The department may initiate the proceedings and may obtain a temporary restraining order, injunction, or writ of mandate. The proceedings must be conducted in the district court of the county where the land is located.

department within 15 days of its written demand, the performance bond required by 76-13-408 and 76-13-409, upon notice to the contractor, must be automatically forfeited to the extent needed to cover the cost and expenses of reducing or managing the fire hazard, plus a penalty of 20% of the cost and expenses. If the bond is insufficient to cover the cost, expenses, and penalty, the department may bring legal action on behalf of the state to recover the cost, expenses, and penalty.

(b) Revenue from forfeited performance bonds required by 76-13-408 and 76-13-409 must be deposited into the fire hazard reduction fund established in [section 1].

(5) In addition to other remedies provided in this part, the department may, after notice, require a person to show cause why the department should not withhold the issuance of any further fire hazard reduction agreement or exemption certificate to a person that:
