17 forms available for such applications through the county treasurers.

18 (5) The form shall contain a description of the special interest
19 motor vehicle owned and sought to be registered, including the make, body
20 type, model, serial number, and year of manufacture.

21 (6)(a) In addition to all other fees required to register a motor
22 vehicle, each application for initial issuance or renewal of a special
23 interest motor vehicle license plate shall be accompanied by a special
24 interest motor vehicle license plate fee of fifty dollars. Twenty-five
25 dollars of the special interest motor vehicle license plate fee shall be
26 remitted to the State Treasurer for credit to the Department of Motor
27 Vehicles Cash Fund, and twenty-five dollars of the special interest motor
28 vehicle license plate fee shall be remitted to the State Treasurer for

13 ~~or before January 1, 2022, if delivery of the plates and registration~~
14 ~~certificate is made by the department to the applicant, the department~~
15 ~~may charge a postage and handling fee in an amount not more than~~
16 ~~necessary to recover the cost of postage and handling for the specific~~

18 shall issue the special interest motor vehicle license plate in lieu of
19 regular license plates when the applicant complies with the other
20 provisions of the Motor Vehicle Registration Act for registration of the
21 special interest motor vehicle.

22 (8) If the cost of manufacturing special interest motor vehicle
23 license plates at any time exceeds the amount charged for license plates
24 pursuant to section 60-3,102, any money to be credited to the Department
25 of Motor Vehicles Cash Fund under this section shall instead be credited
26 first to the Highway Trust Fund in an amount equal to the difference
27 between the manufacturing costs of special interest motor vehicle license
28 plates and the amount charged pursuant to section 60-3,102 with respect
29 to such license plates and the remainder shall be credited to the

31 (9) The special interest motor vehicle license plate shall be

2 (10) A special interest motor vehicle shall not be used for the same
3 purposes and under the same conditions as other motor vehicles of the
4 same type and shall not be used for business or occupation or regularly

13 (12) For purposes of this section, special interest motor vehicle
14 means a motor vehicle of any age which is being collected, preserved,

16 for general transportation of persons or cargo.

17 Sec. 10. Section 60-3,198, Revised Statutes Cumulative Supplement,
18 2020, is amended to read:

19 60-3,198 (1)(a) ~~(1)~~ Any owner engaged in operating a fleet of
20 apportionable vehicles in this state in interjurisdiction commerce may,
21 in lieu of registration of such apportionable vehicles under the general
22 provisions of the Motor Vehicle Registration Act, register and license
23 such fleet for operation in this state by filing a statement and the
24 application required by section 60-3,203 with the Division of Motor
25 Carrier Services of the department. The statement shall be in such form
26 and contain such information as the division requires, declaring the
27 total mileage operated by such vehicles in all jurisdictions and in this
28 state during the preceding year and describing and identifying each such
29 apportionable vehicle to be operated in this state during the ensuing
30 license year.

31 (b)(i) Until July 1, 2021, upon ~~Upon~~ receipt of such statement and

1 application, the division shall determine the total fee payment, which
2 shall be equal to the amount of fees due pursuant to section 60-3,203 and
3 the amount obtained by applying the formula provided in section 60-3,204
4 to a fee of thirty-two dollars per ton based upon gross vehicle weight of
5 the empty weights of a truck or truck-tractor and the empty weights of
6 any trailer or combination thereof with which it is to be operated in
7 combination at any one time plus the weight of the maximum load to be
8 carried thereon at any one time, and shall notify the applicant of the
9 amount of payment required to be made. Mileage operated in noncontracting
10 reciprocity jurisdictions by apportionable vehicles based in Nebraska
11 shall be applied to the portion of the formula for determining the
12 Nebraska injurisdiction fleet distance.

13 (ii) Beginning July 1, 2021, and until July 1, 2025, upon receipt of
14 such statement and application, the division shall determine the total
15 fee payment, which shall be equal to the amount of fees due pursuant to
16 section 60-3,203 and the amount obtained by applying the formula provided
17 in section 60-3,204 to a fee of thirty-five dollars per ton based upon
18 gross vehicle weight of the empty weights of a truck or truck-tractor and
19 the empty weights of any trailer or combination thereof with which it is
20 to be operated in combination at any one time plus the weight of the
21 maximum load to be carried thereon at any one time, and shall notify the
22 applicant of the amount of payment required to be made. Mileage operated
23 in noncontracting reciprocity jurisdictions by apportionable vehicles
24 based in Nebraska shall be applied to the portion of the formula for
25 determining the Nebraska injurisdiction fleet distance.

26 (iii) Beginning July 1, 2025, upon receipt of such statement and
27 application, the division shall determine the total fee payment, which
28 shall be equal to the amount of fees due pursuant to section 60-3,203 and
29 the amount obtained by applying the formula provided in section 60-3,204
30 to a fee of thirty-three dollars and fifty cents per ton based upon gross
31 vehicle weight of the empty weights of a truck or truck-tractor and the

1 empty weights of any trailer or combination thereof with which it is to
2 be operated in combination at any one time plus the weight of the maximum
3 load to be carried thereon at any one time, and shall notify the
4 applicant of the amount of payment required to be made. Mileage operated
5 in noncontracting reciprocity jurisdictions by apportionable vehicles
6 based in Nebraska shall be applied to the portion of the formula for
7 determining the Nebraska injurisdiction fleet distance.

8 (c) Temporary authority which permits the operation of a fleet or an
9 addition to a fleet in this state while the application is being
10 processed may be issued upon application to the division if necessary to
11 complete processing of the application.

12 (d) Upon completion of such processing and receipt of the
13 appropriate fees, the division shall issue to the applicant a sufficient
14 number of distinctive registration certificates which provide a list of
15 the jurisdictions in which the apportionable vehicle has been
16 apportioned, the weight for which registered, and such other evidence of
17 registration for display on the apportionable vehicle as the division
18 determines appropriate for each of the apportionable vehicles of his or
19 her fleet, identifying it as a part of an interjurisdiction fleet
20 proportionately registered. Such registration certificates may be
21 displayed as a legible paper copy or electronically as authorized by the
22 department. All fees received as provided in this section shall be
23 remitted to the State Treasurer for credit to the Motor Carrier Services
24 Division Distributive Fund.

25 (e) The apportionable vehicles so registered shall be exempt from
26 all further registration and license fees under the Motor Vehicle
27 Registration Act for movement or operation in the State of Nebraska
28 except as provided in section 60-3,203. The proportional registration and
29 licensing provision of this section shall apply to apportionable vehicles
30 added to such fleets and operated in this state during the license year
31 except with regard to permanent license plates issued under section

1 60-3,203.

2 (f) The right of applicants to proportional registration under this
3 section shall be subject to the terms and conditions of any reciprocity
4 agreement, contract, or consent made by the division.

5 (g) When a nonresident fleet owner has registered his or her
6 apportionable vehicles, his or her apportionable vehicles shall be
7 considered as fully registered for both interjurisdiction and
8 intrajurisdiction commerce when the jurisdiction of base registration for
9 such fleet accords the same consideration for fleets with a base
10 registration in Nebraska. Each apportionable vehicle of a fleet
11 registered by a resident of Nebraska shall be considered as fully
12 registered for both interjurisdiction and intrajurisdiction commerce.

13 (2) Mileage proportions for interjurisdiction fleets not operated in
14 this state during the preceding year shall be determined by the division
15 upon the application of the applicant on forms to be supplied by the
16 division which shall show the operations of the preceding year in other
17 jurisdictions and estimated operations in Nebraska or, if no operations
18 were conducted the previous year, a full statement of the proposed method
19 of operation.

20 (3) Any owner complying with and being granted proportional
21 registration shall preserve the records on which the application is made
22 for a period of three years following the current registration year. Upon
23 request of the division, the owner shall make such records available to
24 the division at its office for audit as to accuracy of computation and
25 payments or pay the costs of an audit at the home office of the owner by
26 a duly appointed representative of the division if the office where the
27 records are maintained is not within the State of Nebraska. The division
28 may enter into agreements with agencies of other jurisdictions
29 administering motor vehicle registration laws for joint audits of any
30 such owner. All payments received to cover the costs of an audit shall be
31 remitted by the division to the State Treasurer for credit to the Motor

1 Carrier Division Cash Fund. No deficiency shall be assessed and no claim
2 for credit shall be allowed for any license registration year for which
3 records on which the application was made are no longer required to be
4 maintained.

5 (4) If the division claims that a greater amount of fee is due under
6 this section than was paid, the division shall notify the owner of the
7 additional amount claimed to be due. The owner may accept such claim and
8 pay the amount due, or he or she may dispute the claim and submit to the
9 division any information which he or she may have in support of his or
10 her position. If the dispute cannot otherwise be resolved within the
11 division, the owner may petition for an appeal of the matter. The
12 director shall appoint a hearing officer who shall hear the dispute and
13 issue a written decision. Any appeal shall be in accordance with the
14 Administrative Procedure Act. Upon expiration of the time for perfecting
15 an appeal if no appeal is taken or upon final judicial determination if
16 an appeal is taken, the division shall deny the owner the right to
17 further registration for a fleet license until the amount finally
18 determined to be due, together with any costs assessed against the owner,
19 has been paid.

20 (5) Every applicant who licenses any apportionable vehicles under
21 this section and section 60-3,203 shall have his or her registration
22 certificates issued only after all fees under such sections are paid and,
23 if applicable, proof has been furnished of payment, in the form
24 prescribed by the director as directed by the United States Secretary of
25 the Treasury, of the federal heavy vehicle use tax imposed by 26 U.S.C.
26 4481 of the Internal Revenue Code as defined in section 49-801.01.

27 (6)(a) In the event of the transfer of ownership of any registered
28 apportionable vehicle, (b) in the case of loss of possession because of
29 fire, natural disaster, theft, or wrecking, junking, or dismantling of
30 any registered apportionable vehicle, (c) when a salvage branded
31 certificate of title is issued for any registered apportionable vehicle,

1 (d) whenever a type or class of registered apportioned vehicle is
2 subsequently declared by legislative act or court decision to be illegal
3 or ineligible to be operated or towed on the public roads and no longer
4 subject to registration fees and taxes, (e) upon trade-in or surrender of
5 a registered apportionable vehicle under a lease, or (f) in case of a
6 change in the situs of a registered apportionable vehicle to a location
7 outside of this state, its registration shall expire, except that if the
8 registered owner or lessee applies to the division after such transfer or
9 loss of possession and accompanies the application with a fee of one
10 dollar and fifty cents, he or she may have any remaining credit of
11 vehicle fees and taxes from the previously registered apportionable
12 vehicle applied toward payment of any vehicle fees and taxes due and
13 owing on another registered apportionable vehicle. If such registered
14 apportionable vehicle has a greater gross vehicle weight than that of the
15 previously registered apportionable vehicle, the registered owner or
16 lessee of the registered apportionable vehicle shall additionally pay
17 only the registration fee for the increased gross vehicle weight for the
18 remaining months of the registration year based on the factors determined
19 by the division in the original fleet application.

20 (7) Whenever a Nebraska-based fleet owner files an application with
21 the division to delete a registered apportionable vehicle from a fleet of
22 registered apportionable vehicles (a) because of a transfer of ownership
23 of the registered apportionable vehicle, (b) because of loss of
24 possession due to fire, natural disaster, theft, or wrecking, junking, or
25 dismantling of the registered apportionable vehicle, (c) because a
26 salvage branded certificate of title is issued for the registered
27 apportionable vehicle, (d) because a type or class of registered
28 apportioned vehicle is subsequently declared by legislative act or court
29 decision to be illegal or ineligible to be operated or towed on the
30 public roads and no longer subject to registration fees and taxes, (e)
31 because of a trade-in or surrender of the registered apportionable

1 vehicle under a lease, or (f) because of a change in the situs of the
2 registered apportionable vehicle to a location outside of this state, the
3 registered owner may, by returning the registration certificate or
4 certificates and such other evidence of registration used by the division
5 or, if such certificate or certificates or such other evidence of
6 registration is unavailable, then by making an affidavit to the division
7 of such transfer or loss, receive a refund of that portion of the unused
8 registration fee based upon the number of unexpired months remaining in
9 the registration year from the date of transfer or loss. No refund shall
10 be allowed for any fees paid under section 60-3,203. When such
11 apportionable vehicle is transferred or lost within the same month as
12 acquired, no refund shall be allowed for such month. Such refund may be
13 in the form of a credit against any registration fees that have been
14 incurred or are, at the time of the refund, being incurred by the
15 registered apportionable vehicle owner. The Nebraska-based fleet owner
16 shall make a claim for a refund under this subsection within the
17 registration period or shall be deemed to have forfeited his or her right
18 to the refund.

19 (8) In case of addition to the registered fleet during the
20 registration year, the owner engaged in operating the fleet shall pay the
21 proportionate registration fee from the date the vehicle was placed into
22 service or, if the vehicle was previously registered, the date the prior
23 registration expired or the date Nebraska became the base jurisdiction
24 for the fleet, whichever is first, for the remaining balance of the
25 registration year. The fee for any permanent license plate issued for
26 such addition pursuant to section 60-3,203 shall be the full fee required
27 by such section, regardless of the number of months remaining in the
28 license year.

29 (9) In lieu of registration under subsections (1) through (8) of
30 this section, the title holder of record may apply to the division for
31 special registration, to be known as an unladen-weight registration, for

1 any commercial motor vehicle or combination of vehicles which have been
2 registered to a Nebraska-based fleet owner within the current or previous
3 registration year. Such registration shall be valid only for a period of
4 thirty days and shall give no authority to operate the vehicle except
5 when empty. The fee for such registration shall be twenty dollars for
6 each vehicle, which fee shall be remitted to the State Treasurer for
7 credit to the Highway Trust Fund. The issuance of such permits shall be
8 governed by section 60-3,179.

9 (10) Any person may, in lieu of registration under subsections (1)
10 through (8) of this section or for other jurisdictions as approved by the
11 director, purchase a trip permit for any nonresident truck, truck-
12 tractor, bus, or truck or truck-tractor combination. A trip permit shall
13 be issued before any person required to obtain a trip permit enters this
14 state with such vehicle. The trip permit shall be issued by the director
15 through Internet sales from the department's web site. The trip permit
16 shall be valid for a period of seventy-two hours. The fee for the trip
17 permit shall be twenty-five dollars for each truck, truck-tractor, bus,
18 or truck or truck-tractor combination. The fee collected by the director
19 shall be remitted to the State Treasurer for credit to the Highway Cash
20 Fund.
