**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. AMENDMENT.** Subsection 17 of section 10-04-06 of the North Dakota Century Code is amended and reenacted as follows:

17. Any offer or sale of a security by an issuer in a transaction provided all of the following conditions are met:
  - a. Sales of securities may be made only to persons who are, or the issuer reasonably believes are, accredited investors as defined in 17 CFR 230.501(a) promulgated by the securities and exchange commission.
  - b. The exemption is not available to an issuer that is in the development stage that either has no specific business plan or purpose or has indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies, or other entity or person.
  - c. The issuer reasonably believes that all purchasers are purchasing for investment and not with the view to, or for, sale in connection with a distribution of the security. Any resale of a security sold in reliance of this exemption within twelve months of sale must be presumed to be with a view to distribution and not for investment, except a resale pursuant to a registration statement effective under section 10-04-04 or to an accredited investor pursuant to an exemption available under subsection 5.
  - d. (1) The exemption is not available to an issuer if the issuer, any of the issuer's predecessors, any affiliated issuer, any of the issuer's directors, officers, general partners, beneficial owners of ten percent or more of any class of its equity securities, any of the issuer's promoters presently connected with the issuer in any capacity, any underwriter of the securities to be offered, or any partner, director, or officer of such underwriter:
    - (a) Within the last five years, has filed a registration statement that is the subject of a currently effective registration stop order entered by any state securities administrator or the securities and exchange commission;
    - (b) Within the last five years, has been convicted of any criminal offense in connection with the offer, purchase, or sale of any security, or involving fraud or deceit;
    - (c) Is currently subject to any state or federal administrative enforcement order or judgment, entered within the last five years, finding fraud or deceit in connection with the purchase or sale of any security; or

- (d) Is currently subject to any order, judgment, or decree of any court of competent jurisdiction, entered within the last five years, temporarily, preliminarily, or permanently restraining or enjoining such party from engaging in or continuing to engage in any conduct or practice involving fraud or deceit in connection with the purchase or sale of any security.
- (2) Paragraph 1 does not apply if:
  - (a) The party subject to the disqualification is licensed or registered to conduct securities-related business in the state in which the order, judgment, or decree creating the disqualification was entered against such party;
  - (b) Before the first offer under this exemption, the state securities administrator, or the court or regulatory authority that entered the order, judgment, or decree, waives the disqualification; or
  - (c) The issuer establishes that it did not know and in the exercise of reasonable care, based on a factual inquiry, could not have known that a disqualification existed under this subdivision.
- e. (1) A general announcement of the proposed offering may be made by any means.
- (2) The general announcement must include only the following information, unless additional information is specifically permitted by the commissioner:
  - (a) The name, address, and telephone number of the issuer of the securities;
  - (b) The name, a brief description, and price, if known, of any security to be issued;
  - (c) A brief description of the business of the issuer in twenty-five words or less;
  - (d) The type, number, and aggregate amount of securities being offered;
  - (e) The name, address, and telephone number of the person to contact for additional information; and
  - (f) A statement that:
    - [1] Sales will only be made to accredited investors;
    - [2] No money or other consideration is being solicited or will be accepted by way of this general announcement; and
    - [3] The securities have not been registered with or approved by any state securities agency or the securities and exchange commission and are being offered and sold pursuant to an exemption from registration.
- f. The issuer, in connection with an offer, may provide information in addition to the general announcement under subdivision e, if such information:
  - (1) Is delivered through an electronic database that is restricted to persons who have been prequalified as accredited investors; or
  - (2) Is delivered after the issuer reasonably believes that the prospective purchaser is an accredited investor.
- g. Telephone solicitation is not permitted unless prior to placing the call, the issuer reasonably believes that the prospective purchaser to be solicited is an accredited investor.

- h. Dissemination of the general announcement of the proposed offering to persons who are not accredited investors does not disqualify the issuer from claiming the exemption.
- i. The issuer shall file with the department a notice of transaction, a consent to service of process, a copy of the general announcement, and a nonrefundable filing fee of one hundred dollars within fifteen days after the first sale in this state. In the event the filing is not made within fifteen days after the first sale in this state, the filing fee is two hundred fifty dollars.
- j. The security offered or sold under this subsection is offered or sold by a broker-dealer and agent registered in accordance with section 10-04-10, or offered and sold through an officer, director, governor, or partner of the issuer and no commission or other remuneration is paid.

  - b. A person that deals solely in United States government securities and is supervised as a broker-dealer in government securities by the board of governors of the federal reserve system, the comptroller of the currency, the federal deposit insurance corporation, or the office of thrift supervision.

Application for registration as a broker-dealer must be made in writing or electronically in a form prescribed by the commissioner, must be signed by the applicant, duly verified by oath,

must be filed with the department, and must contain information the commissioner determines to be necessary concerning the applicant.

The commissioner may also require such additional information relating to the applicant and as to the previous history, record, or association of the applicant, its officers, directors, employees, members, partners, managers, or trustees as the commissioner deems necessary to establish whether or not the applicant should be registered as a broker-dealer under the provisions of this law.

There must be filed with such application a written consent to the service of process upon the commissioner in actions against such broker-dealer, conforming to the requirements of section 10-04-14.

When an applicant has fully complied with the provisions of this subsection, the commissioner may register such applicant as a broker-dealer unless the commissioner finds that the applicant is not of good business reputation, or is not solvent, or the applicant's principals and compliance or sales supervisor do not appear qualified by training, examination, or experience to act on behalf of a broker-dealer in securities.

Except as prohibited by the Securities Exchange Act of 1934, the commissioner may require an indemnity bond running to the state of North Dakota conditioned for the faithful compliance by the broker-dealer and the broker-dealer's agents with all the provisions of this law and for the faithful performance and payment of all obligations of the broker-dealer and the broker-dealer's agents.

The bond must be of such type as may be approved by the commissioner and must be in such amount as the commissioner deems necessary to protect purchasers. Any such bond must have as surety thereon a surety company authorized to do business in this state. When the commissioner has registered an applicant as a broker-dealer, the commissioner shall notify the applicant of such registration.

2. a. Agent. It is unlawful for an individual to transact business in this state as an agent unless the individual is registered under this chapter as an agent or is exempt from registration. The following individuals are exempt from the registration requirements:
  - (1) An individual who represents a broker-dealer in effecting transactions in this state limited to those in section 15(h)(2) of the Securities Exchange Act of 1934;

  - (3) An individual who represents an issuer that effects transactions solely in federal covered securities of the issuer, but an individual who effects transactions in a federal covered security under section 18(b)(3) or 18(b)(4)(D) of the Securities Act of 1933 is not exempt if the individual is compensated in connection with the agent's participation by the payment of commissions or other remuneration based, directly or indirectly, on transactions in those securities; or
  - (4) An individual who represents a broker-dealer registered in this state or exempt from registration in the offer and sale of securities for an account of a nonaffiliated federal covered investment adviser with investments under management in excess of one hundred million dollars acting for the account of others pursuant to discretionary authority in a signed record.
- b. Application for registration as an agent must be made in writing or electronically in a form prescribed by the commissioner, must be signed by the applicant and by the registered broker-dealer or issuer employing or proposing to employ such applicant, duly verified by oath, must be filed with the department, and must contain information the commissioner determines to be necessary concerning the applicant.

- c. The commissioner shall require as a condition of registration that the applicant pass a written examination as evidence of knowledge of the securities business.
- d. The commissioner may also require such additional information as to the applicant's previous business experience as the commissioner deems necessary to determine whether or not the applicant should be registered as an agent under the provisions of this law. If an agent proposes to be self-employed, the agent shall specifically state the particular security or securities the agent proposes to sell in this state in the application, and if said security or securities are exempt under section 10-04-05 or 10-04-06, or have been registered by announcement under section 10-04-07.1, or have been registered by coordination under section 10-04-07.2, or have been registered by qualification under section 10-04-08, then the commissioner may require that said self-employed agent file an indemnity bond running to the state of North Dakota conditioned for the faithful compliance by said self-employed agent with all the applicable provisions of this chapter and for the faithful performance and payment of all obligations hereunder. The bond must be in a form approved and in the amount required by the commissioner.
- e. When an applicant has fully complied with the provisions of this subsection, the commissioner may register such applicant as an agent unless the commissioner finds that such applicant is not of good business reputation, or that the broker-dealer named on the application is not a registered broker-dealer. When the commissioner has registered an applicant as an agent, the commissioner shall immediately notify the broker-dealer of such registration.
- f. Every registered broker-dealer or issuer promptly shall notify the department of the termination of the employment by the broker-dealer or issuer of a registered agent.

Application for registration as an agent must be made in writing or electronically in a form prescribed by the commissioner, must be signed by the applicant and by the registered broker-dealer or issuer employing or proposing to employ such applicant, duly verified by oath, must be filed with the department, and must contain information the commissioner determines to be necessary concerning the applicant.

The commissioner shall require as a condition of registration that the applicant pass a written examination as evidence of knowledge of the securities business; provided, that not more than two officers or managers of an issuer may be registered as an agent for a particular original offering of the issuer's securities without being required to pass such written examination; and provided, further, that no such officer or manager may again register within three years as such agent for this or any other issuer without passing the written examination.

The commissioner may also require such additional information as to the applicant's previous business experience as the commissioner deems necessary to determine whether or not the applicant should be registered as an agent under the provisions of this law. If an agent proposes to be self-employed, the agent shall specifically state the particular security or securities the agent proposes to sell in this state in the application, and if said security or securities are exempt under section 10-04-05 or 10-04-06, or have been registered by announcement under section 10-04-07.1, or have been registered by qualification under section 10-04-08, then the commissioner may require that said self-employed agent file an indemnity bond running to the state of North Dakota conditioned for the faithful compliance by said self-employed agent with all the applicable provisions of this chapter and for the faithful performance and payment of all obligations hereunder. The bond must be in a form approved and in the amount required by the commissioner.

When an applicant has fully complied with the provisions of this subsection, the commissioner may register such applicant as an agent unless the commissioner finds that such applicant is not of good business reputation, or that the broker-dealer named on the application is not a registered broker-dealer. When the commissioner has registered an

applicant as an agent, the commissioner shall immediately notify the broker-dealer of such registration.

Every registered broker-dealer or issuer shall promptly notify the department of the termination of the employment by the broker-dealer or issuer of a registered agent.

3. Investment advisers.

b. Application for registration as an investment adviser must be made in writing or electronically in a form prescribed by the commissioner, must be signed by the applicant, duly verified by oath, must be filed with the department, and must contain information the commissioner determines to be necessary concerning the applicant.

The commissioner may also require such additional information relating to the applicant and as to the previous history, record, or association of the applicant, its officers, directors, employees, members, partners, managers, or trustees, as the commissioner deems necessary to establish whether or not the applicant should be registered as an investment adviser under the provisions of this chapter.

Except as prohibited by the Investment Advisers Act of 1940, the commissioner may require an indemnity bond running to the state of North Dakota conditioned for the faithful compliance by the investment adviser and the investment adviser's representatives with all the provisions of this law and for the faithful performance and payment of all obligations of the investment adviser and the investment adviser's representatives. The bond must be of such type as may be approved by the commissioner and must be in such amount as the commissioner deems necessary to protect persons in this state. Any such bond must have as surety thereon a surety company authorized to do business in this state.

The commissioner may by rule or order provide for an examination to be taken by any class of or all applicants, as well as persons who represent or will represent an investment adviser in doing any of the acts which make the person an investment adviser.

When an applicant has fully complied with the provisions of this subsection, the commissioner may register such applicant as an investment adviser unless the commissioner finds that the applicant is not of good business reputation or is not solvent.

A registrant as investment adviser shall notify the department of any change of address.

4. Federal covered adviser.
  - a. Except with respect to a federal covered investment adviser described in subdivision b, it shall be unlawful for a person to transact business in this state as a federal covered adviser unless such person has made a notice filing with the department, in writing or electronically, consisting of a copy of those documents that have been filed with the securities and exchange commission as the commissioner may require by rule or otherwise and the prescribed notice filing fee.
  - b. The following federal covered investment advisers are not required to comply with the notice filing requirement:

      - (b) Institutional investors; or
      - (c) Bona fide pre-existing clients whose principal places of residence are not in this state.
    - (2) A federal covered investment adviser without a place of business in this state if the person has had, during the preceding twelve months, not more than five clients that are resident in this state in addition to those specified under paragraph 1.

A notice filing is effective from receipt until the following December thirty-first. It may be renewed by filing with the department, prior to expiration, those documents filed with the securities and exchange commission as the commissioner may require by rule or otherwise, with the notice filing renewal fee.

If the information contained in any document filed with the department is or becomes inaccurate or incomplete in any material respect, the federal covered adviser shall file an amendment with the department whenever such amendment is filed with the securities and exchange commission.

A notice filing may be terminated by a federal covered adviser by filing a notice of termination with the department.

5. Investment adviser representatives. It is unlawful for an individual to transact business in this state as an investment adviser representative unless the individual is registered under this chapter as an investment adviser representative or is exempt from registration as an investment adviser representative or that the investment adviser representative is employed by or associated with an investment adviser that is exempt from registration or a federal covered investment adviser that is excluded from the notice filing requirements.

Application for registration as an investment adviser representative must be submitted in writing or electronically in a form prescribed by the commissioner, be signed by the applicant and if applicable, by the investment adviser employing or proposing to employ the applicant, be duly verified by oath, be filed with the department, and contain information the commissioner determines to be necessary concerning the applicant.

When an applicant has fully complied with the provisions of this subsection, the commissioner may register the applicant as an investment adviser representative unless the commissioner finds that the applicant is not of good business reputation; that the investment adviser named in the application is not a registered investment adviser; or the federal covered adviser named in the application has not made a notice filing with the commissioner, as required by subsection 4. When the commissioner has registered an applicant as an investment adviser representative, the commissioner shall immediately notify the investment adviser or the federal covered adviser, as applicable, of such registration.

Every registered investment adviser shall promptly notify the department of the termination of the employment by the adviser of a registered investment adviser representative. Every registered investment adviser representative employed by a federal covered adviser or the federal covered adviser shall promptly notify the department of the termination of such employment. The registration of the investment adviser representative is automatically suspended from the time of termination of employment until such time as the representative is registered by the commissioner as a representative of another investment adviser or federal covered adviser.

The commissioner shall require as a condition of registration that the applicant pass a written examination as evidence of knowledge of the securities business and comply with any continuing education requirements as prescribed by the commissioner. At the discretion of the commissioner, certain professional designations may be accepted in lieu of an examination.

6. Refusal of registration. If the commissioner has reason to believe there are grounds to refuse the approval of any application under this section, the commissioner may, by order, summarily postpone the approval of any application made under this section. If, after affording an applicant a hearing or an opportunity for a hearing as provided in section 10-04-12, the commissioner finds that there is sufficient ground to refuse to register such applicant as provided in this section, the commissioner shall enter an order refusing to register such applicant. Such order shall state specifically the grounds for its issuance. A copy of such order must be mailed to the applicant at the applicant's business address, and if the application is for registration as an agent, to the registered broker-dealer or issuer or if the application is for registration as an investment adviser representative to the investment adviser or federal covered adviser who proposed to employ such applicant. If the commissioner finds that an applicant has been guilty of any act or omission which would constitute a sufficient ground for revocation of a broker-dealer's, agent's, investment adviser's, or investment adviser representative's registration under section 10-04-11, such act or omission may constitute a sufficient ground for a finding by the commissioner that such applicant is not of good business reputation.
7. Record and renewal of registrations. The names and addresses of all persons who have been registered as broker-dealers, agents, investment advisers, or investment adviser representatives, and all orders with respect thereto, and the names and addresses of all federal covered advisers who have made a notice filing must be recorded in a register of broker-dealers, agents, investment advisers, federal covered advisers, and investment adviser representatives in the office of the commissioner. Every registration and notice filing under this section expires on December thirty-first of each year, unless renewed. The commissioner may by order provide for expirations and renewals, including dates, forms, and procedures, adjust registration and notice filing fees to correspond with expiration dates, and do any other thing which may be necessary or convenient in order to participate in a central registration depository or any similar arrangement designed to promote uniformity, to ease regulatory burdens, or to encourage cooperation with other states, the securities and exchange commission, or any registered national securities association or exchange.
8. Fees. The fee, which must accompany the application, for registration, transfer, or notice filing, and for each annual renewal thereof is:

- a. For each broker-dealer \$200.00

3. It is unlawful for any person who provides investment advisory services subject to the provisions of this chapter to knowingly sell any security to or purchase any security from a client while acting for the person's own account or as a broker for another client unless the person first makes a written disclosure to the client of the capacity in which the person is acting and obtains the client's written consent to the transaction.
4. It is unlawful for any person who provides investment advisory services subject to the provisions of this chapter to engage in dishonest or unethical practices as the commissioner may define by rule.
5. It is unlawful for any investment adviser to enter, extend, or renew any investment advisory contract unless the investment advisory contract provides in writing that:
  - a. The investment adviser may not be compensated on the basis of a share of capital gains, earnings, or capital appreciation of the funds or any portion of the funds of the client. This subdivision does not prohibit an investment advisory contract that provides for compensation based on the total value of a fund determined as of a definite date or averaged as of definite dates or over a definite period. This subdivision does not prohibit an investment advisory contract that provides for performance fees permitted and determined in accordance with section 205 of the Investment Advisers Act of 1940 [Pub. 7. "Custody" means holding directly or indirectly, client funds or securities, or having any authority to obtain possession or having the ability to appropriate funds or securities. The investment adviser has custody if a related person holds, directly or indirectly, client funds or securities, or has any authority to obtain possession of funds or securities, in connection with advisory services the investment adviser provides to clients.
  - a. Custody includes:
    - (1) Possession of client funds or securities unless the investment adviser receives the funds or securities inadvertently and returns the funds or securities to the sender within three business days of receiving the funds or securities and the investment adviser maintains the records required under section 10-04-10.3.

  - b. Receipt of checks drawn by clients and made payable to third parties does not meet the definition of custody if forwarded to the third party within three business days of receipt and the investment adviser maintains the records required under section 10-04-10.3.
8. Qualified custodian means the following:
