be it enacted by the General Assembly of the State of Missouri, as follows:

11 pursuant to this section; or

15 sixty-five or if one spouse is disabled, or if one spouse is at least sixty-five years
16 old and the other spouse is at least sixty years old, and the combined income of
17 the couple in the year prior to completing an application pursuant to this section

21 considered an eligible owner if each person with an ownership interest
22 individually satisfies the eligibility requirements for an individual eligible owner
23 under this section and the combined income of all individuals with an interest in
24 the property is equal to or less than the maximum upper limit in the year prior
25 to completing an application under this section. If any individual with an
26 ownership interest in the property fails to satisfy the eligibility requirements of
27 an individual eligible owner or if the combined income of all individuals with
28 interest in the property exceeds the maximum upper limit, then all individuals
29 with an ownership interest in such property shall be deemed ineligible owners
30 regardless of such other individual's ability to individually meet the eligibility
31 requirements; or

37 limit requirements for income as defined in [subdivisions (7) and (8) of] this
38 subsection;

39 No individual shall be an eligible owner if the individual has not paid [their] **the**
40 **individual's** property tax liability, if any, in full by the payment due date in any
41 of the three prior tax years, except that a late payment of a property tax liability
42 in any prior year shall not disqualify a potential eligible owner if such owner paid
43 in full the tax liability and any and all penalties, additions and interest that
44 arose as a result of such late payment; no individual shall be an eligible owner
45 if such person filed a valid claim for the senior citizens property tax relief credit
46 pursuant to sections 135.010 to 135.035;

47 (5) "Homestead", as such term is defined pursuant to section 135.010,
48 except as limited by provisions of this section to the contrary. No property shall
49 be considered a homestead if such property was improved since the most recent
50 annual assessment by more than five percent of the prior year appraised value,
51 except where an eligible owner of the property has made such improvements to
52 accommodate a disabled person;

53 (6) "Homestead exemption limit", a percentage increase, rounded to the
54 nearest hundredth of a percent, which shall be equal to the percentage increase
55 to tax liability, not including improvements, of a homestead from one tax year to

56 the next that exceeds a certain percentage set pursuant to subsection [10] 7 of
57 this section. [For applications filed in 2005 or 2006, the homestead exemption
58 limit shall be based on the increase to tax liability from 2004 to 2005. For
59 applications filed between April 1, 2005, and September 30, 2006, an eligible
60 owner, who otherwise satisfied the requirements of this section, shall not apply
61 for the homestead exemption credit more than once during such period. For
62 applications filed after 2006, the homestead exemption limit shall be based on the
63 increase to tax liability from two years prior to application to the year
64 immediately prior to application. For applications filed between December 31,
65 2008, and December 31, 2011, the homestead exemption limit shall be based on
66 the increase in tax liability from the base year to the year prior to the application
67 year.] For applications filed on or after January 1, [2012] **2018**, the homestead
68 exemption limit shall be based on the increase to tax liability from two years
69 prior to application to the year immediately prior to application[. For purposes
70 of this subdivision, the term "base year" means the year prior to the first year in
71 which the eligible owner's application was approved, or 2006, whichever is later];

72 (7) "Income", federal adjusted gross income, and in the case of ownership
73 of the homestead by trust, the income of the settlor applicant shall be imputed
74 to the income of the trust for purposes of determining eligibility with regards to
75 the maximum upper limit;

76 (8) "Maximum upper limit", in the calendar year 2005, the income sum of
77 seventy thousand dollars; in each successive calendar year this amount shall be
78 raised by the incremental increase in the general price level, as defined pursuant
79 to article X, section 17 of the Missouri Constitution.

80 3. Pursuant to article X, section 6(a) of the Constitution of Missouri, if in
81 the prior tax year, the property tax liability on any parcel of subclass (1) real
82 property increased by more than the homestead exemption limit, without regard
83 for any prior credit received due to the provisions of this section, then any eligible
84 owner of the property shall receive a homestead exemption credit to be applied
85 in the current tax year property tax liability to offset the prior year increase to
86 tax liability that exceeds the homestead exemption limit, except as eligibility for
87 the credit is limited by the provisions of this section. The amount of the credit
88 shall be listed separately on each taxpayer's tax bill for the current tax year, or
89 on a document enclosed with the taxpayer's bill. The homestead exemption credit
90 shall not affect the process of setting the tax rate as required pursuant to article
91 X, section 22 of the Constitution of Missouri and section 137.073 in any prior,

92 current, or subsequent tax year.

93 4. [If application is made in 2005, any potential eligible owner may apply
94 for the homestead exemption credit by completing an application through their
95 local assessor's office. Applications may be completed between April first and
96 September thirtieth of any tax year in order for the taxpayer to be eligible for the
97 homestead exemption credit in the tax year next following the calendar year in
98 which the homestead exemption credit application was completed. The
99 application shall be on forms provided to the assessor's office by the
100 department. Forms also shall be made available on the department's internet
101 site and at all permanent branch offices and all full-time, temporary, or fee offices
102 maintained by the department of revenue.

103 The applicant shall attest under penalty of perjury:

104 (1) To the applicant's age;

105 (2) That the applicant's prior year income was less than the maximum
106 upper limit;

107 (3) To the address of the homestead property; and

108 (4) That any improvements made to the homestead, not made to
109 accommodate a disabled person, did not total more than five percent of the prior
110 year appraised value. The applicant shall also include with the application copies
111 of receipts indicating payment of property tax by the applicant for the homestead
112 property for the two prior tax years.

113 5. If application is made in 2005, the assessor, upon request for an
114 application, shall:

115 (1) Certify the parcel number and owner of record as of January first of
116 the homestead, including verification of the acreage classified as residential on
117 the assessor's property record card;

118 (2) Obtain appropriate prior tax year levy codes for each homestead from
119 the county clerks for inclusion on the form;

120 (3) Record on the application the assessed valuation of the homestead for
121 the current tax year, and any new construction or improvements for the current
122 tax year; and

123 (4) Sign the application, certifying the accuracy of the assessor's entries.

124 6. If application is made after 2005,] Any potential eligible owner may
125 apply for the homestead exemption credit by completing an
126 application. Applications may be completed between April first and October
127 fifteenth of any tax year in order for the taxpayer to be eligible for the homestead

128 exemption credit in the tax year next following the calendar year in which the
129 homestead exemption credit application was completed. The application shall be
130 on forms provided by the department. Forms also shall be made available on the
131 department's internet site and at all permanent branch offices and all full-time,
132 temporary, or fee offices maintained by the department of revenue. The applicant
133 shall attest under penalty of perjury:

134 (1) To the applicant's age;

135 (2) That the applicant's prior year income was less than the maximum
136 upper limit;

137 (3) To the address of the homestead property;

138 (4) That any improvements made to the homestead, not made to
139 accommodate a disabled person, did not total more than five percent of the prior
140 year appraised value]; and

141 (5)].

142 The applicant shall also include with the application copies of receipts indicating
143 payment of property tax by the applicant for the homestead property for the three
144 prior tax years.

145 [7.] 5. Each applicant shall send the application to the department by
146 October fifteenth of each year for the taxpayer to be eligible for the homestead
147 exemption credit in the tax year next following the calendar year in which the
148 application was completed.

149 [8. If application is made in 2005, upon receipt of the applications, the
150 department shall calculate the tax liability, adjusted to exclude new construction
151 or improvements verify compliance with the maximum income limit, verify the
152 age of the applicants, and make adjustments to these numbers as necessary on
153 the applications. The department also shall disallow any application where the
154 applicant has also filed a valid application for the senior citizens property tax
155 credit, pursuant to sections 135.010 to 135.035. Once adjusted tax liability, age,
156 and income are verified, the director shall determine eligibility for the credit, and
157 provide a list of all verified eligible owners to the county collectors or county
158 clerks in counties with a township form of government by December fifteenth of
159 each year. By January fifteenth, the county collectors or county clerks in counties
160 with a township form of government shall provide a list to the department of any
161 verified eligible owners who failed to pay the property tax due for the tax year
162 that ended immediately prior. Such eligible owners shall be disqualified from
163 receiving the credit in the current tax year.

164 9. If application is made after 2005,]

165 6. Upon receipt of the applications, the department shall calculate the tax
166 liability, verify compliance with the maximum income limit, verify the age of the
167 applicants, and make adjustments to these numbers as necessary on the
168 applications. The department also shall disallow any application where the
169 applicant also has filed a valid application for the senior citizens property tax
170 credit under sections 135.010 to 135.035. Once adjusted tax liability, age, and
171 income are verified, the director shall determine eligibility for the credit and
172 provide a list of all verified eligible owners to the county assessors or county
173 clerks in counties with a township form of government by December fifteenth of
174 each year. By January fifteenth, the county assessors shall provide a list to the
175 department of any verified eligible owners who made improvements not for
176 accommodation of a disability to the homestead and the dollar amount of the
177 assessed value of such improvements. If the dollar amount of the assessed value
178 of such improvements totaled more than five percent of the prior year appraised
179 value, such eligible owners shall be disqualified from receiving the credit in the
180 current tax year.

181 [10.] 7. The director shall calculate the level of appropriation necessary
182 to set the homestead exemption limit at five percent when based on a year of
183 general reassessment or at two and one-half percent when based on a year
184 without general reassessment for the homesteads of all verified eligible owners,
185 and provide such calculation to the speaker of the house of representatives, the
186 president pro tempore of the senate, and the director of the office of budget and
187 planning in the office of administration by January thirty-first of each year.

188 [11. For applications made in 2005, the general assembly shall make an
189 appropriation for the funding of the homestead exemption credit that is signed
190 by the governor, then the director shall, by July thirty-first of such year, set the
191 homestead exemption limit. The limit shall be a single, statewide percentage
192 increase to tax liability, rounded to the nearest hundredth of a percent, which, if
193 applied to all homesteads of verified eligible owners who applied for the
194 homestead exemption credit in the immediately prior tax year, would cause all
195 but one-quarter of one percent of the amount of the appropriation, minus any
196 withholding by the governor, to be distributed during that fiscal year. The
197 remaining one-quarter of one percent shall be distributed to the county
198 assessment funds of each county on a proportional basis, based on the number of
199 eligible owners in each county; such one-quarter percent distribution shall be

200 delineated in any such appropriation as a separate line item in the total
201 appropriation. If no appropriation is made by the general assembly during any
202 tax year or no funds are actually distributed pursuant to any appropriation
203 therefor, then no homestead preservation credit shall apply in such year.

204 12. After setting the homestead exemption limit for applications made in
205 2005, the director shall apply the limit to the homestead of each verified eligible
206 owner and calculate the credit to be associated with each verified eligible owner's
207 homestead, if any. The director shall send a list of those eligible owners who are
208 to receive the homestead exemption credit, including the amount of each credit,
209 the certified parcel number of the homestead, and the address of the homestead
210 property, to the county collectors or county clerks in counties with a township
211 form of government by August thirty-first.

212 Pursuant to such calculation, the director shall instruct the state treasurer as to
213 how to distribute the appropriation and assessment fund allocation to the county
214 collector's funds of each county or the treasurer ex officio collector's fund in
215 counties with a township form of government where recipients of the homestead
216 exemption credit are located, so as to exactly offset each homestead exemption
217 credit being issued, plus the one-quarter of one percent distribution for the county
218 assessment funds. As a result of the appropriation, in no case shall a political
219 subdivision receive more money than it would have received absent the provisions
220 of this section plus the one-quarter of one percent distribution for the county
221 assessment funds. Funds, at the direction of the county collector or the treasurer
222 ex officio collector in counties with a township form of government, shall be
223 deposited in the county collector's fund of a county or the treasurer ex officio
224 collector's fund or may be sent by mail to the collector of a county, or the
225 treasurer ex officio collector in counties with a township form of government, not
226 later than October first in any year a homestead exemption credit is appropriated
227 as a result of this section and shall be distributed as moneys in such funds are
228 commonly distributed from other property tax revenues by the collector of the
229 county or the treasurer ex officio collector of the county in counties with a
230 township form of government, so as to exactly offset each homestead exemption
231 credit being issued. In counties with a township form of government, the county
232 clerk shall provide the treasurer ex officio collector a summary of the homestead
233 exemption credit for each township for the purpose of distributing the total
234 homestead exemption credit to each township collector in a particular county.

235 13.] 8. If, in any given year [after 2005,] the general assembly [shall

236 make] **makes** an appropriation for the funding of the homestead exemption credit
237 that is signed by the governor, then the director shall determine the
238 apportionment percentage by equally apportioning the appropriation among all
239 eligible applicants on a percentage basis. If no appropriation is made by the
240 general assembly during any tax year or no funds are actually distributed
241 pursuant to any appropriation therefor, then no homestead preservation credit
242 shall apply in such year.

243 [14.] **9.** After determining the apportionment percentage, the director
244 shall calculate the credit to be associated with each verified eligible owner's
245 homestead, if any. The director shall send a list of those eligible owners who are
246 to receive the homestead exemption credit, including the amount of each credit,
247 the certified parcel number of the homestead, and the address of the homestead
248 property, to the county collectors or county clerks in counties with a township
249 form of government by August thirty-first. Pursuant to such calculation, the
250 director shall instruct the state treasurer as to how to distribute the
251 appropriation to the county collector's fund of each county where recipients of the
252 homestead exemption credit are located, so as to exactly offset each homestead
253 exemption credit being issued. As a result of the appropriation, in no case shall
254 a political subdivision receive more money than it would have received absent the
255 provisions of this section. Funds, at the direction of the collector of the county
256 or treasurer ex officio collector in counties with a township form of government,
257 shall be deposited in the county collector's fund of a county or may be sent by
258 mail to the collector of a county, or treasurer ex officio collector in counties with
259 a township form of government, not later than October first in any year a
260 homestead exemption credit is appropriated as a result of this section and shall
261 be distributed as moneys in such funds are commonly distributed from other
262 property tax revenues by the collector of the county or the treasurer ex officio
263 collector of the county in counties with a township form of government, so as to
264 exactly offset each homestead exemption credit being issued.

265 [15.] **10.** The department shall promulgate rules for implementation of
266 this section. Any rule or portion of a rule, as that term is defined in section
267 536.010, that is created under the authority delegated in this section shall
268 become effective only if it complies with and is subject to all of the provisions of
269 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are
270 nonseverable and if any of the powers vested with the general assembly pursuant
271 to chapter 536 to review, to delay the effective date, or to disapprove and annul

272 a rule are subsequently held unconstitutional, then the grant of rulemaking
273 authority and any rule proposed or adopted after August 28, 2004, shall be
274 invalid and void. Any rule promulgated by the department shall in no way
275 impact, affect, interrupt, or interfere with the performance of the required
276 statutory duties of any county elected official, more particularly including the
277 county collector when performing such duties as deemed necessary for the
278 distribution of any homestead appropriation and the distribution of all other real
279 and personal property taxes.

280 [16.] 11. In the event that an eligible owner dies or transfers ownership
281 of the property after the homestead exemption limit has been set in any given
282 year, but prior to January first of the year in which the credit would otherwise
283 be applied, the credit shall be void and any corresponding moneys[, pursuant to
284 subsection 12 of this section,] shall lapse to the state to be credited to the general
285 revenue fund. In the event the collector of the county or the treasurer ex officio
286 collector of the county in counties with a township form of government determines
287 prior to issuing the credit that the individual is not an eligible owner because the
288 individual did not pay the prior three years' property tax liability in full, the
289 credit shall be void and any corresponding moneys[, under subsection 11 of this
290 section,] shall lapse to the state to be credited to the general revenue fund.

291 [17.] 12. This section shall apply to all tax years beginning on or after
292 January 1, [2005. This subsection shall become effective June 28, 2004] 2018.

293 [18.] 13. In accordance with the provisions of sections 23.250 to 23.298
294 and unless otherwise authorized pursuant to section 23.253:

295 (1) [Any new] **The** program authorized under the provisions of this
296 section shall **be reauthorized as of the effective date of this act and shall**
297 automatically sunset six years after the effective date of this section; and

298 (2) This section shall terminate on September first of the year following
299 the year in which any new program authorized under this section is sunset, and
300 the revisor of statutes shall designate such sections and this section in a revision
301 bill for repeal.
