

LEGISLATURE OF NEBRASKA  
ONE HUNDRED FIFTH LEGISLATURE  
FIRST SESSION

**LEGISLATIVE BILL 295**

Introduced by Smith, 14.

Read first time January 11, 2017

Committee:

1 A BILL FOR AN ACT relating to revenue and taxation; to amend sections  
2 49-801.01, 77-2715.07, 77-2717, and 77-2734.03, Revised Statutes  
3 Cumulative Supplement, 2016; to adopt the Opportunity Scholarships  
4 Act; to provide for tax credits; to harmonize provisions; to provide  
5 an operative date; to provide for severability; and to repeal the  
6 original sections.

7 Be it enacted by the people of the State of Nebraska,

1           Section 1. Sections 1 to 13 of this act shall be known and may be  
2 cited as the Opportunity Scholarships Act.

3           Sec. 2. The Legislature finds that:

4           (1) Enabling the greatest number of parents and legal guardians to  
5 choose among quality educational opportunities for children will improve  
6 the quality of education available to all children;

7           (2) Privately operated elementary and secondary schools in Nebraska  
8 satisfy the state's requirements for legal operation and provide quality  
9 educational opportunities for children;

10          (3) For parents and legal guardians who are paying taxes in support  
11 of public elementary and secondary schools, choosing privately operated  
12 schools for their children can be a financial burden because typically  
13 these parents and legal guardians will be paying twice for education  
14 through tuition and taxes;

15          (4) Parents and legal guardians of limited means are less able to  
16 choose among quality educational opportunities for their children;

17          (5) Making it possible for more parents and legal guardians to be  
18 able to choose privately operated schools reduces publicly funded  
19 educational costs and benefits Nebraska taxpayers; and

20          (6) It is in the best interests of the State of Nebraska and its  
21 citizens to encourage individuals and businesses to support organizations  
22 that financially assist parents and legal guardians who want to enroll  
23 their children in privately operated elementary and secondary schools,  
24 and such encouragement can be accomplished through the use of tax  
25 credits.

28          (2) Education scholarship means a financial grant-in-aid to be used

21 codes that apply to privately operated schools, and (d) fulfills the  
22 applicable accreditation or approval requirements established by the  
23 State Board of Education pursuant to section 79-318;

24       (5) Scholarship-granting organization means a charitable

16           (2) If the applicant meets the requirements of this section, the  
17 department shall certify it as a scholarship-granting organization for  
18 tax-credit purposes under the Opportunity Scholarships Act. Such  
19 certification is subject to revocation by the department if the  
20 scholarship-granting organization subsequently fails to fulfill the  
21 requirements of this section or section 10 of this act.

22           Sec. 5. (1) An individual taxpayer who makes one or more cash  
23 contributions to one or more scholarship-granting organizations during a  
24 tax year shall be eligible for a credit against the income tax due under

27 (2) The tax credit allowed under this section shall be a

11 contributions to one or more scholarship-granting organizations during a  
12 tax year shall be eligible for a credit against the income tax due under  
13 the Nebraska Revenue Act of 1967. The amount of the credit shall be equal  
14 to the total amount of such contributions made during the tax year. Any  
15 credit not used by the estate or trust may be attributed to each  
16 beneficiary of the estate or trust in the same proportion used to report  
17 the beneficiary's income from the estate or trust for income tax  
18 purposes.

19       (2) The tax credit allowed under this section shall be a  
20 nonrefundable credit. Any amount of the tax credit that is unused may be  
21 carried forward and applied against the taxpayer's income tax liability  
22 for the next five years immediately following the tax year in which the  
23 credit is first allowed. The tax credit cannot be carried back.

24       (3) The taxpayer may not designate all or any part of the  
25 contribution to a scholarship-granting organization for the benefit of  
26 any eligible student specifically identified by the taxpayer. The  
27 taxpayer may not claim an income tax deduction with respect to any  
28 contribution to a scholarship-granting organization if the taxpayer is  
29 claiming a credit for such contribution under the Opportunity  
30 Scholarships Act.

31       (4) The tax credit allowed under this section is subject to section

1 9 of this act.

2       Sec. 8. (1) A corporate taxpayer as defined in section 77-2734.04  
3 which makes one or more cash contributions to one or more scholarship-  
4 granting organizations during a tax year shall be eligible for a credit  
5 against the income tax due under the Nebraska Revenue Act of 1967. The  
6 amount of the credit shall be equal to the total amount of such  
7 contributions made during the tax year.

8       (2) The tax credit allowed under this section shall be a  
9 nonrefundable credit. Any amount of the tax credit that is unused may be  
10 carried forward and applied against the taxpayer's income tax liability  
11 for the next five years immediately following the tax year in which the  
12 credit is first allowed. The tax credit cannot be carried back.

13       (3) The taxpayer may not designate all or any part of the  
14 contribution to a scholarship-granting organization for the benefit of  
15 any eligible student specifically identified by the taxpayer. The  
16 taxpayer may not claim an income tax deduction with respect to any  
17 contribution to a scholarship-granting organization if the taxpayer is  
18 claiming a credit for such contribution under the Opportunity  
19 Scholarships Act.

20       (4) The tax credit allowed under this section is subject to section  
21 9 of this act.

22       Sec. 9. (1) Prior to making a contribution to a scholarship-  
23 granting organization, any taxpayer desiring to claim a tax credit under  
24 the Opportunity Scholarships Act shall notify the scholarship-granting  
25 organization of the taxpayer's intent to make a contribution and the  
26 amount to be claimed as a tax credit. Upon receiving each such  
27 notification, the scholarship-granting organization shall notify the  
28 department of the intended tax credit amount. If the department  
29 determines that the intended tax credit amount in the notification would  
30 exceed the limit specified in subsection (3) of this section, the  
31 department shall notify the scholarship-granting organization of its

1 determination within thirty days after receipt of the notification. The  
2 scholarship-granting organization shall then promptly notify the taxpayer  
3 of the department's determination that the intended tax credit amount in  
4 the notification is not available. If an amount less than the amount  
5 indicated in the notification is available for a tax credit, the  
6 department shall notify the scholarship-granting organization of the  
7 available amount and the scholarship-granting organization shall promptly  
8 notify the taxpayer of the available amount.

9       (2) In order to be allowed a tax credit as provided by the act, the  
10 taxpayer shall make its contribution between thirty-one and sixty days  
11 after notifying the scholarship-granting organization of the taxpayer's  
12 intent to make a contribution. If the scholarship-granting organization  
13 does not receive the contribution within the required time period, it  
14 shall notify the department of such fact and the department shall no  
15 longer include such amount when calculating whether the limit prescribed  
16 in subsection (3) of this section has been exceeded. If the scholarship-  
17 granting organization receives the contribution within the required time  
18 period, it shall provide the taxpayer with a receipt for the  
19 contribution. The receipt shall show the name and address of the  
20 scholarship-granting organization, the date the scholarship-granting  
21 organization was certified by the department in accordance with section 4  
22 of this act, the name, address, and, if available, tax identification  
23 number of the taxpayer making the contribution, the amount of the  
24 contribution, and the date the contribution was received.

25       (3) The department shall consider notifications regarding intended  
26 tax credit amounts in the order in which they are received to ascertain  
27 whether the intended tax credit amounts are within the annual limit  
28 provided in this subsection. The annual limit on the total amount of tax  
29 credits for calendar year 2018 shall be ten million dollars. The annual  
30 limit on the total amount of tax credits for calendar year 2019 and each  
31 calendar year thereafter shall be calculated by taking the annual limit

1 from the prior calendar year and then multiplying such amount by:

2 (a) One hundred twenty-five percent if the intended tax credit  
3 amounts in the prior calendar year exceeded ninety percent of the annual  
4 limit applicable to that calendar year; or

5 (b) One hundred percent if the intended tax credit amounts in the  
6 prior calendar year did not exceed ninety percent of the annual limit  
7 applicable to that calendar year.

8 (4) The State Department of Education and the Department of Revenue  
9 shall publish on their respective web sites information identifying the  
10 annual limit when it is increased pursuant to subsection (3) of this  
11 section.

12 (5) Once credits have reached the designated annual limit for any  
13 calendar year, no additional credits shall be allowed for such calendar  
14 year. Credits shall be prorated among the notifications received on the  
15 day the annual limit is exceeded.

16 Sec. 10. (1) In order for a scholarship-granting organization to  
17 remain certified under the Opportunity Scholarships Act, the scholarship-  
18 granting organization shall allocate its revenue as follows:

19 (a) If the annual limit on tax credits under section 9 of this act  
20 is less than twenty million dollars, the scholarship-granting  
21 organization shall allocate at least ninety percent of its revenue for  
22 education scholarships and no more than ten percent of its revenue shall  
23 be used or reserved for administrative costs; or

24 (b) If the annual limit on tax credits under section 9 of this act  
25 is twenty million dollars or more, the scholarship-granting organization  
26 shall allocate at least ninety-five percent of its revenue for education  
27 scholarships and no more than five percent of its revenue shall be used  
28 or reserved for administrative costs.

29 (2) For purposes of this section, revenue is allocated when it is  
30 expended or otherwise irrevocably encumbered for expenditure. The

1 measured as a monthly average over the most recent twenty-four-month  
2 period or, for a scholarship-granting organization that has been  
3 certified for less than twenty-four months, over the period of time that  
4 the scholarship-granting organization has been certified.

5       Sec. 11. (1) Each scholarship-granting organization shall annually

14 contributions received for education scholarships in the most recent  
15 fiscal year, and (d) the total amount of education scholarships awarded  
16 in the most recent fiscal year.

17       (3) The department shall electronically forward such reports and  
18 summary descriptions to the Governor and the Legislature no later than  
19 December 31 of each year.

20       Sec. 12. The Opportunity Scholarships Act shall not be construed as  
21 granting any expanded or additional authority to the State of Nebraska to  
22 control or influence the governance or policies of any qualified school  
23 due to the fact that the qualified school admits and enrolls students who  
24 receive education scholarships or as requiring any such qualified school  
25 to admit or, once admitted, to continue the enrollment of any student  
26 receiving an education scholarship.

27       Sec. 13. The department may adopt and promulgate rules and  
28 regulations to carry out the Opportunity Scholarships Act.

13 beneficiaries are residents of the State of Nebraska, all of the trust's  
14 income is derived from sources in this state, and the trust has no  
15 federal tax liability. The fiduciary shall be responsible for making the

17 income be taxable to the estate or trust or to the beneficiaries thereof.  
18 The fiduciary shall include in the return a statement of each  
19 beneficiary's distributive share of net income when such income is  
20 taxable to such beneficiaries.

21 (3) The beneficiaries of such estate or trust who are residents of  
22 this state shall include in their income their proportionate share of  
23 such estate's or trust's federal income and shall reduce their Nebraska  
24 tax liability by their proportionate share of the credits as provided in

3 (4) If any beneficiary of such estate or trust is a nonresident  
4 during any part of the estate's or trust's taxable year, he or she shall

6 adjusted gross income that portion of the estate's or trust's Nebraska  
7 income, as determined under sections 77-2724 and 77-2725, allocable to

19 derived from or connected with sources in this state, and such agreement  
20 shall be attached to the Nebraska fiduciary return for such taxable year.

21 (5) In the absence of the nonresident beneficiary's executed  
22 agreement being attached to the Nebraska fiduciary return, the estate or  
23 trust shall remit a portion of such beneficiary's income which was  
24 derived from or attributable to Nebraska sources with its Nebraska return  
25 for the taxable year. For taxable years beginning or deemed to begin  
26 before January 1, 2013, the amount of remittance, in such instance, shall  
27 be the highest individual income tax rate determined under section  
28 77-2715.02 multiplied by the nonresident beneficiary's share of the  
29 estate or trust income which was derived from or attributable to sources  
30 within this state. For taxable years beginning or deemed to begin on or  
31 after January 1, 2013, the amount of remittance, in such instance, shall

1 be the highest individual income tax rate determined under section  
2 77-2715.03 multiplied by the nonresident beneficiary's share of the  
3 estate or trust income which was derived from or attributable to sources  
4 within this state. The amount remitted shall be allowed as a credit  
5 against the Nebraska income tax liability of the beneficiary.

6 (6) The Tax Commissioner may allow a nonresident beneficiary to not  
7 file a Nebraska income tax return if the nonresident beneficiary's only

11 income tax return, and the estate or trust has remitted the amount  
12 required by subsection (5) of this section on behalf of such nonresident  
13 beneficiary. The amount remitted shall be retained in satisfaction of the  
14 Nebraska income tax liability of the nonresident beneficiary.

15 (7) For purposes of this section, unless the context otherwise  
16 requires, simple trust shall mean any trust instrument which (a) requires  
17 that all income shall be distributed currently to the beneficiaries, (b)  
18 does not allow amounts to be paid, permanently set aside, or used in the  
19 tax year for charitable purposes, and (c) does not distribute amounts  
20 allocated in the corpus of the trust. Any trust which does not qualify as  
21 a simple trust shall be deemed a complex trust.

22 (8) For purposes of this section, any beneficiary of an estate or  
23 trust that is a grantor trust of a nonresident shall be disregarded and  
24 this section shall apply as though the nonresident grantor was the  
25 beneficiary.
