23 (4) All persons who would be determined to be eligible
24 for old age assistance benefits, permanent and total

36 inpatients in psychiatric facilities or programs, as defined
37 in 42 U.S.C. Section 1396d, as amended;

38 (6) All persons under the age of twenty-one years who
39 would be eligible for aid to families with dependent

43 (7) All persons eligible to receive nursing care
44 benefits;

45 (8) All participants receiving family foster home or

49 (9) All persons who were participants receiving old
50 age assistance benefits, aid to the permanently and totally
51 disabled, or aid to the blind benefits on December 31, 1973,
52 and who continue to meet the eligibility requirements,

54 no longer receiving such benefits because of the
55 implementation of Title XVI of the federal Social Security
56 Act, as amended;

57 (10) Pregnant women who meet the requirements for aid
58 to families with dependent children, except for the
59 existence of a dependent child in the home;

60 (11) Pregnant women who meet the requirements for aid
61 to families with dependent children, except for the
62 existence of a dependent child who is deprived of parental
63 support as provided for in subdivision (2) of subsection 1
64 of section 208.040;

65 (12) Pregnant women or infants under one year of age,
66 or both, whose family income does not exceed an income
67 eligibility standard equal to one hundred eighty-five
68 percent of the federal poverty level as established and
69 amended by the federal Department of Health and Human
70 Services, or its successor agency;

71 (13) Children who have attained one year of age but
72 have not attained six years of age who are eligible for
73 medical assistance under 6401 of P.L. 101-239 (Omnibus
74 Budget Reconciliation Act of 1989) (42 U.S.C. Sections 1396a
75 to 1396b). The family support division shall use an income
76 eligibility standard equal to one hundred thirty-three
77 percent of the federal poverty level established by the
78 Department of Health and Human Services, or its successor
79 agency;

80 (14) Children who have attained six years of age but
81 have not attained nineteen years of age. For children who
82 have attained six years of age but have not attained
83 nineteen years of age, the family support division shall use
84 an income assessment methodology which provides for
85 eligibility when family income is equal to or less than
86 equal to one hundred percent of the federal poverty level
87 established by the Department of Health and Human Services,
88 or its successor agency. As necessary to provide MO
89 HealthNet coverage under this subdivision, the department of
90 social services may revise the state MO HealthNet plan to
91 extend coverage under 42 U.S.C. Section
92 1396a(a)(10)(A)(i)(III) to children who have attained six
93 years of age but have not attained nineteen years of age as
94 permitted by paragraph (2) of subsection (n) of 42 U.S.C.
95 Section 1396d using a more liberal income assessment
96 methodology as authorized by paragraph (2) of subsection (r)
97 of 42 U.S.C. Section 1396a;

98 (15) The family support division shall not establish a
99 resource eligibility standard in assessing eligibility for
100 persons under subdivision (12), (13) or (14) of this
101 subsection. The MO HealthNet division shall define the
102 amount and scope of benefits which are available to
103 individuals eligible under each of the subdivisions (12),
104 (13), and (14) of this subsection, in accordance with the
105 requirements of federal law and regulations promulgated
106 thereunder;

107 (16) Notwithstanding any other provisions of law to
108 the contrary, ambulatory prenatal care shall be made
109 available to pregnant women during a period of presumptive
110 eligibility pursuant to 42 U.S.C. Section 1396r-1, as
111 amended;

112 (17) A child born to a woman eligible for and
113 receiving MO HealthNet benefits under this section on the
114 date of the child's birth shall be deemed to have applied
115 for MO HealthNet benefits and to have been found eligible
116 for such assistance under such plan on the date of such
117 birth and to remain eligible for such assistance for a
118 period of time determined in accordance with applicable
119 federal and state law and regulations so long as the child
120 is a member of the woman's household and either the woman
121 remains eligible for such assistance or for children born on
122 or after January 1, 1991, the woman would remain eligible
123 for such assistance if she were still pregnant. Upon
124 notification of such child's birth, the family support
125 division shall assign a MO HealthNet eligibility
126 identification number to the child so that claims may be
127 submitted and paid under such child's identification number;

128 (18) Pregnant women and children eligible for MO
129 HealthNet benefits pursuant to subdivision (12), (13) or
130 (14) of this subsection shall not as a condition of
131 eligibility for MO HealthNet benefits be required to apply
132 for aid to families with dependent children. The family
133 support division shall utilize an application for
134 eligibility for such persons which eliminates information
135 requirements other than those necessary to apply for MO
136 HealthNet benefits. The division shall provide such
137 application forms to applicants whose preliminary income
138 information indicates that they are ineligible for aid to
139 families with dependent children. Applicants for MO
140 HealthNet benefits under subdivision (12), (13) or (14) of
141 this subsection shall be informed of the aid to families
142 with dependent children program and that they are entitled
143 to apply for such benefits. Any forms utilized by the

144 family support division for assessing eligibility under this
145 chapter shall be as simple as practicable;

146 (19) Subject to appropriations necessary to recruit
147 and train such staff, the family support division shall
148 provide one or more full-time, permanent eligibility
149 specialists to process applications for MO HealthNet
150 benefits at the site of a health care provider, if the
151 health care provider requests the placement of such
152 eligibility specialists and reimburses the division for the
153 expenses including but not limited to salaries, benefits,
154 travel, training, telephone, supplies, and equipment of such
155 eligibility specialists. The division may provide a health
156 care provider with a part-time or temporary eligibility
157 specialist at the site of a health care provider if the
158 health care provider requests the placement of such an
159 eligibility specialist and reimburses the division for the
160 expenses, including but not limited to the salary, benefits,
161 travel, training, telephone, supplies, and equipment, of
162 such an eligibility specialist. The division may seek to
163 employ such eligibility specialists who are otherwise
164 qualified for such positions and who are current or former
165 welfare participants. The division may consider training
166 such current or former welfare participants as eligibility
167 specialists for this program;

168 (20) Pregnant women who are eligible for, have applied
169 for and have received MO HealthNet benefits under
170 subdivision (2), (10), (11) or (12) of this subsection shall
171 continue to be considered eligible for all pregnancy-related
172 and postpartum MO HealthNet benefits provided under section
173 208.152 until the end of the sixty-day period beginning on
174 the last day of their pregnancy. Pregnant women receiving
175 mental health treatment for postpartum depression or related

176 mental health conditions within sixty days of giving birth
177 shall, subject to appropriations and any necessary federal
178 approval, be eligible for MO HealthNet benefits for mental
179 health services for the treatment of postpartum depression
180 and related mental health conditions for up to twelve
181 additional months. Pregnant women receiving substance abuse
182 treatment within sixty days of giving birth shall, subject
183 to appropriations and any necessary federal approval, be
184 eligible for MO HealthNet benefits for substance abuse
185 treatment and mental health services for the treatment of
186 substance abuse for no more than twelve additional months,
187 as long as the woman remains adherent with treatment. The
188 department of mental health and the department of social
189 services shall seek any necessary waivers or state plan
190 amendments from the Centers for Medicare and Medicaid
191 Services and shall develop rules relating to treatment plan
192 adherence. No later than fifteen months after receiving any
193 necessary waiver, the department of mental health and the
194 department of social services shall report to the house of
195 representatives budget committee and the senate
196 appropriations committee on the compliance with federal cost
197 neutrality requirements;

198 (21) Case management services for pregnant women and
199 young children at risk shall be a covered service. To the
200 greatest extent possible, and in compliance with federal law
201 and regulations, the department of health and senior
202 services shall provide case management services to pregnant
203 women by contract or agreement with the department of social
204 services through local health departments organized under
205 the provisions of chapter 192 or chapter 205 or a city
206 health department operated under a city charter or a
207 combined city-county health department or other department

208 of health and senior services designees. To the greatest
209 extent possible the department of social services and the
210 department of health and senior services shall mutually
211 coordinate all services for pregnant women and children with
212 the crippled children's program, the prevention of
213 intellectual disability and developmental disability program
214 and the prenatal care program administered by the department
215 of health and senior services. The department of social
216 services shall by regulation establish the methodology for
217 reimbursement for case management services provided by the
218 department of health and senior services. For purposes of
219 this section, the term "case management" shall mean those
220 activities of local public health personnel to identify
221 prospective MO HealthNet-eligible high-risk mothers and
222 enroll them in the state's MO HealthNet program, refer them
223 to local physicians or local health departments who provide
224 prenatal care under physician protocol and who participate
225 in the MO HealthNet program for prenatal care and to ensure
226 that said high-risk mothers receive support from all private
227 and public programs for which they are eligible and shall
228 not include involvement in any MO HealthNet prepaid, case-
229 managed programs;

230 (22) By January 1, 1988, the department of social
231 services and the department of health and senior services
232 shall study all significant aspects of presumptive
233 eligibility for pregnant women and submit a joint report on
234 the subject, including projected costs and the time needed
235 for implementation, to the general assembly. The department
236 of social services, at the direction of the general
237 assembly, may implement presumptive eligibility by
238 regulation promulgated pursuant to chapter 207;

239 (23) All participants who would be eligible for aid to
240 families with dependent children benefits except for the
241 requirements of paragraph (d) of subdivision (1) of section
242 208.150;

243 (24) (a) All persons who would be determined to be
244 eligible for old age assistance benefits under the
245 eligibility standards in effect December 31, 1973, as
246 authorized by 42 U.S.C. Section 1396a(f), or less
247 restrictive methodologies as contained in the MO HealthNet
248 state plan as of January 1, 2005; except that, on or after
249 July 1, 2005, less restrictive income methodologies, as
250 authorized in 42 U.S.C. Section 1396a(r)(2), may be used to
251 change the income limit if authorized by annual
252 appropriation;

253 (b) All persons who would be determined to be eligible
254 for aid to the blind benefits under the eligibility
255 standards in effect December 31, 1973, as authorized by 42
256 U.S.C. Section 1396a(f), or less restrictive methodologies
257 as contained in the MO HealthNet state plan as of January 1,
258 2005, except that less restrictive income methodologies, as
259 authorized in 42 U.S.C. Section 1396a(r)(2), shall be used
260 to raise the income limit to one hundred percent of the
261 federal poverty level;

262 (c) All persons who would be determined to be eligible
263 for permanent and total disability benefits under the
264 eligibility standards in effect December 31, 1973, as
265 authorized by 42 U.S.C. Section 1396a(f); or less
266 restrictive methodologies as contained in the MO HealthNet
267 state plan as of January 1, 2005; except that, on or after
268 July 1, 2005, less restrictive income methodologies, as
269 authorized in 42 U.S.C. Section 1396a(r)(2), may be used to
270 change the income limit if authorized by annual

271 appropriations. Eligibility standards for permanent and
272 total disability benefits shall not be limited by age;

273 (25) Persons who have been diagnosed with breast or
274 cervical cancer and who are eligible for coverage pursuant
275 to 42 U.S.C. Section 1396a(a)(10)(A)(ii)(XVIII). Such
276 persons shall be eligible during a period of presumptive
277 eligibility in accordance with 42 U.S.C. Section 1396r-1;

278 (26) Persons who are in foster care under the
279 responsibility of the state of Missouri on the date such
280 persons attained the age of eighteen years, or at any time
281 during the thirty-day period preceding their eighteenth
282 birthday, or persons who received foster care for at least
283 six months in another state, are residing in Missouri, and
284 are at least eighteen years of age, without regard to income
285 or assets, if such persons:

286 (a) Are under twenty-six years of age;

287 (b) Are not eligible for coverage under another
288 mandatory coverage group; and

289 (c) Were covered by Medicaid while they were in foster
290 care;

291 (27) Any homeless child or homeless youth, as those
292 terms are defined in section 167.020, subject to approval of
293 a state plan amendment by the Centers for Medicare and
294 Medicaid Services;

295 (28) (a) **Beginning April 1, 2022, or the effective**
296 **date of this act, whichever is later, pregnant women who are**
297 **eligible for, have applied for, and have received MO**
298 **HealthNet benefits under subdivision (2), (10), (11), or**
299 **(12) of this subsection shall be eligible for medical**
300 **assistance during the pregnancy and during the twelve-month**
301 **period that begins on the last day of the woman's pregnancy**
302 **and ends on the last day of the month in which such twelve-**

303 month period ends, consistent with the provisions of 42
304 U.S.C. Section 1396a(e)(16). The department shall submit a
305 state plan amendment to the Centers for Medicare and
306 Medicaid Services within sixty days of the effective date of
307 this act;

308 (b) The provisions of this subdivision shall remain in
309 effect for any period of time during which the federal
310 authority under 42 U.S.C. Section 1396a(e)(16), as amended,
311 or any successor statutes or implementing regulations, is in
312 effect.

313 2. Rules and regulations to implement this section
314 shall be promulgated in accordance with chapter 536. Any
315 rule or portion of a rule, as that term is defined in
316 section 536.010, that is created under the authority
317 delegated in this section shall become effective only if it
318 complies with and is subject to all of the provisions of
319 chapter 536 and, if applicable, section 536.028. This
320 section and chapter 536 are nonseverable and if any of the
321 powers vested with the general assembly pursuant to chapter
322 536 to review, to delay the effective date or to disapprove
323 and annul a rule are subsequently held unconstitutional,
324 then the grant of rulemaking authority and any rule proposed
325 or adopted after August 28, 2002, shall be invalid and void.

326 3. After December 31, 1973, and before April 1, 1990,
327 any family eligible for assistance pursuant to 42 U.S.C.
328 Section 601, et seq., as amended, in at least three of the
329 last six months immediately preceding the month in which
330 such family became ineligible for such assistance because of
331 increased income from employment shall, while a member of
332 such family is employed, remain eligible for MO HealthNet
333 benefits for four calendar months following the month in
334 which such family would otherwise be determined to be

335 ineligible for such assistance because of income and
336 resource limitation. After April 1, 1990, any family
337 receiving aid pursuant to 42 U.S.C. Section 601, et seq., as
338 amended, in at least three of the six months immediately
339 preceding the month in which such family becomes ineligible
340 for such aid, because of hours of employment or income from
341 employment of the caretaker relative, shall remain eligible
342 for MO HealthNet benefits for six calendar months following
343 the month of such ineligibility as long as such family
344 includes a child as provided in 42 U.S.C. Section 1396r-6.
345 Each family which has received such medical assistance
346 during the entire six-month period described in this section
347 and which meets reporting requirements and income tests
348 established by the division and continues to include a child
349 as provided in 42 U.S.C. Section 1396r-6 shall receive MO
350 HealthNet benefits without fee for an additional six
351 months. The MO HealthNet division may provide by rule and
352 as authorized by annual appropriation the scope of MO
353 HealthNet coverage to be granted to such families.

354 4. When any individual has been determined to be
355 eligible for MO HealthNet benefits, such medical assistance
356 will be made available to him or her for care and services
357 furnished in or after the third month before the month in
358 which he made application for such assistance if such
359 individual was, or upon application would have been,
360 eligible for such assistance at the time such care and
361 services were furnished; provided, further, that such
362 medical expenses remain unpaid.

363 5. The department of social services may apply to the
364 federal Department of Health and Human Services for a MO
365 HealthNet waiver amendment to the Section 1115 demonstration
366 waiver or for any additional MO HealthNet waivers necessary

367 not to exceed one million dollars in additional costs to the
368 state, unless subject to appropriation or directed by
369 statute, but in no event shall such waiver applications or
370 amendments seek to waive the services of a rural health
371 clinic or a federally qualified health center as defined in
372 42 U.S.C. Section 1396d(1) (1) and (2) or the payment
373 requirements for such clinics and centers as provided in 42
374 U.S.C. Section 1396a(a) (15) and 1396a(bb) unless such waiver
375 application is approved by the oversight committee created
376 in section 208.955. A request for such a waiver so
377 submitted shall only become effective by executive order not
378 sooner than ninety days after the final adjournment of the
379 session of the general assembly to which it is submitted,
380 unless it is disapproved within sixty days of its submission
381 to a regular session by a senate or house resolution adopted
382 by a majority vote of the respective elected members
383 thereof, unless the request for such a waiver is made
384 subject to appropriation or directed by statute.

385 6. Notwithstanding any other provision of law to the
386 contrary, in any given fiscal year, any persons made
387 eligible for MO HealthNet benefits under subdivisions (1) to
388 (22) of subsection 1 of this section shall only be eligible
389 if annual appropriations are made for such eligibility.
390 This subsection shall not apply to classes of individuals
391 listed in 42 U.S.C. Section 1396a(a) (10) (A) (i).

392 7. (1) Notwithstanding any provision of law to the
393 contrary, a military service member, or an immediate family
394 member residing with such military service member, who is a
395 legal resident of this state and is eligible for MO
396 HealthNet developmental disability services, shall have his
397 or her eligibility for MO HealthNet developmental disability
398 services temporarily suspended for any period of time during

399 which such person temporarily resides outside of this state
400 for reasons relating to military service, but shall have his
401 or her eligibility immediately restored upon returning to
402 this state to reside.

403 (2) Notwithstanding any provision of law to the
404 contrary, if a military service member, or an immediate
405 family member residing with such military service member, is
406 not a legal resident of this state, but would otherwise be
407 eligible for MO HealthNet developmental disability services,
408 such individual shall be deemed eligible for MO HealthNet
409 developmental disability services for the duration of any
410 time in which such individual is temporarily present in this
411 state for reasons relating to military service.

208.662. 1. There is hereby established within the
2 department of social services the "Show-Me Healthy Babies
3 Program" as a separate children's health insurance program
4 (CHIP) for any low-income unborn child. The program shall
5 be established under the authority of Title XXI of the
6 federal Social Security Act, the State Children's Health
7 Insurance Program, as amended, and 42 CFR 457.1.

8 2. For an unborn child to be enrolled in the show-me
9 healthy babies program, his or her mother shall not be
10 eligible for coverage under Title XIX of the federal Social
11 Security Act, the Medicaid program, as it is administered by
12 the state, and shall not have access to affordable employer-
13 subsidized health care insurance or other affordable health
14 care coverage that includes coverage for the unborn child.
15 In addition, the unborn child shall be in a family with
16 income eligibility of no more than three hundred percent of
17 the federal poverty level, or the equivalent modified
18 adjusted gross income, unless the income eligibility is set
19 lower by the general assembly through appropriations. In

20 calculating family size as it relates to income eligibility,
21 the family shall include, in addition to other family
22 members, the unborn child, or in the case of a mother with a
23 multiple pregnancy, all unborn children.

24 3. Coverage for an unborn child enrolled in the show-
25 me healthy babies program shall include all prenatal care
26 and pregnancy-related services that benefit the health of
27 the unborn child and that promote healthy labor, delivery,
28 and birth. Coverage need not include services that are
29 solely for the benefit of the pregnant mother, that are
30 unrelated to maintaining or promoting a healthy pregnancy,
31 and that provide no benefit to the unborn child. However,
32 the department may include pregnancy-related assistance as
33 defined in 42 U.S.C. Section 139711.

34 4. There shall be no waiting period before an unborn
35 child may be enrolled in the show-me healthy babies
36 program. In accordance with the definition of child in 42
37 CFR 457.10, coverage shall include the period from
38 conception to birth. The department shall develop a
39 presumptive eligibility procedure for enrolling an unborn
40 child. There shall be verification of the pregnancy.

41 5. Coverage for the child shall continue for up to one
42 year after birth, unless otherwise prohibited by law or
43 unless otherwise limited by the general assembly through
44 appropriations.

45 6. **(1)** Pregnancy-related and postpartum coverage for
46 the mother shall begin on the day the pregnancy ends and
47 extend through the last day of the month that includes the
48 sixtieth day after the pregnancy ends, unless otherwise
49 prohibited by law or unless otherwise limited by the general
50 assembly through appropriations. The department may include

51 pregnancy-related assistance as defined in 42 U.S.C. Section
52 139711.

53 **(2) Beginning April 1, 2022, or the effective date of**
54 **this act, whichever is later, mothers eligible to receive**
55 **coverage under this section shall receive medical assistance**
56 **benefits during the pregnancy and during the twelve-month**
57 **period that begins on the last day of the woman's pregnancy**
58 **and ends on the last day of the month in which such twelve-**

68 7. The department shall provide coverage for an unborn
69 child enrolled in the show-me healthy babies program in the
70 same manner in which the department provides coverage for
71 the children's health insurance program (CHIP) in the county
72 of the primary residence of the mother.

73 8. The department shall provide information about the
74 show-me healthy babies program to maternity homes as defined
75 in section 135.600, pregnancy resource centers as defined in
76 section 135.630, and other similar agencies and programs in
77 the state that assist unborn children and their mothers.
78 The department shall consider allowing such agencies and
79 programs to assist in the enrollment of unborn children in
80 the program, and in making determinations about presumptive
81 eligibility and verification of the pregnancy.

82 9. Within sixty days after August 28, 2014, the
83 department shall submit a state plan amendment or seek any
84 necessary waivers from the federal Department of Health and
85 Human Services requesting approval for the show-me healthy
86 babies program.

87 10. At least annually, the department shall prepare
88 and submit a report to the governor, the speaker of the
89 house of representatives, and the president pro tempore of
90 the senate analyzing and projecting the cost savings and
91 benefits, if any, to the state, counties, local communities,
92 school districts, law enforcement agencies, correctional
93 centers, health care providers, employers, other public and
94 private entities, and persons by enrolling unborn children
95 in the show-me healthy babies program. The analysis and
96 projection of cost savings and benefits, if any, may include
97 but need not be limited to:

98 (1) The higher federal matching rate for having an
99 unborn child enrolled in the show-me healthy babies program
100 versus the lower federal matching rate for a pregnant woman
101 being enrolled in MO HealthNet or other federal programs;

102 (2) The efficacy in providing services to unborn
103 children through managed care organizations, group or
104 individual health insurance providers or premium assistance,
105 or through other nontraditional arrangements of providing
106 health care;

107 (3) The change in the proportion of unborn children
108 who receive care in the first trimester of pregnancy due to
109 a lack of waiting periods, by allowing presumptive
110 eligibility, or by removal of other barriers, and any
111 resulting or projected decrease in health problems and other
112 problems for unborn children and women throughout pregnancy;

113 at labor, delivery, and birth; and during infancy and
114 childhood;

115 (4) The change in healthy behaviors by pregnant women,
116 such as the cessation of the use of tobacco, alcohol,
117 illicit drugs, or other harmful practices, and any resulting
118 or projected short-term and long-term decrease in birth
119 defects; poor motor skills; vision, speech, and hearing
120 problems; breathing and respiratory problems; feeding and
121 digestive problems; and other physical, mental, educational,
122 and behavioral problems; and

123 (5) The change in infant and maternal mortality,
124 preterm births and low birth weight babies and any resulting
125 or projected decrease in short-term and long-term medical
126 and other interventions.

127 11. The show-me healthy babies program shall not be
128 deemed an entitlement program, but instead shall be subject
129 to a federal allotment or other federal appropriations and
130 matching state appropriations.

131 12. Nothing in this section shall be construed as
132 obligating the state to continue the show-me healthy babies
133 program if the allotment or payments from the federal
134 government end or are not sufficient for the program to
135 operate, or if the general assembly does not appropriate
136 funds for the program.

137 13. Nothing in this section shall be construed as
138 expanding MO HealthNet or fulfilling a mandate imposed by
139 the federal government on the state.

Section B. Because of the importance of ensuring
2 healthy pregnancies and healthy women and children in
3 Missouri in the face of growing maternal mortality, section
4 A of this act is deemed necessary for the immediate
5 preservation of the public health, welfare, peace, and

6 safety, and is hereby declared to be an emergency act within
7 the meaning of the constitution, and section A of this act
8 shall be in full force and effect upon its passage and
9 approval.
