

AN ACT GENERALLY REVISING THE USE OF ACCOUNTS AND FUNDS; REVISING THE ADVANCING AGRICULTURAL EDUCATION IN MONTANA PROGRAM ACCOUNT; REVISING THE USE OF THE RESEARCH AND COMMERCIALIZATION ACCOUNT TO INCLUDE THE DEPARTMENT OF AGRICULTURE; PROVIDING RULEMAKING AUTHORITY; AMENDING SECTIONS 20-7-334 AND 90-3-1003, MCA; AND PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 20-7-334, MCA, is amended to read:

"20-7-334. Advancing agricultural education in Montana program account. (1) There is an advancing agricultural education in Montana program account in the state special revenue fund provided for in 17-2-102.

(2) Money in the account and money appropriated by the legislature for the purpose of this section must be used by the office of public instruction for addressing the stability of and making improvements to Montana's agricultural education programs. The office of public instruction shall adopt rules to implement the national quality program standards.

(3) (a) Each agricultural education program in the state that completes the national quality program standard evaluation as adopted by rule and submits a plan of improvement to the office of public instruction's agricultural education specialist ~~must~~ may receive a ~~one-time~~ payment of \$500. An agricultural education program may not receive more than one payment in a school year.

(b) Each agricultural education program in the state that submits a detailed budget to increase the quality of its agricultural education program based on the plan of improvement may receive a ~~one-time~~ payment of up to \$1,000. An agricultural education program may not receive more than one payment in a school year.

(c) Each school that adds agricultural education to its curriculum and recruits and retains an endorsed agricultural education teacher must receive a one-time payment of up to \$7,500.

(d) Program administrators in Bozeman and Helena must receive a total of \$11,250 annually for the costs

of providing a minimum of one onsite visit each year to each participating school."

Section 2. Section 90-3-1003, MCA, is amended to read:

"90-3-1003. Research and commercialization account -- use. (1) The research and commercialization account provided for in 90-3-1002 is statutorily appropriated, as provided in 17-7-502, to the board of research and commercialization technology, provided for in 2-15-1819, for the purposes provided in this section.

(2) The establishment of the account in 90-3-1002 is intended to enhance the economic growth opportunities for Montana and constitute a public purpose.

(3) The account may be used only for:

(a) loans that are to be used for research and commercialization projects to be conducted at research and commercialization centers located in Montana;

(b) grants that are to be used for production agriculture research, development, and commercialization projects, clean coal research and development projects, or renewable resource research and development projects to be conducted at research and commercialization centers located in Montana;

(c) matching funds for grants from nonstate sources that are to be used for research and commercialization projects to be conducted at research and commercialization centers located in Montana; ~~or~~

(d) the Montana food and agricultural development program provided for in 80-11-901; or

~~(d)~~(e) administrative costs that are incurred by the board in carrying out the provisions of this part.

(4) At least 20% \$195,000 of the account funds ~~approved for research and commercialization projects~~ must be ~~directed~~ distributed on an annual basis to the department of agriculture to support and administer the Montana food and agricultural development program provided for in 80-11-901 ~~toward projects that enhance production agriculture.~~

(5) (a) At least 30% of the account funds approved for research and commercialization projects must be directed toward projects that enhance clean coal research and development or renewable resource research and development.

(b) If the board is not in receipt of a qualified application for a project to enhance clean coal research and development or renewable resource research and development, subsection (5)(a) does not apply.

(6) An applicant for a grant shall provide matching funds from nonstate sources equal to 25% of total project costs. The requirement to provide matching funds is a qualifier, but not a criterion, for approval of a grant.

(7) The board shall establish policies, procedures, and criteria that achieve the objectives in its research and commercialization strategic plan for the awarding of grants and loans. The criteria must include:

(a) the project's potential to diversify or add value to a traditional basic industry of the state's economy;

(b) whether the project shows promise for enhancing technology-based sectors of Montana's economy or promise for commercial development of discoveries;

(c) whether the project employs or otherwise takes advantage of existing research and commercialization strengths within the state's public university and private research establishment;

(d) whether the project involves a realistic and achievable research project design;

(e) whether the project develops or employs an innovative technology;

(f) verification that the project activity is located within the state;

(g) whether the project's research team possesses sufficient expertise in the appropriate technology area to complete the research objective of the project;

(h) verification that the project was awarded based on its scientific merits, following review by a recognized federal agency, philanthropic foundation, or other private funding source; and

(i) whether the project includes research opportunities for students.

(8) The board shall direct the state treasurer to distribute funds for approved projects. Unallocated interest and earnings from the account must be retained in the account. Repayments of loans and any agreements authorizing the board to take a financial right to licensing or royalty fees paid in connection with the transfer of technology from a research and commercialization center to another nonstate organization or ownership of corporate stock in a private sector organization must be deposited in the account.

(9) The board shall refer grant applications to external peer review groups. The board shall compile a list of persons willing to serve on peer review groups for purposes of this section. The peer review group shall review the application and make a recommendation to the board as to whether the application for a grant should be approved. The board shall review the recommendation of the peer review group and either approve or deny a grant application.

(10) The board shall identify whether a grant or loan is to be used for basic research, applied research, or some combination of both. For the purposes of this section, "applied research" means research that is conducted to attain a specific benefit or solve a practical problem and "basic research" means research that is conducted to uncover the basic function or mechanism of a scientific question.

(11) For the purposes of this section:

(a) "clean coal research and development" means research and development of projects that would advance the efficiency, environmental performance, and cost-competitiveness of using coal as an energy source well beyond the current level of technology used in commercial service;

(b) "renewable resource research and development" means research and development that would advance:

(i) the use of any of the sources of energy listed in 69-3-2003(10) to produce electricity; and

(ii) the efficiency, environmental performance, and cost-competitiveness of using renewable resources as an energy source well beyond the current level of technology used in commercial service."

Section 3. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 4. Effective date. [This act] is effective July 1, 2011.
