10 (3) The Tax Commissioner shall use data from the informational  
11 returns submitted by retailers under subsection (2) of this section and  
12 the sales tax returns of such retailers to certify quarterly, for each  
13 enhancement project for which state assistance has been approved, the  
14 total amount of eligible state sales tax revenue described in subdivision  
15 (1)(a) of this section that was collected in the preceding calendar

20 quarterly distributions of state assistance described in subsection (4)  
21 of section 8 of this act.

22 (4) The Department of Revenue may adopt and promulgate rules and  
23 regulations to carry out the Enhancement Project Financing Assistance

5 an amount not to exceed seventy percent of the eligible state sales tax  
6 revenue collected by retailers doing business in the program area.

7       (b) The amount to be appropriated for distribution as state  
8 assistance to a village under this subsection for any one year after the  
9 tenth year shall not exceed the highest such amount appropriated under  
10 subdivision (3)(a) of this section during any one year of the first ten  
11 years of such appropriation. If seventy percent of the eligible state  
12 sales tax revenue as described in subdivision (3)(a) of this section  
13 exceeds the amount to be appropriated under this subdivision, such excess  
14 funds shall be transferred to the General Fund.

15       (4) Quarterly distributions and associated transfers of state  
16 assistance shall be made. Such quarterly distributions and transfers  
17 shall be based on the certifications provided under subsection (3) of  
18 section 7 of this act and shall occur within fifteen days after receipt  
19 of such certification.

20       (5) The total amount of state assistance approved for an enhancement  
21 project shall not exceed seven million dollars and shall not be paid out  
22 for more than twenty years after the issuance of the first bond for the  
23 enhancement project.

24       (6) State assistance to the applicant shall no longer be available  
25 upon the retirement of the bonds issued to finance the enhancement  
26 project or any subsequent bonds that refunded the original issue or when  
27 state assistance reaches the amount determined under subsection (5) of  
28 this section, whichever comes first.

29       (7) The thirty percent of eligible state sales tax revenue remaining  
30 after the appropriation in subsection (3) of this section shall be  
31 appropriated by the Legislature and transferred quarterly as follows:

1        (a) Eighty-three percent of such revenue shall be transferred to the  
2 Support the Arts Cash Fund; and

3        (b) Seventeen percent of such revenue shall be transferred to the  
4 Convention Center Support Fund.

5        Sec. 9. (1) A village that applies for state assistance under the  
6 Enhancement Project Financing Assistance Act may issue from time to time  
7 its bonds and refunding bonds to finance and refinance the enhancement  
8 project. The bonds may be sold by the village in such manner and for such  
9 price as the village determines, at a discount, at par, or at a premium,  
10 at private negotiated sale or at public sale, after notice published  
11 prior to the sale in a legal newspaper having general circulation in the  
12 village or in such other medium of publication as the village deems  
13 appropriate. The bonds shall have a stated maturity of twenty years or  
14 less and shall bear interest at such rate or rates and otherwise be  
15 issued in accordance with the respective procedures and with such other  
16 terms and provisions as are established, permitted, or authorized by  
17 applicable state laws for the type of bonds to be issued. Such bonds may  
18 be secured as to payment in whole or in part by a pledge, as shall be  
19 determined by the village, from the income, proceeds, and revenue of the  
20 enhancement project financed with proceeds of such bonds or from the  
21 village's revenue and income, including its sales, use, or occupation tax  
22 revenue, fees, or receipts, as may be determined by the village. The  
23 village may further secure the bonds by a mortgage or deed of trust  
24 encumbering all or any portion of the enhancement project and by a bond  
25 insurance policy or other credit support facility. No general obligation  
26 bonds, except refunding bonds, shall be issued until authorized by  
27 greater than fifty percent of the village's electors voting on the  
28 question as to their issuance at any election as defined in section  
29 32-108. The face of the bonds shall plainly state that the bonds and the  
30 interest thereon shall not constitute nor give rise to an indebtedness,  
31 obligation, or pecuniary liability of the state nor a charge against the

1 general credit, revenue, or taxing power of the state. Bonds of the  
2 village are declared to be issued for an essential public and  
3 governmental purpose and, together with interest thereon and income  
4 therefrom, shall be exempt from all state income taxes.

5 (2) All payments to villages under the Enhancement Project Financing  
6 Assistance Act are made subject to specific appropriation for such  
7 purpose.

8 Sec. 10. The department shall not accept applications for state  
9 assistance under the Enhancement Project Financing Assistance Act after  
10 June 30, 2023.

11 Sec. 11. The department may adopt and promulgate rules and
