Short Title: North Carolina Farm Act of 2019. (Public) Sponsors: Referred to: March 21, 2019 1 A BILL TO BE ENTITLED 2 AN ACT TO MAKE VARIOUS CHANGES TO THE AGRICULTURAL LAWS OF THE 3 STATE. 4 The General Assembly of North Carolina enacts: 5 6 IMPLEMENT A STATE HEMP PROGRAM IN ACCORDANCE WITH SECTION 7 10113 OF THE FEDERAL AGRICULTURE IMPROVEMENT ACT OF 2018. TO BE 8 ADMINISTERED BY THE NORTH CAROLINA HEMP COMMISSION UNTIL JULY 9 1,2021 10 SECTION 1. Article 50E of Chapter 106 of the General Statutes reads as rewritten: "Article 50E. 11 12 "Industrial Hemp.North Carolina Hemp Commission. 13 "§ 106-568.50. Legislative findings and purpose. The General Assembly finds and declares that it is in the best interest of the citizens of North 14 Carolina to promote and encourage the development of an industrial hemp industry in the State 15 16 in order to expand employment, promote economic activity, and provide opportunities to small farmers for an environmentally sustainable and profitable use of crop lands that might otherwise 17 be lost to agricultural production. The purposes of this Article are to establish an agricultural 18 19 pilot program for the cultivation of industrial hemp in the State, to provide for reporting on the 20 program by growers and processors for agricultural or other research, and to pursue any federal 21 permits or waivers necessary to allow industrial hemp to be grown in the State. 22 The General Assembly finds and declares that hemp is a viable agriculture commodity in this State and that it is in the best interest of the citizens of North Carolina to: 23 Promote the cultivation and processing of hemp and open new commercial 24 (1)25 markets for farmers and businesses through the sale of hemp products. Promote the expansion of the State's hemp industry to the maximum extent 26 (2) permitted by law, allowing farmers and businesses to cultivate, handle, and 27 process hemp and sell hemp products for commercial purposes. 28 29 (3) Encourage and empower research into hemp growth and hemp products at State institutions of higher education and in the private sector. 30 Move the State and its citizens to the forefront of the hemp industry. 31 (4) "§ 106-568.51.
