The General Assembly of North Carolina enacts:

**SECTION 1.(a)** Creation. – There is created the Joint Legislative Study Committee on Short Term Compensation (Committee) because preserving employees' jobs and employers' trained workforces during times of lowered economic activity is vital to the economic health and well-being of this State. The Committee shall consist of 12 voting members who are legislators and three nonvoting ex officio members, as follows:

- (1) Six members of the House of Representatives appointed by the Speaker of the House of Representatives, with at least two members from the minority party, upon the recommendation of the House Minority Leader.
- (2) Six members of the Senate appointed by the President Pro Tempore of the Senate, with at least two members of the minority party, upon recommendation of the Senate Minority Leader.
- (3) Three ex officio members, including (i) a person elected by the voting members of the Committee to represent employers, (ii) a person elected by the voting members of the Committee to represent employees, and (iii) the Assistant Secretary of the Department of Commerce in charge of the Division of Employment Security or that person's designee.

Vacancies on the Committee shall be filled by the appointing authority. The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate a cochair. A quorum of the Committee shall be a majority of its voting members. The Committee may meet at any time upon the joint call of the cochairs.

**SECTION 1.(b)** Study. – The Committee shall do all of the following in its study of short term compensation (STC) as authorized by the Middle Class Tax Relief and Job Creation Act of 2012 (P.L. 112-96) and augmented by the Coronavirus Aid, Relief, and Economic Security Act (P.L. 116-136), and, if a short term compensation statute is to be enacted, as may be required by section 3306(v) of the Federal Unemployment Tax Act (FUTA):

- (1) Study whether implementing STC in North Carolina would be an effective alternative to layoffs for employers experiencing a reduction in available work.
- (2) Review STC programs operational in other states to determine best practices and consider whether a successful statutory model already in existence is potentially adaptable to the North Carolina context.

1 (3) Consider any statutory or policy changes necessary to establish STC  
2 successfully in North Carolina.

3 (4) Examine any other data or matters related to STC.

4 **SECTION 1.(c)** Report. – The Committee shall report its findings and any legislative  
5 proposals to the 2023 General Assembly. The Committee will terminate upon filing its report.

6 **SECTION 1.(d)** Powers. – The Committee, while in the discharge of its official  
7 duties, may exercise all powers provided for under G.S. 120-19 and G.S. 120-19.1 through  
8 G.S. 120-19.4, including the power to request all officers, agents, agencies, and departments of  
9 the State to provide any information, data, or documents within their possession, ascertainable  
10 from their records, or otherwise available to them.

11 **SECTION 1.(e)** Administration. – The Legislative Services Commission, through  
12 the Legislative Services Officer, shall assign professional staff to assist the Committee in its  
13 work. The Directors of Legislative Assistants of the Senate and of the House of Representatives
