17           **SECTION 2. AMENDMENT.** Section 23.1-15-05 of the North Dakota Century Code is  
18   amended and reenacted as follows:

19           **23.1-15-05. Notice to owner and law enforcement of abandoned vehicle.**

- 20           1. When an abandoned motor vehicle does not fall within the provisions of section  
21           23.1-15-04, the unit of government or commercial towing service taking it into custody  
22           shall give notice of the taking within ten days. The notice must set forth the date and  
23           place of the taking, the year, make, model, and serial number of the abandoned motor  
24           vehicle, and the place where the vehicle is being held, must inform the owner and any  
25           lienholders or secured parties of their right to reclaim the vehicle under section  
26           23.1-15-06, must state that failure of the owner, lienholders, or secured parties to  
27           exercise their right to reclaim the vehicle within thirty days is deemed a waiver by the  
28           owner, lienholders, or secured parties of all right, title, and interest in the vehicle and a  
29           consent to the disposal of the vehicle pursuant to section 23.1-15-07, and must state  
30           the end date of the thirty-day period during which the owner may reclaim the  
31           abandoned vehicle.

- 1        2. The notice must be sent by certified mail, return receipt requested, to the registered  
2            owner, if any, of the abandoned motor vehicle and to all readily identifiable lienholders  
3            or secured parties of record. If it is impossible to determine with reasonable certainty  
4            the identity and address of the registered owner and all lienholders, the notice must be  
5            published once in a newspaper of general circulation in the area where the motor  
6            vehicle was abandoned or placed on the official website for the unit of government that  
7            initiated the impound process from public property. When posted on a website, the  
8            notice must be placed in a designated area on the official website for a minimum of  
9            thirty days and must include the information in subsection 1. Published notices may be  
10           grouped together for convenience and economy. Failure of the owner, lienholders, or  
11           secured parties to exercise the right to reclaim the vehicle by the end of the public  
12           notice period is deemed a waiver by the owner, lienholders, or secured parties of all  
13           right, title, and interests in the vehicle and a consent to the disposal of the vehicle  
14           pursuant to section 23.1-15-07.
- 15        3. Subject to section 23.1-15-04, a commercial towing service that takes an abandoned  
16            motor vehicle into custody shall provide notice to the law enforcement agency having  
17            jurisdiction in the location from which the motor vehicle was towed within twelve hours  
18            after completing the tow.
- 19        4. Notice under subsection 3 must include:
  - 20            a. The license plate number and state of registration;

  - 22            c. The location to which the motor vehicle was towed;
  - 23            d. The name, address, and telephone number of the commercial towing service that  
24                towed and is storing the motor vehicle; and
  - 25            e. A description of the motor vehicle, including make, model, year, and color.
- 26        5. A commercial towing service that violates subsection 3 may not collect a storage fee  
27            under section 23.1-15-06 and shall return the motor vehicle to the registered owner at  
28            no cost to the owner, lienholder, or secured party.
- 29        6. This section also applies to emergency towing.
