14 determining the Nebraska injurisdiction fleet distance.

15 (iii) Beginning July 1, 2025, upon receipt of such statement and
16 application, the division shall determine the total fee payment, which
17 shall be equal to the amount of fees due pursuant to section 60-3,203 and
18 the amount obtained by applying the formula provided in section 60-3,204
19 to a fee of thirty-three dollars and fifty cents per ton based upon gross
20 vehicle weight of the empty weights of a truck or truck-tractor and the
21 empty weights of any trailer or combination thereof with which it is to
22 be operated in combination at any one time plus the weight of the maximum
23 load to be carried thereon at any one time, and shall notify the
24 applicant of the amount of payment required to be made. Mileage operated
25 in noncontracting reciprocity jurisdictions by apportionable vehicles
26 based in Nebraska shall be applied to the portion of the formula for
27 determining the Nebraska injurisdiction fleet distance.

28 (c) Temporary authority which permits the operation of a fleet or an
29 addition to a fleet in this state while the application is being
30 processed may be issued upon application to the division if necessary to
31 complete processing of the application.

1 (d) Upon completion of such processing and receipt of the
2 appropriate fees, the division shall issue to the applicant a sufficient
3 number of distinctive registration certificates which provide a list of
4 the jurisdictions in which the apportionable vehicle has been
5 apportioned, the weight for which registered, and such other evidence of
6 registration for display on the apportionable vehicle as the division
7 determines appropriate for each of the apportionable vehicles of his or
8 her fleet, identifying it as a part of an interjurisdiction fleet
9 proportionately registered. Such registration certificates may be
10 displayed as a legible paper copy or electronically as authorized by the
11 department. All fees received as provided in this section shall be
12 remitted to the State Treasurer for credit to the Motor Carrier Services
13 Division Distributive Fund.

14 (e) The apportionable vehicles so registered shall be exempt from
15 all further registration and license fees under the Motor Vehicle
16 Registration Act for movement or operation in the State of Nebraska
17 except as provided in section 60-3,203. The proportional registration and
18 licensing provision of this section shall apply to apportionable vehicles
19 added to such fleets and operated in this state during the license period
20 ~~year~~ except with regard to permanent license plates issued under section
21 60-3,203.

22 (f) The right of applicants to proportional registration under this
23 section shall be subject to the terms and conditions of any reciprocity
24 agreement, contract, or consent made by the division.

25 (g) When a nonresident fleet owner has registered his or her
26 apportionable vehicles, his or her apportionable vehicles shall be
27 considered as fully registered for both interjurisdiction and
28 intrajurisdiction commerce when the jurisdiction of base registration for
29 such fleet accords the same consideration for fleets with a base
30 registration in Nebraska. Each apportionable vehicle of a fleet
31 registered by a resident of Nebraska shall be considered as fully

1 registered for both interjurisdiction and intrajurisdiction commerce.

2 (2) Mileage proportions for interjurisdiction fleets not operated in
3 this state during the preceding year shall be determined by the division
4 upon the application of the applicant on forms to be supplied by the
5 division which shall show the operations of the preceding year in other
6 jurisdictions and estimated operations in Nebraska or, if no operations
7 were conducted the previous year, a full statement of the proposed method
8 of operation.

9 (3) Any owner complying with and being granted proportional
10 registration shall preserve the records on which the application is made
11 for a period of three years following the current registration period
12 ~~year~~. Upon request of the division, the owner shall make such records
13 available to the division at its office for audit as to accuracy of
14 computation and payments or pay the costs of an audit at the home office
15 of the owner by a duly appointed representative of the division if the
16 office where the records are maintained is not within the State of
17 Nebraska. The division may enter into agreements with agencies of other
18 jurisdictions administering motor vehicle registration laws for joint
19 audits of any such owner. All payments received to cover the costs of an
20 audit shall be remitted by the division to the State Treasurer for credit
21 to the Motor Carrier Division Cash Fund. No deficiency shall be assessed
22 and no claim for credit shall be allowed for any license registration
23 period ~~year~~ for which records on which the application was made are no
24 longer required to be maintained.

25 (4) If the division claims that a greater amount of fee is due under
26 this section than was paid, the division shall notify the owner of the
27 additional amount claimed to be due. The owner may accept such claim and
28 pay the amount due, or he or she may dispute the claim and submit to the
29 division any information which he or she may have in support of his or
30 her position. If the dispute cannot otherwise be resolved within the
31 division, the owner may petition for an appeal of the matter. The

1 director shall appoint a hearing officer who shall hear the dispute and
2 issue a written decision. Any appeal shall be in accordance with the
3 Administrative Procedure Act. Upon expiration of the time for perfecting
4 an appeal if no appeal is taken or upon final judicial determination if
5 an appeal is taken, the division shall deny the owner the right to
6 further registration for a fleet license until the amount finally
7 determined to be due, together with any costs assessed against the owner,
8 has been paid.

9 (5) Every applicant who licenses any apportionable vehicles under
10 this section and section 60-3,203 shall have his or her registration
11 certificates issued only after all fees under such sections are paid and,
12 if applicable, proof has been furnished of payment, in the form
13 prescribed by the director as directed by the United States Secretary of
14 the Treasury, of the federal heavy vehicle use tax imposed by 26 U.S.C.
15 4481 of the Internal Revenue Code as defined in section 49-801.01.

16 (6)(a) In the event of the transfer of ownership of any registered
17 apportionable vehicle, (b) in the case of loss of possession because of
18 fire, natural disaster, theft, or wrecking, junking, or dismantling of
19 any registered apportionable vehicle, (c) when a salvage branded
20 certificate of title is issued for any registered apportionable vehicle,
21 (d) whenever a type or class of registered apportioned vehicle is
22 subsequently declared by legislative act or court decision to be illegal
23 or ineligible to be operated or towed on the public roads and no longer
24 subject to registration fees and taxes, (e) upon trade-in or surrender of
25 a registered apportionable vehicle under a lease, or (f) in case of a
26 change in the situs of a registered apportionable vehicle to a location
27 outside of this state, its registration shall expire, except that if the
28 registered owner or lessee applies to the division after such transfer or
29 loss of possession and accompanies the application with a fee of one
30 dollar and fifty cents, he or she may have any remaining credit of
31 vehicle fees and taxes from the previously registered apportionable

1 vehicle applied toward payment of any vehicle fees and taxes due and
2 owing on another registered apportionable vehicle. If such registered
3 apportionable vehicle has a greater gross vehicle weight than that of the
4 previously registered apportionable vehicle, the registered owner or
5 lessee of the registered apportionable vehicle shall additionally pay
6 only the registration fee for the increased gross vehicle weight for the
7 remaining months of the registration period ~~year~~ based on the factors
8 determined by the division in the original fleet application.

9 (7) Whenever a Nebraska-based fleet owner files an application with
10 the division to delete a registered apportionable vehicle from a fleet of
11 registered apportionable vehicles (a) because of a transfer of ownership
12 of the registered apportionable vehicle, (b) because of loss of
13 possession due to fire, natural disaster, theft, or wrecking, junking, or
14 dismantling of the registered apportionable vehicle, (c) because a
15 salvage branded certificate of title is issued for the registered
16 apportionable vehicle, (d) because a type or class of registered
17 apportioned vehicle is subsequently declared by legislative act or court
18 decision to be illegal or ineligible to be operated or towed on the
19 public roads and no longer subject to registration fees and taxes, (e)
20 because of a trade-in or surrender of the registered apportionable
21 vehicle under a lease, or (f) because of a change in the situs of the
22 registered apportionable vehicle to a location outside of this state, the
23 registered owner may, by returning the registration certificate or
24 certificates and such other evidence of registration used by the division
25 or, if such certificate or certificates or such other evidence of
26 registration is unavailable, then by making an affidavit to the division
27 of such transfer or loss, receive a refund of that portion of the unused
28 registration fee based upon the number of unexpired months remaining in
29 the registration period ~~year~~ from the date of transfer or loss. No refund
30 shall be allowed for any fees paid under section 60-3,203. When such
31 apportionable vehicle is transferred or lost within the same month as

1 acquired, no refund shall be allowed for such month. Such refund may be
2 in the form of a credit against any registration fees that have been
3 incurred or are, at the time of the refund, being incurred by the
4 registered apportionable vehicle owner. The Nebraska-based fleet owner
5 shall make a claim for a refund under this subsection within the
6 registration period or shall be deemed to have forfeited his or her right
7 to the refund.

8 (8) In case of addition to the registered fleet during the
9 registration period year, the owner engaged in operating the fleet shall
10 pay the proportionate registration fee from the date the vehicle was
11 placed into service or, if the vehicle was previously registered, the
12 date the prior registration expired or the date Nebraska became the base
13 jurisdiction for the fleet, whichever is first, for the remaining balance
14 of the registration period year. The fee for any permanent license plate
15 issued for such addition pursuant to section 60-3,203 shall be the full
16 fee required by such section, regardless of the number of months
17 remaining in the license period year.

18 (9) In lieu of registration under subsections (1) through (8) of
19 this section, the title holder of record may apply to the division for
20 special registration, to be known as an unladen-weight registration, for
21 any commercial motor vehicle or combination of vehicles which have been
22 registered to a Nebraska-based fleet owner within the current or previous
23 registration period year. Such registration shall be valid only for a
24 period of thirty days and shall give no authority to operate the vehicle
25 except when empty. The fee for such registration shall be twenty dollars
26 for each vehicle, which fee shall be remitted to the State Treasurer for
27 credit to the Highway Trust Fund. The issuance of such permits shall be
28 governed by section 60-3,179.

29 (10) Any person may, in lieu of registration under subsections (1)
30 through (8) of this section or for other jurisdictions as approved by the
31 director, purchase a trip permit for any nonresident truck, truck-

1 tractor, bus, or truck or truck-tractor combination. A trip permit shall
2 be issued before any person required to obtain a trip permit enters this
3 state with such vehicle. The trip permit shall be issued by the director
4 through Internet sales from the department's website. The trip permit
5 shall be valid for a period of seventy-two hours. The fee for the trip
6 permit shall be twenty-five dollars for each truck, truck-tractor, bus,
7 or truck or truck-tractor combination. The fee collected by the director
8 shall be remitted to the State Treasurer for credit to the Highway Cash
9 Fund.

14 60-3,198 unless a truck, truck-tractor, or trailer has been deleted from
15 the fleet registration.

16 (5)(a) If a permanent license plate is lost or destroyed, the owner
17 shall submit an affidavit to that effect to the division prior to any
18 deletion of the truck, truck-tractor, or trailer from the fleet
19 registration. If the truck, truck-tractor, or trailer is not deleted from
20 the fleet registration, a replacement permanent license plate may be
21 issued upon payment of a fee of three dollars for each truck or truck-
22 tractor and six dollars per trailer.

23 (b) If the registration certificate for any fleet vehicle is lost or
24 stolen, the division shall collect a fee of one dollar for replacement of
25 such certificate.

26 (6) If a truck, truck-tractor, or trailer for which a permanent
27 license plate has been issued pursuant to this section is deleted from
28 the fleet registration due to loss of possession by the registrant, the
