137.115. 1. All other laws to the contrary notwithstanding, the assessor 2 or the assessor's deputies in all counties of this state including the city of St. 3 Louis shall annually make a list of all real and tangible personal property taxable 4 in the assessor's city, county, town or district. Except as otherwise provided in 5 subsection 3 of this section and section 137.078, the assessor shall annually 6 assess all personal property at thirty-three and one-third percent of its true value

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

7 in money as of January first of each calendar year. The assessor shall annually
8 assess all real property, including any new construction and improvements to real
9 property, and possessory interests in real property at the percent of its true value
10 in money set in subsection 5 of this section. The true value in money of any
11 possessory interest in real property in subclass (3), where such real property is
12 on or lies within the ultimate airport boundary as shown by a federal airport
13 layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR
14 Part 139 certification and owned by a political subdivision, shall be the otherwise
15 applicable true value in money of any such possessory interest in real property,
16 less the total dollar amount of costs paid by a party, other than the political
17 subdivision, towards any new construction or improvements on such real property
18 completed after January 1, 2008, and which are included in the above-mentioned
19 possessory interest, regardless of the year in which such costs were incurred or
20 whether such costs were considered in any prior year. The assessor shall
21 annually assess all real property in the following manner: new assessed values
22 shall be determined as of January first of each odd-numbered year and shall be
23 entered in the assessor's books; those same assessed values shall apply in the
24 following even-numbered year, except for new construction and property
25 improvements which shall be valued as though they had been completed as of
26 January first of the preceding odd-numbered year. The assessor may call at the
27 office, place of doing business, or residence of each person required by this
28 chapter to list property, and require the person to make a correct statement of all
29 taxable tangible personal property owned by the person or under his or her care,
30 charge or management, taxable in the county. On or before January first of each
31 even-numbered year, the assessor shall prepare and submit a two-year
32 assessment maintenance plan to the county governing body and the state tax
33 commission for their respective approval or modification. The county governing
34 body shall approve and forward such plan or its alternative to the plan to the
35 state tax commission by February first. If the county governing body fails to
36 forward the plan or its alternative to the plan to the state tax commission by
37 February first, the assessor's plan shall be considered approved by the county
38 governing body. If the state tax commission fails to approve a plan and if the
39 state tax commission and the assessor and the governing body of the county
40 involved are unable to resolve the differences, in order to receive state cost-share
41 funds outlined in section 137.750, the county or the assessor shall petition the
42 administrative hearing commission, by May first, to decide all matters in dispute

43 regarding the assessment maintenance plan. Upon agreement of the parties, the
44 matter may be stayed while the parties proceed with mediation or arbitration
45 upon terms agreed to by the parties. The final decision of the administrative
46 hearing commission shall be subject to judicial review in the circuit court of the
47 county involved. In the event a valuation of subclass (1) real property within any
48 county with a charter form of government, or within a city not within a county,
49 is made by a computer, computer-assisted method or a computer program, the
50 burden of proof, supported by clear, convincing and cogent evidence to sustain
51 such valuation, shall be on the assessor at any hearing or appeal. In any such
52 county, unless the assessor proves otherwise, there shall be a presumption that
53 the assessment was made by a computer, computer-assisted method or a
54 computer program. Such evidence shall include, but shall not be limited to, the
55 following:

56 (1) The findings of the assessor based on an appraisal of the property by
57 generally accepted appraisal techniques; and

58 (2) The purchase prices from sales of at least three comparable properties
59 and the address or location thereof. As used in this subdivision, the word
60 "comparable" means that:

61 (a) Such sale was closed at a date relevant to the property valuation; and

62 (b) Such properties are not more than one mile from the site of the
63 disputed property, except where no similar properties exist within one mile of the
64 disputed property, the nearest comparable property shall be used. Such property
65 shall be within five hundred square feet in size of the disputed property, and
66 resemble the disputed property in age, floor plan, number of rooms, and other
67 relevant characteristics.

68 2. Assessors in each county of this state and the city of St. Louis may send
69 personal property assessment forms through the mail.

70 3. The following items of personal property shall each constitute separate
71 subclasses of tangible personal property and shall be assessed and valued for the
72 purposes of taxation at the following percentages of their true value in money:

73 (1) Grain and other agricultural crops in an unmanufactured condition,
74 one-half of one percent;

75 (2) Livestock, twelve percent;

76 (3) Farm machinery, twelve percent;

77 (4) Motor vehicles which are eligible for registration as and are registered
78 as historic motor vehicles pursuant to section 301.131, RSMo, and aircraft which

79 are at least twenty-five years old and which are used solely for noncommercial
80 purposes and are operated less than fifty hours per year or aircraft that are home
81 built from a kit, five percent;

82 (5) Poultry, twelve percent; and

83 (6) Tools and equipment used for pollution control and tools and
84 equipment used in retooling for the purpose of introducing new product lines or
85 used for making improvements to existing products by any company which is
86 located in a state enterprise zone and which is identified by any standard
87 industrial classification number cited in subdivision (6) of section 135.200, RSMo,
88 twenty-five percent.

89 4. The person listing the property shall enter a true and correct statement
90 of the property, in a printed blank prepared for that purpose. The statement,
91 after being filled out, shall be signed and either affirmed or sworn to as provided
92 in section 137.155. The list shall then be delivered to the assessor.

93 5. All subclasses of real property, as such subclasses are established in
94 section 4(b) of article X of the Missouri Constitution and defined in section
95 137.016, shall be assessed at the following percentages of true value:

96 (1) For real property in subclass (1), nineteen percent;

97 (2) For real property in subclass (2), twelve percent; and

98 (3) For real property in subclass (3), thirty-two percent.

99 6. Manufactured homes, as defined in section 700.010, RSMo, which are
100 actually used as dwelling units shall be assessed at the same percentage of true
101 value as residential real property for the purpose of taxation. The percentage of
102 assessment of true value for such manufactured homes shall be the same as for
103 residential real property. If the county collector cannot identify or find the
104 manufactured home when attempting to attach the manufactured home for
105 payment of taxes owed by the manufactured home owner, the county collector
106 may request the county commission to have the manufactured home removed from
107 the tax books, and such request shall be granted within thirty days after the
108 request is made; however, the removal from the tax books does not remove the tax
109 lien on the manufactured home if it is later identified or found. **For purposes**
110 **of this section**, a manufactured home located in a manufactured home rental
111 park, rental community or on real estate not owned by the manufactured home
112 owner shall be considered personal property. **For purposes of this section**, a
113 manufactured home located on real estate owned by the manufactured home
114 owner may be considered real property.

115 7. Each manufactured home assessed shall be considered a parcel for the
116 purpose of reimbursement pursuant to section 137.750, unless the manufactured
117 home [has been converted to] **is real [property in compliance with section**
118 **700.111, RSMo] estate as defined in subsection 7 of section 442.015** and
119 assessed as a realty improvement to the existing real estate parcel.

120 8. Any amount of tax due and owing based on the assessment of a
121 manufactured home shall be included on the personal property tax statement of
122 the manufactured home owner unless the manufactured home [has been
123 converted to] **is real [property in compliance with section 700.111, RSMo] estate**
124 **as defined in subsection 7 of section 442.015**, in which case the amount of
125 tax due and owing on the assessment of the manufactured home as a realty
126 improvement to the existing real estate parcel shall be included on the real
127 property tax statement of the real estate owner.

128 9. The assessor of each county and each city not within a county shall use
129 the trade-in value published in the October issue of the National Automobile
130 Dealers' Association Official Used Car Guide, or its successor publication, as the
131 recommended guide of information for determining the true value of motor
132 vehicles described in such publication. In the absence of a listing for a particular
133 motor vehicle in such publication, the assessor shall use such information or
134 publications which in the assessor's judgment will fairly estimate the true value
135 in money of the motor vehicle.

136 10. Before the assessor may increase the assessed valuation of any parcel
137 of subclass (1) real property by more than fifteen percent since the last
138 assessment, excluding increases due to new construction or improvements, the
139 assessor shall conduct a physical inspection of such property.

140 11. If a physical inspection is required, pursuant to subsection 10 of this
141 section, the assessor shall notify the property owner of that fact in writing and
142 shall provide the owner clear written notice of the owner's rights relating to the
143 physical inspection. If a physical inspection is required, the property owner may
144 request that an interior inspection be performed during the physical
145 inspection. The owner shall have no less than thirty days to notify the assessor
146 of a request for an interior physical inspection.

147 12. A physical inspection, as required by subsection 10 of this section,
148 shall include, but not be limited to, an on-site personal observation and review
149 of all exterior portions of the land and any buildings and improvements to which
150 the inspector has or may reasonably and lawfully gain external access, and shall

151 include an observation and review of the interior of any buildings or
152 improvements on the property upon the timely request of the owner pursuant to
153 subsection 11 of this section. Mere observation of the property via a drive-by
154 inspection or the like shall not be considered sufficient to constitute a physical
155 inspection as required by this section.

156 13. The provisions of subsections 11 and 12 of this section shall only apply
157 in any county with a charter form of government with more than one million
158 inhabitants.

159 14. A county or city collector may accept credit cards as proper form of
160 payment of outstanding property tax or license due. No county or city collector
161 may charge surcharge for payment by credit card which exceeds the fee or
162 surcharge charged by the credit card bank, processor, or issuer for its service. A
163 county or city collector may accept payment by electronic transfers of funds in
164 payment of any tax or license and charge the person making such payment a fee
165 equal to the fee charged the county by the bank, processor, or issuer of such
166 electronic payment.

167 15. Any county or city not within a county in this state may, by an
168 affirmative vote of the governing body of such county, opt out of the provisions of
169 this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by
170 house bill no. 1150 of the ninety-first general assembly, second regular session
171 and section 137.073 as modified by house committee substitute for senate
172 substitute for senate committee substitute for senate bill no. 960, ninety-second
173 general assembly, second regular session, for the next year of the general
174 reassessment, prior to January first of any year. No county or city not within a
175 county shall exercise this opt-out provision after implementing the provisions of
176 this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by
177 house bill no. 1150 of the ninety-first general assembly, second regular session
178 and section 137.073 as modified by house committee substitute for senate
179 substitute for senate committee substitute for senate bill no. 960, ninety-second
180 general assembly, second regular session, in a year of general reassessment. For
181 the purposes of applying the provisions of this subsection, a political subdivision
182 contained within two or more counties where at least one of such counties has
183 opted out and at least one of such counties has not opted out shall calculate a
184 single tax rate as in effect prior to the enactment of house bill no. 1150 of the
185 ninety-first general assembly, second regular session. A governing body of a city
186 not within a county or a county that has opted out under the provisions of this

187 subsection may choose to implement the provisions of this section and sections
188 137.073, 138.060, and 138.100, RSMo, as enacted by house bill no. 1150 of the
189 ninety-first general assembly, second regular session, and section 137.073 as
190 modified by house committee substitute for senate substitute for senate
191 committee substitute for senate bill no. 960, ninety-second general assembly,
192 second regular session, for the next year of general reassessment, by an
193 affirmative vote of the governing body prior to December thirty-first of any year.

194 16. The governing body of any city of the third classification with more
195 than twenty-six thousand three hundred but fewer than twenty-six thousand
196 seven hundred inhabitants located in any county that has exercised its authority
197 to opt out under subsection 15 of this section may levy separate and differing tax
198 rates for real and personal property only if such city bills and collects its own
199 property taxes or satisfies the entire cost of the billing and collection of such
200 separate and differing tax rates. Such separate and differing rates shall not
201 exceed such city's tax rate ceiling.

25 thereto; to become a member of the Federal Reserve Bank, and to have and
26 exercise all powers, not in conflict with the laws of this state, which are conferred
27 upon any member by the Federal Reserve Act and any amendments thereto. The

96 except that, the contract shall provide, to the satisfaction of the director of
97 finance, that the party providing such services to a bank or trust company will

126 the authority of other provisions of law, and other provisions of law shall not
127 limit this subdivision;

128 (16) Offer through one or more subsidiaries any products and services
129 which a national bank may offer through its financial subsidiaries, subject to the

130 limitations that are applicable to national bank financial subsidiaries, and
131 provided such bank or trust company meets the division of finance safety and
132 soundness considerations. This subdivision is enacted to provide in part
133 competitive equality with national banks' powers under the Gramm-Leach-Bliley
134 Act of 1999, Public Law 106-102.

150 this section, every trust company created under the laws of this state shall be
151 authorized and empowered to:

152 (1) Receive money in trust and to accumulate the same at such rate of
153 interest as may be obtained or agreed upon, or to allow such interest thereon as
154 may be prescribed or agreed;

124 same manner as other instruments affecting real property.

125 (3) The affidavit of affixation shall be accompanied by an
126 applicable fee for recording and issuing a certified copy of such

131 manufactured home perfected as provided in section 700.350, unless
132 and until the due filing with and acceptance by the director of revenue
133 of an application to surrender the title as provided in subsection 2 of

173 is located a manufactured home for which no affidavit of affixation has
174 been recorded or for which an affidavit of severance has been recorded
175 shall effect a conveyance or transfer of any interest in said

182 law prior to August 28, 2010, of anyone claiming an interest in the
183 manufactured home.

221 **(2) The affidavit of severance shall be duly acknowledged or**
222 **proved in like manner as to entitle a conveyance to be recorded, and**
223 **when so acknowledged or proved and upon payment of the lawful fees**
224 **therefor, such recorder of deeds shall immediately cause the affidavit**

204 subsection.

205 4. (1) Notwithstanding any other provision of law, where a

237 **(f) The applicable fee for filing the application; and**
238 **(g) Any other information and documents the director of revenue**

240 **the director to determine whether the owner is entitled to a certificate**
241 **of title and the existence or nonexistence of security interests in or**
242 **liens on the manufactured home.**

243 **(2) When satisfied of the genuineness and regularity of the**
244 **application for a certificate of title to a manufactured home and upon**
245 **satisfaction of the requirements of subdivision (1) of this subsection,**
246 **the director shall issue a new certificate of title and update the**
247 **department's records in accordance with the provisions of section**
248 **700.320.**

249 **(3) Immediately upon satisfaction of the requirements of this**
250 **subsection, a manufactured home shall be conveyed and encumbered**
251 **as personal property.**

252 **(4) Upon written request, the director of revenue shall provide**
253 **written acknowledgment of compliance with the provisions of this**
254 **subsection.**

255 **5. The department of revenue shall promulgate rules to**

257 **shall also promulgate standard affidavit of affixation forms, affidavit**
258 **of severance forms, and confirmation of conversion forms that comply**
259 **with the provisions of this section. Any rule or portion of a rule, as**
260 **that term is defined in section 536.010, that is created under the**
261 **authority delegated in this section shall become effective only if it**
262 **complies with and is subject to all of the provisions of chapter 536, and,**
263 **if applicable, section 536.028. This section and chapter 536, are**
264 **nonseverable and if any of the powers vested with the general assembly**
265 **under chapter 536, to review, to delay the effective date, or to**

268 **adopted after August 28, 2010, shall be invalid and void.**

269 **6. The provisions of this section shall become effective no later**
270 **than March 1, 2011.**

700.320. 1. **Except as provided in section 700.111, the owner of any**
2 **new or used manufactured home, as defined in section 700.010, shall make**
3 **application to the director of revenue for an official certificate of title to such**

4 manufactured home in the manner prescribed by law for the acquisition of
5 certificates of title to motor vehicles, and the rules promulgated pursuant thereto.
6 All fees required by section 301.190, RSMo, for the titling of motor vehicles and
7 all penalties provided by law for the failure to title motor vehicles shall apply to
8 persons required to make application for an official certificate of title by this
9 subsection. In case there is any duplication in serial numbers assigned any
10 manufactured homes, or no serial number has been assigned by the
11 manufacturer, the director shall assign the serial numbers for the manufactured
12 homes involved.

13 2. At the time the owner of any new manufactured home, as defined in
14 section 700.010, which was acquired in a transaction subject to sales tax under
15 the Missouri sales tax law makes application to the director of revenue for an
16 official certificate of title for such manufactured home, he shall present to the
17 director of revenue evidence satisfactory to the director of revenue showing the
18 purchase price exclusive of any charge incident to the extension of credit paid by
19 or charged to the applicant in the acquisition of the manufactured home, or that
20 no sales tax was incurred in its acquisition, and if sales tax was incurred in its
21 acquisition, the applicant shall pay or cause to be paid to the director of revenue
22 the sales tax provided by the Missouri sales tax law in addition to the
23 registration fees now or hereafter required according to law, and the director of
24 revenue shall not issue a certificate of title for any new manufactured home
25 subject to sales tax as provided in the Missouri sales tax law until the tax levied
26 for the sale of the same under sections 144.010 to 144.510, RSMo, has been paid
27 as provided in this section, **but except as provided in subsection 2 of**
28 **section 700.111, the director of revenue shall not suspend or revoke a**
29 **certificate of title to a manufactured home by reason of the fact that at**
30 **any time it shall become affixed in any manner to real estate.** As used
31 in this subsection, the term "purchase price" shall mean the total amount of the
32 contract price agreed upon between the seller and the applicant in the acquisition
33 of the new manufactured home regardless of the medium of payment therefor. In
34 the event that the purchase price is unknown or undisclosed, or that the evidence
35 thereof is not satisfactory to the director of revenue, the same shall be fixed by
36 appraisement by the director. The director of the department of revenue shall
37 endorse upon the official certificate of title issued by him upon such application
38 an entry showing that such sales tax has been paid or that the manufactured
39 home represented by the certificate is exempt from sales tax and state the ground

40 for such exemption.

41 3. A certificate of title for a manufactured home issued in the names of
42 two or more persons that does not show on the face of the certificate that the
43 persons hold their interest in the manufactured home as tenants in common, on
44 death of one of the named persons, may be transferred to the surviving owner or
45 owners. **Except as provided in subsection 5 of this section**, on proof of
46 death of one of the persons in whose names the certificate was issued, surrender
47 of the outstanding certificate of title, and on application and payment of the fee
48 for an original certificate of title, the director of revenue shall issue a new
49 certificate of title for the manufactured home to the surviving owner or owners;
50 and the current valid certificate of number shall be so transferred.

51 4. A certificate of title for a manufactured home issued in the names of
52 two or more persons that shows on its face that the persons hold their interest in
53 the manufactured home as tenants in common, on death of one of the named
54 persons, may be transferred by the director of revenue on application by the
55 surviving owners and the personal representative or successors of the deceased
56 owner. **Except as provided in subsection 5 of this section**, upon being
57 presented proof of death of one of the persons in whose names the certificate of
58 title was issued, surrender of the outstanding certificate of title, and on
59 application and payment of the fee for an original certificate of title, the director
60 of revenue shall issue a new certificate of title for the manufactured home to the
61 surviving owners and personal representative or successors of the deceased
62 owner; and the current valid certificate of number shall be so transferred.

63 5. **The director of revenue shall not issue a certificate of title to**
64 **a manufactured home with respect to which there has been recorded**
65 **an affidavit of affixation under section 442.015 unless with respect to**
66 **the same manufactured home there has been recorded an affidavit of**
67 **severance under section 442.015.**

68 6. **The director of revenue shall file, upon receipt, each affidavit**
69 **of affixation and affidavit of severance relating to a manufactured**
70 **home that is delivered in accordance with section 442.015, RSMo, when**
71 **satisfied of its genuineness and regularity.**

72 7. **The director of revenue shall maintain a record of each**
73 **affidavit of affixation and each affidavit of severance filed in**
74 **accordance with subsection 6 of this section. The record shall state the**
75 **name of each owner of the related manufactured home, the county of**

76 recordation, the date of recordation, and the book and page number of
77 each book of records in which there has been recorded an affidavit of
78 affixation or affidavit of severance under section 442.015, and any other
79 information the director of revenue prescribes.

80 8. The director of revenue shall file, upon receipt, each
81 application for surrender of the manufacturer's certificate of origin
82 relating to a manufactured home that is delivered in accordance with
83 subsection 1 of section 700.111, when satisfied of its genuineness and
84 regularity.

85 9. The director of revenue shall file, upon receipt, each
86 application for surrender of the certificate of title relating to a
87 manufactured home that is delivered in accordance with subsection 2
88 of section 700.111, when satisfied of its genuineness and regularity.

89 10. The director of revenue shall file, upon receipt, each
90 application for confirmation of conversion relating to a manufactured
91 home that is delivered in accordance with subsection 3 of section
92 700.111, when satisfied of its genuineness and regularity.

93 11. The director of revenue shall maintain a record of each
94 manufacturer's certificate of origin accepted for surrender as provided
95 in subsection 1 of section 700.111. The record shall state the name of
96 each owner of the manufactured home, the date the manufacturer's
97 certificate of origin was accepted for surrender, the county of
98 recordation, the date of recordation, and the book and page number of
99 each book of records in which there has been recorded an affidavit of
100 affixation under section 442.015, and any other information the director
101 of revenue prescribes.

102 12. The director of revenue shall maintain a record of each
103 manufactured home certificate of title accepted for surrender as
104 provided in subsection 2 of section 700.111. The record shall state the
105 name of each owner of the manufactured home, the date the certificate
106 of title was accepted for surrender, the county of recordation, the date
107 of recordation, and the book and page number of each book of records
108 in which there has been recorded an affidavit of affixation under
109 section 442.015, and any other information the director of revenue
110 prescribes.

111 13. The director of revenue shall maintain a record of each
112 application for confirmation of conversion accepted as provided in

113 subsection 3 of section 700.111. The record shall state the name of each
114 owner of the manufactured home, the county of recordation, the date
115 of recordation, and the book and page number of each book of records
116 in which there has been recorded an affidavit of affixation under
117 section 442.015, and any other information the director of revenue
118 prescribes.

119 14. The holder of a manufacturer's certificate of origin to a
120 manufactured home may deliver it to any person to facilitate conveying
121 or encumbering the manufactured home. Any person receiving any
122 such manufacturer's certificate of origin so delivered holds it in trust
123 for the person delivering it.

124 15. Notwithstanding any other provision of law, a certificate of
125 title issued by the director of revenue to a manufactured home is prima
126 facie evidence of the facts appearing on it, notwithstanding the fact
127 that such manufactured home, at any time, shall have become affixed
128 in any manner to real estate.

129 16. When an owner wants to add or delete a name or names on an
130 application for certificate of title to a manufactured home that would cause it to
131 be inconsistent with the name or names listed on the notice of lien, the owner
132 shall provide the director with documentation evidencing the lienholder's
133 authorization to add or delete a name or names on an application for certificate
134 of title.

700.350. 1. As used in sections 700.350 to 700.390, the term
2 "manufactured home" shall have the same [meanings] **meaning** given it in
3 [section 700.010 or] section 400.9-102(a)(5), RSMo.

4 2. Unless excepted by section 700.375, a lien or encumbrance, **including**
5 **a security interest under article 9 of chapter 400**, on a manufactured home
6 shall not be valid against subsequent transferees or lienholders of the
7 manufactured home who took without knowledge of the lien or encumbrance
8 unless the lien or encumbrance is perfected as provided in sections 700.350 to
9 700.380.

10 3. A lien or encumbrance on a manufactured home is perfected by the
11 delivery to the director of revenue of a notice of lien in a format as prescribed by
12 the director of revenue. Such lien or encumbrance shall be perfected as of the
13 time of its creation if the delivery of the notice of lien required in this subsection
14 to the director of revenue is completed within thirty days thereafter, otherwise

15 such lien or encumbrance shall be perfected as of the time of the delivery;
16 **provided, however, that a purchase money security interest in a**
17 **manufactured home under article 9 of chapter 400, is perfected against**
18 **the rights of judicial lien creditors and execution creditors on and after**
19 **the date such purchase money security interest attaches; and further**
20 **provided that the holder of a security interest in or a lien on a**
21 **manufactured home may deliver lien release documents to any person**
22 **to facilitate conveying or encumbering the manufactured home. Any**
23 **person receiving any such documents so delivered holds the documents**
24 **in trust for the security interest holder or the lienholder.** A notice of lien
25 shall contain the name and address of the owner of the manufactured home and
26 the secured party, a description of the manufactured home, including any
27 identification number and such other information as the department of revenue
28 shall prescribe. A notice of lien substantially complying with the requirements
29 of this section is effective even though it contains minor errors which are not
30 seriously misleading. Liens may secure future advances. The future advances
31 may be evidenced by one or more notes or other documents evidencing
32 indebtedness and shall not be required to be executed or delivered prior to the
33 date of the future advance lien securing them. The fact that a lien may secure
34 future advances shall be clearly stated on the security agreement and noted as
35 "subject to future advances" in the notice of lien and noted on the certificate of
36 ownership if the motor vehicle or trailer is subject to only one lien. To secure
37 future advances when an existing lien on a manufactured home does not secure
38 future advances, the lienholder shall file a notice of lien reflecting the lien to
39 secure future advances. A lien to secure future advances is perfected in the same
40 time and manner as any other lien, except as follows: proof of the lien for future
41 advances is maintained by the department of revenue; however, there shall be
42 additional proof of such lien when the notice of lien reflects such lien for future
43 advances, is receipted by the department of revenue, and returned to the
44 lienholder.

45 4. Whether a manufactured home is subject to a lien or encumbrance shall
46 be determined by the laws of the jurisdiction where the manufactured home was
47 when the lien or encumbrance attached, subject to the following:

48 (1) If the parties understood at the time the lien or encumbrances
49 attached that the manufactured home would be kept in this state and it is
50 brought into this state within thirty days thereafter for purposes other than

51 transportation through this state, the validity and effect of the lien or
52 encumbrance in this state shall be determined by the laws of this state;

53 (2) If the lien or encumbrance was perfected under the laws of the
54 jurisdiction where the manufactured home was when the lien or encumbrance
55 attached, the following rules apply:

56 (a) If the name of the lienholder is shown on an existing certificate of title
57 or ownership issued by that jurisdiction, his lien or encumbrance continues
58 perfected in this state;

59 (b) If the name of the lienholder is not shown on an existing certificate of
60 title or ownership issued by the jurisdiction, the lien or encumbrance continues
61 perfected in this state for three months after the first certificate of title of the
62 manufactured home is issued in this state, and also thereafter if, within the
63 three-month period, it is perfected in this state. The lien or encumbrance may
64 also be perfected in this state after the expiration of the three-month period, in
65 which case perfection dates from the time of perfection in this state;

66 (3) If the lien or encumbrance was not perfected under the laws of the
67 jurisdiction where the manufactured home was when the lien or encumbrance
68 attached, it may be perfected in this state, in which case perfection dates from the
69 time of perfection in this state;

70 (4) A lien or encumbrance may be perfected under paragraph (b) of
71 subdivision (2) or subdivision (3) of this subsection in the same manner as
72 provided in subsection 3 of this section or by the lienholder delivering to the
73 director of revenue a notice of lien or encumbrance in the form the director
74 prescribes and the required fee.

75 5. By rules and regulations, the director of revenue shall establish a
76 security procedure for the purpose of verifying that an electronic notice of lien or
77 notice of satisfaction of lien on a manufactured home given as permitted in this
78 chapter is that of the lienholder, verifying that an electronic notice of
79 confirmation of ownership and perfection of a lien given as required in this
80 chapter is that of the director of revenue, and detecting error in the transmission
81 or the content of such notice. A security procedure may require the use of
82 algorithms or other codes, identifying words or numbers, encryption, callback
83 procedures or similar security devices. Comparison of a signature on a
84 communication with an authorized specimen signature shall not by itself be a
85 security procedure.

86 6. All transactions involving liens or encumbrances on manufactured

87 homes perfected pursuant to sections 700.350 to 700.390 after June 30, 2001, and
88 before August 28, 2002, and the rights, duties, and interests flowing from them
89 are and shall remain valid thereafter and may be terminated, completed,
90 consummated, or enforced as required or permitted by section 400.9-303[, RSMo,
91 or this section]. Section 400.9-303, RSMo, and this section are remedial in nature
92 and shall be given that construction.

93 7. [The repeal and reenactment of subsections 3 and 4 of this section shall
94 become effective July 1, 2003] **Except as otherwise provided in section**
95 **442.015, subsections 1 and 2 of section 700.111, subsection 2 of section**
96 **700.360, and subsection 2 of section 700.375, after a certificate of title**
97 **has been issued to a manufactured home and as long as the**
98 **manufactured home is subject to any security interest perfected under**
99 **this section, the department shall not file an affidavit of affixation, nor**
100 **cancel the manufacturer's certificate of origin, nor revoke the**
101 **certificate of title, and, in any event, the validity and priority of any**
102 **security interest perfected under this section shall continue,**
103 **notwithstanding the provision of any other law.**

 700.360. 1. **Except as provided in subsection 2 of this section, if**
2 an owner creates a lien or encumbrance on a manufactured home:

3 (1) The owner shall immediately execute the application, either in the
4 space provided therefor on the certificate of title or on a separate form the
5 director of revenue prescribes, to name the lienholder on the certificate of title,
6 showing the name and address of the lienholder and the date of his security
7 agreement, and shall cause the certificate of title, the application and the
8 required fee to be mailed or delivered to the director of revenue. Failure of the
9 owner to do so, including naming the lienholder in such application, is a class A
10 misdemeanor;

11 (2) The lienholder or an authorized agent licensed pursuant to sections
12 301.112 to 301.119, RSMo, shall deliver to the director of revenue a notice of lien
13 as prescribed by the director of revenue accompanied by all other necessary
14 documentation to perfect a lien as provided in this section;

15 (3) To perfect a lien for a subordinate lienholder when a transfer of
16 ownership occurs, the subordinate lienholder shall either mail or deliver, or cause
17 to be mailed or delivered, a completed notice of lien to the department of revenue,
18 accompanied by authorization from the first lienholder. The owner shall ensure
19 the subordinate lienholder is recorded on the application for title at the time the

20 application is made to the department of revenue. To perfect a lien for a
21 subordinate lienholder when there is no transfer of ownership, the owner or
22 lienholder in possession of the certificate shall either mail or deliver, or cause to
23 be mailed or delivered, the owner's application for title, certificate, notice of lien,
24 authorization from the first lienholder and title fee to the department of
25 revenue. The delivery of the certificate and executing a notice of authorization
26 to add a subordinate lien does not affect the rights of the first lienholder under
27 the security agreement;

28 (4) Upon receipt of the documents and fee required in subdivision (3) of
29 this section, the director of revenue shall issue a new certificate of ownership
30 containing the name and address of the new lienholder, and shall mail the
31 certificate as prescribed in section 700.355, or if a lienholder who has elected for
32 the director of revenue to retain possession of an electronic certificate of
33 ownership, the lienholder shall either mail or deliver to the director a notice of
34 authorization for the director to add a subordinate lienholder to the existing
35 certificate. Upon receipt of such authorization, a notice of lien and required
36 documents and title fee, if applicable, from a subordinate lienholder, the director
37 shall add the subordinate lienholder to the certificate of ownership being
38 electronically retained by the director and provide confirmation of the addition
39 to both lienholders.

40 **2. With respect to a manufactured home that is or will be**
41 **permanently affixed to real estate, upon recordation of an affidavit of**
42 **affixation under section 442.015, and satisfaction of the requirements**
43 **of subsections 1 to 3 of section 700.111, as applicable, any perfection or**
44 **termination of a security interest with respect to such permanently**
45 **affixed property shall be governed by chapter 442.**

700.370. 1. Upon the satisfaction of a lien or encumbrance on a
2 manufactured home, the lienholder shall, within ten days after demand, release
3 the lien or encumbrance on the certificate or a separate document, and mail or
4 deliver the certificate or separate document to the owner or any person who
5 delivers to the lienholder an authorization from the owner to receive the
6 certificate or separate document. Each perfected subordinate lienholder, if any,
7 shall release such lien or encumbrance as provided in this section for the first
8 lienholder. The release on the certificate or separate document shall be
9 notarized. The owner may cause the certificate of title, the release, and the
10 required fee to be mailed or delivered to the director of revenue, who shall release

11 the lienholder's rights on the certificate and issue a new certificate of title.

12 **2. If the electronic certificate of ownership is in the possession**
13 **of the director of revenue, the lienholder shall notify the director**
14 **within ten business days of any release of a lien and provide the**
15 **director with the most current address of the owner. The director shall**
16 **note such release on the electronic certificate and if no other lien exists**
17 **the director shall mail or deliver the certificate free of any lien to the**
18 **owner.**

700.375. 1. Sections 700.350 to 700.380 shall not apply to or affect:

2 (1) A lien given by statute or rule of law to a supplier of services or
3 materials for the manufactured home;

4 (2) A lien given by statute to the United States, this state or any political
5 subdivision of this state;

6 (3) A lien or encumbrance on a manufactured home created by a
7 manufacturer or dealer who holds the manufactured home for sale.

8 **2. Except as otherwise provided in paragraph (e) of section 400.9-**
9 **303, with respect to security interests in manufactured homes perfected**
10 **by filing under article 9 of chapter 400 and before August 28, 2002, the**
11 **method provided in sections 700.350 to 700.380 of perfecting and giving notice of**
12 **liens or encumbrances subject to sections 700.350 to 700.380 is exclusive;**
13 **provided, however, that with respect to a manufactured home that is**
14 **or will be permanently affixed to real estate, upon recordation of an**
15 **affidavit of affixation under section 442.015, and satisfaction of the**
16 **requirements of subsections 1 to 3 of section 700.111, as applicable, any**
17 **perfection or termination of a security interest with respect to such**
18 **permanently affixed property shall be governed by chapter 442.**

700.385. 1. When the holder of any indebtedness secured by a security
2 agreement or other contract for security covering a manufactured home, who has
3 a notice of lien on file with the director of revenue, repossesses the manufactured
4 home either by legal process or in accordance with the terms of a contract
5 authorizing the repossession of the manufactured home without legal process, the
6 holder may obtain a certificate of ownership from the director of revenue upon
7 presentation of:

8 (1) An application form furnished by the director of revenue which shall
9 contain a full description of the manufactured home and the manufacturer's or
10 other identifying number;

11 (2) A notice of lien receipt or the original certificate of ownership
12 reflecting the holder's lien; and

13 (3) An affidavit of the holder, certified under penalties of perjury for
14 making a false statement to a public official, that the debtor defaulted in payment
15 of the debt, and that the holder repossessed the manufactured home either by
16 legal process or in accordance with the terms of the contract, **and the name and**
17 **address of the owner of the real estate, other than the debtor, from**
18 **whom the home was repossessed, and that the holder has paid to the**
19 **real property owner all rent that has accrued in the real property**
20 **owner's favor that the holder is obligated to pay under the provisions**
21 **of section 700.529**, and the specific address where the manufactured home is
22 held. Such affidavit shall also state that the lienholder has the written consent
23 from all owners or lienholders of record to repossess the manufactured home or
24 has provided all the owners or lienholders with written notice of the repossession.

25 2. On a manufactured home, the lienholder shall first give:

26 (1) Ten days' written notice by first class United States mail, postage
27 prepaid, to each of the owners and other lienholders, if any, of the manufactured
28 home at each of their last mailing addresses as shown by the last prior certificate
29 of ownership, if any issued, or the most recent address on the lienholder's records,
30 that an application for a repossessed title will be made; or

31 (2) The lienholder may, ten days prior to applying for a repossession title,
32 include the information in the above notice in the appropriate uniform
33 commercial code notice under sections 400.9-613 or 400.9-614, RSMo. Such
34 alternative notice to all owners and lienholders shall be valid and enforceable
35 under both the uniform commercial code and this section, provided it otherwise
36 complies with the provisions of the uniform commercial code.

37 3. Upon the holder's presentation of the papers required by subsection 1
38 of this section and the payment of a fee of ten dollars, the director of revenue, if
39 he **or she** is satisfied with the genuineness of the papers, shall issue and deliver
40 to the holder a certificate of ownership which shall be in its usual form except it
41 shall be clearly captioned "Repossessed Title". Each repossessed title so issued
42 shall, for all purposes, be treated as an original certificate of ownership and shall
43 supersede the outstanding certificate of ownership, if any, and duplicates thereof,
44 if any, on the manufactured home, all of which shall become null and void.

45 4. In any case where there is no certificate of ownership, or duplicate
46 thereof, outstanding in the name of the debtor on the repossessed manufactured

47 home, the director of revenue shall issue a repossessed title to the holder and
 48 shall proceed to collect all unpaid fees, taxes, charges and penalties owed by the
 49 debtor, in addition to the fee specified in subsection 3 of this section.

50 5. The director of revenue may prescribe rules and regulations for the
 51 effective administration of this section. Any rule or portion of a rule, as that term
 52 is defined in section 536.010, RSMo, that is created under the authority delegated
 53 in this section shall become effective only if it complies with and is subject to all
 54 of the provisions of chapter 536, RSMo, and, if applicable, section 536.028,
 55 RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the
 56 powers vested with the general assembly pursuant to chapter 536, RSMo, to
 57 review, to delay the effective date, or to disapprove and annul a rule are
 58 subsequently held unconstitutional, then the grant of rulemaking authority and
 59 any rule proposed or adopted after August 28, 2006, shall be invalid and void.

164 expenses incurred in obtaining the lien, including but not limited to
165 reasonable attorney's fees, and necessary expenses of advertising the
166 sale.

167 12. If the manufactured home is not redeemed prior to the date
168 of sale provided in the notice set forth in this section, the real property
169 owner may sell the manufactured home on the day and at the place
170 specified in the notice. The proceeds of sale shall be distributed in the
171 following order:

172 (1) To the satisfaction of real property owner's past-due rent and

176 (2) The excess, if any, shall be paid to the manufactured
177 homeowner.

178 If the manufactured homeowner cannot be located within thirty days
179 of the date of sale, the excess, if any, shall be deposited with the county

190 proper evidence of ownership and obtaining an order of the county
191 commission, or comptroller of a city not within a county, directed to
192 said treasurer for the return of such excess deposit.

193 14. Any lienor failing to or refusing to deliver to such treasurer
194 the excess proceeds of sale together with a sworn statement as required
195 in this section within thirty days after such sale, shall be liable for
196 double the excess of proceeds of such sale, to be recovered in any court
197 of competent jurisdiction by civil action.

198 15. The real property owner's compliance with the requirements
199 of this section shall be a perpetual bar to any action against such
200 owner of real property by any person for the recovery of the
201 manufactured home or its value or of any damages growing out of the

203 16. The real property owner may be a purchaser at the public
204 sale conducted under this section.

205 17. The provisions of this section shall not apply to a

7 defendant. The director of revenue shall not be a party to such
8 petition, but a copy of the petition shall be served on the director who
9 shall not issue a lien title to such abandoned manufactured home until
10 the court by judgment upholds the lien or until the homeowner's
11 petition is dismissed.

12 2. Upon the filing of the petition in the associate circuit division

13 of circuit court, the owner may have the manufactured home released
14 from the lien upon posting with the court, for the benefit of the real

16 to the amount of the rental charges due and those which will accrue
17 during the term of the proceedings to ensure payment of such rent in
18 the event the manufactured homeowner does not prevail. Upon posting
19 of the bond, the court shall issue an order notifying the real property
20 owner of the posting of the bond and directing the real property owner
21 to release the manufactured home to its owner. The court shall then
22 proceed to determine the parties' rights to the proceeds of the bond.

23 3. If the court determines the homeowner owes unpaid rent
24 under the rent agreement, the court shall give judgment to the real
25 property owner in the sum of the unpaid rent, declare a lien in the real
