Working papers may be, at the discretion of the state auditor and unless otherwise prohibited by law, made available for inspection. A
2. Except as provided in this subsection, a draft audit report for an audit completed in accordance with performance auditing standards contained in government auditing standards issued by the comptroller general of the United States to provide an independent assessment of the performance and management of a program released to the governing body or management of the audited entity is confidential until the final version of the audit report is an open record. During the review period, the preliminary audit report and the response may not be provided to any other person except by the legislative audit and fiscal review committee as necessary to perform the committee's duties as described in section 54-35-02.2. At the end of the review period, the preliminary audit report is deemed a final audit report, and the final audit report and the audited entity's response are open records.
