15.0992.01001 Title.02000

## PROPOSED AMENDMENTS TO SENATE BILL NO. 2350

- Page 2, line 1, remove "<u>An employee or representative of a company when engaged in</u> <u>electrical work within</u>"
- Page 2, replace lines 2 and 3 with "<u>An operator involved in the exploration and production of oil</u> and gas if engaged in electrical work on the operator's own equipment and if the supply voltage does not exceed twenty-four volts. The operator shall provide proper safety training and equipment-specific electrical training for the operator's particular applications."

Renumber accordingly
