- 1 A BILL for an Act to amend and reenact section 54-44.4-05 of the North Dakota Century Code,
- 2 relating to state agency procurement of research services.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 4 **SECTION 1. AMENDMENT.** Section 54-44.4-05 of the North Dakota Century Code is amended and reenacted as follows:
 - 54-44.4-05. Competitive, limited competitive, noncompetitive, and negotiated purchases Exempt records.
 - Except as otherwise provided in section 44-08-01, chapter 25-16.2, and this chapter, purchasing contracts must be awarded through a competitive bidding process to the lowest responsible bidder considering conformity with specifications, terms of delivery, and quality and serviceability, unless it is determined to be advantageous to the state to select a contractor through a competitive proposal process using other or additional criteria. The procurement officer may reject any or all bids or negotiate for a lower price with a successful bidder. Each bid received, with the name of the bidder, must be recorded. The office of management and budget may enter into term contracts for the acquisition of commodities or services and may make multiple awards for term commodity or service contracts when it deems a multiple award to be in the best interests of the state. All bids received under this chapter pursuant to a competitive sealed bid are exempt records under subsection 5 of section 44-04-17.1 until the date and time the bids are opened.
 - 2. The office of management and budget shall adopt rules specifying the circumstances under which competition may be waived or limited, when negotiation may be used, and specifying the required justifications and procedures for using those methods of purchasing. The office of management and budget shall adopt rules related to sending

1 notice of intent to make limited competitive, noncompetitive, and negotiated purchases 2 in accordance with this chapter. The notice must describe the needed commodity or 3 service and the intended procurement method and must state that vendors are 4 permitted to submit bids or proposals for contracts to be awarded under this section. 5 The circumstances that may permit limited competitive, noncompetitive, or negotiated 6 purchases include: 7 The commodity or service is available from only one source. 8 The commodity or service is to be purchased for experimentation or trial. b. 9 C. No acceptable bid or proposal was received pursuant to a competitive bidding or 10 competitive proposal process. 11 Commodities are being purchased for over-the-counter resale. d. 12 Acceptable Except as provided in subsection 3, acceptable commodities or e. 13 services are produced or provided by correctional institutions or other 14 government agencies or a work activity center as defined in section 25-16.2-01. 15 The anticipated cost of purchasing specified commodities or services is less than 16 an amount determined by the office of management and budget which would 17 justify the expense of a competitive bidding or competitive proposal process. 18 A used commodity is advantageous to the state and the commodity is available g. 19 only on short notice. 20 The commodity is a component or replacement part for which there is no h. 21 commercially available substitute and which can be obtained only from the 22 manufacturer. 23 Compatibility with equipment currently owned by the state is essential to the 24 proper functioning of that equipment. 25 The agency provides documentation indicating that the services or the j. 26 circumstances are of such a nature that deviation from the procurement 27 procedure is appropriate. 28 Competition may be waived or limited or negotiation may be used when a purchasing 3. 29 agency acquires research services anticipated to cost at least fifty thousand dollars 30 from an institution under the control of the state board of higher education if the

purchasing agency informs the commissioner of higher education of the need for and

detailed nature of the research contract. The commissioner shall forward the contract
information to each institution under the control of the state board of higher education,
and any institution capable of fulfilling the contract may notify the purchasing agency
the institution is interested in obtaining the contract. If more than one institution notifies
the purchasing agency, the purchasing agency shall request the institutions to submit
competing bids for the contract. The purchasing agency shall award the contract to the
lowest responsible bidder considering conformity with specifications, terms of delivery,
and quality and serviceability, unless it is determined to be advantageous to the state
to use other or additional criteria to evaluate the bids.
