7 **SECTION 47. AMENDMENT.** Section 57-15-01.1 of the North Dakota Century Code is
8 amended and reenacted as follows:

9 **57-15-01.1. Protection of taxpayers and taxing districts.**

10 Each taxing district may levy the lesser of the amount in dollars as certified in the budget of
11 the governing body, or the amount in dollars as allowed in this section, subject to the following:

- 12 1. No taxing district may levy more taxes expressed in dollars than the amounts allowed
13 by this section.
- 14 2. For purposes of this section:
 - 15 a. "Base year" means the taxing district's taxable year with the highest amount
16 levied in dollars in property taxes of the three taxable years immediately
17 preceding the budget year. For a park district general fund, the "amount levied in
18 dollars in property taxes" is the sum of amounts levied in dollars in property taxes
19 for the general fund under section 57-15-12 including any additional levy
20 approved by the electors, the insurance reserve fund under section 32-12.1-08,
21 the employee health care program under section 40-49-12, the public recreation
22 system under section 40-55-09 including any additional levy approved by the
23 electors, forestry purposes under section 57-15-12.1 except any additional levy
24 approved by the electors, pest control under section 4-33-11, and handicapped
25 person programs and activities under section 57-15-60;
 - 26 b. "Budget year" means the taxing district's year for which the levy is being
27 determined under this section;
 - 28 c. "Calculated mill rate" means the mill rate that results from dividing the base year
29 taxes levied by the sum of the taxable value of the taxable property in the base
30 year plus the taxable value of the property exempt by local discretion or
31 charitable status, calculated in the same manner as the taxable property; and

- 1 d. "Property exempt by local discretion or charitable status" means property
2 exempted from taxation as new or expanding businesses under chapter 40-57.1;
3 improvements to property under chapter 57-02.2; or buildings belonging to
4 institutions of public charity, new single-family residential or townhouse or
5 condominium property, property used for early childhood services, or pollution
6 abatement improvements under section 57-02-08.
- 7 3. A taxing district may elect to levy the amount levied in dollars in the base year. Any
8 levy under this section must be specifically approved by a resolution approved by the
9 governing body of the taxing district. Before determining the levy limitation under this
10 section, the dollar amount levied in the base year must be:
- 11 a. Reduced by an amount equal to the sum determined by application of the base
12 year's calculated mill rate for that taxing district to the final base year taxable
13 valuation of any taxable property and property exempt by local discretion or
14 charitable status which is not included in the taxing district for the budget year but
15 was included in the taxing district for the base year.
- 16 b. Increased by an amount equal to the sum determined by the application of the
17 base year's calculated mill rate for that taxing district to the final budget year
18 taxable valuation of any taxable property or property exempt by local discretion or
19 charitable status which was not included in the taxing district for the base year
20 but which is included in the taxing district for the budget year.
- 21 c. Reduced to reflect expired temporary mill levy increases authorized by the
22 electors of the taxing district. For purposes of this subdivision, an expired
23 temporary mill levy increase does not include a school district general fund mill
24 rate exceeding one hundred ten mills which has expired or has not received
25 approval of electors for an extension under subsection 2 of section 57-64-03.
- 26 ~~d. Increased, for a school district determining its levy limitation under this section,~~
27 ~~by the amount the school district's mill levy reduction grant under section~~
28 ~~57-64-02 for the base year exceeds the amount of the school district's mill levy~~
29 ~~reduction grant under section 57-64-02 for the budget year.~~
- 30 ~~e. Reduced for a school district determining its levy limitation under this section, by~~
31 ~~the amount the school district's mill levy reduction grant under section 57-64-02~~

1 for the budget year exceeds the amount of the school district's mill levy reduction-
2 grant under section 57-64-02 for the base year.

3 d. If the base year is a taxable year before 2013, reduced by the amount of state aid
4 under chapter 15.1-27, which is determined by multiplying the budget year
5 taxable valuation of the school district by the lesser of:

- 6 (1) The base year mill rate of the school district minus forty mills; or
7 (2) Fifty mills.

8 4. In addition to any other levy limitation factor under this section, a taxing district may
9 increase its levy in dollars to reflect new or increased mill levies authorized by the
10 legislative assembly or authorized by the electors of the taxing district.

11 5. Under this section a taxing district may supersede any applicable mill levy limitations
12 otherwise provided by law, or a taxing district may levy up to the mill levy limitations
13 otherwise provided by law without reference to this section, but the provisions of this
14 section do not apply to the following:

15 a. Any irrevocable tax to pay bonded indebtedness levied pursuant to section 16 of
16 article X of the Constitution of North Dakota.

17 b. The one-mill levy for the state medical center authorized by section 10 of article X
18 of the Constitution of North Dakota.

19 6. A school district choosing to determine its levy authority under this section may apply
20 subsection 3 only to the amount in dollars levied for general fund purposes under
21 section 57-15-14 or, if the levy in the base year included separate general fund and
22 special fund levies under sections 57-15-14 and 57-15-14.2, the school district may
23 apply subsection 3 to the total amount levied in dollars in the base year for both the
24 general fund and special fund accounts. School district levies under any section other
25 than section 57-15-14 may be made within applicable limitations but those levies are
26 not subject to subsection 3.

27 7. Optional levies under this section may be used by any city or county that has adopted
28 a home rule charter unless the provisions of the charter supersede state laws related
29 to property tax levy limitations.

19 3. c. After June 30, 2009, in any school district election for approval by electors of
20 increased levy authority under subsection 1 or 2, the ballot must specify the
21 number of mills proposed for approval, and the number of taxable years for which

- 18 a school district subject to this subsection have not approved a levy of up to a

- 20 district levy limitation for subsequent years is subject to the limitations under
- 21 section 57-15-01.1 or this section.
- 22 2. a. The question of authorizing or discontinuing such specific number of mills
- 23 authority in any school district must be submitted to the qualified electors at the
