3 mail ballots.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 16.1-07-05 of the North Dakota Century Code is  
6 amended and reenacted as follows:

7 **16.1-07-05. Time for applying for ballot - Emergency situations - Sufficient time for**  
8 **application and ballot return.**

- 9 1. At any time in an election year, any qualified elector may apply to the county auditor,  
10 the auditor or clerk of the city, or the business manager of the school district, as the  
11 case may be, by personal delivery, facsimile, electronic mail or otherwise, for an  
12 official ballot to be voted at that election. A voter may obtain an application form  
13 approved by the secretary of state, for an absent voter's ballot for a general, special,  
14 primary, county, city, or school election from the secretary of state, a county or city  
15 auditor, a candidate, a political party, or a political committee. The application form  
16 must provide the applicant the ability to indicate which elections in the calendar year  
17 the applicant wishes to vote by absentee ballot.
- 18 2. No auditor or clerk may issue ballots for absentee voters on the day of the election  
19 except to individuals prevented from voting in person on the day of the election due to  
20 an emergency. An individual requesting an absentee ballot on the day of the election  
21 due to an emergency must do so through an agent as set forth in this chapter. An  
22 agent may represent only one individual. The absentee ballot must be returned to the  
23 county auditor's office by four p.m. on the day of the election. If the county auditor or  
24 appropriate election officer designates or implements the use of a drop box in an

1           election specified in this title, the drop box must be secured and under the control of  
2           the local election official at all times. All ballots deposited in a drop box must be  
3           collected by the election official no less than once per day. Ballots may not be  
4           deposited in the drop box after five p.m. on the day before an election.

5           3. A completed application must be submitted to the appropriate election official in a  
6           timely manner so as to allow the applicant to receive, complete, and mail the absent  
7           voter's ballot before the day of the election.

8           **SECTION 2. AMENDMENT.** Section 16.1-07-09 of the North Dakota Century Code is

10           **16.1-07-09. Canvassing of mailed absent voter's ballot received late.**

11           In congressional, state, county, city, or school district elections, if an envelope postmarked

14           election day, the ballot must be tallied by the canvassing board of the county, the governing  
15           body of the city, or the school board of the school district, as the case may be, at the time the  
16           returns are canvassed. Any envelope without a postmark or other official marking by the United  
17           States postal service or other mail delivery system or with an illegible postmark or other official  
18           marking and containing an absentee voter's ballot must be received by mail by the proper  
19           officer prior to the meeting of the canvassing board. An absent voter may personally deliver the  
20           absent voter's ballot to the appropriate officer's office at any time before five p.m. on the day  
21           before the election. If the county auditor or appropriate election officer designates or implements  
22           the use of a drop box in an election specified under this title, the drop box must be secured and  
23           under the control of the local election official at all times. All ballots deposited in a drop box must  
24           be collected by the election official no less than once per day. Ballots may not be deposited in  
25           the drop box after five p.m. on the day before an election. Any envelope containing an absent  
26           voter's ballot with a postmark or official date stamp on the day of election or thereafter may not  
27           be tallied with the ballots timely submitted for the election. Before forwarding any ballot to a  
28           canvassing board pursuant to this section, the officer forwarding the ballot shall print the date of  
29           receipt on the envelope. Upon receipt, the canvassing board shall determine that the elector  
30           was qualified to vote in that precinct, that the elector did not previously vote in that precinct on

1 the date of the election, and that the signatures on the absentee ballot application and the  
2 voter's affidavit were signed by the same individual before allowing the ballot to be tallied.
