- 1 appropriated, the sum of \$3,000,000, or so much of the sum as may be necessary, to the
- 2 department of public instruction for the purpose of providing rapid enrollment grants to school
- 3 districts, for the biennium beginning July 1, 2019, and ending June 30, 2021. The funding
- 4 provided in this section is considered a one-time funding item. The superintendent of public
- 5 instruction shall award rapid enrollment grants to eligible districts only during the first year of the
- 6 2019-21 biennium based on the following criteria:
 - A district is eligible to receive a grant under this section if the number of students
 reflected in the district's September tenth enrollment report exceeds the number of
 students in the prior year September tenth enrollment report. The increase must be at
 least four percent or one hundred fifty students and must be at least twenty students.
 - 2. The superintendent of public instruction shall calculate the amount to which an eligible district is entitled as follows:
 - Determine the actual percentage increase in the number of students and subtract two from the percentage calculated;
 - Determine the number of students represented by the difference determined in subdivision a of this subsection;
 - c. Multiply the number of students determined in subdivision b of this subsection by \$4,000.
 - If the amount of the appropriation provided for in this section is insufficient to meet the
 obligations of this subsection, the superintendent of public instruction shall prorate the
 payment based on the percentage of the total amount to which each school district is
 entitled.
 - 4. Any district that is precluded from receiving state aid under section 15.1-27-35.3 is not eligible to receive a grant under this section.

SECTION 3. LEGISLATIVE MANAGEMENT STUDY. During the 2019-20 interim, the legislative management shall consider studying minimum and maximum payments to school districts included in the state school aid formula, including how school districts could be transitioned from the minimum and maximum payments and the effects on school districts of transitioning from the minimum and maximum payments. The legislative management shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-seventh legislative assembly.
