BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

6 **SECTION 1.** A new section to chapter 57-38 of the North Dakota Century Code is created 7 and enacted as follows:

8 <u>Twenty-first century manufacturing workforce incentive.</u>

A taxpayer that is a primary sector business is allowed a nonrefundable credit against the tax imposed under section 57-38-30 or 57-38-30.3 for purchases of manufacturing machinery and equipment for the purpose of automating manufacturing processes in this state to improve job quality or increase productivity. The term does not include 2 replacement automation and robotic equipment that does not upgrade or 3 advance a manufacturing process. 4 "Primary sector business" has the meaning provided in section 1-01-49. d. 5 "Purchase" includes manufacturing machinery and equipment acquired under a <u>e.</u> 6 capital lease only for the taxable year in which the lease is executed. A capital 7 lease is a lease which meets generally accepted accounting principles. The credit under this section 12 may not exceed the taxpayer's liability as determined under this chapter for any 13 taxable year. 14 If the amount of the credit determined under this section exceeds the liability for tax 4. 15 under this chapter, the excess may be carried forward to each of the next five 16 succeeding taxable years. 17 <u>5.</u> The aggregate amount of credits allowed each calendar year under this section may 18 not exceed two million dollars. However, if the maximum amount of allowed credits are 19 not claimed in any calendar year, any remaining unclaimed credits may be carried 20 forward and made available in the next succeeding calendar year. If the aggregate 21 amount of credits claimed under this section exceeds the amount available in a 22 calendar year, the tax commissioner shall prorate the credits among the claimants. 23 If a taxpayer entitled to the credit provided by this section is a member of a group of <u>6.</u> 24 corporations filing a North Dakota consolidated tax return using the combined 25 reporting method, the credit may be claimed against the aggregate North Dakota tax 26 liability of all the corporations included in the North Dakota consolidated return. 27 A passthrough entity entitled to the credit under this section must be considered to be 28 the taxpayer for purposes of calculating the credit. The amount of the allowable credit 29 must be determined at the passthrough entity level. The total credit determined at the 30 entity level must be passed through to the partners, shareholders, or members in

proportion to their respective interests in the passthrough entity. An individual taxpayer

The taxpayer claiming the credit shall file with 7 the taxpayer's return, on forms prescribed by the tax commissioner, the following 8 information: 9 The name, address, and federal identification number or social security number <u>a.</u> 10 of the taxpayer that made the purchase; and 11 An itemization of: b. 12 (1) Each item of machinery or equipment purchased for automation, including a 13 description of the equipment or system being upgraded or advanced, and 14 an explanation of how the upgrade or advancement will improve job quality 15 or increase productivity; 16 The amount paid for each item of machinery or equipment if the amount <u>(2)</u> 17 paid for the machinery or equipment is being used as a basis for calculating 18 the credit; and 19 The date on which payment for the purchase was made. 20 <u>9.</u> Within one year after claiming a tax credit under this section, a taxpayer shall file with 21 the tax commissioner a report that documents the improved job quality or increased 22 productivity required under this section and any other information the tax 23 commissioner determines is necessary for administration of this section. Failure to 24 document the improved job quality or increased productivity requirements is cause to 25 disallow the credit attributable to the noncompliance. The tax commissioner shall 26 provide notice of the disallowed credit to the taxpayer. Within ninety days after the 27 date of the notice, the taxpayer shall file an amended return for each taxable year in 28 which the disallowed credit reduced the taxpayer's tax liability and pay the amount
