26 providers that work with children requiring intensive twenty-

47 response and evaluation team under subsection 3 of this
48 section.

49 (4) Data regarding all evaluation metrics shall be
50 collected by the division on a monthly basis, and the
51 division shall issue a quarterly report regarding the
52 evaluation data for each provider, both public and private,
53 by county. The response and evaluation team shall determine

60 evaluation tool shall be used to evaluate competitive bids
61 for future contracts established under subsection 4 of this
62 section.

63 3. The division shall create a response and evaluation
64 team. Membership of the team shall be composed of five
65 staff members from the division with experience in foster
66 care appointed by the director of the division; five

88 should not be part of developing the case management tool
89 under subsection 2 of this section;

113 deemed necessary by the division shall, in consultation with
114 service providers and other relevant parties, enter into and
115 implement contracts with qualified children's services
116 providers and agencies to provide a comprehensive and
117 deliberate system of service delivery for children and their

178 contract. The division shall take steps necessary to
179 evaluate the nature of the issue and act accordingly in the
180 most timely fashion possible.

44 (2) Assess whether the needs of the child can be met
45 through placement with family members or in a foster home;

46 (3) Explain why the child's placement in a residential
47 setting will be the most effective and appropriate level of
48 care in the least restrictive environment, if the needs of
49 the child cannot be met with family members or in a foster
50 home;

51 (4) Describe how that placement is consistent with the
52 short-term and long-term goals for the child, as specified
53 in the child's permanency plan; and

54 (5) Develop a list of child-specific short-term and
55 long-term mental and behavioral health goals.

56 3. The children's division shall assemble a family
57 support team for the child in accordance with the
58 requirements of section 210.762. The qualified individual

59 conducting the assessment shall work in conjunction with the
60 family of, and family support team for, the child while
61 conducting and making the assessment.

62 4. Notwithstanding any other provision of law to the
63 contrary, the qualified individual shall have unlimited
64 access to any and all records and information pertaining to
65 the child that the qualified individual determines are
66 necessary to complete the assessment, including, but not
67 limited to, medical records, therapy records, psychological
68 and psychiatric evaluations, educational records, law
69 enforcement records, and placement history, including
70 progress reports from such placements.

71 5. The qualified individual shall provide the written
72 assessment to the children's division. The children's
73 division shall provide a copy of the assessment to the
74 parties to the juvenile proceeding, the members of the
75 family support team, and the court.

76 6. Within sixty days of the start of each placement in
77 a QRTP, the court shall assess the appropriateness for the
78 child remaining in the QRTP. A copy of the assessment, as
79 redacted, shall be admitted into evidence by the court
80 without further foundation. The court shall make specific
81 written findings of fact on the record and:

82 (1) Consider the assessment, determination, and
83 documentation made by the qualified individual conducting
84 the assessment;

85 (2) Determine whether the needs of the child can be
86 met through placement in a foster home or, if not, whether
87 placement of the child in the QRTP provides the most
88 effective and appropriate level of care for the child in the
89 least restrictive environment;

90 (3) Determine whether that placement is consistent
91 with the short-term and long-term goals for the child, as
92 specified in the permanency plan for the child; and

93 (4) Approve or disapprove the placement.

94 7. The court shall reassess the appropriateness for
95 the child remaining in a QRTP at every hearing subsequent to
96 the child's placement in the QRTP and make written findings
97 of fact as required in subsection 6 of this section until
98 the child is no longer placed in the QRTP.

99 8. The children's division may promulgate rules,
100 including emergency rules, to implement the provisions of
101 this section. Any rule or portion of a rule, as that term
102 is defined in section 536.010, that is created under the
103 authority delegated in this section shall become effective
104 only if it complies with and is subject to all of the
105 provisions of chapter 536 and, if applicable, section
106 536.028. This section and chapter 536 are nonseverable and
107 if any of the powers vested with the general assembly
108 pursuant to chapter 536 to review, to delay the effective
109 date, or to disapprove and annul a rule are subsequently
110 held unconstitutional, then the grant of rulemaking
111 authority and any rule proposed or adopted after August 28,
112 2024, shall be invalid and void.

210.762. 1. When a child is taken into custody by a
2 juvenile officer, **physician**, or law enforcement official
3 **[under]** pursuant to section 210.125 and comes under the
4 **jurisdiction of the court** pursuant to subdivision (1) and
5 **(2)** of subsection 1 of section 211.031 and **[initially]**
6 placed with the division, the division may make a temporary
7 placement and shall arrange for a family support team
8 meeting prior to or within twenty-four hours following the
9 protective custody hearing held under section 211.032. After

10 a child is in the division's custody [and a temporary
11 placement has been made], the division shall arrange an
12 additional family support team meeting prior to taking any
13 action relating to the placement of such child; except that,
14 when the welfare of a child in the custody of the division
15 requires an immediate or emergency change of placement, the
16 division may make a temporary placement and shall schedule a
17 family support team meeting within seventy-two hours. The
18 requirement for a family support team meeting shall not
19 apply when the parent has consented in writing to the
20 termination of his or her parental rights in conjunction
21 with a placement in a licensed child-placing agency under
22 subsection 6 of section 453.010.

23 2. The parents, the legal counsel for the parents, the
24 foster parents, the legal guardian or custodian of the
25 child, the guardian ad litem for the child, and the
26 volunteer advocate, and any designee of the parent that has
27 written authorization shall be notified and invited to
28 participate in all family support team meetings. The family
29 support team meeting may include such other persons whose
30 attendance at the meeting may assist the team in making
31 appropriate decisions in the best interests of the child,
32 **including biological family members and relatives, as**
33 **appropriate, as well as professionals who are a resource to**
34 **the family of the child, such as teachers, medical or mental**
35 **health providers who have treated the child, or clergy. In**
36 **the case of a child who is age fourteen or older, the family**
37 **support team shall include the members selected by the**
38 **child. The division may exclude an individual from a family**
39 **support team meeting or make alternative arrangements for an**
40 **individual to express his or her views if an individual**
41 **becomes disruptive to the meeting.**

42 **3.** If the division finds that it is not in the best
43 interest of a child to be placed with relatives, the
44 division shall make specific findings in the division's
45 report detailing the reasons why the best interests of the
46 child necessitate placement of the child with persons other
47 than relatives.

48 [3. The division shall use the form created in
49 subsection 2 of section 210.147 to be signed upon the
50 conclusion of the meeting pursuant to subsection 1 of this
51 section confirming that all involved parties are aware of
52 the team's decision regarding the custody and placement of
53 the child. Any dissenting views must be recorded and
54 attested to on such form.]

55 **4.** The division shall be responsible for developing a
56 form to be signed at the conclusion of any team meeting held
57 in relation to a child removed from the home and placed in
58 the custody of the state that reflects the core commitments
59 made by the children's division or the convenor of the team
60 meeting and the parents of the child or any other party.
61 The content of the form shall be consistent with service
62 agreements or case plans required by statute, but not the
63 specific address of the child; whether the child shall
64 remain in current placement or be moved to a new placement;
65 visitation schedule for the child's family; and any
66 additional core commitments. Any dissenting views shall be
67 recorded and attested to on such form. The parents and any
68 other party shall be provided with a copy of the signed
69 document.

70 [4.] **5.** The [case manager] division shall be
71 responsible for including such form with the case records of
72 the child.

211.081. 1. Whenever any person informs the juvenile officer in writing that a child appears to be within the purview of applicable provisions of section 211.031, the juvenile officer shall make or cause to be made a preliminary inquiry to determine the facts and to determine whether or not the interests of the public or of the child require that further action be taken. On the basis of this inquiry, the juvenile officer may make such informal adjustment as is practicable without a petition or file a petition. Any other provision of this chapter to the contrary notwithstanding, the juvenile court shall not make any order for disposition of a child which would place or commit the child to any location outside the state of Missouri without first receiving the approval of the children's division.

2. Placement in any [institutional] **residential** setting, **as defined in section 210.715**, shall represent the least restrictive appropriate placement for the child and shall [be recommended based upon a psychological or psychiatric evaluation or both] **meet all requirements set forth in section 210.715**. Prior to entering any order for disposition of a child which would order residential treatment or other services inside the state of Missouri, the juvenile court shall enter findings which include the recommendation of the psychological or psychiatric evaluation or both; and certification from the division director or designee as to whether a provider or funds or both are available, including a projection of their future availability. If the children's division indicates that funding is not available, the division shall recommend and make available for placement by the court an alternative placement for the child. The division shall have the burden

33 of demonstrating that they have exercised due diligence in
34 utilizing all available services to carry out the
35 recommendation of the evaluation team and serve the best
36 interest of the child. The judge shall not order placement
37 or an alternative placement with a specific provider but may
38 reasonably designate the scope and type of the services
39 which shall be provided by the department to the child. **For**
40 **purposes of this subsection, the word "child" shall have the**
41 **same meaning as in section 210.715.**

42 3. Obligations of the state incurred under the
43 provisions of section 211.181 shall not exceed, in any
44 fiscal year, the amount appropriated for this purpose.

566.151. 1. A person twenty-one years of age or older
2 commits the offense of enticement of a child if he or she

7 in sexual conduct.

8 2. It is not a defense to a prosecution for a
9 violation of this section that the other person was a peace
10 officer masquerading as a minor.

11 3. Enticement of a child or an attempt to commit
12 enticement of a child is a felony for which the authorized
13 term of imprisonment shall be not less than five years and
14 not more than thirty years. No person convicted under this
15 section shall be eligible for parole, probation, conditional
16 release, or suspended imposition or execution of sentence
17 for a period of five calendar years.

567.030. 1. A person commits the offense of
2 patronizing prostitution if he or she:

4 of value to another person as compensation for having
5 engaged in sexual conduct with any person; or

7 another person with the understanding that such person or
8 another person will engage in sexual conduct with any
9 person; or

10 (3) Solicits or requests another person to engage in
11 sexual conduct with any person in return for something of
12 value.

13 2. It shall not be a defense that the person believed
14 that the individual he or she patronized for prostitution
15 was eighteen years of age or older.

16 3. The offense of patronizing prostitution is a class
17 B misdemeanor, unless the individual who the person
18 patronizes is less than eighteen years of age but older than
19 ~~fourteen~~ **fifteen** years of age, in which case patronizing
20 prostitution is a class E felony.

21 4. The offense of patronizing prostitution is a class
22 ~~D~~ **B** felony if the individual who the person patronizes is
23 ~~fourteen~~ **fifteen** years of age or younger. Nothing in this
24 section shall preclude the prosecution of an individual for
25 the offenses of:

26 (1) Statutory rape in the first degree pursuant to
27 section 566.032;

28 (2) Statutory rape in the second degree pursuant to
29 section 566.034;

30 (3) Statutory sodomy in the first degree pursuant to
31 section 566.062; or
