(Representatives Beadle, Heilman, N. Johnson, Sanford, Mock)
(Senators Flakoll, Miller)

A concurrent resolution directing the Legislative Management to study the use of open textbooks in the North Dakota University System, including options to develop partnerships with other states to use open textbooks.

WHEREAS, a North Dakota University System student pays an estimated average of \$1,100 per year for academic course textbooks; and

WHEREAS, open textbooks are published under a license that enables students to obtain free or low-cost versions of electronic or printed academic textbooks; and

WHEREAS, the use of open textbooks can significantly reduce higher education costs for students which increases student access to higher education; and

WHEREAS, the use of open textbooks among all North Dakota University System institutions and other states' higher education systems for common core courses may result in efficiencies reducing state costs related to higher education;

That the Legislative Management study the use of open textbooks in the North Dakota University System, including options to develop partnerships with other states to use open textbooks; and
