27 will adversely affect the juvenile's mental state and the treatment
28 thereof.

29 (9) Nothing in subsection (3), (5), or (6) of this section shall be
30 construed to restrict the immediate and public dissemination of a current
31 picture and information about a child who is missing from a foster or

31 Sec. 4. Section 43-4702, Reissue Revised Statutes of Nebraska, is

1 amended to read:

2 43-4702 The Legislature finds that every day a parent makes
3 important decisions about his or her child's participation in activities
4 and that a caregiver for a child in out-of-home care is faced with making
5 the same decisions for a child in his or her care.

6 The Legislature also finds that, when a caregiver makes decisions,
7 he or she must consider applicable laws, rules, and regulations to
8 safeguard the health and safety of a child in out-of-home care and that
9 those laws, rules, and regulations have commonly been interpreted to
10 prohibit children in out-of-home care from participating in
11 extracurricular, enrichment, cultural, and social activities.

12 The Legislature further finds that participation in these types of
13 activities is important to a child's well-being, not only emotionally,
14 but in developing valuable life skills.

15 It is the intent of the Legislature to recognize the importance of
16 parental rights and the different rights that exist dependent on a
17 variety of factors, including the age and maturity of the child, the
18 status of the case, and the child's placement with and role of the
19 Department of Health and Human Services or the Office of Probation
20 Administration.

21 It is the intent of the Legislature to recognize the importance of
22 race, culture, and identity for children in out-of-home care.

23 It is the intent of the Legislature to recognize the importance of
24 making every effort to normalize the lives of children in out-of-home
25 care and to empower a caregiver to approve or disapprove a child's
26 participation in activities based on the caregiver's own assessment using
27 a reasonable and prudent parent standard.

28 It is the intent of the Legislature to implement the federal
29 Preventing Sex Trafficking and Strengthening Families Act, Public Law
30 113-183, as such act existed on January 1, 2016.
