Each application for a grant under this Article shall be evaluated independent of other grant applications submitted. The Board is authorized through the purchase of contracts of insurance or the creation of self-insurance trusts, or through combination of such insurance and self-insurance, to provide the System, UNC Hospitals, System affiliates, and individual health care practitioners with coverage against claims of personal or entity liability based on conduct within the course and scope of health care functions undertaken by such entities or individuals as employees, agents, or officers of (i) the System, (ii) the University of North Carolina Hospitals at Chapel Hill, or (iii) any health care institution, agency, or entity which has an affiliation agreement with the System or with the University of North Carolina Hospitals at Chapel Hill. The types of health care practitioners to which the provisions of this Part may apply include, but are not limited to, medical doctors, dentists, nurses, residents, interns, medical technologists, nurses' aides, and orderlies. Subject to all requirements and limitations of this Article, the coverage to be provided, through insurance or self-insurance or combination thereof, may include provision for the payment of expenses of litigation, the payment of civil judgments in courts of competent jurisdiction, and the payment of settlement amounts, in actions, suits, or claims to which this Part applies.

"§ 116-350.105. Establishment and administration of self-insurance trust funds; rules and regulations; defense of actions against covered persons; application of G.S. 143-300.6.

(a) In the event the Board elects to act as self-insurer of a program of liability insurance, it may establish one or more insurance trust accounts to be used only for the purposes authorized by this Article; provided, however, said program of liability insurance shall not be subject to regulation by the Commissioner of Insurance. The Board is authorized to receive and accept any gift, donation, appropriation, or transfer of funds made for the purposes of this section and to deposit such funds in the insurance trust accounts. All expenses incurred in collecting, receiving, and maintaining such funds and in otherwise administering the self-insured program of liability insurance shall be paid from such insurance trust accounts.

(b) Subject to all requirements and limitations of this Article, the Board is authorized to adopt rules for the establishment and administration of the self-insured program of liability insurance, including, but not limited to, rules and regulations concerning the eligibility for and terms and conditions of participation in the program, the assessment of charges against participants, the management of the insurance trust accounts, and the negotiation, settlement, litigation, and payment of claims.

(c) The Board is authorized to create a UNC Health Liability Insurance Trust Fund Council composed of not more than 13 members; one member each shall be appointed by the State Attorney General, the State Insurance Commissioner, the Director of the Office of State Budget and Management, and the State Treasurer; the remaining members shall be appointed by the Board. Subject to all requirements and limitations of this Article and to any rules and regulations adopted by the Board under the terms of subsection (b) of this section, the Board may delegate to the UNC Health Liability Insurance Trust Fund Council responsibility and authority for the administration of the self-insured liability insurance program and of the insurance trust accounts established pursuant to such program.

(d) Defense of all suits or actions against an individual health care practitioner who is covered by a self-insured program of liability insurance established by the Board under the provisions of this Article may be provided by the Attorney General in accordance with the provisions of G.S. 143-300.3 of Article 31A of Chapter 143; provided, that in the event it should be determined pursuant to G.S. 143-300.4 that defense of such a claim should not be provided by the State, or if it should be determined pursuant to G.S. 143-300.5 and G.S. 147-17 that counsel other than the Attorney General should be employed or, if the individual health care practitioner is not an employee of the State as defined in G.S. 143-300.2, then private legal counsel may be employed by the UNC Health Liability Insurance Trust Fund Council and paid for from funds in the insurance trust accounts.

(e) For purposes of the requirements of G.S. 143-300.6, the coverage provided State employees by any self-insured program of liability insurance established by the Board pursuant to the provisions of this Article shall be deemed to be commercial liability insurance coverage within the meaning of G.S. 143-300.6(c).

(f) By rules adopted by the Board in accordance with subsection (b) of this section, the Board may provide that funds maintained in insurance trust accounts under such a self-insured program of liability insurance may be used to pay any expenses, including damages ordered to be paid, which may be incurred by the System or the University of North Carolina Hospitals at Chapel Hill with respect to any claim, based on alleged negligent acts in the provision of health care services, which may be prosecuted under the provisions of Article 31 of Chapter 143 of the General Statutes.

"§ 116-350.110. Funding of self-insurance program.

(a) If the Board elects to establish a self-insurance trust fund, the initial contribution to the fund shall be determined by an independent actuary but shall be no less than three hundred thousand dollars (\$300,000). Annual contributions to said fund shall be made in an amount to be

determined each year by the UNC Health Liability Insurance Trust Fund Council upon the advice of an independent actuary and shall include amounts necessary to pay all costs of administration of the self-insurance program and claims adjustment, including litigation in addition to amounts necessary to pay claims. Contributions shall be no less than one hundred fifty percent (150%) of the amounts actually paid each year on medical malpractice claims until such time as the UNC Health Liability Insurance Trust Fund Council, with the advice of an independent actuary and the approval of the Board, determines that an annual contribution in a lesser amount will not impair the adequacy of the fund to satisfy existing and potential health care malpractice claims for a period of one year.

(b) Claims certified to be paid from the fund shall be paid in the order of award or settlement. In the event that the fund created hereunder shall at any time have insufficient funds to assure that both existing and future claims will be paid, the Board is hereby authorized to borrow necessary amounts up to thirty million dollars (\$30,000,000) per established self-insurance trust fund account to replenish the fund. The Board shall maintain funds in each self-insurance trust at no less than one hundred thousand dollars (\$100,000) at all times.

(c) Funds borrowed by the Board to replenish the trust fund account may be secured by pledging noncapital assets of the members. Members shall mean those entities, agencies, departments, or divisions of the System which directly contribute funds to the self-insurance trust. In no event shall individual health care providers be deemed members for the purposes of this section.

(d) Obligations issued under the provisions of this Part shall not be deemed to constitute a debt, liability, or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision but shall be payable solely from the revenues or assets of the members. Each obligation issued under this Part shall contain on the face thereof a statement to the effect that the System shall not be obligated to pay the same nor the interest thereon except from the revenues or assets pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligation.

"§ 116-350.115. Termination of fund.

Any fund created hereunder may be terminated by the Board upon their determination that other satisfactory and adequate arrangements have been made to assure that both existing and future health care malpractice claims or judgments against the participants in the self-insurance program will be paid and satisfied. Upon the termination of any fund pursuant to this section, the full amount remaining in such fund upon termination less any outstanding indebtedness shall promptly be repaid to the System and allocated among the participating entities according to their respective contributions as determined by the Board.

"§ 116-350.120. Sovereign immunity.

Nothing in this Article shall be deemed to waive the sovereign immunity of the State.

"§ 116-350.125. Confidentiality of records.

Records pertaining to the liability insurance program, including all information, correspondence, investigations, or interviews concerning or pertaining to claims or potential claims against participants in the self-insurance program or to the program or applications for participation in the program shall not be considered public records under Chapter 132 of the General Statutes and shall not be subject to discovery under the Rules of Civil Procedure, Chapter 1A of the General Statutes.

"§ 116-350.130. Further action.

The Board is hereby authorized to take all action necessary to effectuate the purposes and provisions of this Part.

"§ 116-350.135. Appropriation.

The funds described by this Part are appropriated and shall be used only as provided by this Part.

"§§ 116-350.136 to 116-359. Reserved for future codification purposes.

Funding shall be eliminated in the fifth fiscal year after the school administrative unit becomes ineligible.

Allotments for eligible local school administrative units under this subsection shall not be reduced in any fiscal year by more than twenty percent (20%) of the amount received during the fiscal year when the local school administrative unit became ineligible to receive funds under this section. A local school administrative unit shall not become ineligible for funding if either the highest of the first two months' total projected average daily membership for the current year or the higher of the first two months' total prior year average daily membership would otherwise have made the unit eligible for funds under the schedule in subsection (a) of this section.

The NC Pre-K program shall serve children who are 4 years of age on or before August 31 of the program year. In determining eligibility, the Division shall establish income eligibility requirements for the program not to exceed seventy-five percent (75%) of the State median income. Up to twenty percent (20%) of children enrolled may have family incomes in excess of seventy-five percent (75%) of median income if those children have other designated risk factors. Furthermore, any age-eligible child who is a child of either of the following shall be eligible for the program: (i) an active duty member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces who was ordered to active duty by the proper authority within the last 18 months or is expected to be ordered within the next 18 months, or (ii) a member of the Armed Forces of the United States, including the North Carolina National Guard, State military forces, or a reserve component of the Armed Forces who was injured or killed while serving on active duty. Eligibility determinations for NC Pre-K participants may continue through local education agencies and local North Carolina Partnership for Children, Inc., partnerships.

Other than developmental disabilities or other chronic health issues, the Division shall not consider the health of a child as a factor in determining eligibility for participation in the NC Pre-K program.

SECTION 9D.1.(a1) Staff-To-Child Ratio and Class Size. – The classroom shall not exceed a maximum staff-to-child ratio of one to 10 with a maximum class size of 20 children, with at least one teacher and one teacher assistant per classroom. The Child Care Commission shall adopt any rules and the Division of Child Development and Early Education shall revise any rules or policies necessary to implement the provisions of this subsection.

SECTION 9D.1.(b) Multiyear Contracts. – The Division of Child Development and Early Education shall require the NC Pre-K contractor to issue multiyear contracts for licensed private child care centers providing NC Pre-K classrooms.

SECTION 9D.1.(g) Audits. – The administration of the NC Pre-K program by local partnerships shall be subject to the financial and compliance audits authorized under G.S. 143B-168.14(b).

CHILD CARE SUBSIDY RATES

SECTION 9D.3.(a) The maximum gross annual income for initial eligibility, adjusted annually, for subsidized child care services shall be determined based on a percentage of the federal poverty level as follows:

AGE	INCOME PERCENTAGE LEVEL
0 – 5	200%
6 – 12	133%

The eligibility for any child with special needs, including a child who is 13 years of age or older, shall be two hundred percent (200%) of the federal poverty level.

SECTION 9D.3.(b) Fees for families who are required to share in the cost of care are established based on ten percent (10%) of gross family income. When care is received at the blended rate, the copayment shall be eighty-three percent (83%) of the full-time copayment. Copayments for part-time care shall be seventy-five percent (75%) of the full-time copayment.

SECTION 9D.3.(c) Payments for the purchase of child care services for low-income children shall be in accordance with the following requirements:

- (1) Religious sponsored child care facilities operating pursuant to G.S. 110-106 and licensed child care centers and homes that meet the minimum licensing standards that are participating in the subsidized child care program shall be paid the one-star county market rate or the rate they charge privately paying parents unless prohibited by subsection (f) of this section.
- (2) Licensed child care centers and homes with two or more stars shall receive the market rate for that rated license level for that age group unless prohibited by subsection (g) of this section.
- (3) No payments shall be made for transportation services charged by child care facilities.

- (4) Payments for subsidized child care services for postsecondary education shall be limited to a maximum of 20 months of enrollment. This shall not be determined before a family's annual recertification period.
- (5) The Department of Health and Human Services shall implement necessary rule changes to restructure services, including, but not limited to, targeting benefits to employment.

SECTION 9D.3.(d) Provisions of payment rates for child care providers in counties that do not have at least 50 children in each age group for center-based and home-based care are as follows:

- (1) Except as applicable in subdivision (2) of this subsection, payment rates shall be set at the statewide or regional market rate for licensed child care centers and homes.
- (2) If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.

SECTION 9D.3.(e) A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development and Early Education shall also calculate a statewide rate and regional market rate for each rated license level for each age category.

SECTION 9D.3.(f) The Division of Child Development and Early Education shall continue implementing policies that improve the quality of child care for subsidized children, including a policy in which child care subsidies are paid, to the extent possible, for child care in the higher quality centers and homes only. The Division shall define higher quality, and subsidy funds shall not be paid for one- or two-star-rated facilities. For those counties with an inadequate number of four- and five-star-rated facilities, the Division shall continue a transition period that allows the facilities to continue to receive subsidy funds while the facilities work on the increased star ratings. The Division may allow exemptions in counties where there is an inadequate number of four- and five-star-rated facilities for non-star-rated programs, such as religious programs.

SECTION 9D.3.(g) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program that provides for the purchase of care in child care facilities for minor children of needy families. Except as authorized by subsection (f) of this section, no separate licensing requirements shall be used to select facilities to participate. In addition, child care facilities shall be required to meet any additional applicable requirements of federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 9D.3.(h) Payment for subsidized child care services provided with Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations and policies issued by the Division of Child Development and Early Education for the subsidized child care program.

SECTION 9D.3.(i) Noncitizen families who reside in this State legally shall be eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for child care subsidies only if at least one of the following conditions is met:

- (1) The child for whom a child care subsidy is sought is receiving child protective services or foster care services.
- (2) The child for whom a child care subsidy is sought is developmentally delayed or at risk of being developmentally delayed.
- (3) The child for whom a child care subsidy is sought is a citizen of the United States.

SECTION 9D.3.(j) The Department of Health and Human Services, Division of Child Development and Early Education, shall require all county departments of social services to include on any forms used to determine eligibility for child care subsidy whether the family waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

SECTION 9D.3.(k) Department of Defense-certified child care facilities licensed pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that provides for the purchase of care in child care facilities for minor children in needy families, provided that funds allocated from the State-subsidized child care program to Department of Defense-certified child care facilities shall supplement and not supplant funds allocated in accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose Department of Defense-certified child care facilities and who are eligible to receive subsidized child care shall be as set forth in this section.

CHILD CARE ALLOCATION FORMULA

SECTION 9D.4.(a) The Department of Health and Human Services, Division of Child Development and Early Education (Division), shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy families. The mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

- (1) Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than the applicable federal poverty level percentage set forth in Section 9D.3(a) of this act.
- (2) The Division may withhold up to two percent (2%) of available funds from the allocation formula for (i) preventing termination of services throughout the fiscal year and (ii) repayment of any federal funds identified by counties as overpayments, including overpayments due to fraud. The Division shall allocate to counties any funds withheld before the end of the fiscal year when the Division determines the funds are not needed for the purposes described in this subdivision. The Division shall submit a report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division, which report shall include each of the following:
 - a. The amount of funds used for preventing termination of services and the repayment of any federal funds.
 - b. The date the remaining funds were distributed to counties.
 - c. As a result of funds withheld under this subdivision and after funds have been distributed, any counties that did not receive at least the amount the counties received the previous year and the amount by which funds were decreased.

The Division shall submit a report in each year of the 2023-2025 fiscal biennium 30 days after the funds withheld pursuant to this subdivision are distributed but no later than April 1 of each respective year.

- (3) The Division shall set aside four percent (4%) of child care subsidy allocations for vulnerable populations, which include a child identified as having special needs and a child whose application for assistance indicates that the child and the child's family is experiencing homelessness or is in a temporary living situation. A child identified by this subdivision shall be given priority for receiving services until such time as set-aside allocations for vulnerable populations are exhausted.

SECTION 9D.4.(b) The Division may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service levels within the funds allocated to the counties. A county with a spending coefficient over one hundred percent (100%) shall submit a plan to the Division for managing the county's allocation before receiving any reallocated funds.

SECTION 9D.4.(c) When implementing the formula under subsection (a) of this section, the Division shall include the market rate increase in the formula process rather than calculate the increases outside of the formula process. Additionally, the Department shall do the following:

- (1) Deem a county's initial allocation as the county's expenditure in the previous fiscal year or a prorated share of the county's previous fiscal year expenditures if sufficient funds are not available.
- (2) Effective immediately following the next new decennial census data release, implement (i) one-third of the change in a county's allocation in the year following the data release, (ii) an additional one-third of the change in a county's allocation beginning two years after the initial change under this subdivision, and (iii) the final one-third change in a county's allocation beginning the following two years thereafter.

SMART START INITIATIVES

SECTION 9D.5.(a) Policies. – The North Carolina Partnership for Children, Inc., and its Board shall ensure policies focus on the North Carolina Partnership for Children, Inc.'s mission of improving child care quality in North Carolina for children from birth to 5 years of age. North Carolina Partnership for Children, Inc., funded activities shall include assisting child care facilities with (i) improving quality, including helping one-, two-, and three-star-rated facilities increase their star ratings, and (ii) implementing prekindergarten programs. State funding for local partnerships shall also be used for evidence-based or evidence-informed programs for children from birth to 5 years of age that do the following:

- (1) Increase children's literacy.
- (2) Increase the parents' ability to raise healthy, successful children.
- (3) Improve children's health.
- (4) Assist four- and five-star-rated facilities in improving and maintaining quality.

SECTION 9D.5.(b) Administration. – Administrative costs shall be equivalent to, on an average statewide basis for all local partnerships, not more than ten percent (10%) of the total statewide allocation to all local partnerships. For purposes of this subsection, administrative costs shall include costs associated with partnership oversight, business and financial management, general accounting, human resources, budgeting, purchasing, contracting, and information systems management. The North Carolina Partnership for Children, Inc., shall continue using a single statewide contract management system that incorporates features of the required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local partnerships are required to participate in the contract management system and, directed by the

North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with other local partnerships to increase efficiency and effectiveness.

SECTION 9D.5.(c) Salaries. – The salary schedule developed and implemented by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds that may be used for the salary of the Executive Director of the North Carolina Partnership for Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for Children, Inc., shall base the schedule on the following criteria:

- (1) The population of the area serviced by a local partnership.
- (2) The amount of State funds administered.
- (3) The amount of total funds administered.
- (4) The professional experience of the individual to be compensated.
- (5) Any other relevant factors pertaining to salary, as determined by the North Carolina Partnership for Children, Inc.

The salary schedule shall be used only to determine the maximum amount of State funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit a local partnership from using non-State funds to supplement an individual's salary in excess of the amount set by the salary schedule established under this subsection.

SECTION 9D.5.(d) Match Requirements. – The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the 2023-2025 biennium. Of the funds that the North Carolina Partnership for Children, Inc., and the local partnerships are required to match, contributions of cash shall be equal to at least thirteen percent (13%) and in-kind donated resources shall be equal to no more than six percent (6%) for a total match requirement of nineteen percent (19%) for each year of the 2023-2025 fiscal biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Division of Employment Security of the Department of Commerce in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships also may be considered resources available to meet the required private match. In order to qualify to meet the required private match, the expenses shall:

- (1) Be verifiable from the contractor's records.
- (2) If in-kind, other than volunteer services, be quantifiable in accordance with generally accepted accounting principles for nonprofit organizations.
- (3) Not include expenses funded by State funds.
- (4) Be supplemental to and not supplant preexisting resources for related program activities.
- (5) Be incurred as a direct result of the Early Childhood Initiatives Program and be necessary and reasonable for the proper and efficient accomplishment of the Program's objectives.
- (6) Be otherwise allowable under federal or State law.
- (7) Be required and described in the contractual agreements approved by the North Carolina Partnership for Children, Inc., or the local partnership.
- (8) Be reported to the North Carolina Partnership for Children, Inc., or the local partnership by the contractor in the same manner as reimbursable expenses.

Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the 2023-2025 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report, to be included in its annual report as required under G.S. 143B-168.12(d), in a format that allows verification by the Department of Revenue. The same match requirements shall apply to any expansion funds appropriated by the General Assembly.

SECTION 9D.5.(e) Bidding. – The North Carolina Partnership for Children, Inc., and all local partnerships shall use competitive bidding practices in contracting for goods and services on contract amounts as follows:

SECTION 9D.5.(g) Performance-Based Evaluation. – The Department of Health and Human Services shall continue to implement the performance-based evaluation system.

SECTION 9D.5.(h) Expenditure Restrictions. – Except as provided in subsection (i) of this section, the Department of Health and Human Services and the North Carolina Partnership for Children, Inc., shall ensure that the allocation of funds for Early Childhood Education and Development Initiatives for the 2023-2025 fiscal biennium shall be administered and distributed in the following manner:

- (1) Capital expenditures are prohibited for the 2023-2025 fiscal biennium. For the purposes of this section, "capital expenditures" means expenditures for capital improvements as defined in G.S. 143C-1-1(d)(5).
- (2) Expenditures of State funds for advertising and promotional activities are prohibited for the 2023-2025 fiscal biennium.

For the 2023-2025 fiscal biennium, local partnerships shall not spend any State funds on marketing campaigns, advertising, or any associated materials. Local partnerships may spend any private funds the local partnerships receive on those activities.

The North Carolina Partnership for Children, Inc., shall include in its annual report required under G.S. 143B-168.12(d) a report on the use of State funds for fundraising. The report shall include the following:

SECTION 9D.6.(b) The North Carolina Partnership for Children, Inc., may use up to one percent (1%) of the funds for statewide program management and up to one percent (1%) of the funds for program evaluation. Funds allocated under this section shall not be subject to administrative costs requirements under Section 9D.5(b) of this act, nor shall these funds be subject to the child care services funding requirements under G.S. 143B-168.15(b), child care subsidy expansion requirements under G.S. 143B-168.15(g), or the match requirements under Section 9D.5(d) of this act.

Funds provided under this section shall be divided evenly in each fiscal year among the regional facilitator hubs, as described in subsection (c) of this section, selected to participate in the pilot program. Upon completion of the pilot program, any unexpended funds shall revert to the General Fund.

SECTION 9D.9.(b) The Division of Child Development and Early Education (Division), in collaboration with the North Carolina Partnership for Children, Inc. (NCPC), shall establish a two-year pilot program to implement the Tri-Share Child Care program, a program that creates a public/private partnership to share the cost of child care equally between employers, eligible employees, and the State to:

- (1) Make high-quality child care affordable and accessible for working families.
- (2) Help employers retain and attract employees.
- (3) Help stabilize child care businesses across the State.

SECTION 9D.9.(c) The Division and NCPC shall select up to three local partnerships to serve as regional facilitator hubs to implement and administer the pilot program and act as regional intermediaries between employers, families, child care providers, and the State. No report shall be due from the Department of Health and Human Services on January 1, 2024, or January 1, 2025. For the purposes of this subsection, "medically indigent" shall mean uninsured persons who (i) are financially unable to obtain private insurance coverage, as determined by DHHS and (ii) are not eligible for government-funded health coverage such as Medicare or Medicaid.

In addition, DHHS shall work to ensure that any local inpatient psychiatric beds or bed days purchased in accordance with this section are distributed across the State and according to need, as determined by DHHS. SECTION 9G.2.(d) Ineffective LME/MCO Management of Beds or Bed Days. – If DHHS determines that (i) an LME/MCO is not effectively managing the beds or bed days for which it has responsibility, as evidenced by beds or bed days in the local hospital not being utilized while demand for services at the State psychiatric hospitals has not decreased, or (ii) the LME/MCO has failed to comply with the prompt payment provisions of this section, DHHS may contract with another LME/MCO to manage the beds or bed days or, notwithstanding any other provision of law to the contrary, may pay the hospital directly.

SECTION 9G.2.(e) Reporting by LME/MCOs. – LME/MCOs shall be required to report to DHHS regarding the utilization of these beds or bed days.

 - a. That the State Office of Child Fatality Prevention is sufficiently staffed and prepared to carry out the powers and duties of the State Office, as described in G.S. 143B-150.27, to support a restructured Child Fatality Prevention System as set forth in subsections (f) through (i) of this section.
 - b. That any contractual agreements and interagency data sharing agreements necessary for participation in the NFR-CRS, as required in G.S. 7B-1413.5, have been executed.
- (3) Not later than July 1, 2025, the Department shall ensure through its State Office of Child Fatality Prevention that all Local Teams have been provided guidelines and training addressing their participation in the NFR-CRS, and Local Teams shall begin utilizing the System for case reporting as specified in G.S. 7B-1413.5.

The report shall further include any changes to the State process that NCCSS used in calculating and distributing federal incentive funding to county child support services programs and any recommendations for further changes.

SUCCESSFUL TRANSITION/FOSTER CARE YOUTH

SECTION 9J.7. The Foster Care Transitional Living Initiative Fund shall continue to fund and support transitional living services that demonstrate positive outcomes for youth, attract significant private sector funding, and lead to the development of evidence-based programs to serve the at-risk population described in this section. The Fund shall continue to support a demonstration project with services provided by Youth Villages to (i) improve outcomes for youth ages 17-21 years who transition from foster care through implementation of

outcome-based Transitional Living Services, (ii) identify cost-savings in social services and juvenile and adult correction services associated with the provision of Transitional Living Services to youth aging out of foster care, and (iii) take necessary steps to establish an evidence-based transitional living program available to all youth aging out of foster care. In continuing to implement these goals, the Foster Care Transitional Living Initiative Fund shall support the following strategies:

- (2) Public-Private Partnership, which is a commitment by private-sector funding partners to match at least twenty-five percent (25%) of the funds appropriated to the Foster Care Transitional Living Initiative Fund for the 2023-2025 fiscal biennium for the purposes of providing Transitional Living Services through the Youth Villages Transitional Living Model to youth aging out of foster care.
- (3) Impact Measurement and Evaluation, which are services funded through private partners to provide independent measurement and evaluation of the impact the Youth Villages Transitional Living Model has on the youth served, the foster care system, and on other programs and services provided by the State which are utilized by former foster care youth.
- (4) Advancement of Evidence-Based Process, which is the implementation and ongoing evaluation of the Youth Villages Transitional Living Model for the purposes of establishing the first evidence-based transitional living program in the nation. To establish the evidence-based program, additional randomized controlled trials may be conducted to advance the model.

In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this act.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this act, the Department shall develop a plan to adjust the Block Grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2023-2024 and 2024-2025, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care and shall not be used to supplant State funds.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division.

SECTION 10.1.(c) The Agricultural Finance Authority, in consultation with the Large Animal Healthcare Enhancement Advisory Committee established by G.S. 106-1073, as enacted by subsection (b) of this section, shall adopt temporary rules to implement this section as soon as practicable and shall concurrently begin adopting permanent rules to replace the temporary rules.

SECTION 10.1.(d) This section is effective when it becomes law.

NORTH CAROLINA AGRICULTURE MANUFACTURING AND PROCESSING INITIATIVE

SECTION 10.2.(a) Findings and Purpose. – The General Assembly finds that the lack of capacity for value-added processing of agricultural commodities near the farms where those commodities are produced in the State creates competitive disadvantages to North Carolina farmers by imposing increased transportation costs to remote commodity processing facilities and presenting economic barriers to farmers who wish to participate in the market for higher profit margin processed food products. The General Assembly further finds that grants to increase agricultural processing opportunities in the State will create jobs and increase local property tax bases in this State, will benefit agricultural and farming operations in the State with decreased costs and increased profit options, and are consistent with promoting agricultural operations, a

vital sector of the State's economy. The purpose of this section is to fund and promote the establishment of value-adding agricultural manufacturing and food processing facilities across the State to fill existing gaps in the processing of agricultural products and to create a diverse and economically competitive array of high value-added goods and products manufactured in this State from agricultural products grown or produced in this State.

SECTION 10.2.(b) Establishment. – There is created within the Department of Agriculture and Consumer Services (Department), the North Carolina Agricultural Manufacturing and Processing Initiative (NCAMPI). Funds allocated to NCAMPI by this section will be used for the following activities:

- (1) Up to five hundred thousand dollars (\$500,000) of funds in the first year of the program for the Department to engage independent industry-recognized experts to identify and assess opportunities to increase value-added processing of commodities produced in the State and address categorical or geographical gaps in agricultural manufacturing and processing. The Department shall use a portion of the funds allocated by this subdivision up to one hundred thousand dollars (\$100,000) to identify and assess opportunities and gaps for the dairy industry in the State.
- (2) Up to two hundred fifty thousand dollars (\$250,000) of the funds provided in each year of the program for the Department to market and recruit agricultural manufacturing and processing facilities to fill identified gaps in access to such facilities by North Carolina farmers based on the assessment described in subdivision (1) of this subsection.
- (3) Remaining NCAMPI funds to provide grants to local governments and nonprofit economic development entities to support the creation or expansion of agricultural manufacturing facilities. Grant funds may be used for site development, infrastructure costs (including water, wastewater, or transportation improvements), building construction or rehabilitation costs, or equipment. As a part of the application, applicants must demonstrate in a manner determined by the Department that they have applied for or otherwise sought other sources of applicable funding for the proposed project. New facilities and expansions of existing facilities will be eligible for grants under this subdivision. Shared-use facilities and incubators are ineligible for grants under this subdivision. Before entering into a grant agreement, the Department must find that the total benefits of the project to the State outweigh its anticipated costs and render the grant appropriate for the project.

SECTION 10.2.(c) Administration of Initiative. – In consultation with the nonprofit corporation with which the Department of Commerce contracts pursuant to G.S. 143B-431.01(b), the Department shall develop guidelines related to the administration of NCAMPI. The guidelines shall require a finding that a grant under this section is necessary for the construction or expansion of a facility to be used by a business entity (as that term is defined in G.S. 55-1-40) that will engage in agricultural manufacturing or processing activities in this State. At least 20 days before the effective date of any guidelines or nontechnical amendments to the guidelines, the Department shall publish the proposed guidelines on its website and provide notice to persons who have requested notice of proposed guidelines. In addition, the Department shall accept oral and written comments on the proposed guidelines and shall, in its discretion, consider those comments before finalizing the guidelines. Guidelines adopted under this section shall not be subject to the requirements of Article 2A of Chapter 150B of the General Statutes and shall include all of the following:

- (1) Criteria for evaluating grant applicants, including job creation, concentration of production of the agricultural product the facility will process in proximity to the proposed location, and reductions in (i) transportation costs and (ii)

- estimated damage rates for agricultural products created as a result of greater geographical proximity to the proposed manufacturing or processing facility.
- (2) Criteria for determining grant eligibility, the amounts of awards, not to exceed five million dollars (\$5,000,000) per facility, and the required cost-share for grant recipients. The Department may consider the economic development tier of the county of a grant recipient under G.S. 143B-437.08 in setting cost-share amounts.

SECTION 10.2.(d) Report. – Until all funds allocated by this section have been expended, the Department shall annually report no later than October 1 on NCAMPI activities during the prior fiscal year to the chairs of the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources and the Fiscal Research Division. The report shall include, at a minimum, all of the following:

- (1) Total amount of grants awarded.
- (2) A list of award recipients and the amount awarded to each recipient.
- (3) Matching funds required and provided by grant recipients.
- (4) Activities to ready sites and associated costs.

SECTION 10.2.(e) Funding. – Of the funds appropriated from the interest earned in the State Fiscal Recovery Reserve to the Department of Agriculture and Consumer Services, the sum of ten million dollars (\$10,000,000) in nonrecurring funds for the 2023-2024 fiscal year and the sum of ten million dollars (\$10,000,000) in nonrecurring funds for the 2024-2025 fiscal year shall be used for NCAMPI. Notwithstanding any provision of G.S. 143C-1-2(b) to the contrary, these funds shall not revert at the end of the fiscal year in which they are appropriated but shall remain available for the purposes set forth in this section. The Department may use up to five percent (5%) of the funds allocated by this section for administrative costs of program administration.

SECTION 10.3. effective date of this section on its website and by written or electronic notice to emissions inspection mechanic license holders, emissions inspection station licensees, and self-inspector licensees in the county where motor vehicle emissions inspection requirements are removed by this section. The remainder of this section is effective when it becomes law.

DAM SAFETY EMERGENCY FUND/OVERTOPPING STUDIES

SECTION 12.8. G.S. 143-215.32A reads as rewritten:

"§ 143-215.32A. Dam Safety Emergency Fund.

(a) Establishment; Purpose. – There is established the Dam Safety Emergency Fund within the Department, as set forth in this section. The Fund shall be used to defray expenses incurred by the Department in developing and implementing an emergency dam safety remedial ~~plan~~ plan and assessing overtopping risk for high hazard and intermediate hazard dams.

(b) Eligible Expenses. – The Fund may be used for ~~expenses incurred in developing the following expenses:~~

(1) Developing and implementing an emergency dam safety remedial plan that has been approved by the Department, including expenses incurred to contract with any third party for services related to plan development or implementation.

(2) Performing overtopping studies for dams categorized by the Department as high hazard or intermediate hazard for which the Department currently has no or inadequate overtopping risk information.

(c) Conditions for Use. – These funds shall be used upon the Department's determination that sufficient funds or corrective action cannot be obtained from other sources without incurring a delay that would significantly increase the threat to life or risk of damage to property or the environment.

(d) Cost Recovery. – Costs of site investigation and the development and implementation of an emergency dam safety remedial plan, including attorney's fees and other expenses of bringing the cost recovery action, may be recovered from the owners of the dam by appropriate legal action by the Commission. Funds recovered pursuant to this subsection shall be used to reimburse the Dam Safety Emergency Fund.

(e) Standards for Funded Activities. – Emergency dam safety remedial plan development and implementation activities and overtopping studies shall be conducted in accordance with standards set forth in G.S. 143-215.29."

DISCHARGES OF HIGHLY TREATED WASTEWATER

SECTION 12.9.(a) G.S. 143-215.1 is amended by adding a new subsection to read:

"(c8) Permitted Discharges of Highly Treated Domestic Wastewater. –

(1) Subject only to the limitations set forth in subdivision (2) of this subsection, the Department shall authorize permitted discharges of highly treated domestic wastewater to surface waters of the State, including wetlands, perennial streams, and unnamed tributaries of named and classified streams where the 7Q10 flow or 30Q2 flow of the receiving waterbody is estimated to be low flow or zero flow, as determined by the United States Geological Survey, from wastewater treatment systems capable of meeting the following water quality-based effluent limitations:

a. Biological oxygen demand (BOD₅), 5mg/L.

b. NH₃, 0.5mg/L monthly average, 1.0 mg/L daily maximum.

c. Total nitrogen, 4mg/L monthly average.

d. Total phosphorus, 1.0mg/L monthly average, 2.0mg/L daily maximum.

e. Fecal coliforms, 14 colonies/100mL.

- f. Dissolved oxygen, 6mg/L, or 1mg/L more than the BOD₅ concentration.
 - g. Turbidity, 1 Nephelometric Turbidity Units.
 - h. Total suspended solids, 5mg/L monthly average.
 - i. Nitrate, 1mg/L monthly average.
- (2) In addition to the requirements set forth in subdivision (1) of this subsection, only the following requirements shall apply to wastewater discharges to be authorized pursuant to this subsection:
- a. No discharge shall be permitted to classified shellfish waters or outstanding resource waters. Discharges to unnamed tributaries of classified shellfish waters, however, shall be authorized in compliance with the requirements of this section.
 - b. The limitation of flow for any wastewater discharge shall be no more than one-tenth of the flow generated by the one-year, 24-hour storm event given the drainage area and calculated using the rational method. The rational method shall be used to calculate the peak runoff for the one-year, 24-hour precipitation event in cubic foot per second. The peak runoff shall then be divided by 10 and multiplied by 646,272 to convert the result to gallons per day of allowable discharge at the point studied.
 - c. Discharges shall be limited based on the ability of the receiving waters to hydraulically accept the proposed flow, as demonstrated by being equal to or less than one-tenth of the flow using the rational method.
 - d. All discharges shall be directed to buffer systems that utilize low-energy methodologies to function as a buffer between the discharge and the receiving waters. Buffer systems shall:
 - 1. Consist of one of the following: (i) high-rate infiltration basins that utilize engineered materials to achieve high rates of infiltration, which engineered materials shall have an ASTM gradation of a clean washed coarse grained sand; (ii) constructed free surface wetlands having a hydraulic residence time of 14 days; and (iii) other suitable technologies that provide a physical or hydraulic residence time buffer, or both, between the discharge and the receiving waters.
 - 2. Discharge to areas that are 50 feet upland of the receiving waters or wetlands at a non-erosive velocity equal to or less than 2 feet per second through an appropriately designed energy dissipater, or other applicable designs, that meet the standard of practice for professional engineers for such devices.
 - 3. Divide the subsequent outfall to the receiving stream so that no one particular outfall exceeds 1 cubic foot per second based on the average daily flow of the discharge. Discharges from buffer systems shall be allowed to be placed at increments along a stream or receiving waters at a distance of no less than 50 linear feet.
- (3) For purposes of this subsection, the following definitions apply:
- a. 7Q10 flow. – A method to calculate the minimum average flow of a receiving water for a period of seven consecutive days that has an average recurrence of once in 10 years.

- b. 30Q2 flow. – A method to calculate the minimum average flow of a receiving water for a period of 30 consecutive days that has an average recurrence of once in two years.
 - c. Highly treated domestic wastewater. – Wastewater effluent from treatment systems that receive flows from sources of domestic wastewater that meet the effluent limitations as set forth in subdivision (1) of this subsection.
 - d. Rational method. – The method of computing storm drainage flow rates (Q) by use of the formula $Q = CIA$. For purposes of this sub-subdivision, the following definitions apply:
 - 1. C. – The rational coefficient describing the stormwater runoff characteristics of the drainage.
 - 2. I. – The rainfall intensity for the one-year, 24-hour precipitation event given by the National Oceanic and Atmospheric Administration through its online precipitation data server or other appropriate sources in units of inches per hour.
 - 3. A. – The catchment area tributary to the point being studied as further defined using methodologies that meet the standard of practice for such work, including, but not limited to, web-based data and tools provided by the United States Geological Survey or by other analysis using topographic data that follows the standard of practice for such work by licensed professional engineers in units of acres.
- (4) Once an applicant has submitted data to demonstrate the proposed discharge will meet the requirements of subdivisions (1) and (2) of this subsection, signed and sealed by a professional engineer licensed in accordance with the provisions of Chapter 89C of the General Statutes, the application shall be deemed complete for the purposes of review by the Department."

SECTION 12.9.(b) If rules are required in order to implement the requirements of this section, the Department of Environmental Quality shall adopt temporary rules no later than 60 days after this section becomes law. Any temporary rules adopted in accordance with this section shall remain in effect until permanent rules that replace the temporary rules become effective. Rules adopted pursuant to this section shall not, however, impose additional requirements on permitting of the discharge of highly treated domestic wastewater over that established under G.S. 143-215.1(c8), as enacted by subsection (a) of this section.

SECTION 12.9.(c) This section is effective when it becomes law. G.S. 143-215.1(c8), as enacted by subsection (a) of this section, applies to permits for new or expanded wastewater discharge facilities issued on or after that date.

RIGHT TO APPLY FOR AND OBTAIN A PERMIT

SECTION 12.10.(a) Article 7 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"§ 143B-279.18. Right to apply and obtain permits.

Except to the extent required by federal or State law, the Department of Environmental Quality shall not refuse to accept an application for a permit, authorization, or certification or refuse to issue any permit, authorization, or certificate based solely on the failure of an applicant to obtain another permit, authorization, or certification required for the same project. For purposes of this section, failure to obtain a permit, authorization, or certification shall not include denial of the permit, authorization, or certification by the Department based on the standards for approval of the permit, authorization, or certification provided by law."

SECTION 12.10.(b) G.S. 113A-54.1(a) reads as rewritten:

"(a) A draft erosion and sedimentation control plan must contain the applicant's address and, if the applicant is not a resident of North Carolina, designate a North Carolina agent for the purpose of receiving notice from the Commission or the Secretary of compliance or noncompliance with the plan, this Article, or any rules adopted pursuant to this Article. Except as provided in subsection (a1) of this section, if the applicant is not the owner of the land to be disturbed, the draft erosion and sedimentation control plan must include the owner's written consent for the applicant to submit a draft erosion and sedimentation control plan and to conduct the anticipated land-disturbing activity. The Commission shall approve, approve with modifications, or disapprove a draft erosion and sedimentation control plan for those land-disturbing activities for which prior plan approval is required within 30 days of receipt. The Commission shall not deny a draft erosion and sedimentation control plan based solely upon the applicant's need to obtain other environmental permits, authorizations, or certifications for the project, aside from a permit required for stormwater discharges from construction sites pursuant to 40 C.F.R. § 122.26; the Commission shall, however, condition approval of a draft erosion and sedimentation control plan upon the applicant's compliance with federal and State water quality laws, regulations, and ~~rules.~~ rules, including the applicant's receipt of other environmental permits, authorizations, or certifications that may be required for the project. Failure to approve, approve with modifications, or disapprove a completed draft erosion and sedimentation control plan within 30 days of receipt shall be deemed approval of the plan. If the Commission disapproves a draft erosion and sedimentation control plan or a revised erosion and sedimentation control plan, it must state in writing the specific reasons that the plan was disapproved. Failure to approve, approve with modifications, or disapprove a revised erosion and sedimentation control plan within 15 days of receipt shall be deemed approval of the plan. The Commission may establish an expiration date for erosion and sedimentation control plans approved under this Article."

SECTION 12.10.(c) G.S. 113A-61 reads as rewritten:

"§ 113A-61. Local approval of erosion and sedimentation control plans.

...

(b) Local governments shall review each erosion and sedimentation control plan submitted to them and within 30 days of receipt thereof shall notify the person submitting the plan that it has been approved, approved with modifications, or disapproved. A local government shall only approve a plan upon determining that it complies with all applicable State and local regulations for erosion and sedimentation control.

(b1) A local government shall not deny a draft erosion and sedimentation control plan based solely upon the applicant's need to obtain other environmental permits, authorizations, or certifications for the project, aside from a permit required for stormwater discharges from construction sites pursuant to 40 C.F.R. § 122.26; the local government shall, however, condition approval of a draft erosion and sedimentation control plan upon the applicant's compliance with federal and State water quality laws, regulations, and ~~rules.~~ rules, including the applicant's receipt of other environmental permits, authorizations, or certifications that may be required for the project. A local government shall disapprove an erosion and sedimentation control plan if implementation of the plan would result in a violation of rules adopted by the Environmental Management Commission to protect riparian buffers along surface waters. A local government may disapprove an erosion and sedimentation control plan or disapprove a transfer of a plan under subsection (b3) of this section upon finding that an applicant or a parent, subsidiary, or other affiliate of the applicant:

AIR PERMITTING REVISIONS

AIR PERMITTING REVIEW AND ISSUANCE TIME LINES

SECTION 12.11.(a) G.S. 143-215.108(d)(2) reads as rewritten:

"(2) The Commission shall adopt rules specifying the times within which it must act upon applications for permits required by Title V and other permits required by this section. ~~The times specified shall be extended for the period during which the Commission is prohibited from issuing a permit under subdivisions (3) and (4) of this subsection.~~ The rules shall provide, at a minimum, that the Department shall issue the permit, deny the permit, or publish the permit for public notice and comment within 90 calendar days of receipt of an administratively complete application for a minor modification, or within 270 calendar days of receipt of an administratively complete application for a major modification. The Commission shall inform a permit applicant as to whether or not the application is complete within the time specified in the rules for action on the application. If the Commission fails to act on an application for a permit required by Title V or this section within the time period specified, ~~the failure to act on the application constitutes a final agency decision to deny the permit. A permit applicant, permittee, or other person aggrieved, as defined in G.S. 150B-2, may seek judicial review of a failure to act on the application as provided in G.S. 143-215.5 and Article 4 of Chapter 150B of the General Statutes. Notwithstanding the provisions of G.S. 150B-51, upon review of a failure to act on an application for a permit required by Title V or this section, a court may either: (i) affirm the denial of the permit or (ii) remand the application to the Commission for action upon the application within a specified time.~~ the permit applicant, permittee, or other person aggrieved, as defined in G.S. 150B-2, may commence a contested case under G.S. 150B-23(a4)."

SECTION 12.11.(b) G.S. 143-213(1) is recodified as G.S. 143-213(1a).

SECTION 12.11.(c) G.S. 143-213, as recodified by subsection (b) of this section, is amended by adding a new subdivision to read:

"(1) The term "administratively complete" means that all information required by statute, regulation, or application form has been submitted to the Department for the purpose of processing a permit application."

TITLE V RESEARCH AND DEVELOPMENT EXEMPTION

SECTION 12.11.(d) The Environmental Management Commission shall begin rulemaking to create a Title V permit exemption for non-major research and development activities consistent with the Environmental Protection Agency's position regarding exemption for such activities as set forth in the July 10, 1995, "White Paper for Streamlined Development of Part 70 Permit Applications." The rules shall include, at a minimum, allowance levels and minor permit modification thresholds to promote greater flexibility in research and development activities and to allow facilities subject to Title V permit requirements flexibility to work with the Department of Environmental Quality and notify them of research activities with a minor permit modification to maintain compliance. The Commission shall complete draft rulemaking activities and submit a Title V program amendment request to the Environmental Protection Agency no later than July 1, 2025.

(b) Permitted Facilities. – A person who holds a permit under G.S. 143-215.108 may apply to the Commission for a modification of the permit to allow the person to alter or expand the physical arrangement or operation of an air contaminant source, equipment, or associated air cleaning device in a manner that alters the emission of air contaminants. The Except as provided in subsection (b1) of this section, the permittee may not operate the altered, expanded, or additional air contaminant source, equipment, or associated air cleaning device in a manner that alters the emission of any air contaminant without obtaining a permit modification under G.S. 143-215.108. A permittee may, however, alter or expand the physical arrangement or operation of an air contaminant source, equipment, or associated air cleaning device at a facility permitted under G.S. 143-215.108 if the permittee complies with the requirements of this section. At least 15 days prior to commencing alteration or expansion under this subsection, the permittee shall give notice by publication and shall submit to the Commission a notice of the permittee's intent to alter or expand the physical arrangement or operation of an air contaminant source, equipment, or associated air cleaning device. Notice by publication shall be in a newspaper having general circulation in the county or counties where the facility is to be located; shall be at the permittee's own expense; shall include a statement that written comment may be submitted to the Commission, that the Commission will consider any comment that it receives, and the Commission's address for submission of written comment; and shall include all the information required by subdivisions (1) through (6) of this subsection. - (1) Clearing and grading.
- (2) Construction of access roads, driveways, and parking lots.
- (3) Construction and installation of underground pipe work, including water, sewer, electric, and telecommunications utilities.
- (4) Construction of ancillary structures, including fences and office buildings, that are not a necessary component of an air contaminant source, equipment,

or associated air cleaning device for which a permit is required under G.S. 143-215.108.

- (5) Upon determination that an application for a permit or permit modification is administratively complete, the construction (but not operation) of a new air contaminant source, equipment, or associated air cleaning or emissions control devices prior to permit issuance. The exception in this subdivision applies only to an application for the addition or modification of an emissions source that is not subject to (i) permit limits set pursuant to programs for the prevention of significant deterioration and for the attainment of air quality standards in nonattainment areas under G.S. 143-215.107(a)(7), (ii) a residual risk-based hazardous air pollutant standard under 42 U.S.C. § 7412(f), as amended, or (iii) a case-by-case maximum achievable control technology (MACT) permit requirement issued by the Department pursuant to 42 U.S.C. § 7412(j), as amended. SECTION 12.12.(a) G.S. 143-214.7 is amended by adding two new subsections to read:

"(b5) Permitting under the authority granted to the Commission by this section shall comply with the procedures and time lines set forth in this subsection. For any development necessitating stormwater measures subject to this section, applications for new permits, permit modifications, permit transfers, permit renewals, and decisions to deny an application for a new permit, permit modification, transfer, or renewal shall be in writing. Where the Commission has provided a digital submission option, such submission shall constitute a written submission. The Commission shall act on a permit application as quickly as possible. The Commission may conduct any inquiry or investigation it considers necessary before acting on an application and may require an applicant to submit plans, specifications, and other information the Commission considers necessary to evaluate the application. If the Commission fails to act on an application for a permit or for a renewal of a permit as specified in this subsection after the applicant submits all information required by the Commission, the application shall be deemed approved without modification.

- (1) The Commission shall perform an administrative review of a new application and of a resubmittal of an application determined to be incomplete under subdivision (3) of this subsection within 10 working days of receipt to determine if the information is administratively complete. If complete, the Commission shall issue a receipt letter or electronic response stating that the application is complete and that a 70-calendar day technical review period has started as of the original date the application was received. If required items or information is not included, the application shall be deemed incomplete, and the Commission shall issue an application receipt letter or electronic response identifying the information required to complete the application package before the technical review begins. When the required information is received, the Commission shall then issue a receipt letter or electronic response specifying that it is complete and that the 70-calendar day review period has started as of the date of receipt of all required information. The Commission shall develop an application package checklist identifying the

items and information required for an application to be considered administratively complete.

(2) If, during the 70-calendar day technical review period, the Commission determines that the application meets the standards for issuance of a stormwater permit, it shall issue the permit.

(3) If, during the 70-calendar day technical review period, the Commission determines that additional information is required to continue processing the application, the Commission and the applicant shall comply with the following:

a. The Commission shall issue a letter or electronic response with a list of the additional information required to issue the permit.

b. The applicant shall have 30 calendar days from the date the letter or electronic response is sent to submit the additional information to the Commission.

c. If the applicant fails to provide the required information within 30 calendar days, the Commission shall return the application to the applicant, the application is deemed denied, and the applicant must resubmit a complete application with a new application fee before the project may be reviewed.

d. Upon receipt of the required information from the applicant, the Commission shall have 30 calendar days to complete the technical review and issue the permit, issue the permit with modifications, deny the permit, or issue a letter or electronic response with a list of additional information required to continue processing the application, and the review process will proceed in accordance with sub-subdivision b. of this subdivision.

e. After issuing a letter or electronic response requesting additional information under this subdivision, the Commission shall not subsequently request additional information that was not previously identified as missing or required in that additional information letter or electronic response. The Commission may request additional information if required for the technical review based on any new information, changed circumstances, or changed designs provided by the applicant in the response under sub-subdivision b. of this subdivision. Where the Commission identifies information that should have been requested, the Commission may include conditions in or modifications to the permit upon issuance addressing this information but shall not deny the permit because of the missing information. This prohibition on permit denial shall not apply where an application was deemed denied under sub-subdivision c. of this subdivision.

(b6) All permits issued pursuant to this section for which an expiration date is specified shall be issued for a term not to exceed eight years."

SECTION 12.12.(b) The Commission shall adopt amendments to its relevant permitting rules to reflect the statutory changes made by subsection (a) of this section. These amendments shall include updating 15A NCAC 02H .1045(4)(c) to reference G.S. 143-214.7 instead of G.S. 143-215.1.

SECTION 12.12.(c) Subsections (a) and (b) of this section become effective July 1, 2024.

SECTION 12.17.(j) Bonus Structure for 30-Day Period Prior to Implementation. – For administratively complete Title V Air Permit applications received between December 1 and December 31, 2023, the qualifying employee shall be eligible to receive bonuses set out in either subsection (f) or (g) of this section, whichever is greater.

SECTION 12.17.(k) Payment Schedule. – The Department shall pay bonuses to qualifying employees on a quarterly basis after making deductions for excessive application processing times as described in subsections (f) through (j) of this section, respectively. The Department shall determine if a qualifying employee should not receive a bonus under this section if the qualifying employee engaged in acts or omissions amounting to bad faith, gross negligence, or intentional wrongdoing that directly impairs or delays the processing of Title V Air Permit applications.

SECTION 12.17.(l) Calculation of Processing Days for Bonuses. – For the determination of an applicable bonus under this section, processing days shall begin the calendar day upon the receipt of an administratively complete Title V Air Permit application and end on the day that the Department notifies the applicant whether that permit application was issued or denied. Notwithstanding any other provision of law to the contrary, the Department shall not refuse to accept a Title V Air Permit application that is timely received and in compliance with Department rules for processing at the time of submittal. If an applicant does not provide requested additional information in response to a request letter for additional information provided electronically from the Department within five calendar days, the number of processing days from the time the additional information request letter was emailed to the applicant until such day that all of the requested additional information is received may be deducted from the total processing days used to calculate bonus eligibility. If a Title V Air Permit application is reassigned after the original permit reviewer leaves or otherwise separates employment of the Department, transfers to a new position unrelated to Title V Air Permit processing, or is on extended family or medical leave, all but 10 of the calendar days may be deducted from the total calendar days used to calculate the appropriate bonus percentage. If a permit is reviewed or processed by more than one qualifying employee of the same type, then the Director may apportion the eligible bonus by an appropriate percentage between the qualifying employees for that Title V Air Permit.

For Title V Air Permit applications received after January 1, 2024, when the processing of the application requires the Department to conduct a public hearing or provide the United States Environmental Protection Agency (EPA) the opportunity to review, forty-five (45) days may be added to the timeframes in the schedules set forth in subsections (g) through (i) of

this section when determining the applicable bonus percentages. Seventy-five (75) days may be added to timeframes in those schedules when a public hearing and an EPA review period are required. Applications received before December 1, 2023, are not eligible for the additional processing days.

SECTION 12.17.(m) Deduction Applicability. – If a qualifying employee is subject to a deduction based on processing a Title V Air Permit, then the deduction shall be equal to the maximum bonus amount the qualifying employee is able to receive for processing that particular Title V Air Permit under the bonus program. To calculate deductions for each qualifying employee, the Department shall subtract each deduction from the total bonus amount the qualifying employee is eligible to receive for that quarter. If the deduction total is greater than the total bonus amount, then the qualifying employee's total bonus amount for that quarter shall be zero; the qualifying employee shall not carry a deficit into the next quarter, and the deduction shall not impact the qualifying employee's earned non-bonus compensation.

SECTION 12.17.(n) Payment of Bonuses for Pending Permits. – For bonuses earned for Title V Air Permits under subsection (f) of this section, the payment of the bonus may be delayed until funds are available from the Fund established in subsection (c) of this section to pay out the entirety of the bonus.

SECTION 12.17.(o) Bonuses Not Compensation. – Bonuses awarded to a qualifying employee under this section shall be in addition to any earned non-bonus compensation the qualifying employee receives or is scheduled to receive. Nothing in this section shall be construed to reduce a qualifying employee's earned non-bonus compensation, including regular wages and overtime. Notwithstanding G.S. 135-1(7a), the bonuses awarded under this section are not compensation under Article 1 of Chapter 135 of the General Statutes, Retirement System for Teachers and State Employees.

SECTION 12.17.(p) Quality Control Measures. – The Environmental Management Commission shall develop quality control measures to measure consistency and quality of Title V Air Permit processing that ensures each application is adequately reviewed and, if denied, that there is good cause to deny the Title V Air Permit. The Commission may temporarily reduce the percentage of future bonus payouts to the qualifying employee (supervisor or permit reviewer) if Title V Air Permit application processing fails to meet quality standards as determined by the Commission. The Commission shall consult with the Department and provide this information to be included in the annual report submitted by the Department in accordance with this section.

SECTION 12.17.(q) Exemption. – The Program is not a program (i) of meritorious service awards, (ii) of productivity incentives, or (iii) for recognition of employees, public personnel management, or management excellence for purposes of the provisions of G.S. 126-4(8), (10), and (15), and thus is not subject to the rulemaking authority or policy development of the State Human Resources Commission.

SECTION 12.17.(r) Reporting Requirement. – Beginning on December 1, 2024, the Department shall report to the chairs of the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources on the awarding of bonuses under this section for the previous year. The report shall include, at a minimum, (i) how many bonuses were paid and details regarding each bonus, including amount, associated permit type, and qualifying employee, and (ii) the change in processing time for permit application decisions after the implementation of the bonus program. The Department shall include the quality control measures and any findings resulting therefrom in accordance with subsection (p) of this section in this report. The report shall also include a list of contested cases where the Office of Administrative Hearings rendered a final decision or order with findings of fact and conclusions of law, or a judgment on the pleadings or summary judgment in favor of a person aggrieved by the Department, and an estimate of the resulting costs to the State from the previous year. SALUDA GRADE RAIL CORRIDOR

SECTION 14.5.(a) Findings and Purpose. – The General Assembly finds that the Saluda Grade Railroad was constructed in the 1870s to link Spartanburg, South Carolina, to Asheville, North Carolina, and holds a special place in American rail history as the steepest

standard-gauge mainline railroad in the United States, located where the line crosses the dramatic Blue Ridge Escarpment. The General Assembly further finds that the 31-mile portion of the Railroad proposed for acquisition stretches from Inman, South Carolina, to Zirconia, North Carolina, with 16 miles in South Carolina and 15 miles in North Carolina, and would pass through downtown Inman, Gramling, Campobello, Landrum, Tryon, and Saluda, as well as the picturesque Piedmont countryside, the Pacolet River valley with its plunging waterfalls, and the spectacular scenery around the Green River and Lake Summit. The purpose of this section is to take advantage of an unprecedented opportunity for the citizens of North Carolina to celebrate 2023 as the Year of the Trail and enhance the reputation of North Carolina as the Great Trails State by acquiring the Saluda Grade rail corridor for conversion into the Saluda Grade Trail.

SECTION 14.5.(b) Definition. – For purposes of this section, the Saluda Grade rail corridor means the portion of the Norfolk Southern W-Line railroad between milepost 26 in the unincorporated community of Zirconia in Henderson County and the boundary between North Carolina and South Carolina.

Of the funds allocated by this subsection, the amount necessary for the Conservancy to provide the earnest money deposit toward the purchase of the Saluda Grade rail corridor, not to exceed two million dollars (\$2,000,000), shall be provided to the Conservancy as soon as possible after the effective date of this act. The remaining funds shall be provided to the Conservancy upon the earlier of (i) January 1, 2025, or (ii) the date the Department completes the study required by subdivision (c)(5) of Section 14.7 of this act and notifies the Office of State Budget and Management that it has done so.

SECTION 14.5.(d) Memorandum of Understanding. – No later than 60 days after the effective date of this act, the Department of Natural and Cultural Resources shall enter into a Memorandum of Understanding with the Conservancy regarding the long-term ownership structure, management, and improvement of the rail corridor. - (1) That not later than July 1, 2027, the corridor will be conveyed to the State to be added to the State Trail system.
- (2) That the conveyance and other provisions of the Memorandum are structured to ensure that the acquisition of the rail corridor and the conversion to an interim use as a State trail is consistent with the requirements of federal law necessary to preserve established railroad rights-of-way for future activation of rail service as set forth in the railbanking provisions of the National Trails System Act Amendments of 1983.

SECTION 14.5.(e) Report. – The Department shall provide an interim report no later than March 1, 2024, and a final report no later than October 1, 2026, to the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources and the Fiscal Research Division regarding the acquisition of the Saluda Grade rail corridor funded by this section. The Department shall also include a summary of its actions to promote and support the establishment of the Saluda Grade Trail as a part of the annual report required by G.S. 143B-135.102.

SECTION 14.5.(f) Authorization. – Upon completion of the acquisition of the Saluda Grade rail corridor funded by this section, the General Assembly authorizes the Department of Natural and Cultural Resources to add the trail established on the Saluda Grade rail corridor to the State Parks System as a State trail, as provided in G.S. 143B-135.54(b). The

Department shall support, promote, encourage, and facilitate the establishment of trail segments and connecting trails on State parklands and on lands of other federal, State, local, and private landowners. On segments of the trail that cross property controlled by agencies or owners other than the Department's Division of Parks and Recreation, the laws, rules, and policies of those agencies or owners shall govern the use of the property. The requirement of G.S. 143B-135.54(b) that additions be accompanied by adequate appropriations for land acquisition, development, and operations shall not apply to the authorization set forth in this section; provided, however, that the State may receive donations of appropriate land and may purchase other needed lands or finance improvements and amenities for the trail with existing funds in the Clean Water Management Trust Fund, the Parks and Recreation Trust Fund, the federal Land and Water Conservation Fund, and other available sources of funding.

To ensure that members of the three judge panel are drawn from different regions of the State, the Chief Justice shall appoint to the three judge panel one resident superior court judge from the First through Third Judicial Divisions and one resident superior court judge from the Fourth through Fifth Judicial Divisions. In order to ensure fairness, to avoid the appearance of impropriety, and to avoid political bias, no member of the panel, including the senior resident superior court judge of Wake County, may be a former member of the General Assembly. Should the senior resident superior court judge of Wake County be disqualified or otherwise unable to serve on the three judge panel, the Chief Justice shall appoint another resident superior court judge of Wake County as the presiding judge of the three judge panel. Should any other member of the three judge panel be disqualified or otherwise unable to serve on the three judge panel, the Chief Justice shall appoint as a replacement another resident superior court judge from the same group of judicial divisions as the resident superior court judge being replaced.~~

~~(b1) Any facial challenge to the validity of an act of the General Assembly filed in the Superior Court of Wake County, other than a challenge to plans apportioning or redistricting State legislative or congressional districts that shall be heard pursuant to subsection (b) of this section, or any claim transferred to the Superior Court of Wake County pursuant to subsection (a1) of this section, shall be assigned by the senior resident Superior Court Judge of Wake County to a three judge panel established pursuant to subsection (b2) of this section.~~

~~(b2) For each challenge to the validity of statutes and acts subject to subsection (a1) referenced in subsection (a) of this section, the Chief Justice of the Supreme Court shall appoint three resident superior court judges to a three-judge panel of the Superior Court of Wake County to hear the challenge. The Chief Justice shall appoint a presiding judge of each three-judge panel. To ensure that members of each three judge panel are drawn from different regions of the State, the Chief Justice shall appoint to each three judge panel one resident superior court judge from the First or Second Judicial Division, one resident superior court judge from the Third or Fourth Judicial Division, and one resident superior court judge from the Fifth Judicial Division. Should any member of a three-judge panel be disqualified or otherwise unable to serve on the three-judge panel or be removed from the panel at the discretion of the Chief Justice, the Chief Justice shall appoint as a replacement another resident superior court judge from the same group of judicial divisions as the resident superior court judge being replaced. No member of the panel on an action challenging the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts may be a former member of the General Assembly.~~

~~(c) No order or judgment shall be entered affecting the validity of any act of the General Assembly that apportions or redistricts State legislative or congressional districts, or finds that an act of the General Assembly is facially invalid on the basis that the act violates the North Carolina Constitution or federal law, except by a three-judge panel of the Superior Court of Wake County organized as provided by subsection (b) or subsection (b2) of this section. In the event of disagreement among the three resident superior court judges comprising a three-judge panel, then the opinion of the majority shall prevail.~~

~~(d) This section applies only to civil proceedings. Nothing in this section shall be deemed to apply to criminal proceedings, to proceedings under Chapter 15A of the General Statutes, to~~

proceedings making a collateral attack on any judgment entered in a criminal proceeding, or to civil proceedings filed by a taxpayer pursuant to G.S. 105-241.17.

(e) For the purposes of this section, the position of superior court judge shall include regular, special, and emergency superior court judges."

SECTION 16.21.(b) G.S. 1A-1, Rule 42 of the North Carolina Rules of Civil Procedure reads as rewritten:

"Rule 42. Consolidation; separate trials.

When actions involving a common question of law or fact are pending in both the superior and the district court of the same county, a judge of the superior court in which the action is pending may order all the actions consolidated, and ~~he the judge~~ may make such orders concerning proceedings therein as may tend to avoid unnecessary costs or delay.

(b) Separate trials. –

(4) Pursuant to G.S. 1-267.1, any facial challenge to the validity of an act of the General Assembly, other than a challenge to plans apportioning or redistricting State legislative or congressional districts, shall be heard by a three-judge panel in the Superior Court of Wake County if a claimant raises such a challenge in the claimant's complaint or amended complaint in any court in this State, or if such a challenge is raised by the defendant in the defendant's answer, responsive pleading, or within 30 days of filing the defendant's answer or responsive pleading. In that event, the court shall, on its own ~~motion, motion~~ or the motion of a party, transfer that portion of the action challenging the validity of the act of the General Assembly to the Superior Court of Wake County for resolution by a ~~three-judge-three-judge~~ panel if, after all other matters in the action have been resolved, a determination as to the facial validity of an act of the General Assembly must be made in order to completely resolve any matters in the case. The court in which the action originated shall maintain jurisdiction over all matters other than the challenge to the act's facial validity. For a motion filed under Rule 11 or Rule 12(b)(1) through (7), the original court shall rule on the motion, however, it may decline to rule on a motion that is based solely upon Rule 12(b)(6). If the original court declines to rule on a Rule 12(b)(6) motion, the motion shall be decided by the three-judge panel. The original court shall stay all matters that are contingent upon the outcome of the challenge to the act's facial validity pending a ruling on that challenge and until all appeal rights are exhausted. Once the three-judge panel has ruled and all appeal rights have been exhausted, the matter shall be transferred or remanded to the three-judge panel or the trial court in which the action originated for resolution of any outstanding matters, as appropriate."

SECTION 16.21.(c) G.S. 7A-27(b) reads as rewritten:

SECTION 16.21.(e) Subsection (d) of this section is effective when it becomes law and applies to appellate cases filed with the Court of Appeals on or after that date. PART XXVII. GENERAL ASSEMBLY

CONTINUING LEGAL EDUCATION EXEMPTION FOR FULL-TIME ATTORNEYS FOR GENERAL ASSEMBLY

SECTION 27.1.(a) Finding. – The General Assembly finds that licensed attorneys who are full-time employees of the North Carolina General Assembly draft the general and local laws of this State, which requires extensive writing skills and researching capabilities similar to those required of full-time judicial law clerks employed by the judicial branch and full-time law professors. These full-time law clerks and full-time law professors have been granted exemptions from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as a law clerk or law professor. Further, licensed attorneys who are members of the General Assembly have also been granted an exemption from continuing legal education requirements for any calendar year in which they serve some portion thereof as a member of the General Assembly. The General Assembly finds that given the similarities of the professional skills and abilities required by licensed attorneys who are full-time judicial law clerks, full-time law professors, and full-time employees of the General Assembly to perform their duties, there is ample justification for providing that licensed attorneys who are full-time employees of the General Assembly should be granted an exemption from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as full-time employees of the General Assembly.

SECTION 27.1.(b) Full-Time Attorneys for General Assembly. – Notwithstanding any other provision of law or rule, the North Carolina State Bar Council shall adopt rules in accordance with Article 4 of Chapter 84 of the General Statutes to provide that full-time employees of the North Carolina General Assembly are exempt from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as full-time employees of the North Carolina General Assembly. Rules adopted pursuant to this section are not subject to Part 3 of Article 2A of Chapter 150B of the General Statutes. Until such time that the Bar Council adopts rules as required by this section, full-time employees of the North Carolina General Assembly shall be exempt from the continuing legal education requirements established by the North Carolina State Bar for any calendar year in which they serve some portion thereof in their capacity as full-time employees of the North Carolina General Assembly.

Any such claims filed in any other forum arising out of or relating to the same subject matter against the officer, employee, involuntary servant, or agent of the State is precluded."

SECTION 31.1.(b) This section is effective when it becomes law and applies to all claims filed on or after that date.

INDUSTRIAL COMMISSION/BASE BUDGET ADJUSTMENT

SECTION 31.2. INDUSTRIAL COMMISSION/EXTENDED COMPENSATION/CLARIFY MEANING OF "TOTAL LOSS OF WAGE-EARNING CAPACITY"

SECTION 31.3.(a) G.S. 97-29(c) reads as rewritten:

"(c) An employee may qualify for extended compensation in excess of the 500-week limitation on temporary total disability as described in subsection (b) of this section only if (i) at the time the employee makes application to the Commission to exceed the 500-week limitation on temporary total disability as described in subsection (b) of this section, 425 weeks have passed since the date of first disability and (ii) pursuant to the provisions of G.S. 97-84, unless agreed to by the parties, the employee shall prove by a preponderance of the evidence that the employee has sustained a total loss of wage-earning capacity.

For the purposes of this subsection only, the term "total loss of wage-earning capacity" shall mean the complete elimination of the capacity to earn any wages. "Disability" as defined by G.S. 97-2(9) and "suitable employment" as defined by G.S. 97-2(22) shall not apply to this provision. The Commission may consider preexisting and injury-related physical and mental limitations, vocational skills, education, and experience in determining whether the employee has sustained a total loss of wage-earning capacity.

If an employee makes application for extended compensation pursuant to this subsection and is awarded extended compensation by the Commission, the award shall not be stayed pursuant to G.S. 97-85 or G.S. 97-86 until the full Commission or an appellate court determines otherwise. Upon its own motion or upon the application of any party in interest, the Industrial Commission may review an award for extended compensation in excess of the 500-week limitation on temporary total disability described in subsection (b) of this section, and, on such review, may make an award ending or continuing extended compensation. When reviewing a prior award to determine if the employee remains entitled to extended compensation, the Commission shall determine if the employer has proven by a preponderance of the evidence that the employee no longer has a total loss of wage-earning capacity. When an employee is receiving full retirement benefits under section 202(a) of the Social Security Act, after attainment of retirement age, as defined in section 216(l) of the Social Security Act, the employer may reduce the extended compensation by one hundred percent (100%) of the employee's retirement benefit. The reduction shall consist of the employee's primary benefit paid pursuant to section 202(a) of the Social Security Act but shall not include any dependent or auxiliary benefits paid pursuant to any other section of the Social Security Act, if any, or any cost-of-living increases in benefits made pursuant to section 215(i) of the Social Security Act."

SECTION 31.3.(b) In enacting subsection (a) of this section, it is the intent of the General Assembly to clarify, in response to *Sturdivant v. N. Carolina Dep't of Pub. Safety*, 887 S.E.2d 85 (N.C. Ct. App. 2023), that an employee has a different standard for establishing the burden of proof for extended compensation pursuant to G.S. 97-29(c) to reflect the intent of the General Assembly when it enacted S.L. 2011-287.
