Section 2. Section 37-15-202, MCA, is amended to read:

"37-15-202. Powers and duties of board and department. (1) The board shall:

- (a) administer, coordinate, and enforce the provisions of this chapter;
- (b) evaluate the qualifications of each applicant for a license as issued under this chapter and supervise the examination of applicants;
- (c) conduct hearings and keep records and minutes as the board considers necessary to an orderly dispatch of business;
- (d) adopt rules, including but not limited to those governing ethical standards of practice or standards

for telepractice under this chapter;

(e) make recommendations to the governor and other state officials regarding new and revised programs and legislation related to speech-language pathology or audiology which could be beneficial to the citizens of the state of Montana;

(f) cause the prosecution and enjoinder of all persons violating this chapter, by the complaints of its secretary filed with the county attorney in the county where the violation took place, and incur necessary expenses ~~therefor~~ for the prosecution;

(g) adopt a seal by which the board shall authenticate its proceedings.

(2) Copies of the proceedings, records, and acts of the board, signed by the presiding officer or secretary of the board and stamped with the seal, are prima facie evidence of the validity of the documents.

(3) The board may make rules ~~which~~ that are reasonable or necessary for the proper performance of its duties and for the regulation of proceedings before it.

(4) The department may employ persons it considers necessary to carry out the provisions of this chapter.

(5) The department shall prepare a report to the governor as required by law."

Section 3. Telepractice -- authorization -- licensure. (1) An audiologist or speech-language pathologist who is licensed under and meets the requirements of this chapter may engage in telepractice in Montana without obtaining a separate or additional license from the board.

(2) Except as provided in 37-15-103, an audiologist or speech-language pathologist who is not a resident of Montana and who is not licensed under this chapter may not provide services to patients in Montana through telepractice without first obtaining a license from the board in accordance with this part.

(3) An audiology aide or assistant or a speech-language pathology aide or assistant may not engage in telepractice. This section does not prohibit an audiology aide or assistant or a speech-language pathology aide or assistant from serving as a facilitator.

Section 4. Scope of telepractice -- requirements. (1) The quality of services provided through telepractice must be equivalent to the quality of audiology or speech-language pathology services that are provided in person and must conform to all existing state, federal, and institutional professional standards,

policies, and requirements for audiologists and speech-language pathologists.

(2) Technology used to provide telepractice, including but not limited to equipment, connectivity, software, hardware, and network compatibility, must be appropriate for the service being delivered and must address the unique needs of each patient. Audio and video quality utilized in telepractice must be sufficient to deliver services that are equivalent to services that are provided in person. A person providing telepractice services is responsible for calibrating clinical instruments in accordance with standard operating procedures and the manufacturer's specifications.

(3) A person providing telepractice services shall comply with all state and federal laws, rules, and regulations governing the maintenance of patient records, including maintaining patient confidentiality and protecting sensitive patient data.

(4) A person providing telepractice services shall conduct an initial assessment of each patient's candidacy for telepractice, including the patient's behavioral, physical, and cognitive abilities to participate in services provided through telepractice. Telepractice may not be provided only through written correspondence.

(5) At a minimum, a person providing telepractice services shall provide a notice of telepractice services to each patient and, if applicable, the patient's guardian, caregiver, or multidisciplinary team. The notification must provide that a patient has the right to refuse telepractice services and has options for service delivery and must include instructions on filing and resolving complaints.

Section 5. Codification instruction. [Sections 3 and 4] are intended to be codified as an integral part of Title 37, chapter 15, part 3, and the provisions of Title 37, chapter 15, part 3, apply to [sections 3 and 4].
