LB 771 states intent to appropriate \$200,000 in General Funds to the Nebraska Department of Veterans Affairs (NDVA) for one year for providing grants to a postsecondary institution. NDVA would be required to adopt and promulgate rules and regulations to carry out this program.

NDVA anticipates that the department would require administrative funding, including a .5 FTE to administer the grant. Personal services, benefits and operations costs for the administration of the fund would total \$27,347, which allows \$170,653 in direct aid for providing grants to a postsecondary institution.
