BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 16-3-213, MCA, is amended to read:

**"16-3-213. Brewers or beer importers not to retail beer -- small brewery exceptions.** (1) Except as provided for small breweries in subsection (2) and except as provided in 16-4-401(10), it is unlawful for any brewer or breweries or beer importer to have or own any permit to sell or retail beer at any place or premises. It is the intention of this section to prohibit brewers and beer importers from engaging in the retail sale of beer. This section does not prohibit breweries from selling and delivering beer manufactured by them, in original packages, at either wholesale or retail.

(2) (a) For the purposes of this section, a "small brewery" is a brewery that has an annual nationwide production of not less than 100 barrels or more than 60,000 barrels, including:

- (i) the production of all affiliated manufacturers; and
- (ii) beer purchased from any other beer producer to be sold by the brewery.

(b) A small brewery may, at one location for each brewery license and at no more than three locations including affiliated manufacturers, provide samples of beer that were brewed and fermented on the premises in a sample room located on the licensed premises. The samples may be provided with or without charge between the hours of 10 a.m. and 8 p.m. No more than 48 ounces of malt beverage may be sold or

given to each individual customer during a business day for consumption on the premises or in prepared servings through curbside pickup, provided that the 48-ounce limit may not in any way limit a small brewery's sales as provided in 16-3-214(1)(a)(iii). No more than 2,000 barrels may be provided annually for on-premises sample room consumption, including all affiliated manufacturers.

(3) For the purposes of this section, "affiliated manufacturer" means a manufacturer of beer:

(a) that one or more members of the manufacturing entity have more than a majority share interest in or that controls directly or indirectly another beer manufacturing entity;

(b) for which the business operations conducted between or among entities are interrelated or interdependent to the extent that the net income of one entity cannot reasonably be determined without reference to operations of the other entity; or

(c) of which the brand names, products, recipes, merchandise, trade name, trademarks, labels, or logos are identical or nearly identical.

(4) For a licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10), beer that is manufactured and sold at the colocated premises is not subject to the limitations imposed by this section. Beer manufactured and sold at the colocated premises does count toward production levels for tax purposes."

**Section 2.** Section 16-3-214, MCA, is amended to read:

**"16-3-214. Beer sales by brewers -- sample room exception.** (1) Subject to the limitations and restrictions contained in this code, a brewer who manufactures less than 60,000 barrels of beer a year, upon payment of the annual license fee imposed by 16-4-501 and upon presenting satisfactory evidence to the department as required by 16-4-101, must be licensed by the department, in accordance with the provisions of this code and rules prescribed by the department, to:

(a) sell and deliver beer from its storage depot or brewery to:

(i) a wholesaler;

(ii) licensed retailers if the brewer uses the brewer's own equipment, trucks, and employees to deliver the beer and if:

(A) individual deliveries, other than draught beer, are limited to the case equivalent of 8 barrels a

day to each licensed retailer; and

(B) the total amount of beer sold or delivered directly to all retailers does not exceed 10,000 barrels a year; or

(iii) the public, including curbside pickup between 8 a.m. and 2 a.m. in original packaging or growlers;

(b) provide its own products for consumption on its licensed premises without charge or, if it is a small brewery, provide its own products at a sample room as provided in 16-3-213; or

(c) do any one or more of the acts of sale and delivery of beer as provided in this code.

(2) A brewery may not use a common carrier for delivery of the brewery's product to the public or to licensed retailers.

(3) A brewery may import or purchase, upon terms and conditions the department may require, necessary flavors and other nonbeverage ingredients containing alcohol for blending or manufacturing purposes.

(4) An additional license fee may not be imposed on a brewery providing its own products on its licensed premises for consumption on the premises.

(5) This section does not prohibit a licensed brewer from shipping and selling beer directly to a wholesaler in this state under the provisions of 16-3-230.

(6) For a licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10), beer that is manufactured and sold at the colocated premises does not count towards the 10,000-barrel self-distribution limit imposed by subsection (1)(a)(ii)(B). Beer manufactured and sold at the colocated premises does count toward production levels for tax purposes."

**Section 3.** Section 16-3-241, MCA, is amended to read:

**"16-3-241. Furnishing of fixtures or interior advertising matter to retailers by brewers, beer importers, and wholesalers unlawful -- exceptions.** (1) (a) ~~Except as provided in subsection (3),~~ it is unlawful for any brewer, beer importer, or wholesaler to lease, furnish, give, or pay for any premises, furniture, fixtures, equipment, or any other advertising matter or any other property to a retail licensee, used or to be used in the dispensation of beer in and about the interior of the place of business of the licensed retailer, or to

furnish, give, or pay for any repairs, improvements, or painting on or within the premises.

(b) It is lawful for a brewer, beer importer, or wholesaler to furnish, give, or loan to a retail licensee:

(i) bottle openers, can openers, trays, tap handles, menus, apparel, coasters, glassware, cups, napkins, or other functional advertising matter that does not exceed \$300 in value in any 1 calendar year to any one retail establishment for display use within the interior of the retail establishment;

(ii) not more than six illuminated or electrical signs, neon signs, lamps, or lighted clocks for each brand of beer in any 1 calendar year to any one retailer for display use within the interior of the retailer's place of business. These signs, displays, lamps, or lighted clocks may bear the name, brand name, trade name, trademark, or other designation indicating the name of the manufacturer of beer and the place of manufacture. Any beer advertised must be available for sale on the retailer's premises at the time the displays are used unless the displays are the property of the retailer or, if supplied by a brewer, beer importer, or wholesaler, a display has been in the retailer's possession for more than 9 months.

(iii) permanent or temporary advertising matter of a decorative nature, excluding items described in subsection (1)(b)(ii) but including nonelectric clocks, mirrors, banners, flags, and pennants; and

(iv) maintenance or repair services on draft beer equipment to keep it sanitary and in good working condition.

(2) A wholesaler may furnish portable equipment used for the temporary cooling, handling, and dispensing of beer to a special permittee or a retailer for use:

(a) in catering an event that is off the permittee's or retailer's regular premises; or

(b) up to three times a year, on a retailer's regular premises, for a period not to exceed 72 hours.

(3) A licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10) is not subject to the limitations of subsection (1)(a) for the licensed brewery's retail-licensed premises."

**Section 4.** Section 16-3-242, MCA, is amended to read:

**"16-3-242. Financial interest in retailers prohibited.** (1) A brewer, beer importer, or wholesaler may not advance or loan money to or furnish money for or pay for or on behalf of any retailer any license or tax that may be required to be paid for any retailer. A brewer, beer importer, or wholesaler may not be financially interested, either directly or indirectly, in the conduct or operation of the business of a retailer. A brewer, beer

importer, or wholesaler is considered to have a financial interest within the meaning of this section if:

~~(1)(a)~~ the brewer, beer importer, or wholesaler owns or holds any interest in or a lien or mortgage against the retailer or the retailer's premises;

~~(2)(b)~~ the brewer, beer importer, or wholesaler is under any contract with a retailer concerning future purchases or the sale of merchandise by one from or to the other; or

~~(3)(c)~~ any retailer holds an interest, as a stockholder or otherwise, in the business of the wholesaler.

(2) A licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10) is not subject to the limitations of this section for the licensed brewery's retail-licensed premises"

**Section 5.** Section 16-3-244, MCA, is amended to read:

**"16-3-244. Beer advertising limitations.** ~~It~~ (1) Except as provided in subsection (2), it is lawful to advertise beer, as defined and regulated, subject to the restrictions on brewers and beer importers contained in 16-3-241 of this code and subject to the following restrictions on retailers. A retail licensee may not display or permit to be displayed on the exterior portion or surface of the retailer's place of business or on the exterior portion or surface of any building of which the place of business is a part or on any premises adjacent to the place of business, whether any of the premises are owned or leased by the retailer, any sign, poster, or advertisement bearing the name, brand name, trade name, trademark, or other designation indicating the manufacturer, brewer, beer importer, wholesaler, or place of manufacture of any beer, unless it is on a marquee, board, or other space used for temporary advertisements and is not displayed for more than 10 days per display period.

(2) A licensed brewery holding complete ownership of a retail license pursuant to 16-4-401(10) is not subject to the restrictions in subsection (1) at any of the brewery's licensed premises for products manufactured by the licensed brewery."

**Section 6.** Section 16-3-311, MCA, is amended to read:

**"16-3-311. Suitable premises for licensed retail establishments.** (1) (a) A licensed retailer may use a part of a building as premises licensed for on-premises consumption of alcoholic beverages. The licensed retailer must demonstrate that it has adequate control over all alcoholic beverages to prevent self-service,

service to underage persons, and service to persons who are actually or apparently intoxicated. Except as provided in ~~subsection~~ subsections (8) and (10), the premises must be separated from the rest of the building by permanent walls but may have inside access to the rest of the building at all times even if the businesses or uses in the other part of the building are unrelated to the operation of the premises in which the alcoholic beverages are served. If the premises are located in a portion of a building, the licensed retailer must be able to demonstrate that there are adequate safeguards in place to prevent public access to alcoholic beverages after hours, either by the presence of a lockable door or other security features such as rolling gates, locking cabinets, tap locks, or key card access.

(b) A resort retail all-beverages licensee or a retail all-beverages licensee within the boundaries of a resort area may also utilize an alternate alcoholic beverage storage facility as allowed in 16-4-213(8).

(2) A licensee may alter the approved floorplan of the premises. The alteration must be consistent with the requirements of subsection (1)(a). A licensee shall provide a copy of the revised floorplan with the proposed alteration for the licensed premises to the department within 7 days of beginning the alteration. Department approval may not be unreasonably withheld. If the completed alteration differs from the approved alteration due to modifications required for approval by other state or local government entities, such as compliance with fire or building codes, the department must be notified, but preapproval is not required for these modifications. An alteration for the purposes of this section is any structural change in a premises that does not increase the square footage of the existing approved premises. An alteration that increases the square footage of the existing approved premises must be approved by the department prior to beginning the alteration. A cosmetic change, such as painting, carpeting, or other interior decorating, is not considered an alteration under this section.

(3) The interior portion of the licensed premises must be a continuous area that is under the control of the licensee and not interrupted by any area in which the licensee does not have adequate control, and includes multiple floors on the premises and common areas necessarily shared by multiple building tenants in order to allow patrons to access other tenant businesses or private dwellings in the same building, including but not limited to entryways, hallways, stairwells, and elevators.

(4) The premises may include one or more exterior patios or decks as long as sufficient physical safeguards are in place to ensure proper service and consumption of alcoholic beverages. An additional

perimeter barrier may not be required if an existing boundary naturally defines the outdoor service area and impedes foot traffic.

(5) Premises suitability does not include a minimum number of seats.

(6) A licensed retailer may apply to the department to have a noncontiguous storage area that is under the control of the licensed retailer approved for onsite alcoholic beverage storage separate from its service area as long as the licensed retailer demonstrates that there are adequate safeguards in place to prevent public access to alcoholic beverages after hours, either by the presence of a lockable door or other security features such as rolling gates, locking cabinets, tap locks, or key card access. The application fee is \$100.

(7) A licensed retailer operating within a hotel or similar short-term lodging facility may apply to the department to allow for the delivery of alcoholic beverages to guests of accommodation units, and the prestocking of alcoholic beverages in accommodation units is allowed for the accommodation units within the property as long as the purchaser's age is verified and there are adequate safeguards in place to prevent underage service. The application fee is \$100.

(8) An on-premises consumption retailer may be located adjacent to a brewery or winery if the licensees are able to maintain control of their respective premises through adequate physical separation.

(9) (a) For the purposes of this section, "adequate physical separation" means:

(i) the premises of the retailer and the premises of the brewery or winery are secured after business hours from each other and from any other business, including but not limited to prohibiting a customer from accessing a brewery sample room and purchasing alcohol after the brewery tasting room hours of operation as specified in 16-3-213(2)(b); and

(ii) the separation may include doors, gates, or windows that may be left open during business hours.

(b) The term does not require permanent floor-to-ceiling walls.

(10) For colocated premises authorized in 16-4-401(10), there are no physical separation requirements applied by this code but the licensee shall follow any federal requirements."

**Section 7.** Section 16-3-411, MCA, is amended to read:

**"16-3-411. Winery.** (1) A winery located in Montana and licensed pursuant to 16-4-107 may:

  - (b) sell wine it produces at wholesale to wine distributors;
  - (c) sell wine it produces at retail at the winery directly to the consumer for consumption on or off the premises;
  - (d) provide, without charge, wine it produces for consumption at the winery;
  - (e) purchase from the department or its licensees brandy or other distilled spirits for fortifying wine it produces;
  - (f) obtain a special event permit under 16-4-301;
  - (g) perform those operations and cellar treatments that are permitted for bonded winery premises under applicable regulations of the United States department of the treasury;
  - (h) sell wine at the winery to a licensed retailer who presents the retailer's license or a photocopy of the license;
  - (i) obtain a direct shipment endorsement to ship table wine as provided in Title 16, chapter 4, part 11, directly to an individual in Montana who is at least 21 years of age; or

- (2) (a) ~~Except as provided in 16-4-401(10)(d),~~ a winery licensed pursuant to 16-4-107 may sell and deliver wine produced by the winery directly to licensed retailers if the winery:
- (i) uses the winery's own equipment, trucks, and employees to deliver the wine and the wine delivered pursuant to this subsection (2)(a)(i) does not exceed 4,500 cases a year;
  - (ii) contracts with a licensed table wine distributor to ship and deliver the winery's wine to the retailer; or
  - (iii) contracts with a common carrier to ship and deliver the winery's wine to the retailer and:
    - (A) the wine shipped and delivered by common carrier is shipped directly from the producer's winery or bonded warehouse;
    - (B) individual shipments delivered by common carrier are limited to three cases a day for each licensed retailer; and

- (C) the shipments delivered by common carrier do not exceed 4,500 cases a year.
- (b) If a winery uses a common carrier for delivery of the wine to licensed table wine distributors and retailers, the shipment must be:
  - (i) in boxes that are marked with the words: "Wine Shipment From Montana-Licensed Winery to Montana Licensee";
  - (ii) delivered to the premises of a licensed table wine distributor or licensed retailer who is in good standing; and
  - (iii) signed for by the wine distributor or retailer or its employee or agent.
- (c) In addition to any records required to be maintained under 16-4-107, a winery that distributes wine within the state under this subsection (2) shall maintain records of all sales and shipments. The winery shall, pursuant to 16-1-411, electronically file a report in the manner and form prescribed by the department, reporting the amount of wine or hard cider, or both, that it shipped in the state during the preceding period, including the names and addresses of consignees or retailers, and other information that the department may determine to be necessary to ensure that distribution of wine or hard cider, or both, within this state conforms to the requirements of this code."

**Section 8.** Section 16-4-105, MCA, is amended to read:

**"16-4-105. Limit on retail beer licenses -- wine license amendments -- limitation on use of license -- exceptions -- competitive bidding -- rulemaking.** (1) Except as provided in 16-4-109, 16-4-110, 16-4-115, 16-4-420, and chapter 4, part 3, of this title, a license to sell beer at retail or beer and wine at retail, in accordance with the provisions of this code and the rules of the department, may be issued to any person or business entity that is approved by the department, subject to the following exceptions:

- (a) The number of retail beer licenses that the department may issue for premises situated within incorporated cities and incorporated towns and within 5 miles of the corporate limits of the cities and towns must be determined on the basis of population prescribed in 16-4-502 as follows:
  - (i) in incorporated towns of 500 inhabitants or fewer and within 5 miles of the corporate limits of the towns, not more than one retail beer license;
  - (ii) in incorporated cities or incorporated towns of more than 500 inhabitants and not more than

2,000 inhabitants and within 5 miles of the corporate limits of the cities or towns, one retail beer license for every 500 inhabitants;

(iii) in incorporated cities of more than 2,000 inhabitants and within 5 miles of the corporate limits of the cities, four retail beer licenses for the first 2,000 inhabitants, two additional retail beer licenses for the next 2,000 inhabitants or major fraction of 2,000 inhabitants, and one additional retail beer license for each additional 2,000 inhabitants.

(b) The number of inhabitants in each incorporated city or incorporated town, exclusive of the number of inhabitants residing within 5 miles of the corporate limits of the city or town, governs the number of retail beer licenses that may be issued for use within the city or town and within 5 miles of the corporate limits of the city or town. The distance of 5 miles from the corporate limits of an incorporated city or incorporated town must be measured in a straight line from the nearest entrance of the premises proposed for licensing to the nearest corporate boundary of the city or town. A license that is restricted by quota limitations in this section may not be located farther than:

(i) the county boundary within which the incorporated city or incorporated town is located; or  
(ii) the line that separates the incorporated city's or incorporated town's boundary from another incorporated city or incorporated town as specified in this section.

(c) (i) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a straight line equidistant between each city or town.

(ii) If there are more than two overlapping quota areas, the quota area for each city or town terminates from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the straight line equidistant between each city or town, except for the following:

(A) In the Helena and East Helena previously combined quota area, the straight line will be drawn connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a Helena license or with a physical address of East Helena will become an East Helena license, regardless of where it falls in the new quota areas.

(B) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn along Mill Creek road to the quota area boundaries.

(C) In the Polson and Ronan quota areas, the straight line will be drawn from U.S. highway 93 west on Pablo West road to the quota area boundary and east on Clairmont road extending out to the quota area boundary. Any license existing as of November 24, 2017, within the Polson quota area will become a Polson license, regardless of where it falls in the new quota areas. Any license existing as of November 24, 2017, within the Ronan quota area will become a Ronan license, regardless of where it falls in the new quota areas.

(d) Retail beer licenses of issue on March 7, 1947, and retail beer licenses issued under 16-4-110 that are in excess of the limitations in this section are renewable, but new licenses may not be issued in violation of the limitations.

(e) The limitations do not prevent the issuance of a nontransferable and nonassignable retail beer license to an enlisted persons', noncommissioned officers', or officers' club located on a state or federal military reservation on May 13, 1985, or to a post of a nationally chartered veterans' organization or a lodge of a recognized national fraternal organization if the veterans' or fraternal organization has been in continuous existence for a period of 5 years or more prior to January 1, 1949, and is applying for a license at the same location that it has occupied for the last 5 years. A post of a nationally chartered veterans' organization or a lodge of a recognized national fraternal organization that has held a veterans' or fraternal license within the past 10 years is not subject to the 5-year same location requirement.

(f) The number of retail beer licenses that the department may issue for use at premises situated outside of any incorporated city or incorporated town and outside of the area within 5 miles of the corporate limits or for use at premises situated within any unincorporated area must be determined by the department in its discretion, except that a retail beer license may not be issued for any premises so situated unless the department determines that the issuance of the license is required by public convenience and necessity pursuant to 16-4-203. Subsection (8) does not apply to licenses issued under this subsection (1)(f). The owner of the license whose premises are situated outside of an incorporated city or incorporated town may offer gambling, regardless of when the license was issued, if the owner and premises qualify under Title 23, chapter 5, part 3, 5, or 6.

(2) (a) For a period of 12 years after November 24, 2017, existing licenses or licenses that resulted

from applications in process as of November 24, 2017, in either of two quota areas that were established as provided in subsection (1)(c) may be transferred between the two quota areas if they were part of the combined quota area prior to November 24, 2017.

(b) If any new retail beer licenses are allowed by separating a combined quota area that existed as of November 24, 2017, as provided in subsection (1)(c), the department shall publish the availability of no more than one new beer license a year until the quota has been reached.

(c) If any new retail beer licenses are allowed by license transfers as provided in subsection (2)(a), the department may publish the availability of more than one new license a year until the quota has been reached.

(3) A license issued under subsection (1)(f) that becomes located within 5 miles of an incorporated city or town because of annexation after April 15, 2005, may not be transferred to another location within the city quota area any sooner than 5 years from the date of the annexation.

(4) When the department determines that a quota area is eligible for a new retail beer license under subsection (1) or (2)(b), the department shall use a competitive bidding process as provided in 16-4-430 to determine the party afforded the opportunity to apply for the new license.

(5) Except as provided in subsection (2)(b), when more than one new beer license becomes available at the same time in the same quota area, the department shall conduct a separate competitive bidding process at separate times for each available license.

(6) (a) A person holding a license to sell beer for consumption on the premises at retail may apply to the department for an amendment to the license permitting the holder to sell wine as well as beer. The department may issue an amendment if it finds, on a satisfactory showing by the applicant, that the sale of wine for consumption on the premises would be supplementary to a restaurant or prepared-food business. Except for beer and wine licenses issued pursuant to 16-4-420, a person holding a beer and wine license may sell wine for consumption on or off the premises. Nonretention of the beer license, for whatever reason, means automatic loss of the wine amendment license.

(b) A person licensed under this subsection (6) may apply to the department and pay a fee for an endorsement to, with the licensee's own employees 21 years of age or older, deliver beer and wine in original packaging if the delivery includes food that is prepared by the licensee at the licensee's premises. The

purchase price of the delivered beer and wine may not exceed the purchase price of the delivered food.

(c) A person licensed under this subsection (6) may possess and use liquor in the kitchen of the licensed premises only for the preparation of food and as long as the alcohol content is cooked out of the food at the time of serving. Nothing in this subsection (6)(c) authorizes a licensee to consume, sell, serve, or give away liquor.

(7) A license issued under this section may offer curbside pickup between 8 a.m. and 2 a.m. in original packaging, prepared servings, or growlers.

(8) Except as provided in subsection (1)(f), a license issued pursuant to this section after October 1, 1997, must have a conspicuous notice that the license may not be used for premises where gambling is conducted.

(9) An applicant for a license issued through a competitive bidding process in 16-4-430 shall pay a \$25,000 new license fee and in subsequent years pay the annual fee for the license as provided in 16-4-501.

(10) The department may adopt rules to implement this section."

**Section 9.** Section 16-4-201, MCA, is amended to read:

**"16-4-201. All-beverages license quota.** (1) Except as otherwise provided by law, a license to sell liquor, beer, and table wine at retail, an all-beverages license, in accordance with the provisions of this code and the rules of the department, may be issued to any person who is approved by the department as a fit and proper person to sell alcoholic beverages, except that the number of all-beverages licenses that the department may issue for premises situated within incorporated cities and incorporated towns and within 5 miles of the corporate limits of those cities and towns must be determined on the basis of population prescribed in 16-4-502 as follows:

(a) in incorporated towns of 500 inhabitants or fewer and within 5 miles of the corporate limits of the towns, not more than two retail licenses;

(b) in incorporated cities or incorporated towns of more than 500 inhabitants and not more than 3,000 inhabitants and within 5 miles of the corporate limits of the cities and towns, three retail licenses for the first 1,000 inhabitants and one retail license for each additional 1,000 inhabitants;

(c) in incorporated cities of more than 3,000 inhabitants and within 5 miles of the corporate limits of

the cities, five retail licenses for the first 3,000 inhabitants and one retail license for each additional 1,500 inhabitants.

(2) The number of inhabitants in each incorporated city or incorporated town, exclusive of the number of inhabitants residing within 5 miles of the corporate limits of the city or town, governs the number of retail licenses that may be issued for use within the city or town and within 5 miles of the corporate limits of the city or town. The distance of 5 miles from the corporate limits of any incorporated city or incorporated town must be measured in a straight line from the nearest entrance of the premises proposed for licensing to the nearest corporate boundary of the city or town. A license that is restricted by quota limitations in this section may not be located farther than:

- (a) the county boundary within which the incorporated city or incorporated town is located; or
- (b) the line that separates the incorporated city's or incorporated town's boundary from another incorporated city or incorporated town as specified in this section.

(3) (a) When the 5-mile boundary of one incorporated city or incorporated town overlaps the 5-mile boundary of another incorporated city or incorporated town, the quota area for each city or town terminates in a straight line equidistant between each city or town.

(b) If there are more than two overlapping quota areas, the quota area for each city or town terminates from the center of the overlap in a straight line to the intersecting exterior point of overlap. Licenses existing as of November 24, 2017, will be designated as belonging to whichever quota area they are in as a result of the straight line equidistant between each city or town, except for the following:

(i) In the Helena and East Helena previously combined quota area, the straight line will be drawn connecting the two outermost edges of the Helena corporate boundaries and extend outward to the quota area boundaries. Any license existing as of November 24, 2017, with a physical address of Helena will become a Helena license or with a physical address of East Helena will become an East Helena license, regardless of where it falls in the new quota areas.

(ii) In the Pinesdale and Hamilton previously combined quota area, the straight line will be drawn along Mill Creek road to the quota area boundaries.

(iii) In the Polson and Ronan quota areas, the straight line will be drawn from U.S. highway 93 west on Pablo West road to the quota area boundary and east on Clairmont road extending out to the quota area

boundary. Any license existing as of November 24, 2017, within the Polson quota area will become a Polson license, regardless of where it falls in the new quota areas. Any license existing as of November 24, 2017, within the Ronan quota area will become a Ronan license, regardless of where it falls in the new quota areas.

(4) For a period of 12 years after November 24, 2017, existing licenses or licenses that resulted from applications in process as of November 24, 2017, in either of two quota areas that were established as provided in subsection (3) may be transferred between the two quota areas if they were part of the combined quota area prior to November 24, 2017.

(5) (a) If any new retail all-beverages licenses are allowed by separating a combined quota area that existed as of November 24, 2017, as provided in subsection (3), the department shall publish the availability of no more than one new retail all-beverages license a year until the quota has been reached. The department shall use a competitive bidding process as provided in 16-4-430 to determine the party afforded the opportunity to apply for the new license.

(10) Except as provided in subsection (9)(b), when more than one new restaurant beer and wine license becomes available at the same time in the same quota area, the department shall conduct a separate

competitive bidding process at separate times for each available license.

(11) When a restaurant beer and wine license becomes available by the initial issuance of licenses under this section or as the result of an increase in the population in a quota area, the nonrenewal of a restaurant beer and wine license, or the lapse or revocation of a license by the department, then the department shall advertise the availability of the license in the quota area for which it is available.

(12) When the department determines that a quota area is eligible for a new restaurant beer and wine license under subsection (9) or (11), the department shall use a competitive bidding process as provided in 16-4-430 to determine the party afforded the opportunity to apply for a new license.

(13) (a) Except as provided in subsection (13)(b), beer and wine may be sold for off-premises consumption, including curbside pickup, during the hours of 11 a.m. and 11 p.m. in original packaging, prepared servings, or growlers. If offering off-premises sales, food must also be ordered, the beer or wine must be stated on the food bill, and the sales must count toward the 65% limit as provided in this section.

(b) A restaurant beer and wine licensee may apply to the department and pay a fee for an endorsement to, with the licensee's own employees 21 years of age or older, deliver beer and wine in original packaging if the delivery includes food that is prepared by the licensee at the licensee's premises. The purchase price of the delivered beer and wine may not exceed the purchase price of the delivered food.

(14) An application for a restaurant beer and wine license must be accompanied by a fee equal to 20% of the initial licensing fee. If the department does not decide either to grant or to deny the license within 4 months of receipt of a complete application, the department shall pay interest on the application fee at the rate of 1% a month until a license is issued or the application is denied. Interest may not accrue during any period that the processing of an application is delayed by reason of a protest filed pursuant to 16-4-203 or 16-4-207. If the department denies an application, the application fee, plus any interest, less a processing fee established by rule, must be refunded to the applicant. Upon the issuance of a license, the licensee shall pay the balance of the initial licensing fee. The amount of the initial licensing fee is determined according to the following schedule:

- (a) \$5,000 for restaurants with a stated seating capacity of 60 persons or fewer;
  - (b) \$10,000 for restaurants with a stated seating capacity of 61 to 100 persons; or
  - (c) \$20,000 for restaurants with a stated seating capacity of 101 persons or more.
- (15) The annual fee for a restaurant beer and wine license is \$400.

(16) If a restaurant licensed under this part increases the stated seating capacity of the licensed restaurant or if the department determines that a licensee has increased the stated seating capacity of the licensed restaurant, then the licensee shall pay to the department the difference between the fees paid at the time of filing the original application and issuance of a license and the applicable fees for the additional seating.

(17) The number of beer and wine licenses issued to restaurants with a stated seating capacity of 101 persons or more may not exceed 25% of the total licenses issued.

(18) Possession of a restaurant beer and wine license is not a qualification for licensure of any gaming or gambling activity. A gaming or gambling activity may not occur on the premises of a restaurant with a restaurant beer and wine license.

(19) A person licensed under this section may possess and use liquor in the kitchen of the licensed premises only for the preparation of food and as long as the alcohol content is cooked out of the food at the time of serving. Nothing in this subsection authorizes a licensee to consume, sell, serve, or give away liquor.

~~(19)~~(20) The department may adopt rules to implement this section."

**Section 13. Coordination instruction.** If House Bill No. 242, Senate Bill No. 75, and [this act] are passed and approved and all contain a section that amends 16-4-401, then the sections amending 16-4-401 are void and 16-4-401 must be amended as follows:
