15-10-17. Specific powers and duties of the state board of higher education.

The state board of higher education has all the powers and shall perform all the duties necessary to the control and management of the institutions described in this chapter. In addition to the powers and duties specified in section 6 of article VIII of the Constitution of North Dakota, the board may:

1. a. Appoint and remove the president or other faculty head, and the professors, instructors, teachers, officers, and other employees of the several institutions under its control, and to fix their salaries within the limits of legislative appropriations therefor, and to fix the terms of office and to prescribe the duties thereof, provided that the consideration of the appointment or removal of any such personnel shall be in executive session if the board chooses unless the individual involved requests that the meeting be open to other individuals or to the public.
- b. Appoint and remove the commissioner of higher education, fix the commissioner's salary within the limits of legislative appropriations, and prescribe the commissioner's duties.
- c. Appoint and remove all university system office personnel, fix their salaries within the limits of legislative appropriations, fix their terms of office, and prescribe their duties.
2. Authorize the employment of law enforcement officers having concurrent jurisdiction with other law enforcement officers to enforce laws and regulations at its institutions.
3. Set tuition and fees.
4. a. Establish a retirement program as an alternative to chapter 15-39.1 for university system employees subject to the following guidelines:
 - (1) Benefits under the program must be provided through annuity contracts purchased by the board but which become the property of the participants;

- (2) The cost of the annuity contracts must be defrayed by contributions made pursuant to rules of the state board of higher education;
 - (3) Eligible employees appointed before July 1, 1973, shall participate in the alternate retirement program only by their individual election. When the electing eligible employee is a member of the teachers' fund for retirement, the employee's assessments and employer's contributions together with interest credited at the current rate for one-year certificates then being paid by the Bank of North Dakota must be transferred to the employee's account in the alternate program. The election must be made before July 1, 1980, and shall relinquish all rights the eligible employee or the employee's beneficiary may have to benefits provided in chapters 15-39 and 15-39.2; and
 - (4) Employees of the university system who are members of the public employees retirement system under chapter 54-52 or 54-52.6 and who become entitled to participate in the alternate retirement program are entitled to a special annuity purchase in the alternate retirement program in accordance with this subdivision. An eligible employee who consents to have that employee's contribution included is entitled to have that employee's contribution and employer's contribution, with interest, in the public employees retirement system fund, used by the retirement board of the public employees retirement system to purchase for that employee an annuity in the alternate retirement program in lieu of any other rights under the public employees retirement fund. However, before the employer's contribution may be used for an annuity purchase, the employee's combined years of service with the public employees retirement system and the alternate retirement program must equal or exceed the years of service necessary to be eligible for retirement benefits under the public employees retirement system. An employee who transferred from the public employees retirement system before March 30, 1987, and who received a refund of that employee's contribution is entitled to have the employer's contribution, with interest, used to purchase an annuity even if that employee did not purchase an annuity in the alternate employee program with the employee's contribution. If an employee makes the election allowed under this subdivision, that employee relinquishes all rights the employee or any of the employee's beneficiaries may have had to benefits provided under ~~chapter~~chapters 54-52 and 54-52.6.
- b. Provide for the administration of the alternate retirement program and establish rules for the program consistent with this subsection. This subsection does not derogate any existing retirement programs approved by the board.
5. Determine policy for purchasing by the university system in coordination with the office of management and budget as provided by law.
 6. Establish by rule an early retirement program for faculty and officers of the board as defined by the board. The limitations on severance pay pursuant to section 54-14-04.3 and on requiring the employee to pay contributions to continue on the state uniform group insurance program upon retirement or upon termination of employment pursuant to section 54-52.1-03 do not apply to the early retirement program.
 7. Adopt rules to protect the confidentiality of student records, medical records, and, consistent with section 44-04-18.4, trade secret, proprietary, commercial, and financial information.
 8. Authorize and encourage university system entities to enter into partnerships, limited liability companies, joint ventures, or other contractual arrangements with private business and industry for the purpose of business or industrial development or fostering basic and applied research or technology transfer.

9. Adopt rules promoting research, encouraging development of intellectual property and other inventions and discoveries by university system employees, and protecting and marketing the inventions and discoveries. The rules must govern ownership or transfer of ownership rights and distribution of income that may be derived from an invention or discovery resulting from research or employment in the university system. The rules may provide for transfer of ownership rights or distribution of income to a private, nonprofit entity created for the support of the university system or one of its institutions.

6. If before retiring a contributor dies after completing ten years of eligible employment, the board shall pay the contributor's accumulated deductions to the contributor's designated beneficiary as provided in this subsection. If the contributor has designated an alternate beneficiary with the surviving spouse's written consent, the board shall pay the contributor's account balance to the named beneficiary. If the contributor has named more than one primary beneficiary, the board shall pay the contributor's account balance to the named primary beneficiaries in the percentages designated by the contributor or, if the contributor has not designated a percentage for the beneficiaries, in equal percentages. If one or more of the primary beneficiaries has predeceased the contributor, the board shall pay the predeceased beneficiary's share to the remaining primary beneficiaries. If there are no remaining primary beneficiaries, the board shall pay the contributor's account balance to the contingent beneficiaries in the same manner. If there are no remaining designated beneficiaries, the board shall pay the contributor's account balance to the contributor's estate. If the contributor has not designated an alternate beneficiary under this section or the surviving spouse is the beneficiary, the surviving spouse of the contributor may select one of the following optional forms of payment:

SECTION 3. AMENDMENT. Section 39-03.1-11.2 of the North Dakota Century Code is amended and reenacted as follows:

39-03.1-11.2. Internal Revenue Code compliance.

~~4.~~The board shall administer the plan in compliance with ~~section 415, section 401(a)(9), section 401(a)(17), and section 401(a)(31)~~the following sections of the Internal Revenue Code in effect on August 1, ~~2009~~2011, as it applies for governmental plans.

The defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as approved by the legislative assembly, must be adjusted under section 415(d) of the Internal Revenue Code, effective January first of each year following a regular legislative session. The adjustment of the defined benefit dollar limitation under section 415(d) applies to participating members who have had a separation from employment, but that member's benefit payments may not reflect the adjusted limit prior to January first of the calendar year in which the adjustment applies.
- ~~3.~~ b. If a participating member's benefit is increased by plan amendment after the commencement of benefit payments, the member's annual benefit may not exceed the

defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as adjusted under section 415(d) for the calendar year in which the increased benefit is payable.

4. c. If a participating member is, or ever has been, a participant in another defined benefit plan maintained by the employer, the sum of the participant's annual benefits from all the plans may not exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code. If the participating member's employer-provided benefits under all such defined benefit plans would exceed the defined benefit dollar limitation, the benefit must be reduced to comply with section 415 of the Internal Revenue Code. A member's required beginning date is April first of the calendar year following the later of the calendar year in which the member attains age seventy and one-half or terminates employment.

5. If the plan of retirement benefits set forth in this chapter is terminated or discontinued, the rights of all affected participating members to accrued retirement benefits under this chapter as of the date of termination or discontinuance is nonforfeitable, to the extent then funded.

The election must be made within ninety days after beginning the eligible employment. The board shall terminate the inactive status of a member under this subsection

if the member gains eligible employment under this chapter or if the member terminates eligible employment under a plan described in subdivision a or b of subsection 1.

3. Pursuant to rules adopted by the board, a member who has service credit in the system and in any of the alternate plans described in subdivision a or b of subsection 1 is entitled to benefits under this chapter. The employee may elect to have benefits calculated using the benefit formula in section 39-03.1-11 under either of the following calculation methods:
 - a. By using the average of the highest salary received by the member for any consecutive thirty-six months employed during the last one hundred twenty months of employment in the highway patrolmen's retirement system. If the participating member has worked for less than thirty-six months at retirement, the final average salary is the average salary for the total months of employment.
 - b. Using the average of the highest salary received by the member for any thirty-six consecutive months during the last one hundred twenty months of employment, with service credit not to exceed one month in any month when combined with the service credit earned in the alternate retirement system.

The board shall calculate benefits for an employee under this subsection by using only those years of service employment earned under this chapter.

SECTION 5. AMENDMENT. Subsection 3 of section 54-52-02.1 of the North Dakota Century Code is amended and reenacted as follows:

 - b. Normal retirement date for a national guard security officer or firefighter is the first day of the month next following the month in which the national guard security officer or firefighter attains the age of fifty-five years and has completed at least three consecutive years of employment as a national guard security officer or firefighter immediately preceding retirement.
 - c. Normal retirement date for a peace officer or correctional officer employed by a political subdivision is:
 - (1) The first day of the month next following the month in which the peace officer or correctional officer attains the age of fifty-five years and has completed at least three consecutive years of employment as a peace officer or correctional officer immediately preceding retirement; or

If any beneficiary survives the member, yet dies before distribution of the beneficiary's share, the beneficiary must be treated as if the beneficiary predeceased the member. If there are no remaining primary beneficiaries, the board shall pay the member's account balance to the contingent beneficiaries in the same manner. The adjustment of the defined benefit dollar limitation under section 415(d) applies to participating members who have had a separation from employment, but that member's benefit payments may not reflect the adjusted limit prior to January first of the calendar year in which the adjustment applies.
 3. b. If a participating member's benefit is increased by plan amendment after the commencement of benefit payments, the member's annual benefit may not exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code, as adjusted under section 415(d) for the calendar year in which the increased benefit is payable.
 4. c. If a participating member is, or ever has been, a participant in another defined benefit plan maintained by the employer, the sum of the participant's annual benefits from all the plans may not exceed the defined benefit dollar limitation under section 415(b)(1)(A) of the Internal Revenue Code. If the participating member's employer-provided benefits under all such defined benefit plans would exceed the defined benefit dollar limitation, the benefit must be reduced to comply with section 415 of the Internal Revenue Code. 5. If the plan of retirement benefits set forth in this chapter is terminated or discontinued, the rights of all affected participating members to accrued retirement benefits under this chapter as of the date of termination or discontinuance is nonforfeitable, to the extent then funded.

SECTION 10. AMENDMENT. Subsection 3 of section 54-52.1-03 of the North Dakota Century Code is amended and reenacted as follows:

3. Each employer, at its option, may pay the employee contributions required by this section for all compensation earned after December 31, 1999. The amount paid must be paid by the employer in lieu of contributions by the employee. If the employer decides not to pay the contributions, the amount that would have been paid will continue to be deducted from the employee's compensation. If contributions are paid by the employer, they must be treated as employer contributions in determining tax treatment under this code and the federal Internal Revenue Code. Contributions paid by the employer may not be included as gross income of the employee in determining tax treatment under this code and the federal Internal Revenue Code until they are distributed or made available. The employer shall pay these employee contributions from the same source of funds used in paying compensation to the employee. The employer shall pay these contributions by effecting an equal cash reduction in the gross salary of the employee or by an offset against future salary increases or by a combination of a reduction in gross salary and offset against future salary increases. Employee contributions paid by the employer must be treated for the purposes of this chapter in the same manner and to the same extent as employee contributions made before the date on which employee contributions were assumed by the employer.
